

Attributes 2221

Chapter 2221

"Why have you suddenly changed now? If you don't go to school, where are you going?"

After Ouyang Zhengxiong heard Nangong Ying's questions about him, he had no intention of lying to Nangong Ying.

"I should have told you before, I entered the court"

"Now the emperor requires me to join the army, and I originally came to Kamikaze Academy just to be plated with gold."

After Nangong Ying heard Ouyang Zhengxiong's unhesitating words, his face became darker and darker.

If Ouyang Zhengxiong had said earlier that he would not stay at Shenfeng Academy for a long time, he would not have to go to Shenfeng Academy. He has become a teacher at the Feng Academy.

If Ouyang Zhengxiong leaves like this again, can he still stay in the Feng Academy?

"Why didn't you tell me this earlier? I thought you would always be studying at Kamikaze Academy"

"That's why I went to be a teacher in the Kamikaze Academy. If you leave suddenly like this, what do you want me to do?"

After Ouyang Zhengxiong heard Nangong Ying's words, he knew that he was sorry for Nangong Ying.

But he didn't expect that things would happen so suddenly. He had the same idea as Nangong Ying. He thought he would be in Kamikaze. I stayed in the academy for a long time, but I didn't expect that the emperor's ideas would always come out of the blue.

"Nangong, I'm really sorry. I didn't expect that the emperor would suddenly issue such an order."

"In fact, my initial thoughts were the same as yours. Otherwise, I wouldn't have let you go to Kamikaze Academy."

"In short, in the final analysis, this matter is my fault and I broke the promise."

Ouyang Zhengxiong was very sincere and asked Nangong Ying to apologize.

The sincerity revealed in his eyes made Nangong Ying unable to blame Ouyang Zhengxiong anymore.

After seeing Ouyang Zhengxiong like this, Nangong Ying also knew that he was in the court. I can't help it.

If Ouyang Zhengxiong had a choice, he might have left the court long ago

"I really don't understand, what's your reason for persisting in the court?"

"I can see that you don't like being in the court, but why do you keep forcing yourself like this?"

After Ouyang Zhengxiong heard Nangong Ying's words, he knew that Nangong Ying did not understand this matter.

It was expected that Nangong Ying did not understand this matter.

If Nangong Ying understood it, he would feel strange

"This matter is related to my friend's family affairs. Please, I can't tell you."

"I'm going to the army soon and may not be able to come back often"

"I have a very important thing to ask you."

After hearing what Ouyang Zhengxiong said, Nangong Ying fell in love with Ouyang Zhengxiong with an irritated look. It was already a good thing for him to forgive Ouyang Zhengxiong, but he didn't expect that Ouyang Zhengxiong would dare to make conditions to him.

"Can you figure out where you are now?"

"You should be apologizing to me now. I haven't forgiven you yet?"

"Why did you just ask me to make something for you?"

"Just tell me, if I need to ask you for something, let me see if I can agree to it?"

After hearing what Nangong Ying said, a smile appeared on Ouyang Zhengxiong's face.

He knew that Nangong Ying was a hard-spoken person with a soft heart. If Nangong Ying knew what this matter was, he would definitely choose to help him in the end.

"I have a friend who needs your protection, she is a woman"

"She is in Yuchun Tower."

After Nangong Ying heard Ouyang Zhengxiong's words, he looked at Ouyang Zhengxiong angrily.

Although he had just arrived here not long ago, he also knew what Yuchun Tower was.

If Ouyang Zhengxiong really valued As for that friend, he should be redeemed from Yuchun Tower.

Instead of letting him go to Yuchun Tower to protect the girl.

Besides, the kind of place in Yuchun Tower is not something he can enter if he wants to.

Although Yuchun Tower is a brothel, every girl has to pick up customers.

If he goes there at the wrong time, he will not be able to communicate with that girl.

"If you really care about her, why not redeem her?"

"Why must she live in Yuchun Tower? That place is a mixed bag, and accidents are easy to happen."

Ouyang Zhengxiong knew that Nangong Ying had the same thoughts as him, but it was a pity that Yu'er could not know his thoughts.

Moreover, Yu'er could not understand his thoughts. After all, there was a distance between them.

"Of course I know that ransoming her is the best choice, but she doesn't want to come out"

"She still has unfinished business there. When she finishes her business, she will probably want to come out with me."

"Over the years, she has been living in Yuchun Tower. She has long regarded Yuchun Tower as her second home."

"If I take her away rashly like this, it will only make her unhappy."

After hearing what Ouyang Zhengxiong said, Nangong Ying reluctantly nodded.

It seems that the relationship between Ouyang Zhengxiong and this woman is not clear.

Maybe they will still be a couple, but I don't know

How could a man as good as Ouyang Zhengxiong fall in love with a girl from Yuchun Tower?

Chapter 2222

And that girl still refuses to go out with Ouyang Zhengxiong.

"What is your relationship with that girl?"

"If she likes you, how could she not be willing to go out with you?"

After Ouyang Zhengxiong heard these words, he was a little eager to clarify the relationship between him and Yu'er.

"Don't talk nonsense, I just think of her as my sister"

"She is the daughter of my benefactor, and I have always treated her as a sister."

"Later, something happened to her family, and now she is the only one left, and she was sold to a brothel."

"Of course I have to treat her well, if she is willing to leave the brothel"

"Even if I lose everything, I will help her leave, but it's a pity....."

After hearing Ouyang Zhengxiong's words, Nangong Ying gradually fell silent.

Nangong Ying finally understood Ouyang Zhengxiong's thoughts on that girl, but who knew if that girl had thoughts like Ouyang Zhengxiong's?

Ouyang Zhengxiong is living so dazzlingly now, and has always lived under the sun, it is very likely that he will become the type that that woman likes.

In addition, Ouyang Zhengxiong is still her old acquaintance, so she is even more likely to fall in love with Ouyang Zhengxiong.

"Then how can I find her there? I don't know who she is?"

"And you said she is from Yuchun Tower, doesn't she have to receive guests?"

Ouyang Zhengxiong was a little surprised that Nangong Ying actually agreed to him like this.

He originally thought that he would have to talk to Nangong Ying for a long time, and most people in the world were prejudiced against women in brothels.

But Nangong Ying seemed to have no such idea at all. He seemed There is no prejudice against people in brothels.

It seems that Yu'er is really treated as an ordinary person. After

Ouyang Zhengxiong saw Nangong Ying like this again, he really felt very happy.

Yu'er could have someone treat her like this As a person, Yu'er will definitely be very happy herself

"I will take you to meet Yu'er today. After you go, don't mention her sadness."

"You just have to be responsible for keeping her safe!"

"I'm very afraid that something will happen to him. As you said, there is a mixed bag in Yuchun Tower."

"If something unexpected happened, I would regret it to death."

After hearing Ouyang Zhengxiong's words, Nangong Ying nodded, knowing that Yu'er is very important to Ouyang Zhengxiong.

He will definitely treat Yu'er well and will not let Yu'er get hurt at all.

But Nangong Ying thought at this time It was fine, but when he saw Yu'er for the first time, he had already left his heart with Yu'er.

Coupled with his future interactions with Yu'er, he was completely smitten with Yu'er. In this whirlpool.

But what he didn't expect was that the separation between him and Yu'er was also caused by him.

Whenever Nangong Ying thought of what he said to Ouyang Zhengxiong today, Nangong Ying felt very regretful.

If he had never I have never told Ouyang Zhengxiong these things, and I have never promised these things.

Is it possible that he is still the cold, arrogant and dignified Nangong Master before.

Unfortunately, some things happen, they just happen, and the encounters of some people are... It's destined.

You can't hide. Even if you don't meet at this time, you will definitely learn this lesson next time.

Ouyang Zhengxiong took Yu'er to Yuchun Tower

"Oh, by the way, Yu'er has been hired by me. She only needs to live here by herself every month."

"She doesn't have to accept customers. What if you see any customer bullying her? You must protect her."

After hearing Ouyang Zhengxiong's words, Nangong Ying suddenly felt that Ouyang Zhengxiong was a very rich man.

Otherwise, how could Ouyang Zhengxiong hire someone as soon as he said he would hire someone to come? A rich man like Ouyang Zhengxiong His attitude is beyond even his reach

"Don't worry, I remember it, I will definitely protect Yu'er"

"But what should I do if Yu'er doesn't need my protection?"

Nangong Ying always has an intuition that Yu'er is very likely to like Ouyang Zhengxiong.

The relationship between a man and a woman in this world is not clear. Even if they are really just friends, they will be misunderstood by others.

Now Nangong Ying Just like this, I never felt that the relationship between Yu'er and Ouyang Zhengxiong was innocent.

But when Nangong Ying really saw Yu'er, she suddenly really hoped that it would be like Ouyang Zhengxiong said.

He and Yu'er were just relatives, just good friends. Friend.

Soon, Ouyang Zhengxiong brought Nangong Ying to Yu'er's door.

Ouyang Zhengxiong did not choose his interest at the beginning, but asked Yu'er's opinion outside the door.

This time Yu'er was unwell, She didn't go to inquire about the news, otherwise she would probably be bumped into by Ouyang Zhengxiong.

After seeing Ouyang Zhengxiong coming, Yu'er's face became very happy.

Even if she had a smile on her face before, I still felt that she was very lethargic and had a gloomy face.

But it was different now. When Yu'er saw Ouyang Zhengxiong, it was as if she had been injected with life and regained her brilliance.

It was like a dead tree blooming with spring.

Chapter 2223

Yu'er's smile was seen by Nangong Ying, who came in from behind.

Nangong Ying had never thought that there were beauties with such beautiful smiles in this world.

The first time Nangong Ying saw Yu'er again, she fell directly into Yu'er's smile.

Nangong Ying couldn't help but look a little stupid, forgetting his actions.

When Ouyang Zhengxiong saw that Nangong Ying did not follow him, he looked behind him in surprise.

Ouyang Zhengxiong saw Nangong Ying's eyes. Nangong Ying was looking at Yu'er now.

If Nangong Ying really likes Yu'er, then it would be a good choice for the two of them to tie the knot.

After all, Nangong Ying and Yu'er are also a perfect match.

In addition, Ouyang Zhengxiong will be very relieved when Yu'er is handed over to Nangong Ying.

"Nangong, what are you doing?"

In order to prevent Nangong Ying from appearing in front of Yu'er for the first time, he tested Ouyang Zhengxiong and decided to wake up Nangong Ying.

Nangong Ying only reacted after Ouyang Zhengxiong shouted to him.

"Isn't this because he saw the beauty and didn't react for a moment?"

"I also hope Ouyang can forgive me."

Ouyang Zhengxiong laughed after hearing Nangong Ying's words and pulled Nangong Ying to his side.

"Yu'er, don't argue with him, he is Nangong Ying"

"You can also do the same as me and just call him Nangong or Ying."

After Yu'er heard Ouyang Zhengxiong's words, she bowed slightly to Nangong Ying with some restraint.

After Nangong Ying reacted, she also bowed to Yu'er.

This relationship between the two of them Etiquette, but there is a big gap between Yu'er, after seeing Nangong Ying's stunned scene.

She felt that Nangong Ying was quite funny, and she laughed out loud the next second.

But she didn't expect that it was Yu'er's smile. , which made Nangong Ying even more stupid.

After seeing Nangong Ying like this, Ouyang Zhengxiong really hated iron.

If Nangong Ying really likes Yu'er, he should have a good chat with Yu'er. , instead of looking here

"Nangong Ying, this is the Yu'er I told you before"

"I just said that our Yu'er is very beautiful. You still don't believe it, but now you just stare at it, right?"

After Nangong Ying heard Ouyang Zhengxiong say such words, he immediately began to explain to Yu'er in a panic.

He had never believed Ouyang Zhengxiong, and Ouyang Zhengxiong had never told him about Yu'er's appearance.

"You're not a girl. Don't listen to his nonsense. He has never told me about your appearance."

"It's not that I didn't mean to say you're not good-looking, I....."

After hearing Nangong Ying's panicked explanation, Yu'er even burst into tears.

After Ouyang Zhengxiong saw Yu'er's smile, he felt that there was a fate between Yu'er and Nangong Ying.

Otherwise, where does this subtle aura between Yu'er and Nangong Ying come from?

"Okay, stop looking so stupid. You look weird."

After Nangong Ying heard Ouyang Zhengxiong say such words, he looked at Ouyang Zhengxiong again and again.

If he had known that Ouyang Zhengxiong was so ruthless to him, he would have rebelled against Ouyang Zhengxiong.

Yu'er After seeing both of them calm down, they also calmed down

"Brother Ouyang, why did you bring Nangong here with you this time?"

Nangong Ying blushed a little when he heard Yu'er calling his name.

It was the first time that he felt that his last name was so lingering when someone called him.

And after hearing Yu'er's words, Ouyang Zhengxiong put his hand in his hand. The tea cup is placed on the table

"I called him here this time to introduce you two to each other."

"I'm going to the military camp tomorrow. I may not have much time to come back to see you."

"If you run into any trouble, just go to Nangong directly and he will help you."

After hearing what Ouyang Zhengxiong said, Yu'er's eyebrows were a little downcast, as if she was very angry about her and Ouyang Zhengxiong's upcoming separation.

After seeing this scene, Nangong's smile froze on his face. Go up.

If he didn't feel wrong, Yu'er liked Ouyang Zhengxiong.

It's a pity that falling flowers are intentional and flowing water is ruthless. Ouyang Zhengxiong didn't take Yu'er's friendship to heart at all.

It can't be said that he didn't put Yu'er's friendship at all. In my heart, I can only say that Ouyang Zhengxiong only regards Yu'er as his sister.

Ouyang Zhengxiong really regards Yu'er as his sister and has never had any delusions about Yu'er.

"Yes, Ouyang will leave here soon."

"But don't worry, I won't leave here. You can come to me at any time."

After Yu'er heard Nangong Ying's words, he smiled reluctantly.

He was not very familiar with Nangong Ying, and he had never met Nangong Ying.

It would be too abrupt for him to go to Nangong Ying.

"No need, brother Ouyang, if you want to go to the army, just go with peace of mind."

"I can take care of myself by myself. Wasn't it me who I was before?"

"There's no need to bother Nangong."

Ouyang Zhengxiong frowned after hearing Yu'er's words.

Chapter 2224

The reason why Yu'er was alone here before was because he had never seen Yu'er before.

He didn't know that Yu'er had been living in a brothel. Otherwise, he would have brought Yu'er back long ago.

"It was before, it is now, it was because I didn't know"

"Now that I know, there is absolutely no way I would leave you alone in such a messy place"

"If something really happens to you, then you go find Nangong"

"I don't want to see you alone and helpless."

After hearing what Ouyang Zhengxiong said, Yu'er had no choice but to agree to Ouyang Zhengxiong.

But she was still very worried about Ouyang Zhengxiong. Life in the army was very difficult.

If Ouyang Zhengxiong had told her earlier, she could have helped. Ouyang Zhengxiong shows off two more clothes

"Brother Ouyang, why didn't you tell me the news earlier?"

"Tell me now, even if I stay up late to dress you, it's already too late."

Yu'er's face was very anxious at this time. Ouyang Zhengxiong was actually very happy after hearing Yu'er's words.

But she didn't need Yu'er to dress him, as long as Yu'er could take care of herself.

"Fool, I don't need this, you just need to take care of yourself"

"Besides, if you really wear two pieces of clothing, it will cost your eyes a lot."

"It doesn't matter, just take good care of yourself here. Nangong will come to see you from time to time on my behalf."

Nangong Ying nodded after hearing Ouyang Zhengxiong's words.

"Miss Yu'er, don't worry, I will definitely come to see you from time to time"

"I will never let anyone bully you."

Whether it is Ouyang Zhengxiong or Yu'er, at this time they only thought that what Nangong Ying said was a joke.

But they did not expect that what Nangong Ying said was the truth, and he kept this promise throughout his life.

Although in the end, He was not able to protect Yu'er for the rest of his life, but he remembered Yu'er's promise for the rest of his life.

Ouyang Zhengxiong seemed to have thought of something at this time, and took out two peace charms from his arms

"This is the peace charm I drew myself. You must bring it with you."

"Maybe if something happens, he will protect you."

Yu'er has always tidied away Ouyang Zhengxiong's things.

But after hearing Ouyang Zhengxiong's blessings to her, Yu'er's smile became even sweeter.

"Brother Ouyang, don't worry, I will take good care of the amulet you gave me."

After Ouyang Zhengxiong heard Yu'er's words, he looked at Yu'er with some disapproval.

"I don't need you to keep the amulet properly, I want you to make good use of it"

"Nangong is also a master at drawing charms. If you feel something is wrong or need help, you must go to him."

After Yu'er heard Ouyang Zhengxiong's words, she could only nod helplessly. She knew that Ouyang Zhengxiong was worried about her, and she was just saying these words to promise Ouyang Zhengxiong to reassure Ouyang Zhengxiong.

After Ouyang Zhengxiong left , , she will not go to Nangong Ying. Nangong Ying looks like a kid from a rich family.

Or he is a wandering knight. How could he have time to waste on her?

She has never thought about getting married. She also didn't want Ouyang Zhengxiong to spend all his efforts to find a husband for her.

In this way, Ouyang Zhengxiong and the other three gathered here for a while before leaving.

After Ouyang Zhengxiong and Nangong Ying left here, they looked at each other with joking expressions. Looking at Nangong Ying.

Nangong Ying's face now looked full of reluctance, which made Ouyang Zhengxiong feel very funny.

He remembered what Nangong Ying said to him before, and he seemed to have disdain for Yu'er before.

"Nangong, I remember that when you first heard that Yu'er was a brothel girl, you seemed to reject her."

"Why do you suddenly have a crush on her now?"

After Nangong Ying heard that Ouyang Zhengxiong picked up her sex, she smiled at Ouyang Zhengxiong a little embarrassedly.

He didn't expect that Yu'er was so beautiful.

People are all visual animals, even Nangong Ying. exception

"Yu'er is so beautiful and looks well-educated"

"He must have been raised pampered since he was a child, and something happened to his family that would lead him to this state."

After hearing Nangong Ying's words, Ouyang Zhengxiong nodded in agreement.

If it wasn't because he wanted to avenge Yu'er, he would not have chosen to step into the court.

"You are right, Yu'er is a young lady from a wealthy family."

"She has been pampered since she was a child, and she is also very polite. Her family also attaches great importance to politeness."

"She is a good girl. If it were not for family reasons, she would have started a family by now."

After hearing Ouyang Zhengxiong's words, Nangong Ying nodded in agreement.

If it were not for family reasons, he would never have met her in his life. Yu'er.

Although Nangong Ying is a little attracted to Yu'er at this time, he will not confirm his thoughts now. He still wants to test his thoughts on Yu'er again. After all, what happens? Yu'er is also a woman.

Chapter 2225

Now that Ouyang Zhengxiong has given him such a difficult task, it shows that Ouyang Zhengxiong really trusts him.

"Ouyang, I will try my best. I will definitely try my best to prevent Yu'er from getting hurt."

"But you must have seen Yu'er's thoughts today."

If I hadn't taken the initiative myself, he would definitely not have come to me for help.

After hearing what Nangong Ying said, Ouyang Zhengxiong nodded in agreement.

He still believed Nangong Ying's words. Because he looked at Yu'er's appearance, he could really do such a thing. And after he thought about it carefully, he found that Yu'er seemed very patient when facing him. But when facing Nangong Ying, Yu'er seemed very patient.

It's called a lot of alienation. And he won't pick up Nangong Ying's words.

Maybe this is why some girls don't know how to get along with boys.

Even though Yu'er is a beautiful girl, she can't escape a girl after all..And

Nangong Ying is now tall and majestic, appearing in front of him.

Yu'er may also feel Qing's devotion to Christmas.

"I know what Yu'er looks like, and I also know what Yu'er thinks"

"That's why I leave this matter to you. I hope that sometimes you can take a look at Yu'er on my behalf."

"She has an awkward temperament. If she really doesn't know how to speak, she really won't talk to you."

"But think about it, she lives in a brothel after all, she might run into some trouble"

"If she gets into trouble, it's up to you to help her."

After hearing what Ouyang Zhengxiong said, Nangong Ying nodded in agreement.

If this is the case, then it seems that it is not a bad idea for him to help Ouyang Zhengxiong.

"Good Ouyang Zhengxiong, I understand, I will go to see Yu'er from time to time"

"Do you really regard Yu'er as just your sister? Don't you have any thoughts about Yu'er?"

Nangong Ying still wanted to test Ouyang Zhengxiong. Since he likes Yu'er, he hopes that Yu'er can finally get together with him.

But he doesn't know what Ouyang Zhengxiong thinks. He only knows that Yu'er has feelings for Ouyang. Zhengxiong's idea was unusual.

When Ouyang Zhengxiong heard Nangong Ying's words, he looked at Nangong Ying in surprise.

He did not answer Nangong Ying's question, but looked at Nangong Ying back and forth.

"Why do you ask? What do you think of Yu'er?"

"Didn't you fall in love with Yu'er just after seeing this side of Yu'er?"

Nangong Ying's ears turned red with embarrassment after hearing Ouyang Zhengxiong say such words.

It can be seen that this is the first time that Nangong Ying has fallen in love with someone, and it is the first time that he has said it.

And Ouyang Zhengxiong is seeing After Nangong Ying looked like this, he felt that Nangong Ying was really cute.

Nangong Ying's look made him feel that Nangong Ying was very innocent.

But it was indeed as Ouyang Zhengxiong thought, Nangong Ying was very pure. He has traveled to the end of the world with his sword.

And he has never thought about using power to suppress others, and he has never used power to suppress others.

In the blink of an eye, Nangong Ying has become a handsome young man.

Nangong Ying has grown up now, and Nangong Ying already understands some things about love.

When Nangong Ying met such a stunning Yu'er when he first fell in love, of course he would be amazed

"Yu'er is indeed very beautiful, and she speaks very politely"

"Every move touches my heart."

After Ouyang Zhengxiong heard Nangong Ying say such words, he looked at Nangong Ying very seriously.

It wasn't that he didn't want Nangong Ying to like Yu'er, he was just afraid that Nangong Ying would hurt Yu'er.

If Nangong Ying hurt Yu'er , As for Yu'er, even if Nangong Ying is his good brother, he will never let Nangong Ying go.

"You have to know that Yu'er's life is very hard. If you are really sure that you like Yu'er"

"I will support you, but if you dare to hurt Yu'er, I won't let you go."

After Nangong Ying heard Ouyang Zhengxiong say such words, he knew that Yu'er's first half of life was very difficult.

He had never thought of letting Yu'er down.

If he could really marry Yu'er, he would definitely do it. Take good care of Yu'er

"If I am really lucky enough to marry Miss Yu'er, I will definitely take good care of Miss Yu'er."

Nangong Ying said this to Ouyang Zhengxiong with a serious face, as if he really regarded Ouyang Zhengxiong as Yu'er's family.

Only with Ouyang Zhengxiong's permission can he marry Yu'er.

"Okay, as long as you can give Yu'er a stable life, I am willing to entrust Yu'er to you"

"But you also made Yu'er fall in love with you, otherwise I wouldn't have arranged the marriage."

Ouyang Zhengxiong said this to Nangong Ying with seriousness.

It was as if he really hoped that Nangong Ying and Yu'er could be together.

Nangong Ying was very happy after seeing Ouyang Zhengxiong like this.

At least He has now been recognized by Ouyang Zhengxiong, although he feels that Yu'er likes Ouyang Zhengxiong.

But now it seems that Ouyang Zhengxiong really doesn't like Yu'er, it's just Yu'er's own unrequited love.

Chapter 2226

As long as he stays by Yu'er's side, Yu'er will definitely be able to see how good he is.

He will definitely be able to let Yu'er be with him smoothly and forget Ouyang Zhengxiong successfully.

Thinking like this, Nangong Ying was filled with fighting spirit.

It was as if he had already seen what he and Yu'er would look like after they got married.

After seeing Nangong Ying's happy smile, Ouyang Zhengxiong felt that Nangong Ying's Yu'er should be real.

If the two of them can really get together, it can also make Yu'er happy.

The two of them had their own ideas. On the next day, Ouyang Zhengxiong took his things and went to the military camp.

And Nangong Ying also officially started taking over Yu'er from today.

Although Yu'er is not an object, she is still someone Ouyang Zhengxiong has always been worried about.

Nangong Ying is the only person Ouyang Zhengxiong can trust, so naturally he has to entrust Yu'er's safety to Nangong Ying.

After Ouyang Zhengxiong arrived at the military camp, he saw Qi's army.

Under the governance of General Zhao, Qi's army still appeared mighty.

I really don't know what the Emperor of Qi was thinking, insisting on replacing the general of Qi.

If we really want to replace the general of Qi State, I am afraid that the army of Qi State will be dispersed.

Fortunately, he came to take over Qi's army. Otherwise, it would definitely not end well.

After Ouyang Zhengxiong arrived here, he went to see General Zhao

"Hello, could you please inform me that I would like to see General Zhao?"

"I am Ouyang Zhengxiong, and I hope I can be accommodating."

After hearing Ouyang Zhengxiong's words, the boy fell in love with Ouyang Zhengxiong with a cold face.

Although Ouyang Zhengxiong is now famous, to the people in the military camp, except for

General Zhao and the emperor, they don't know him at all. Others.

And the most important thing is that they only know General Zhao, and they don't even want to take the emperor's orders seriously.

"You said you came to see General Zhao, but what on earth did you come to see General Zhao about?"

"What is the relationship between General Zhao and you?"

When Ouyang Zhengxiong saw the people here again and didn't recognize him, he wasn't too angry.

After all, not everyone knew him, and people in the army were also undergoing arduous training every day.

It wasn't like that To care about the news from the outside world, they only need to care about who they should be loyal to.

"I came here specially to join the army. General Zhao also expressed his appreciation for me before."

"So I want to come and seek refuge with General Zhao, and I hope you can inform me."

The boy's face changed drastically after he heard what Ouyang Zhengxiong said.

If he didn't expect that this kind of person was really introduced by General Zhao, then what he just said was a slap in the face to General Zhao. s face

"Please wait here for a moment, I will help you go in and report"

"But if you dare to deceive me, I promise that I will never let you go."

After Ouyang Zhengxiong heard what the boy said, he nodded. Fortunately, General Zhao knew him.

Otherwise, he would really be eaten alive by the boy in front of him.

Soon, General Zhao followed Xiao Si. Outside the tent.

General Zhao admired Ouyang Zhengxiong very much. After all, Ouyang Zhengxiong defeated Mo Yu through his own training.

In the eyes of General Zhao, if he can draw with Mo Yu, he can beat Mo Yu. Jade.

Besides, in the previous martial arts competition, he also saw that Ouyang Zhengxiong was obviously holding back. If Ouyang Zhengxiong really used all his strength, I am afraid that Mo Yu would have lost to him long ago. Mo Yu would have lost to him.

How can Yu be able to compete with him? Mo Yu can only become his defeated enemy.

"It turns out it's really Brother Ouyang. Come in quickly. I've been waiting for you here for a long time."

After Ouyang Zhengxiong heard what General Zhao said, he was a little flattered.

Zhao Ziyong's words obviously put him in a very high position.

And Zhao Ziyong should also know why he came here.

I originally thought that Zhao Ziyong would I wanted to give him a show of strength, but I didn't expect that Zhao Ziyong would entertain him so warmly.

"General Zhao, thank you very much. You have many things to do every day. I am very happy to be able to pick me up in person."

After Zhao Ziyang heard Ouyang Zhengxiong say such words, he felt that Ouyang Zhengxiong's words were a bit too distant.

He didn't like to hear such distant words from others. It always made him feel that the relationship between the two of them was not that good.

"Don't say such alienating words in the future. There aren't that many rules in the military camp."

"You only need to address your superiors and subordinates."

After Ouyang Zhengxiong heard Zhao Ziyang's words, he nodded gently.

Unexpectedly, Zhao Ziyang was still an informal person. When encountering such a thing, the first thing he thought of was to abolish the rules.

Indeed, if everything had to be done according to the rules, I am afraid that the Qi State would have been destroyed long ago.

In order to quickly integrate into the Qi State, Ouyang Zhengxiong investigated many things.

Among them were several famous battles of Zhao Ziyang.

It's always unexpected, but it always produces the best results.

Chapter 2227

Even the emperors of several other countries knew that Peach was supporting Qi.

But the Emperor of Qi seemed not to know about this matter.

In other words, the Emperor of Qi clearly knew about this matter, but did not take it to heart.

As an emperor, what he fears most is this kind of person with great achievements.

But he should also keep this kind of people. Only this kind of people are the hope for the long-term development of the country.

As an emperor, the most important thing to do is to develop your own influence.

Although the general expands territory and protects the country outside, the emperor should also use his talents inside

"General Zhao, I am new to the military camp and I don't know where to start."

Ouyang Zhengxiong still asked the general's thoughts very humbly.

In the military camp, the general is the king. Except for the general, the soldiers will not listen to anyone.

"Although you are new to the military camp, you already have a lot of experience. Being able to draw a tie with Mo Yu is not something everyone can do."

"Although you are asked to come to the military camp to exercise on the surface, you are actually here to take over my class."

After Ouyang Zhengxiong heard these words from General Zhao's mouth, he felt a rare awkward feeling.

He had never thought about competing with General Zhao. All these were the emperor's own ideas.

Ouyang Zhengxiong immediately He knelt on the ground and looked at General Zhao very respectfully.

"General Zhao, please don't say such things. You are the God of War in the hearts of the people of Qi."

"You have always protected the people of Qi, how dare I compare with you."

General Zhao smiled very tolerantly after hearing Ouyang Zhengxiong's words.

He knew that Ouyang Zhengxiong did not want to compete for his position, but not everyone had the same idea as Ouyang Zhengxiong.

"Even if you don't think so, the promoter behind you will definitely make you think so."

"And I know myself well. If I stay in this position and don't give in,"

"I'm afraid I'm going to die a bad death."

After Ouyang Zhengxiong heard General Zhao say such words to him, he felt that General Zhao seemed to be suing for peace with him.

But he was clearly not worthy of General Zhao saying such words. General Zhao was the God of War in the hearts of the people of Qi, and also The protector in the hearts of the people of Qi

"General Zhao, you must never say such things. You are the God of War of Qi."

"He is also the patron saint of Qi State. We, the people of Qi State, will definitely protect your safety."

After General Zhao heard Ouyang Zhengxiong say such words, he looked very happy.

Although he didn't know whether he was really happy or fake, but after seeing his smile, Ouyang Zhengxiong also became Very comfortable

"I really want to lend you a favor. If I have any difficulties in the future, you must not sit idly by and ignore me."

Ouyang Zhengxiong nodded after hearing General Zhao's words.

"General Zhao, please rest assured. If you are really in a critical situation in the future,"

"I will definitely find a way to rescue you, and I will never let you die because of the political affairs of this country."

After General Zhao heard Ouyang Zhengxiong's words, the smile on his face slowly faded. I am afraid that even Ouyang Zhengxiong has guessed now that the Emperor of Qi is afraid of him.

But Ouyang Zhengxiong is willing to help him, This also shows that as a general, he is still very authoritative and prestigious in the hearts of ordinary people.

It is precisely because of his status in the hearts of these people that the emperor is so afraid.

"I don't need you to save me, you just need to protect my wife and son."

"Now that you appear, I'm afraid it won't be long before I'm in jail"

"And my wife is just pregnant now, and I don't want my Zhao family to be extinct in my generation."

After Ouyang Zhengxiong heard General Zhao's words, he stared deeply at General Zhao.

If that day comes, he may not be able to save General Zhao.

But he is still sure of saving General Zhao's wife.

"General Zhao, if that day comes, I will do my best to protect your wife"

"Because Qi Guo had dedicated his whole life, he should not die at the hands of his own family."

Although Ouyang Zhengxiong thinks this way, it does not mean that everyone thinks this way. It is the consensus of everyone in the court that the Emperor of Qi is afraid of General Zhao.

Over the years, although General Zhao has been protecting the territory outside, But it did bring a great threat to the Emperor of Qi

"Forget it, don't talk about those things anymore, these are things that will happen in the future"

"No one knows what will happen? What if the emperor is merciful and spares my life?"

After Ouyang Zhengxiong heard General Zhao's hearty laughter, scenes of the general's death due to political affairs flashed through his mind.

It's ridiculous to say that every generation of generals has devoted themselves to protecting their country.

But every generation of generals has They did not die on the battlefield, but died in the hands of internal affairs.

After the death of these generals, their lands will become slaves under the cavalry of others.

Ouyang Zhengxiong looked at General Zhao like this and really did not want General Zhao to step down. The footsteps of the general who lost his country.

Chapter 2228

"General Zhao, where should I start?"

General Zhao also began to think about it after hearing Ouyang Zhengxiong's question.

Ouyang Zhengxiong is a very powerful practitioner, and he can tie with Mo Yu at a young age. Now

Mo Yu is the master of Shenfeng Academy. Senior brother, he is also very famous outside.

Once Mo Yu graduates from Shenfeng Academy, he will definitely be robbed by all countries.

Even if Mo Yu does not enter politics by then, he will definitely become a leader who is proud of the mainland.

"What are your thoughts? Do you want to start at the bottom or go straight to management?"

After Ouyang Zhengxiong heard General Zhao's words, he didn't know how to answer General Zhao.

Now that he has that skill, he shouldn't start from scratch.

He only needs to learn how to manage these people. ?Rather than becoming one with those soldiers from the beginning.

Being one with those soldiers from the beginning, although it can make those soldiers accept him, it does not mean surrendering to him

"General Zhao, if possible, I would like to stay with you and learn how to march and fight with you."

After General Zhao heard Ouyang Zhengxiong's words, he looked at Ouyang Zhengxiong again.

"I originally thought you would choose to start as an ordinary soldier in order to please me."

"You wanted to follow me and give orders as soon as you came up. Do you think those soldiers will surrender to you?"

After Ouyang Zhengxiong heard what General Zhao said, he also knew that General Zhao was thinking about the problem from his perspective.

But now he does not need General Zhao to think about the problem from his perspective. What he needs now is to let these soldiers surrender to him

"General Zhao, what you said is wrong. Although I gave orders as soon as I came up and it is true that you won't listen to me, isn't it you?"

"Besides, if I start from scratch, although I can make those soldiers accept me, they will never surrender to me."

"What I have to do is make them surrender to me. I just need to learn how to manage them."

General Zhao nodded after hearing Ouyang Zhengxiong's words. He did not expect that Ouyang Zhengxiong's thoughts were so bold. Ouyang Zhengxiong's thoughts are not those of ordinary people.

If he were an ordinary person, he would definitely want to start from scratch and let these soldiers
Everyone accepts him

"Sure enough, I read you right. You are indeed suitable to be my successor."

"That being the case, then you stay with me and learn about the military camp from me."

"I just hope you can learn faster and I can have more opportunities to retire successfully."

After Ouyang Zhengxiong heard General Zhao say such words, he knew that General Zhao was now very afraid of the emperor.

"General Zhao, why are you so afraid of the emperor?"

"Could it be that the Emperor has expressed his dissatisfaction with you in his words and wants you to abdicate in favor of others?"

General Zhao did not choose to turn a blind eye to Ouyang Zhengxiong's question.

Even if the emperor never expressed it to him directly, he could still think of it.

In the history books, there are many generals who were murdered for their great achievements.

If it weren't for the unstable situation, he wouldn't be able to hand over military power.

He might have retired long ago.

Fortunately, Ouyang Zhengxiong has appeared now, and foreign aggression has been reduced in the past two years.

Otherwise, he would still have to stay in this position for a few more years until the emperor kills him

"As a scholar, you should have read a lot of history books."

"You should also know the final fate of the master with great achievements."

Ouyang Zhengxiong fell silent after hearing General Zhao say such words.

He did know the final fate of the master with great achievements.

But he did not want to believe such a fate.

"General Zhao, since you have confessed your feelings to me, I will not play tricks with you."

"Don't worry, if such a day comes, I will definitely try my best to dissuade the emperor, otherwise I will find a good way for you to escape."

After General Zhao heard Ouyang Zhengxiong's words, he just nodded casually.

He didn't take Ouyang Zhengxiong's words to heart at all, but he didn't expect that Ouyang Zhengxiong had to pay a lot to fulfill this promise.

Ouyang Zhengxiong has indeed been there. Do these things.

From the moment he stepped into the military camp, he has been planning how to make General Zhao retire.

Wait until the day when General Zhao retires and hands all the military power to him.

He should be able to Find out the truth about the destruction of Yu'er's family.

At that time, if he trains another confidant, he can retire just like General Zhao.

But plans are always good, and plans can never keep up with changes.

Ever since Ouyang Zhengxiong started to step up After entering the military camp, the court was filled with turmoil.

Many people knew that the emperor would most likely attack General Zhao.

Otherwise, Ouyang Zhengxiong would not be sent to the military camp now.

It is also because now Due to the tense situation, everyone stayed behind closed doors and never interacted too much with people in the military camp.

Except for the second prince, Ouyang Zhengxiong was now the second prince's man.

Of course, the second prince knew what happened. of.

Chapter 2229

But he didn't expect that Ouyang Zhengxiong didn't take the initiative to tell him about this matter.

But now that Ouyang Zhengxiong has entered the military camp, he has no way to recall Ouyang Zhengxiong.

Now Ouyang Zhengxiong has been following General Zhao, which makes the second prince feel very happy.

If Ouyang Zhengxiong's development continues, it will be just around the corner for Ouyang Zhengxiong to obtain military power.

"Unexpectedly, Ouyang Zhengxiong was very smart and chose to stay with General Zhao from the beginning."

"The main reason is that if General Zhao retires in the future, he should be the first to accept military power."

"At that time no one will say anything."

The second prince played with the tea cup in his hand, and the counselor next to him nodded in agreement after hearing the second prince's words. The counselor didn't know why, but as long as he was with the second prince, he felt that he was of no use at all. Second

Prince The prince seemed to be able to explain everything very clearly, but he seemed to be inferior to the second prince in many ways.

But the second prince still allowed him to stay by his side, which showed that the second prince was kind-hearted.

But the counselor did not expect this. Yes, the reason why the second prince asked him to stay with him was entirely to lower his vigilance.

Whenever the second prince did something, he could push things into the hands of the counselor.

But if there was not even a counselor by his side, he did what he did. When the country is doing good things for the people, he just has no future.

The second prince is indeed very strategic, and his strategies will never hurt anyone.

Unlike the eldest prince, the second prince has always been doing good for the country and the people. Do good things

"General Zhao, I think this matter is inappropriate."

General Zhao pointed at the map on the wall and issued orders.

The border is urgent now, but as a general, he cannot go back. He can only think of a good way now.

If he can't think of a good way, Their border was about to be lost.

After hearing what Ouyang Zhengxiong said, the other soldiers frowned.

Ouyang Zhengxiong airborne here. They knew better than anyone else, but they did not expect that Ouyang Zhengxiong actually dared to Refute General Zhao's words face to face

"How do you speak? How dare you question General Zhao?"

"Don't you know that General Zhao is the God of War? Is General Zhao better at fighting than you?"

General Zhao didn't have any thoughts after hearing Ouyang Zhengxiong's words.

Maybe Ouyang Zhengxiong and he really had different ideas. With this kind of idea, whose words are the most correct? We should let the facts determine

"Okay, let's not talk about it for now. Everyone has their own ideas."

"It's possible that his idea is indeed simpler and more effective than mine"

"Let's first listen to what Ouyang Zhengxiong thinks? Don't talk any more."

After hearing what General Zhao said, all the generals stopped talking.

"Zhengxiong, why don't you tell me what you think?"

Ouyang Zhengxiong nodded after seeing General Zhao supporting him.

Ouyang Zhengxiong came to General Zhao's side and took precautions based on this map.

"You see, this place is easy to defend but difficult to attack. And there are mountains on all sides"

"If they want to occupy this place, they will definitely need to start from the mountain."

"As for the top of the mountain, our city is in a weak position."

"What we have to do now is to send troops to guard the four peaks. We must not let the enemy climb them."

"Once you notice a tendency for people to climb to the top of the mountain, you must stop it."

After hearing Ouyang Zhengxiong's words, General Zhao was suddenly enlightened by Ouyang Zhengxiong's words.

"Masao is right, this method is indeed more time-saving than the method we discussed before"

"Then send people to send Ouyang Zhengxiong's statement to the border now."

After Ouyang Zhengxiong heard General Zhao's words, his face was very satisfied.

He did not expect that the first time he tried to garrison the city, he was directly recognized by General Zhao.

And several other generals heard Ouyang Zhengxiong's words After this idea, I also felt that Ouyang Zhengxiong is a malleable talent.

It is a pity that Ouyang Zhengxiong is now the emperor's man, otherwise, they will definitely become best friends with Ouyang Zhengxiong

"But general, don't you think that if you send all the soldiers to the top of the mountain, the city will be lost again?"

"Don't forget, there are only 50,000 soldiers at the border."

Ouyang Zhengxiong was also shocked after hearing these words.

He did not expect that there were so few soldiers at the border, and with such a few people, General Zhao was able to guard the border for so many years.

General Zhao can have everything he has now, and It was indeed because of his own efforts.

And Ouyang Zhengxiong now began to think about this matter.

If the troops were dispersed to 20,000 people on the top of the mountain, and 30,000 people were stationed in the border city, it would not be enough for a war.

At that time, it will be difficult for the soldiers on the top of the mountain to come down.

And General Zhao is obviously thinking about this matter.

Ouyang Zhengxiong's method is indeed good and cannot be given up.

Chapter 2230

After a brief brainstorming, Ouyang Zhengxiong finally came up with a solution.

But this is only a short-term solution and can last for a day or two.

The rest need to bring troops from the capital to support them.

"General Zhao, it is undeniable that what this general said is indeed right."

"But 50,000 people won't be able to guard the border without you."

"I think no matter what? Thirty thousand soldiers and horses should also be sent to increase the border strength."

"There would be a difference of one or two days between the messengers and the troops at most, and during this period, they could also use another method."

After General Zhao heard what Ouyang Zhengxiong said, he looked at Ouyang Zhengxiong.

He wanted to know what method Ouyang Zhengxiong had in mind.

"So tell me, what is the solution you have in mind?"

After Ouyang Zhengxiong heard General Zhao's words, he uttered three words of disbelief.

"Empty city plan."

After hearing Ouyang Zhengxiong's words, everyone fell silent.

They easily understood that Ouyang Zhengxiong meant, but they don't agree with Ouyang Zhengxiong's words.

"Have you never led an army in a war?"

"Do you know if the army is empty for a long time? If we let the enemy seize the opportunity, the border will be gone?"

After Ouyang Zhengxiong heard what the general said, he knew that the general was very anxious.

But now, this is the only way so far. Even if the troops sent out speed up, it will never be possible. We will reach the border in just a few days.

But if the border appears as usual, or even more relaxed than usual, it is likely that the enemy will become more vigilant.

At that time, the enemy will be more cautious.

Even if the enemy is patient After two days, their aid should have arrived.

And by that time, even if the border pass was taken away, their soldiers would still be ambushing on the top of the mountain.

After the reinforcements arrived, they could easily capture the city.

"My lords, please don't be angry. I have a reason for saying this."

"If the side you are facing is as normal as before, it may even be easier than usual."

"Do you think they are well prepared, or do you think they have nothing?"

After hearing Ouyang Zhengxiong's words, everyone fell silent.

If it is really easier than usual, then they can only say that the other party is well prepared.

Because when marching and fighting now, the most taboo thing is to be anxious.

If his entire army really died because of this little thing, it would be very unworthy.

"Masao is right. If this scene really happened, I would think the other party was very cautious."

"I will also feel that this is a trap set by the other party for me. Instead, I will always be stationed in front of the city gate and dare not cross it."

"And Ouyang Zhengxiong's idea is also right. Even if the other party has been weighed for two days, he doesn't want to wait any longer."

"Our reinforcements have also arrived at the border and we will no longer be afraid."

After hearing what General Zhao said, these generals had nothing to say.

Now that General Zhao has trusted Ouyang Zhengxiong, anything they say will only annoy General Zhao.

"Then everything will be obeyed by the general and Ouyang brothers."

"I'm going to send information to the border now."

This matter was decided in this way, and because of this matter, General Zhao valued Ouyang Zhengxiong even more.

Ouyang Zhengxiong always found the clearest solution from different angles.

This time Ouyang Zhengxiong came up with a idea.

They were all impressed.

After the military meeting ended, General Zhao called Ouyang Zhengxiong aside.

"Have you read The Art of War before? Why do you always have such strange thoughts?"

Ouyang Zhengxiong shook his head after hearing General Zhao's words.

Everything he has now is the result of his own efforts.

And he has never read military books, and always feels that those military books are rigid things.

If the enemy If Fang breaks your formation based on military tactics, then you are doomed.

"I think military books can only play a supporting role."

"And I have never read military books. I think everything in military books is dead."

"It doesn't allow me to make a good choice, nor does it make me great."

After hearing Ouyang Zhengxiong's words, General Zhao nodded.

If these things are Ouyang Zhengxiong's thoughts, then Ouyang Zhengxiong is indeed a good prospect.

But Ouyang Zhengxiong should read more military books now.

Ouyang Zhengxiong's intelligence coupled with the strategies in the military book, I believe Ouyang Zhengxiong will become even more powerful

"In other words, you have never read a military book."

Ouyang Zhengxiong didn't know why General Zhao seemed to care so much about this matter.

But he really didn't lie to General Zhao and nodded honestly.

And General Zhao just happened to have grasped this handle.

"Since you have never read the book of war, you must be familiar with the book of war from tomorrow on."

After Ouyang Zhengxiong heard General Zhao's words, he looked at General Zhao dumbfounded.

He didn't understand why General Zhao gave him such an order.
