

## Attributes 2261

### Chapter 2261

Just as Ouyang Zhengxiong kept looking around, a familiar woman suddenly appeared in front of him.

When Ouyang Zhengxiong came out and sat next to the second prince, it was the woman he had seen in the pavilion before.

No wonder she was so arrogant, it turned out that he was the emperor's princess.

Ouyang Zhengxiong is not afraid of getting into trouble, and since it is the Mid-Autumn Festival dinner, the princess must not dare to be so reckless.

But Ouyang Zhengxiong did think too much. This princess had been spoiled by the emperor since she was a child.

Not only was the emperor doting on her, but the other princes also regarded her as their biological sister.

She has always been doting on her, giving her whatever she wants, and basically no one has ever felt wronged for her.

But ever since she met Ouyang Zhengxiong that day, Ouyang Zhengxiong had made her suffer all kinds of injustices.

And she also had a grudge against Ouyang Zhengxiong. What Wanqing hated most was attending dinner parties in the palace.

Because Wanqing felt that the dinner party in the palace was very boring, and it was all official polite words.

I've always just watched some performances, nothing new.

Just as she was looking around, her eyes met with Ouyang Zhengxiong's.

She didn't react at first, but the next second she recognized the person in front of her.

Isn't this the same person who has been looking down on her before? Now he actually dared to appear in the palace.

And she still appeared with General Zhao. Although Wanqing was uneducated and incompetent, she was very smart.

It was easy to guess that Ouyang Zhengxiong was the person who had tied with Mo Yu before.

But this does not prevent her from hating Ouyang Zhengxiong. She thinks that Ouyang Zhengxiong is very disrespectful to her.

Moreover, Ouyang Zhengxiong did offend her before, and now he took the initiative to bring it to her.

Then she must teach Ouyang Zhengxiong a lesson and let him know how powerful she is.

Wanqing slowly approached the second prince, pointed at Ouyang Zhengxiong and asked: "Brother Second Emperor, is that the person who tied with Mo Yu before?"

In order to ensure her guess, she asked cautiously. The second prince.

The second prince really didn't know why Wanqing asked about this matter, but he still told the truth.

"Yes, he is Ouyang Zhengxiong. He had a tie with Mo Yu before. I also told you about this."

Seeing that everything was just as she had guessed, Wanqing nodded slowly, with a hint of cunning in her eyes.

The second prince and Wanqing were indeed brothers and sisters, and they immediately knew what Wanqing was planning.

But he didn't know What is the conflict between Wanqing and Ouyang Zhengxiong?

"Don't think of any bad ideas, Ouyang Zhengxiong is very important to his father."

The second prince wanted to give Wanqing a vaccination, so that Wanqing would not put her thoughts on Ouyang Zhengxiong.

But at this time, the prince also had his own thoughts.

If Wanqing can be with Ouyang Zhengxiong, he can definitely give Wanqing He brought great help.

Ouyang Zhengxiong was already loyal to him, and Wanqing was the emperor's favorite princess.

Getting married at this time would be of great benefit to him.

If Ouyang Zhengxiong really If he marries the princess, then the girl Yu'er can only become his treasure.

After leaving that day, the second prince sent someone to check Yu'er's origin.

It was found that Yu'er turned out to be a member of the brothel. At that time, he already had thoughts about Yu'er.

She was just a brothel girl and could never be taken seriously.

Moreover, once Ouyang Zhengxiong married Wanqing, he would never allow Ouyang Zhengxiong to marry a second wife.

"Don't you have a crush on Ouyang Zhengxiong? However, Ouyang Zhengxiong can be regarded as a young talent, and it is understandable that you would like him. If you really like him, tell your second brother and he will go and beg your father for you."

After Wanqing heard what the second prince said, she felt that the second prince's words were a bit too shameful.

She hasn't thought about getting married yet. She is living here very well now. She has never thought about getting married. If she really wants to get married, she must also choose one she likes

"Second brother, what are you talking about? I have never thought of such a thing. Don't talk nonsense. I just don't like him. I met him before and he scolded me severely. I want revenge."

Wanliang can be regarded as a simple person in their royal family. The second prince only learned about the matter after a little excitement.

But he really couldn't figure out how Ouyang Zhengxiong cursed people. All along, Ouyang Zhengxiong always It is an elegant image

"Are you sure you're not lying? If Ouyang Zhengxiong met you, he would probably suffer a loss. You are not a loser."

The second prince knows Wanqing very well, and he also knows that she usually has the upper hand.

This time, Wanqing suddenly told him that she fell into Ouyang Zhengxiong's hands, how could he think of it.

Wanqing also thought of it. In her usual style, she also thought that many people would suffer at her hands.

But this time she really didn't lie to Wanqing. She did lose at the hands of Ouyang Zhengxiong.

"Second brother, why don't you believe me? I was really tricked by him, and I want to get back on my feet this time."

Chapter 2262

The second prince did not believe Wanqing's lies, and he would not let Wanqing hurt Ouyang Zhengxiong.

No matter how you say it, Ouyang Zhengxiong can be considered his person now? The most important thing is that we are still having a dinner in the palace.

If Wanqing embarrasses Ouyang Zhengxiong at this time, then Wanqing's good days may be over.

"Don't mess around. Do you know where this is? It's the annual Mid-Autumn Festival dinner. If you look for trouble at this time, your father will not let you go."

Of course Wanqing knew where this place was, so she never thought about causing trouble for Ouyang Zhengxiong here.

"Oops, second brother, what do you mean? I won't really hurt him. I have countless ways to deal with him, just watch!"

Wanqing's face was full of brightness and confidence at this time.

She looked like a carefree little girl who was pampered by her family. I really don't know, if one day her family is in danger, she will What kind of reaction will there be? It is a blessing to grow up in this big birdcage and still be so bright and confident. Of course

, this is only Ouyang Zhengxiong's own idea, and he does not Knowing whether the true love of the emperor's family was true or false.

Soon, halfway through the banquet, all the food was served.

Ouyang Zhengxiong was not polite, and followed the etiquette he had learned before, and ate slowly bit by bit.

Originally, Wanqing thought Ouyang Zhengxiong grew up among the people and would never understand these etiquettes.

But now it seems that Ouyang Zhengxiong actually understands these, which will make her lose an excuse to cause trouble.

Ouyang Zhengxiong has no idea at all, because of his study And escaped a big disaster

"Second brother, how can I defeat him?"

Wanqing's mind turned into a ball of mush at this time, and she really couldn't think of what to do.

After the second prince saw that Wanqing was really distressed, he felt that Wanqing was not lying.

Moreover, Wanqing was his childhood friend. No matter what happens to his spoiled sister, he should pamper her

"It seems that Ouyang Zhengxiong has really offended you this time. Don't worry. After this dinner, I will take you out of the palace to see him and ask him to make a proper apology to you."

This is a good idea, and you can also see Ouyang Zhengxiong bowing his head to her.

The most important thing is that there are people witnessing this incident, which makes Wanqing feel excited.

"Second brother, this is what you said. Don't forget it. If you dare to lie to me this time, I will definitely let my father punish you."

After the second prince saw Wanqing being so arrogant, he was not angry with Wanqing.

Instead, he felt that Wanqing's temperament was becoming more and more outspoken, and he couldn't help but start to worry in his heart.

Wanqing has been pampered by them since she was a child. , what should she do if her husband hurts her in the future?

Wanqing has always been so straightforward and simple, what if she really meets a husband with a bad heart in the future?

This is the same idea as they are brothers and fathers.

If it weren't for If she were a princess, they would like Wanqing to stay at home for the rest of her life.

In this way, they can protect Wanqing and prevent Wanqing from any trouble.

But these are just their own considerations. If they cannot stay in Wanqing When they reached Zhu, they married her to someone from Kyoto, and she would definitely be sent to another country to get married.

They didn't want Wanqing to be far away from them. They wouldn't see her more than a few times a year.

At this time, the second prince again The idea came to Ouyang Zhengxiong. He really felt that Ouyang Zhengxiong and Wanqing were very suitable.

Only Ouyang Zhengxiong could cure Wanqing, and it seemed that Wanqing had always been thinking about Ouyang Zhengxiong.

If the two of them really do it by then, If they can come together, it will also resolve a major issue in their hearts.

Ouyang Zhengxiong deliberately avoided Wanqing's eyes. He did not want to have anything to do with Wanqing anymore.

It can be seen that Wanqing is the most popular person here. A beloved princess.

Only her eyes can always look at the hall without restraint, and she can also whisper to the second prince.

"I am really happy that all my dear friends can share the Mid-Autumn Festival with me this time. Why don't we all raise a toast together to celebrate this festival together."

Following the emperor's words, everyone picked up their wine glasses, and everyone began to drink the emperor's toast.

When the climax of the banquet came, it also came to the most watched time in the past.

Ouyang Zhengxiong looked at everything on the scene. After slowly retreating, I felt a little confused as to what was going on.

"General Zhao, what does this mean? Is this how the dinner ends?"

Since Ouyang Zhengxiong came to the palace for the first time, Ouyang Zhengxiong didn't know anything.

"Of course not. Now it is the turn of your daughters to perform. If you are favored by the emperor and personally rewarded with a marriage, it will be a great blessing for the family. If you are accidentally favored by a prince, you will be very successful."

After Ouyang Zhengxiong learned about this, he nodded slowly.

Chapter 2263

It seemed that the water in the royal family was quite deep, so he had to be careful at all times.

But now he can't let something ruin his idea.

Two performances passed like this, and Wanqing also thought of a good idea.

Wanqing stood up from the table and strolled to the center of the table.

"Everyone is very happy today, why don't I take this opportunity to show my shame to my father?"

After hearing Wanqing's words, the emperor laughed heartily.

Maybe it was because Wanqing had never spoken to him like this since she was a child, nor had she performed in public like this. So much so that before, they all said something about Wanqing. No, now Wanqing can feel proud and proud.

"Okay, Wanqing, what do you want to perform today? My father will definitely support me."

The emperor still loves Wanqing very much at this time. Wanqing is equivalent to the treasure in his hand. She has been growing up in the palm of his hand, and she has always been very close to him.

Unlike those who have grown up, Princes, there is no respect for the Emperor at all.

"I am the princess that my father has held in his hands since childhood. I don't know how to play music, chess, calligraphy or painting. It would be better for me to perform for you whatever your father says you want to see."

Wanqing's high-spirited look looked very much like Concubine Rong when she was young.

After seeing Wanqing's appearance, the emperor also smiled and shook his head.

"Since you are so confident, why don't you perform a dance for us? Your mother-in-law was a beauty who moved the world when she danced."

As the emperor spoke, he looked at Concubine Rong, with a warm smile on his lips.

It seemed as if he was very satisfied with Concubine Rong, and Concubine Rong also lowered her head shyly.

There was a flash in her eyes. A trace of something strange.

After Ouyang Zhengxiong caught all this, he had a headache.

It seemed that since he entered the court, he could find many things that were inconsistent with the rumors.

But these things have nothing to do with him after all, and he can't keep mentioning them

"Okay, Father, you have to be careful today. I will perform a dance for you today that you have never seen before."

Wanqing's vow made everyone feel funny.

As the emperor of a country, how could there be a dance in this world that he had not seen?

Even if it was a foreign country, he was lucky enough to go on two missions, they also entertained them with the best standards at that time.

The emperor was fortunate enough to enjoy the beautiful dance of two people he had never seen before.

From then on, the emperor was fascinated by the dance of foreign countries.

He always thought about it. Go to a foreign country again to appreciate the dances of other countries.

Now the emperor once again heard Wanqing say these words.

So Wanqing is the daughter he has grown up doting on since childhood, but how much does Wanqing weigh? He knows better than anyone else.

Wanqing has been favored by all kinds of people, but now she just wants to perform a dance for him, and there is nothing too excessive.

"Okay, then my father will wait and see."

Wanqing had already gone downstairs to change clothes at this time. She had already put on the dance clothes she had prepared. At this time, Wanqing slowly walked into the center with a group of dancers.

Wanqing was wearing a white dress and a hint of flowers on the tip of her forehead, she made her whole body look more elegant. And her whole body was so white that it glowed, and it didn't feel inconsistent with the white dress she was wearing.

Ouyang Zhengxiong was watching. After seeing Wanqing like this, she couldn't help but be a little stunned.

I didn't expect that the overbearing and charming little girl before would actually become a very beautiful white rose.

Not only Ouyang Zhengxiong, but everyone present was also impressed by Wanqing. The sudden transformation is very surprising.

More and more people are interested in Wanqing and truly realize that Wanqing has grown up now.

Wanqing is the girl who is most suitable for their son or grandson.

I saw At this time, Wanqing began to dance slowly under the rhythm of the rhythm.

Now every scene and every movement of Wanqing is bringing fatal attraction to people.

Ouyang Zhengxiong also finished watching this whole set of performances , only then did I truly realize what a royal lady is.

A royal lady is just like Wanqing, attracting people's attention with every move she makes.

Moreover, all actions are carefully planned and there will be no mistakes.

After the dance, Wanqing returned to the little sun look she had before. She was not like the noble and inviolable saint look she had just danced with.

"Well, you are indeed my daughter. I underestimated you before Wanqing, but I forgot that your mother-in-law is also a talented person."

The emperor is so happy at this time. Someone has fought for him so much that he outshone all the ladies present.

And this person is Wanqing, whom he has always doted on before.

How could he not be happy? It's just that he had never heard of Wan Qinghui dancing before.

"Does Wanqing need any reward?"

Chapter 2264

What Wanqing wants is these words from the emperor. After these words, she will no longer trouble Ouyang Zhengxiong.

No one would say anything about her, she could just say it was the emperor's intention.

Ouyang Zhengxiong's eyelids were twitching at this time, as if something bad was about to happen to him.

Sure enough, he next heard me talking to her

"Father, my daughter is actually very interested in cultivation, and I also want to learn to cultivate and do my part for the country."

Wanqing's words surprised everyone present.

They originally thought that Wanqing just wanted a small reward, but they were shocked when Wanqing opened her mouth.

"Wanqing, do you want to go to Kamikaze Academy?"

Unexpectedly, Wanqing's face at this time was full of defiance, and she turned her head stubbornly.

"I don't want to go to that school. A person who practices by himself can be on par with their proud disciples. I want to practice with that person who practices by himself."

If the emperor hadn't known what Wanqing was talking about, maybe he would have been confused by Wanqing.

But what the emperor didn't expect was that Wanqing actually fell in love with Ouyang Zhengxiong, and she actually wanted to be with Ouyang Zhengxiong. Study.

Not only did the emperor not think of it, it can be said that everyone present did not think of it.

The second prince immediately understood what Wanqing's idea was.

He had long said that he would take Wanqing to Ouyang Zhengxiong's house , Unexpectedly, Wanqing actually turned a deaf ear to his words.

Now, Wanqing has won this matter with her own efforts.

Then he seems to have no reason to stop Wanqing.

Ouyang Zhengxiong really feels that she is very wronged, He was just watching the show from the side, but he actually brought the matter into his own hands.

Ouyang Zhengxiong couldn't help but slowly looked at the general, who seemed to have been watching the show at this time. The general felt that Ouyang Zhengxiong was indeed It's miserable enough. At this time, you will still be played by others and applauded.

"What should the general do now? I don't want to get along with this unruly and willful princess."

Ouyang Zhengxiong looked disgusted when he mentioned Wanqing.

He always remembered what happened in the pavilion that day. He had never seen a girl as unreasonable as her.

And the general had no idea what happened. She couldn't explain it to Ouyang Zhengxiong.

If the emperor really issued an order then, Ouyang Zhengxiong would have no choice but to accept it.

In this matter, Ouyang Zhengxiong had no right to refuse at all. He could only He is just a subordinate of the emperor.

He can do whatever the emperor wants him to do? He can't have any thoughts of his own.

After hearing Wanqing's words, the emperor started to pretend to think.

If possible, The emperor really hopes that Wanqing can learn from Ouyang Zhengxiong.

Although Wanqing will get married in the future, only her own ability can guarantee her own safety.

"I can promise you this, but I don't know what loving you means?"

The emperor has put all this matter on Ouyang Zhengxiong.

If Ouyang Zhengxiong is willing, he can explain it. If Ouyang Zhengxiong is not willing, he will not embarrass Ouyang Zhengxiong.

Ouyang Zhengxiong really has it. It's so painful that if he could do it all over again, he probably wouldn't provoke Wanqing again.

Now he has to pay the price for what he has done.

"Your Majesty, I am just a rough man. I dare not teach the princess. I hope the princess will not get into trouble with me."

Ouyang Zhengxiong has said these words in a high-sounding manner, but how could the princess let him go so easily?

She came here just for Ouyang Zhengxiong this time. If Ouyang Zhengxiong is not allowed to peel off his skin, she will He will never give up.

"What do you mean? Although this princess is rich in wealth, she will never give up easily. If you are willing to teach me seriously, I will also learn from you seriously."

Ouyang Zhengxiong couldn't believe what Wanqing said. He thought Wanqing was lying to him.

He knew that Wanqing had recognized him and knew that he was the person who was unreasonable to her before.

That's why he If he wants to retaliate against himself in this way, then if he is really serious about teaching Wanqing.

Wanqing will be a complaint, but if he is not serious, it is still a complaint.

Anyway, no matter how this matter is said? It is all him If he suffers a loss, he will definitely be warned.

"Your Highness, that's not what I mean. It's just that Chen's training method is not necessarily suitable for Your Highness. If Your Highness is willing to hire a famous teacher, he will definitely be more reliable than I."

Ouyang Zhengxiong did not lie to Wanqing. Sometimes his methods are not suitable for everyone.

He came up step by step, yes, but he did fight in the battle.

His This training method is only suitable for yourself or people in the military camp.

It is not suitable for delicate people at all.

Chapter 2265

The emperor understands this truth better than anyone else. Sometimes what is suitable for one person is not suitable for representing everyone.

In addition, Wanqing has always grown up under his pampering

"Ouyang is right, his training method does not mean that it is suitable for you. If you have this intention, your father will be very happy. If you are really willing to practice, then you can go to Kamikaze Academy to study."

After Wanqing heard the emperor rejecting her in this way, she looked at the emperor with some displeasure.

"Father, didn't you say that your daughter can do whatever she wants? Now my daughter just wants to learn from someone more powerful, why can't she? The daughter just doesn't want to embarrass her father, she just wants to serve her father."

Wanqing's words really pleased the emperor.

If it were anything else, then Wanqing's words might not really work.

But his words were basically directed at the emperor, and they were specially made for the emperor. Yes.

Of course it's acceptable.

Ouyang Zhengxiong didn't expect that Wanqing would be so willing.

"Aiqing, since Wanqing has always wanted to practice with you, please let Wanqing fulfill her wish. Just teach her the basics. If she can't persist, there's no need to teach her any more."

After Ouyang Zhengxiong heard what the emperor said, he had no choice but to agree.

Even if he had the intention to refuse again, there is absolutely no way he could offend the emperor like this.

"emperor....."

"If Aiqing refuses me again, I will be angry."

The emperor has blocked all his words. If Ouyang Zhengxiong refuses again, he will not forgive Ouyang Zhengxiong. At this time, Ouyang Zhengxiong can only lower his head silently.

The emperor has already said these words , if he refuses again, he is really looking for death.

"Yes, Your Majesty, I will obey your Majesty's will."

In the end, Ouyang Zhengxiong agreed. He could foresee that his future life would be a mess.

Looking at Wanqing's look, he knew that Wanqing had ill intentions towards him, so how could he really learn from him.

I just hope that Wanqing wouldn't keep it. Just embarrass him.

After seeing that his goal was achieved, Wanqing returned to the banquet and sat down.

Looking at Ouyang Zhengxiong's lowered eyebrows, the second prince knew that Ouyang Zhengxiong was avoiding Wanqing.

Wanqing is different. She is now "domineering". She has been living in the favor of everyone, how could she be willing to listen to an ordinary person.

Moreover, it is too late for him to say that he wants to practice at this time.

If it were before, he would still be able to succeed in cultivation, and he would most likely become a grandmaster.

But now that his body has grown, if he wants to practice again, he will definitely suffer a lot.

The second prince could only pray silently in his heart that all this was just her whim.

If she really wanted to practice from scratch, it would take a lot of hard work.

After the banquet was over, Ouyang Zhengxiong followed General Zhao By their side.

General Zhao and Ouyang Zhengxiong were both very bored with everything that happened at the banquet.

It was not about the princess, but the royal family's consistent style.

The royal family just liked to intimidate and induce them, and they would never ask them. idea

"Ouyang, what's going on between you and the princess? Why would she want you to teach?"

Listening to General Zhao's questions, Ouyang Zhengxiong gave a wry smile.

He told General Zhao everything that happened to Wanqing before.

He didn't mean what happened before, and he was resting there well. Suddenly Someone comes to disturb him.

He will definitely be angry, no matter who comes that time.

But who would have thought that it was because of that incident that he laid the foundation for today's disaster?

"It turned out to be like this. I didn't expect that there would be such a bad bond between you and the princess. She has grown up in the hands of everyone. If she doesn't accomplish her goal this time, I'm afraid she won't give up easily."

Seeing everyone's love for Wanqing today, Ouyang Zhengxiong already knew it.

So the emperor treated him as a treasure before.

But after all, he can't compare to Wanqing in front of the emperor.

"I already knew it, but it was a pity that I understood it too late."

After seeing Ouyang Zhengxiong like this, General Zhao also felt a little pity.

Ouyang Zhengxiong was tied up here. I don't know if he can successfully return to the military camp with him.

"If you want to stay here to practice with the princess, can you still come back to the military camp with me? You have just started to take over that group of new recruits. How should I explain to them if I don't go back?"

This has always been a headache for Ouyang Zhengxiong, if he has been entangled with the princess.

He can't explain it to the people in the military camp, but now he really can't get away.

"General Zhao, I will definitely find a way to return to the military camp. You can help me train when you return this time, or I will leave the next training plan to you."

"I will definitely escape in a short time and return to the military camp."

Chapter 2266

Ouyang Zhengxiong assured General Zhao again righteously.

But can this matter be completed smoothly? We also need to look at Ouyang Zhengxiong's own abilities.

Although General Zhao hopes that Ouyang Zhengxiong can return to the military camp with him, it seems that this matter is absolutely impossible now

"This is what you said. If you can't escape in time, you must tell me so that I can ask someone to help you train those people."

"If you can escape within seven days, those people will still train you."

General Zhao's words were indeed well-intentioned. The group of people finally brought up the idea of training.

It would be a pity if they gave up just because of Ouyang Zhengxiong.

"General Zhao, don't worry, I will try my best to escape within seven days. If I still can't escape on the sixth day, I will definitely report to you."

General Zhao nodded reassuringly, and the two of them walked while talking.

Such a scene also attracted the second prince and Wanqing.

Wanqing took the lead in breaking away from the second prince and came to Ouyang Zhengxiong's side. Her cheeks were damaged due to the running just now. A little rosy.

And this look can really reflect Wanqing's vitality at this age.

After Ouyang Zhengxiong saw Wanqing's appearance, he couldn't help but think of Yu'er.

If Yu'er grew up normally, I'm afraid she would have survived. Wanqing looks so wanton and indulgent.

Unfortunately, Yu'er has become a brothel girl due to the persecution of the traitor.

"Princess, there is something important to stop me this time."

Wanqing doesn't care what Ouyang Zhengxiong thinks. She wants Ouyang Zhengxiong to bow to her now.

"Weren't you very dismissive of me before? You don't look down on me very much, how about that? Do you know how powerful I am now? I can forgive you if you apologize to me."

Wanqing's face was full of arrogance at this time, and her attitude towards Ouyang Zhengxiong was unrestrained.

It seemed that Ouyang Zhengxiong was a very disdainful subordinate of his, and this attitude happened to anger Ouyang Zhengxiong..

Although Ouyang Zhengxiong has been practicing alone since he was a child, he will never think that he is worse than anyone else.

What's more, he also relied on his own excellent ability to prove this.

He can fight with Mo Yu A tie would prove that he is indeed talented.

"Your Highness, although I promised the Emperor to teach you how to practice, do you have to listen to what happens next? If Her Majesty the Princess must adopt such an attitude, I will definitely explain this matter to Her Majesty even if I risk being beheaded."

Ouyang Zhengxiong's attitude is also very tough. He will never apologize to Wanqing no matter what. It is obviously not his fault. Wanqing's style is so tough. No wonder the people don't trust the royal family.

The second prince saw Wanqing and Ouyang After the quarrel between Zhengxiong and Zhengxiong, he immediately stopped Wanqing.

He knew that what happened before was indeed Wanqing's fault, but he would stand by Wanqing unconditionally.

Now, he has just attracted Ouyang Zhengxiong over , if Wanqing and Ouyang Zhengxiong quarreled, he wouldn't know who to help.

"you....."

"Why does the imperial sister have to work so hard?" Before Wanqing finished speaking, she was directly interrupted by the eldest prince.

The eldest prince had already noticed that there was a conflict between Wanqing and Ouyang Zhengxiong.

And the second prince had always been towards Wanqing.

He was different. He had been since he was a child. I can't stand Wanqing's style. We are all the children of the father and the emperor.

How can Wanqing be doted on by all kinds of people and be cared for by her brothers and sisters?

But her sister has never been cared about, not even by the emperor. She couldn't think of such a daughter.

Wanqing knew that the eldest prince didn't like her, so she never thought of interfering with him.

But if she really confronted the eldest prince, she would never ask him give in

"Brother Emperor, this is a matter between Ouyang Zhengxiong and I. It should have nothing to do with you, right?"

The implication of this sentence is to ask the eldest prince not to meddle in other people's business.

But the eldest prince seemed not to understand. Instead, he smiled and blamed Wanqing.

"Wanqing, this is your fault. No matter how you say it, Mr. Ouyang is still the leader of this year's competition? If you keep pushing me hard, I'm afraid Mr. Ouyang will be unhappy in your heart."

The eldest prince directly blocked everything Wanqing wanted to say.

No matter which aspect Wanqing wanted to break through, he seemed to be unable to complete it.

Although Ouyang Zhengxiong couldn't stand Wanqing, he didn't like the eldest prince bullying a person like this. girls

"Thank you to the eldest prince for speaking up today, but the princess is just acting like a child, so the eldest prince should not preach to Wanqing."

Ouyang Zhengxiong was very respectful, but his attitude was very tough.

It made the eldest prince feel that all he did was just meddling in his own business.

The eldest prince didn't want to say anything more to Ouyang Zhengxiong, so he just said it lightly. She left directly.

After seeing Ouyang Zhengxiong come to her rescue, Wanqing had a slight change in her feelings towards Ouyang Zhengxiong.

But this did not mean that she would forgive Ouyang Zhengxiong.

Chapter 2267

After successfully angry at the eldest prince, Wanqing still looked at Ouyang Zhengxiong very indulgently.

"Don't think that if you help me this time, I will treat everything before as if it never happened. Let me tell you, as long as you don't apologize to me for a day, I will never let you go."

Ouyang Zhengxiong listened to Wanqing's words and felt that Wanqing was not a bad person.

She looked like a child who insisted on begging for candy.

"That's up to you."

Ouyang Zhengxiong had no intention of talking nonsense with Wanqing here. After leaving these words, he left directly with General Zhao. General Zhao couldn't help but admire Ouyang Zhengxiong after seeing how arrogantly Ouyang Zhengxiong treated Wanqing.

"Ouyang, you are quite powerful. Even in the face of Princess Wanqing, you dare to be so tough, which really surprises me."

After Ouyang Zhengxiong heard General Zhao's praise for him, he felt that these things were nothing worth taking to heart.

It was not a big deal. Besides, the things he did were not a big deal either.

"Although Wanqing is a princess of a country, it doesn't mean that everyone has to give in to her. If she is allowed to form this idea, she will definitely not have a good outcome if she gets married in the future."

Ouyang Zhengxiong really stood in Wanqing's perspective and thought carefully about Wanqing.

Unfortunately, Wanqing didn't understand Ouyang Zhengxiong's good intentions at all. She only knew that Ouyang Zhengxiong looked down on her very much.

And Ouyang Zhengxiong never cared about her. He would express his apology to her, which also made her feel more and more tired of Ouyang Zhengxiong.

"Second brother, have you seen it? He had no intention of repenting at all about his attitude toward me just now. I must punish him properly."

After the second prince saw Wanqing's furious look, he also admired Ouyang Zhengxiong.

It seemed that he hadn't seen Wanqing like this for a long time. Wanqing had always been very calm.

"Okay, Wanqing, please stop making trouble. I know better than you what kind of person Ouyang Zhengxiong is? He won't make you angry for no reason, but what did you do to make him treat you this way?"

The second prince is unconditionally on Ouyang Zhengxiong's side. She really thinks that there is nothing wrong with Ouyang Zhengxiong's character.

And he also knows his sister very well. What kind of character is Wanqing? He knows better than anyone else.

"Second brother, why are you helping him but not me? Didn't I tell you everything before? He took over the pavilion I had before and drove me away. How could this be possible?"

The second prince looked at Wanqing very seriously after seeing that Wanqing had brought this matter back.

Fortunately, it was Ouyang Zhengxiong this time. If he really met someone who was very stubborn, Wanqing would have to bear the responsibility now. There's more to the matter than this.

"You said that was your pavilion, why did you do that? That pavilion was built next to the river. It belongs to everyone. Why do you occupy it?"

Wanqing was speechless when asked by the second prince, but she would not bow down to him so easily.

These things were built by her father. She is his daughter, so why are they not hers?

"These were all built by my father. I am my father's daughter. Why can't they be mine? Besides, I am a princess of a country. It would be inconsistent with my status if I were to hang out with those common people."

Wan Qing said this righteously, as if Ouyang Zhengxiong had really done something wrong in this matter.

After the second prince saw that Wan Qing had been unwilling to admit his mistakes, he no longer wanted to say anything to Wan Qing..One day, Wanqing will realize the seriousness of this matter, and Wanqing will definitely admit this mistake.

Of course, this matter can never be caused by him, and he can never blame Wanqing. Good relations.

This matter can only be left to Ouyang Zhengxiong to divorce himself. He believes that Ouyang Zhengxiong can definitely do it.

"Forget it, I won't tell you about this matter. One day you will realize this matter, and you will only know how wrong your idea is."

After the second prince said these words, he left here alone, leaving Wanqing alone and sulking alone.

He also knew that it was wrong for him to occupy those pavilions alone, but she could not tell her Ouyang Zhengxiong apologized.

She had been a proud person all her life, how could she bow to someone so easily?

"I will definitely let him bow to me, and I will never give in to her."

In this way, the two very different lives of Ouyang Zhengxiong and Wanqing were entangled together.

The next day, when Ouyang Zhengxiong and Nangong Ying were having breakfast at home, they saw Wanqing walking in swaggeringly.

Ouyang Zhengxiong also I don't know how Wanqing can be so confident. She doesn't seem to realize her mistake.

Looking at the person who suddenly appeared, Nangong Ying knew that this person must be related to Ouyang Zhengxiong. Her eyes could not help but slowly focus on Ouyang Zhengxiong's face. He looked back and forth between Ouyang Zhengxiong and Wanqing.

Chapter 2268

Suddenly, Nangong Ying felt as if he had discovered something terrible.

Ouyang Zhengxiong just went to the palace and brought back such a young and beautiful person.

Nangong Ying looked very envious in his heart, but when Wanqing slowly came to them, Nangong Ying realized how naive his thoughts were.

"Why haven't you finished your breakfast so late? Aren't you a martial arts practitioner? Why did you get up so late? It's a shame that I got up early early just to accommodate you. Are you worthy of this princess?"

When she wasn't talking, Nangong Ying felt that Wanqing was a very quiet and elegant woman.

But when Wanqing spoke, she immediately broke Nangong Ying's imagination of her.

Nangong Ying never thought that a woman could speak or not. The contrast was so big.

At this time, Nangong Ying couldn't help but compare Wanqing and Yu'er.

As expected, he still preferred Wanqing, a quiet and elegant woman.

"Ouyang, this is....."

Nangong Ying bit the cake in her mouth and asked Ouyang Zhengxiong unclearly.

And Nangong Ying's approach was once again looked down upon by Wanqing.

"Do you know some eating etiquette? Eat well when you eat. Why do you ask others questions while eating? This is rude to others."

Wanqing said while showing her dislike for Nangong Ying.

After hearing Wanqing's words, Nangongying showed a trace of embarrassment on his face.

He had forgotten that this Wanqing called herself a princess. People in the royal family have many rules.

After Nangong Ying quickly swallowed what was in his mouth, he looked at Wanqing very apologetically.

"I'm so sorry. I got used to it and didn't consider your thoughts anymore. I'm really sorry."

As he said this, Nangong Ying looked at Ouyang Zhengxiong again, hoping that Ouyang Zhengxiong could help him out.

After seeing Wanqing like this, Ouyang Zhengxiong couldn't help but feel a little disgusted with Wanqing.

Originally it was just because Wanqing had a childish temper, but Now it seems that Wanqing doesn't know how to respect others.

"You say he doesn't know how to respect people, but do you respect people? Is it in line with the etiquette of a royal noblewoman that you yell at others like this?"

Ouyang Zhengxiong had learned some etiquette with Zhao Wenxue before.

Although he had not specifically learned the etiquette of princesses, all the etiquettes were similar.

Now Wanqing is yelling at Nangong Ying like this, which is really disrespectful. female identity

"You, what do you mean? I am a princess. How could I have never learned etiquette? But it is indeed unethical for him to eat. People are not allowed to talk to other people while eating."

Ouyang Zhengxiong doesn't want to have so many etiquette in his home, which will make him feel uncomfortable.

"This is how my family eats. If you can't accept it, then please wait until we have breakfast before coming back."

Can Ouyang Zhengxiong tolerate Wanqing's many bad habits? It's because someone has been spoiling her that Wanqing got to such a lawless state.

After Nangongying saw Ouyang Zhengxiong's bravery again, she felt that Ouyang Zhengxiong is also very powerful.

At least Ouyang Zhengxiong can successfully suppress Wanqing at this time.

In the past, I thought Ouyang Zhengxiong was a very easy-going person, but now I know that Ouyang Zhengxiong is also very resistant to some things.

"Is this your attitude when talking to this princess? I, the princess, meant well to correct your friend's table manners, but you didn't thank me for half a year. It's my fault instead."

"Okay, this is what you said. At worst, I will come back after you finish your meal."

After Wanqing said this, she turned around and left. Nangong Ying did not expect that this matter would be so serious. It directly triggered a quarrel between the two of them. He did not want Ouyang Zhengxiong to offend the princess because of him.

"Ouyang, why are you still dazed? Why don't you hurry up and chase her? She is a princess. If something happens to you, you will not be able to escape this responsibility."

Ouyang Zhengxiong knows that Nangong Ying is doing it for his own good. But he must not get used to Wanqing's bad habit.

"It's okay. Although she is protected by guards when she travels, there is no need to worry about her safety. So what if she is a princess? You can't look down on people so much, you must let her realize this."

After seeing such a heroic side of Ouyang Zhengxiong again, Nangong Ying didn't know what to say for a moment.

"You are still brave." After Nangong Ying said these words, he started to eat directly.

He was not full at all just now. He just stopped to accommodate the princess Wanqing.

Since Ouyang Zhengxiong didn't take this matter to heart, then he didn't need to take this matter to heart.

After the two of them had eaten, Ouyang Zhengxiong walked to the martial arts training ground alone.

As expected, Ouyang Zhengxiong saw an angry Wanqing here.

Wanqing looked like this , but if she is a little cute, a trace of anger flashes in her eyes when she thinks of her previous rude things.Chapter 2269

Wanqing naturally noticed that Ouyang Zhengxiong had been walking towards her, but she calmed down and ignored Ouyang Zhengxiong.

She must wait for Ouyang Zhengxiong to take the initiative to talk to her, otherwise, where will her face as a princess go?

"How long are you going to stay here? Aren't you here to practice with me?"

Ouyang Zhengxiong was condescending, with a touch of ridicule in his tone.

After hearing Ouyang Zhengxiong's tone, Wanqing couldn't sit still. She jumped up from the ground and looked at Ouyang Zhengxiong with angry eyes.

"what do you mean? Do you look down on me? I do want to practice with you, but I didn't ask you to come here to insult me."

Ouyang Zhengxiong didn't know what the princess had in mind during her short words.

He didn't mean to look down on him. All these things were just her own thoughts.

"What are you thinking about? I never said anything about looking down on you. Every day I don't know what you are thinking."

Wanqing doesn't want to pay attention to Ouyang Zhengxiong anymore. It's true that she came to practice with Ouyang Zhengxiong.

But if Ouyang Zhengxiong keeps treating her with this attitude, she will ask Ouyang Zhengxiong for punishment.

"Let me tell you, I am a princess, and my willingness to practice with you is a blessing you have gained from practicing in three lifetimes. You'd better be content."

After seeing Wanqing like this, Ouyang Zhengxiong couldn't help but think of the little princess of Chu State again.

He hated the little princess of Chu State before because the little princess of Chu State was pampered, but everything is compared.

Now Wanqing and Compared with the little princess of Chu State, he felt that the little princess of Chu State was simply a beautiful angel.

"Okay, okay, what do you want? Do you want to practice with me? I have to tell you in advance that practicing with me is very hard. Once you start, you will never be allowed to stop."

Wan Qing has already decided to practice together.

Besides, she has also obtained the emperor's permission. If Ouyang Zhengxiong doesn't try his best to teach him, she will never let Ouyang Zhengxiong go. Will let the emperor teach Ouyang Zhengxiong a good lesson

"Naturally, I want to train with you, but I tell you, you'd better give me everything you know, otherwise my father will not let you go, and I will definitely let my father punish you severely. you."

What bothers Ouyang Zhengxiong the most is Wanqing's attitude.

Whenever anything happens, he uses his family to put pressure on others, if it weren't for her good reincarnation.

I'm afraid Wanqing may not be able to do better than him now.

"Don't you think what you said is ridiculous? How old are you now, and you still let the emperor make decisions for you? Is it possible that when you get married in the future, you still have to ask the emperor to make the decision?"

Ouyang Zhengxiong's words are really full of sarcasm. To Wanqing, Ouyang Zhengxiong sounds like she is the one who has not weaned herself. As a princess, she relies on her father. Is there anything wrong with her? Is there anything wrong with her

?

Is she going to rely on someone else's father?

"What's wrong with me relying on my own father? Since my father can make the decision for me, why should I ask for help from others at the expense of the near and distant?"

As soon as Wanqing heard that this matter had touched the Emperor, she became extremely anxious.

She did not allow anyone to offend the Emperor, nor did she allow anyone to look down on the Emperor.

"I'm not asking you to beg anyone else, I'm just saying why don't you do it yourself? If something happens to the emperor one day, and you are her daughter, what can you do for him?"

After hearing these words, Wanqing calmed down.

It turned out that this was what Ouyang Zhengxiong wanted to tell her. In her heart, the emperor was like a great mountain, and nothing would ever happen.

If there really was After making this assumption, she will definitely find a way to avenge her father.

"I will definitely avenge my father, and I will never let anyone hurt my father."

Wanqing said, with a bit of cruelty in her eyes.

It seemed that if someone really touched the emperor, she would really fight with that person.

After seeing Wanqing like this, Ouyang Zhengxiong nodded with satisfaction.

As long as Wanqing can stay like this, he will definitely be able to teach Wanqing well.

"If you can keep like this, I guarantee that you will practice quickly, but if you still disrespect me and are rude to me and my friends like before, I will punish you severely."

Wanqing fell silent after learning what Ouyang Zhengxiong said.

She is a princess, and if Ouyang Zhengxiong keeps bullying her like this, Ouyang Zhengxiong will definitely not end well.

"I'm a princess, why do you say that to me? I practice very quickly, and that is my own talent. What does it have to do with you?"

Ouyang Zhengxiong saw that Wanqing was still unrepentant at this time, and he had nothing to say to Wanqing.

"Okay, you said you have high talent and it has nothing to do with me, okay, then go and practice on your own now! There is no need to ask me for advice."

Chapter 2270

Then he doesn't want to serve a princess-like person like Wanqing. He has so many soldiers who listen to him and haven't had time to train them yet.

Why should he keep serving such a person? He doesn't have that much free time.

After hearing what Ouyang Zhengxiong said, Wanqing also became angry.

"What is your attitude? It is your blessing that this princess is willing to let you teach me. Now that you are actually talking to me like this, aren't you afraid that this princess will sue you for disrespect in front of your father?"

Ouyang Zhengxiong is not afraid of these things. The emperor should know better than anyone what kind of character he is.

Moreover, he feels that the reason why the emperor agreed to this matter is just to see if Wanqing is a good person. He's just joking.

If the emperor really punishes him for this matter, he will never stay here anymore.

He will either stay in the military camp for the rest of his life, or he will leave here forever.

He will become the second prince's backstage, absolutely I will never act in public again

"I'm not afraid of you. Then go and tell the emperor now. I want to see if the emperor is facing you or what?"

Wanqing saw that Ouyang Zhengxiong was not even afraid of the emperor, so she had no choice but to go back angrily.

Ouyang Zhengxiong did not send anyone to protect Wanqing.

Wanqing did not go back to the palace directly, but went directly to find him After the second prince saw Wanqing coming again, he felt that his head started to hurt again.

Every time Wanqing came to him, nothing good would happen. There were always a bunch of messy things waiting for him to deal with.

"Tell me, why are you here this time?"

"Second brother, you don't even know that Ouyang Zhengxiong is so hateful."Wanqing complained about Ouyang Zhengxiong to the second prince again.

"Yeah? Then tell me where he offended you?"

As soon as the second prince heard Wanqing's words, he knew that he could no longer remain calm for the next period of time.

He had no choice but to listen to what happened first.

Wanqing told him everything that had just happened at Ouyang Zhengxiong's house. Everything was told to the second prince in detail.

After the second prince learned about this incident, he felt that Ouyang Zhengxiong could not be blamed for this incident.

"Do you think this matter is all the fault of Mr. Ouyang? Don't you feel that you have made a mistake?"

Wanqing listened to the second prince's words and knew that the second prince was going to scold her again.

But no matter how you say it, she can be regarded as the second prince's sister? Why does the second prince keep looking towards Ouyang Zhengxiong?

"Second brother, why do you keep looking at me, Ouyang Zhengxiong? But your sister, what kind of person am I? It's not like you don't know that my father has never let me suffer any injustice, so why should he let me suffer?"

This is indeed true. Wanqing is a princess, and even the emperor dotes on her. Ouyang Zhengxiong, an ordinary citizen, is indeed not suitable to teach Wanqing a lesson.

"You are right. From your perspective, he is indeed an ordinary person and has nothing to do with you. But if you want to practice with him now, he can be said to be your master."

"Your master just taught you a few words, but you can't stand it anymore?"

The second prince's rhetorical question asked Wanqing. He wanted to know what Wanqing was thinking.

After hearing the second prince's rhetorical question, Wanqing lowered her head guiltily.

"But I just couldn't help it. She didn't take me to heart before. Now that I want to learn from him, he will bully me even more. I can't bow to him."

After the second prince's understanding of Ouyang Zhengxiong, Ouyang Zhengxiong is definitely not such a person.

Ouyang Zhengxiong will not retaliate, he will only discuss the matter.

"Are you afraid that he will bully you? Well, then I have to ask you, has he ever said anything harsh since you entered his house? Did he ever look down on you?"

Wanqing thought about the incident carefully and found that if she had not taken the initiative to cause trouble, Ouyang Zhengxiong had never laughed at her or insulted her.

Wanqing lowered her head even more, and she now knew that she felt guilty.

After the second prince saw that Wanqing knew his mistake, it was hard for him to reprimand his sister.

"At first you were the one who kept clamoring to become Master Ouyang, but now he is just teaching you the most basic etiquette. If you continue to be so arrogant and unreasonable, Master Ouyang will never accept you as his disciple."

Wanqing lowered her head in shame. She realized her mistake.

She was just having a temporary high. If possible, she also hoped that she could control it.

Wanqing has been pampered by others since she was a child. , how could she possibly be able to control what she wanted at this time?

"Second brother, I know I am wrong in this matter, but can't he treat me better?"

"I have been favored by you since I was a child. Suddenly someone talks to me like this. Of course I am angry!"

The second prince understands Wanqing's thoughts, but not everyone in the world has the right to pamper her like this.

Maybe it's because they usually protect Wanqing so well that Wanqing doesn't know the dangers of the world.
