

Attributes 2271

Chapter 2271

If possible, he also hopes that through this incident, Wanqing can slowly grow up.

Wanqing can't continue to be like this. He doesn't know etiquette. If he continues like this, even if he finds a good family in the future, he will be tortured by himself in the end.

"I am asking you for the last time, do you still want to learn the art of cultivation with Ouyang Zhengxiong? If you don't want to study, then don't bother Ouyang Zhengxiong anymore."

The second prince also rarely had a serious face towards Wanqing. He didn't want Wanqing's portrait to be delayed any longer.

Wanqing should really have a goal now, and can no longer live in vain like this.

"Of course I wanted to practice with him, otherwise why would I let him teach me in the first place? I just couldn't bear my temper for a while. Of course I still have to practice what I should practice."

After saying this, the second prince nodded. Since Wanqing still wants to continue practicing with Ouyang Zhengxiong,

Wanqing must always listen to Ouyang Zhengxiong now.

"If you really want to practice with Ouyang Zhengxiong, then you should put away your little temper from now on. Don't be rude to Ouyang Zhengxiong anymore. Clean yourself up quickly. I will take you to Ouyang Zhengxiong to apologize."

No matter what? Wanqing is still his sister after all, and he doesn't want to see Wanqing suffer.

Moreover, Ouyang Zhengxiong is also his brother-in-law. If Wanqing and Ouyang Zhengxiong can really get together, no matter who it is, Say, it's all a blessing

"Second brother, can't we go again tomorrow? Why do you have to go today? I just finished arguing with him today, I....."

"If you don't go today, you won't have to practice with him in the future."

Before Wanqing could finish speaking, the second prince interrupted Wanqing directly.

If Wanqing continues to be so unreasonable, then Wanqing will really be spoiled by them for the rest of her life.

"I'll go, okay? Second brother, you have really changed now. You would never have been so loud to me before."

After Wanqing said these words again, she walked forward on her own.

She still couldn't accept this matter. Her brother who was once so good to her has now changed overnight.

Everyone began to turn to him. Ouyang Zhengxiong switched sides, and no one really liked her anymore.

Soon, Wanqing and the second prince came to Ouyang Zhengxiong's mansion.

At this time, Ouyang Zhengxiong was not in the mansion. He went to the temple with Nangong Ying. Feng Academy.

Shenfeng Academy can be regarded as half of his school. Now that he is finally free, he should go around for a while.

Besides, there are his good friends there, and he doesn't know what is happening to Chu Qing and Mo Yu now.

"Alas, you are now teaching spells class, have you ever taught Chu Qing and Mo Yu?"

Nangong Ying doesn't know who Chu Qing and Mo Yu are? He doesn't even know where Ouyang Zhengxiong knows so many people.

"I don't even know where you met so many people. I have never met Chu Qing and Mo Yu. Generally, the people who come to my spell class are students who are interested in spells. Maybe the two you mentioned are not How interested."

After Nangong Ying's explanation, Ouyang Zhengxiong nodded. In his opinion, Chu Qing is a very studious person.

Moreover, spells are indeed very convenient sometimes. He didn't understand why Chu Qing and Mo Yu didn't come. Learn spells

"Okay, then you go teach now. I'll take a look around the college. I also want to find Chu Qing and Mo Yu."

After hearing Ouyang Zhengxiong's arrangement, Nangong Ying did not interfere and turned around to go to class. At this time, Ouyang Zhengxiong would be wandering around alone in Shenfeng Academy

"Alas, have you heard? Not long ago, the little princess was sent back to Chu State. It was really sent back by Ouyang Mingyue and Wei Tianyu."

"So what? The two of them were originally from the Chu State, so it was only natural for them to send the little princess back."

Ouyang Zhengxiong felt that there was something more important behind this matter.

He had to listen carefully, maybe something would really happen to the little princess.

"You don't understand this, right? Although the little princess of Chu must be sent there by someone from Chu, what are the tempers of Ouyang Mingyue and Wei Tianyu? you do not know?"

"Neither of them have very good tempers, and the little princess of Chu State also has a bad temper. I'm afraid there won't be any peace along the way."

Ouyang Zhengxiong listened to the words of these two people and felt that these things seemed quite funny.

Even if Ouyang Mingyue and Wei Tianyu have hot tempers, the little princess of Chu is not easy to mess with. She has been pampered since she grew up, let alone if she comes again. Along the way, he was obedient to the little princess of Chu.

If he was annoyed when he went back, neither Ouyang Mingyue nor Wei Tianyu would be able to reap the rewards.

Ouyang Zhengxiong shook his head and ignored this place. After Ouyang

Zhengxiong left here, he took the initiative to find Chu Qing. He wanted to persuade Chu Qing to learn the talisman together.

If the talisman can be used well, it can give people a fatal blow.

Chapter 2272

Just when Lanzhou came to Chu Qing, he suddenly discovered that Chu Qing seemed to have been in retreat.

If he comes here, he may not be able to see Chu Qing.

Just when Lanzhou was about to leave, Chu Qing suddenly pushed the door open and walked out.

"Since you are already here, why bother leaving in such a hurry? Why not sit together and have a cup of tea."

Ouyang Zhengxiong listened to Chu Qing's words, with a smile on his face.

"I forgot that you were still in seclusion, I just remembered it, and I didn't expect you to show up so soon. That being the case, I'd better sit down and chat about it."

After hearing Ouyang Zhengxiong's words, Chu Qing suddenly laughed.

She always felt that Ouyang Zhengxiong was deliberately pretending to be stupid. When she went into seclusion and when she came out, would Ouyang Zhengxiong still not know?

"Tell me, what do you mean by coming to me this time?"

Chu Qing knew that Ouyang Zhengxiong would never come to her if nothing happened.

She and Ouyang Zhengxiong didn't have such a good relationship yet, and they could only talk to each other.

"I came to see you this time to ask if you would like to take a spell class together."

This is the first time Chu Qing has heard of such a course as Wan Qing's.

She has never heard of it before, and there has never been any news about it.

When did this course start? Why had no one ever informed her?

"When did this start? How come I've never heard of it before?"

Chu Qing has been in seclusion, but sometimes she comes out of seclusion, but no one tells her even after she comes out of seclusion.

"Haven't you been in retreat recently? I probably haven't had time to tell you that this is a new course that was recently launched, and we can now count it as alumni relations."

As Ouyang Zhengxiong spoke, he told Chu Qing what happened in the past few days.

Chu Qing also heard it, and her focus was on Ouyang Zhengxiong and Mo Yu's fight.

"Why are you so powerful? To be able to tie with Mo Yu, it seems that I really underestimated you before."

After hearing Chu Qing say such words, Ouyang Zhengxiong really felt a little embarrassed.

If Chu Qing really wanted to compete with Mo Yu, she would not necessarily lose to Mo Yu if she gave it a try.

"Why do you say that to me? If you compete with Mo Yu, you won't necessarily lose to him, right? Although he is the eldest brother among them all, your strength is not weaker than him at all."

After hearing Ouyang Zhengxiong's compliment, Chu Qing narrowed her eyes in great relief.

She is indeed no weaker than Mo Yu, but she has never liked to show her strength.

She still likes to pretend to be a pig and eat the tiger. And if you really show your strength, you will be the one to do any troublesome things at that time.

"Forget it, I still want to practice quietly and don't want to be disturbed by so many nonsense."

After Chu Qing's words, Ouyang Zhengxiong probably understood what Chu Qing meant.

Since Chu Qing doesn't want to be disturbed, she should indeed keep a low profile. Low-key people will not be disturbed.

"How about it? Are you feeling a little excited? Do you want to go to spell class with me?"

After Ouyang Zhengxiong's words, Chu Qing was indeed very tempted.

What's more, she had also heard of talismans. Sometimes talismans can really play a great role if they are used well.

"Of course, it just so happens that I have just retreated and have nothing to do, so I can learn some spells."

After getting Chu Qing's words, Ouyang Zhengxiong and Chu Qing quickly came to Nangong Ying's classroom.

After Nangong Ying saw Chu Qing and Ouyang Zhengxiong walking in, he did not stop them.

Ouyang Zhengxiong was able to bring him the A student, it was too late for him to thank Ouyang Zhengxiong.

How could he think that Ouyang Zhengxiong had brought him trouble?

Chu Qing and Ouyang Zhengxiong listened to the whole class here, and they had to admit that Nangong Ying did have a way of teaching. People are immersed in the scene.

Moreover, Nangong Ying's class is also very easy to understand. Even if Ouyang Zhengxiong and Chu Qing have never studied before, they can still understand it.

Soon, after class, Nangong Ying and Ouyang Zhengxiong and Chu Qing walked together Nangong Ying still admired Ouyang Zhengxiong very much. Ouyang Zhengxiong seemed to always have some beauties around him.

No matter what time, Ouyang Zhengxiong could always gather these beauties.

He would like to ask Ouyang Zhengxiong for advice. Ouyang Zhengxiong How on earth is it done?

"Ouyang, this is....."

"This is the Chu Qing I just told you." Ouyang Zhengxiong responded to Nangong Ying's words

"This is the Nangong I told you about, he is the one who teaches spells."

The three of them started chatting here again, chatting all over the world.

When school was over, the three of them separated with lingering feelings.

But when Ouyang Zhengxiong and Nangong Ying returned home, they got the second prince and Wanqing, and they kept talking. The news waiting here.

The expression on Ouyang Zhengxiong's face suddenly became solemn.

He didn't know whether the second prince came to him to settle accounts or brought Wanqing to apologize to him.

But no matter what, this time Wanqing would not be sent away so easily.

Chapter 2273

"Since the royal people are here, I'd better hide for a while. It happens that I haven't seen Yu'er for a long time, so I'm going to stay with Yu'er for a while."

Ouyang Zhengxiong did not stop Nangong Ying, but instead let Nangong Ying leave smoothly.

This matter had nothing to do with Nangong Ying in the first place. If Nangong Ying was left here, it would have bad consequences.

In Nangong Ying's case After leaving here smoothly, Ouyang Zhengxiong closed his eyes again and sighed deeply.

When Ouyang Zhengxiong opened his eyes, he strode into the house with a big apology on his face.

"Second Prince, Princess Wanqing, why didn't you two tell me in advance that I had something to go out for a walk today, and you didn't send anyone to look for me."

Ouyang Zhengxiong apologized as soon as he came up, but the second prince and Wanqing didn't know where to vent their anger.

After hearing Ouyang Zhengxiong's words, the second prince had no reason to continue to blame Ouyang Zhengxiong.

In the first place, this matter could not be blamed. Ouyang Zhengxiong, they should have waited a little longer if they came to apologize.

"It's nothing. I came here to take Wanqing to apologize to you. Wanqing hurt you with her words. As his royal brother, I naturally have the responsibility to take her to apologize to you."

After hearing the second prince's words, Ouyang Zhengxiong immediately showed a state of panic on his face.

"Second Prince, you can't say this nonsense. Princess Wanqing has her own ideas. If she doesn't want to learn from me, I won't force Princess Wanqing. Besides, she is a princess after all, and I am just an ordinary person and really not qualified to teach her."

Ouyang Zhengxiong said this to the second prince with a slightly mocking voice. After the second prince said it, he felt that Wanqing might have hidden something from him.

Otherwise, why would Ouyang Zhengxiong say this? It seems that Wanqing You really should be disciplined now

"What are you talking about? If you are not qualified to discipline her, then who is? You are her master now. If he is disobedient, you must not show mercy."

Wanqing was listening to the conversation between the second prince and Ouyang Zhengxiong. Suddenly, she felt that the second prince had sold her to Ouyang Zhengxiong. Why should she listen to Ouyang Zhengxiong? If Ouyang Zhengxiong's words were incorrect, she is listening, isn't that Yu Zhong?

"Why should I listen to her? Brother Emperor, is this a bit too much? If what he said is wrong, can't I correct it?"

Ouyang Zhengxiong just felt a little better about Wanqing, but he confirmed Wanqing's words.

Wanqing is still the same as before, without any change. Even if he knows that he is wrong now, he will never change it.

"Second Prince, I think you should stop embarrassing Princess Wanqing for him. And there are still many things waiting for me in the military camp? If there's nothing serious, I'm going to go back to the military camp tomorrow."

The second prince was silent after listening to Ouyang Zhengxiong's words.

He knew what Ouyang Zhengxiong meant? Ouyang Zhengxiong just didn't want to deal with Wanqing anymore.

Wanqing even dared to do this here, and was unreasonable to Ouyang Zhengxiong. If he wasn't here Is Wanqing even more presumptuous here?

Ouyang Zhengxiong is his man. If he can successfully obtain military power, it will be a good thing for him.

"What Mr. Ouyang said is true. If you have something important, then you can go and do your business. I will take Wanqing back."

Ouyang Zhengxiong nodded after listening to what the second prince said.

If the second prince could keep going like this, he wouldn't mind staying by his side.

Unfortunately, he was afraid that the second prince would make people confused for a while. , and really left Wanqing to him.

After Wanqing heard what the second prince said, she objected very loudly.

Even the emperor had agreed that she should learn from Ouyang Zhengxiong why the second prince disagreed, and Ouyang Zhengxiong also to refuse

"Second brother, didn't you come here just to let me practice with him? Why do you still say such things? Even my father has already agreed, do you want to disobey the decree?"

After hearing Wanqing's words, Ouyang Zhengxiong's face was filled with horror.

He did not dare to disobey the order. This matter was left to the second prince to resolve.

"Second, the second prince, I have never thought about it this way. My loyalty to the emperor can be learned from time to time."

Ouyang Zhengxiong was so frightened that he knelt on the ground all of a sudden, and he couldn't stop walking towards the palace.

After the second prince saw Ouyang Zhengxiong like this, he felt a little angry.

Wanqing would only mess things up, and it's his fault. I used to think that Wanqing was a very lively sister.

It turns out that before, it was just an illusion. Wanqing really didn't understand anything.

"That's enough. Stop talking. Mr. Ouyang has important things to do. It's not easy for you to agree to teach you. But not only do you not know how to cherish it, but now you keep making fun of him. I have nothing to say to you. I will report this matter to my father."

With that said, the second prince looked at Ouyang Zhengxiong again.

"Lord Ouyang, I will explain this matter to my father."

Chapter 2274

"If you want to go back to the military camp, you can go back tomorrow. My sister is spoiled by us, and I must include some of the things that offend you."

Wanqing shut her mouth after hearing the second prince admitting his mistake to Ouyang Zhengxiong like this.

She didn't want to see the second prince treating Ouyang Zhengxiong like this.

But she also knew that the second prince said that he would treat Ouyang Zhengxiong like this in the future. Because she made Ouyang Zhengxiong unhappy.

She has already caused a lot of trouble for the second prince. If she talks about it again, I'm afraid the second prince will really teach her a lesson.

"Wanqing, why don't you quickly express your attitude?"

After hearing what the second prince said, Wanqing looked at Ouyang Zhengxiong unwillingly.

"I was wrong about what happened before, and I hope you, Sir, don't hold on to me. I'm sorry."

Ouyang Zhengxiong suddenly laughed when he heard Wanqing's unwilling words.

If Wanqing keeps in this state, I'm afraid she won't have much success in the future.

And maybe she will in the future. Being bullied by her own husband, if this sentence spreads out, it will be of no benefit to the royal family at all.

"Princess Wanqing is indeed more honest and lively, but sometimes it can make people feel tired if she continues to be like this."

Ouyang Zhengxiong told the truth, hoping that Wanqing and the second prince could realize their mistakes.

If Wanqing is corrected at this time, maybe they can really change.

Then if Wanqing is allowed to live an ordinary life like this, then Wanqing will You may not be able to live a good life if you pay off your debt.

"What Mr. Ouyang said is absolutely true. My sister has been pampered by her family since she was a child. I will definitely teach her a lesson when I go back."

Ouyang Zhengxiong doesn't want to hear so much nonsense from the second prince. What will he do after he goes back? How does he know?

"Second Prince, I can't interfere in your royal affairs, but if you really want to find a suitable family for Princess Wanqing, Princess Wanqing's temper should really be changed."

The second prince knew that Ouyang Zhengxiong was telling the truth, and that Ouyang Zhengxiong really cared about Wanqing, so he said such words.

But Wanqing didn't think so. Wanqing just felt that Ouyang Zhengxiong was angry with her.

"I have already apologized to you, why do you say this to me? I have been pampered by my father and brother since I was a child. What qualifications do you, a minister, have to say this to me?"

After Ouyang Zhengxiong heard Wanqing's words, a trace of embarrassment appeared on his face.

He was really doing Wanqing's good and thinking about Wanqing, but he didn't expect Wanqing to be so ungrateful.

"What Princess Wanqing said is that I am too talkative and should not interfere in this matter."

Ouyang Zhengxiong ignored the second prince and Wanqing, and the second prince also blamed Wanqing for falling in love with him.

"Mr. Ouyang just did it for your own good. Don't be ignorant of good people's hearts. Don't wait until later, when you regret it, to know how correct what we said today is."

Wanqing doesn't want to worry so much with the second prince anymore. The second prince has always been on Ouyang Zhengxiong's side.

He doesn't really take her sister to heart at all.

"Do you still have me as your sister in your heart? You have always been talking to Ouyang Zhengxiong, and he is much more important than me in your heart."

With that said, Wanqing ran out. Although the second prince wanted to chase him out, he was at Ouyang Zhengxiong's home after all.

"Mr. Ouyang, I'm sorry, my roommate is a bit unreasonable and you are laughing at her."

Ouyang Zhengxiong smiled and waved after listening to the second prince's words.

"It doesn't have to be like this. Now that Princess Wanqing has run away, you should hurry up and chase Princess Wanqing. It would be bad if something happens to Princess Wanqing."

There was anxiety on his face, as if he was really worried about Wanqing.

The more Ouyang Zhengxiong behaved like this, the more the second prince felt sorry for Ouyang Zhengxiong, and the more he felt that Wanqing was being unreasonable.

But what Ouyang Zhengxiong said was right. If something goes wrong with buying a house, he won't be able to explain it to the emperor.

"What Mr. Ouyang said is absolutely true. I will go find Wanqing now. If I have a chance in the future, I will definitely apologize to Mr. Ouyang."

After saying that, the second prince also hurriedly chased out, but there was a half-stick of incense time difference between him and Wanqing. It would be difficult for him to find Wanqing at this time.

The second prince had been searching on the street for a long time. Wanqing couldn't be found for half an hour.

He even turned the whole street over, but there was still no trace of Wanqing.

Only then did the second prince realize that he was worried. If something really happened to Wanqing, I'm afraid The emperor really would not let him go.

Moreover, Wanqing was also his favorite sister. If something happened, he would not let him go. The second prince had no choice but to return to Ouyang Zhengxiong's house again.

"Ouyang, Wanqing is missing. I need you to help me find Wanqing."

Listening to the second prince's words, Ouyang Zhengxiong's face was full of disbelief.

How could Wanqing disappear suddenly?

Chapter 2275

"Second Prince, what do you mean? Didn't you see Princess Wanqing when you went out just now?"

The second prince shook his head. If he found Wanqing, he wouldn't have to come back to find Ouyang Zhengxiong again.

"You should quickly send a team of people to look for Wanqing with me. If something happens to her, it will be over."

The second prince's words are indeed making things difficult for Ouyang Zhengxiong.

"Second Prince, aren't you making things difficult for me? Now that I have no power or troops, how can I send people to find Princess Wanqing?"

The second prince is indeed a little crazy now, but he has forgotten that Ouyang Zhengxiong has nothing in his hands now.

If he relies on Ouyang Zhengxiong, I am afraid he will never be able to find Wanqing.

"Then help me look for her now. I'm really afraid that something will happen to Wanqing."

There is indeed nothing difficult about this matter for Ouyang Zhengxiong.

"Second Prince, don't worry, I will go look for Princess Wanqing right away. You should also quickly send a team to look for Princess Wanqing."

After saying that, Ouyang Zhengxiong and the second prince took action separately.

They went to find Wanqing respectively, and Ouyang Zhengxiong was very nervous at this time.

His future may have been ruined by Wanqing.

Obviously he can also have a happy life. future, but now that Wanqing has suddenly disappeared, if the emperor knew about it, he would definitely put all the responsibilities on him.

"It's too late to explain now. Princess Wanqing just got lost. Please follow me out to find her."

Nangong Ying was a little surprised after hearing Ouyang Zhengxiong's words.

"How could he be lost all of a sudden? Wasn't it fine before?"

"I don't know what's going on." Ouyang Zhengxiong is still confused as to what happened.

"Previously, the Second Prince did chase her out but did not find Princess Wanqing. If something really happened to her, I'm afraid the Emperor would not let me go easily."

This incident is indeed true. The Tian family was so angry that blood flowed like a river.

"Don't worry. Let's search everywhere first. Maybe Wanqing just hid it by herself."

This is the best idea so far, but Ouyang Zhengxiong feels that Wanqing is not as simple as hiding by himself.

Wanqing has probably been arrested.

Ouyang Zhengxiong is indeed right, Wanqing was indeed arrested by two tough men at this time.

"This little beauty is pretty good-looking. How much money can we get if we sell him to a brothel?"

Wanqing looked helplessly at the two big men in front of her. If time could go back now, he would definitely come out with the second prince.

"Do you know who I am? I advise you to let go quickly, otherwise I will not let you go."

After hearing Wanqing's words, the big man suddenly laughed.

"just you? Why don't you let us go? Now you are in our hands."

Wanqing looked at the two big men in front of her with infinite fear in her heart. She still wanted to use her status to make these two big men stand down. She was the most favored little princess in the kingdom.

"I am a princess, if you dare to be rude to me, my father will not let you go."

It's a pity that Wanqing's words are not convincing at all. What she is wearing now is not what a princess should wear at all.

"Tsk, it's just you, you're still a princess. If you were a princess, would I still be the emperor? I don't even draft any lies now, bah."

Wanqing was very frightened when she saw that these two people were not scared by her.

But she still did not forget her responsibilities as the princess of the Tian family.

"What I said is true. Please let me go immediately. If you want money, I can go back to the palace and get it for you."

After hearing Wanqing's words, the two big men had a bad premonition in their hearts. If they were not lucky today, maybe the doll in front of them might actually be a princess.

How could they be so baffled? Arguing with the princess? What on earth is going on?

"Are you really a princess? How do you prove your identity?"

Wanqing is about to burst into tears at this moment. What proof can she produce now?

She is a princess, does she need anything to prove it?

"I am a princess to begin with, what else do I need to prove? Is it possible that I still have a princess certificate?"

This sentence confused the two big men. Indeed, if she is really a princess, there is no need for any evidence.

But they brought the princess here. If they let the princess out, I am afraid they will not do well. live life

"So what if you are a princess? Since the two of us have committed something wrong today, it is impossible to let you out again. Let you out, and you will tell us, why are we suffering?"

After hearing what the two big men said, Wanqing shook her head in confusion.

"I won't expose you, I won't betray you, I'll just pretend that nothing happened today, and you can just let me go."

Chapter 2276

It is impossible for these two people to let Wanqing go, and Wanqing has already seen their true faces.

It is impossible to let them go to gain wealth in danger, they should still fight for themselves

"Brother, why don't we just knock her out and throw her into the brothel, and then we can run away! She has seen what we look like, how could she let us go?"

The big man next to him felt that what he said was right, and the two of them immediately took action and sold Wanqing to a brothel.

At this time, after they got the money, they immediately moved out with their whole family.

Wanqing was sold like this The brothel is still the brothel where Yu'er was before.

When Yu'er was there, she was the number one in the brothel.

But since she was hired by Ouyang Zhengxiong, she doesn't often go out to meet guests, and no one knows her reputation..

But just today, Yu'er suddenly heard that there was a new oiran.

This incident made Yu'er very surprised. How come a new oiran appeared in a short period of time?

What happened? thing?

"Xiaocui, go and find out for me why a new courtesan suddenly appeared? What is the origin of this new courtesan?"

After Xiaocui heard Yu'er's words, she immediately went outside to inquire about the matter.

Soon, she found out everything about the outside world.

"Miss, I have inquired about all the things outside. I heard that my mother took in a new beautiful girl today, and she looks similar to you, miss."

After Wanqing heard this, she didn't take it seriously.Keep things in mind.

There are too many things happening in this world, and no one knows what will happen in the next second?

Even if there is a rich man or an official's family goes bankrupt, it is normal.

"It turns out that this is the case. It seems that these things have little to do with us. It's better not to worry about it anymore."

Xiaocui has never met Wanqing, and she doesn't know that Wanqing is a princess.

She only knows that Wanqing has an unusual demeanor, which is similar to that of her young lady.

But there are certain differences between her and her young lady. As for what happened, she didn't know.

"So, do you have any clue now?"

It's a pity that Ouyang Zhengxiong and Nangong Ying still don't have any clues.

They don't know where Wanqing has gone. Did Wanqing encounter any difficulties or has she returned to the palace?

"Is it possible that she has returned to the palace now? It's just that the second prince didn't tell us."

Nangong Ying suddenly felt that this possibility was still very high.

After all, Ouyang Zhengxiong made Wanqing and the second prince angry before.

"This kind of thing should not happen. The second prince would not treat me like this. He also knows that this matter is Wanqing's fault. If he really dares to treat me like this, then I don't need to be loyal to him."

After Ouyang Zhengxiong's words, Nangong Ying slowly felt relieved.

Since the second prince couldn't hide their Wanqing, he might have been abducted somewhere.

"According to my speculation, Wanqing has probably been abducted outside the city, or has been sold somewhere?"

"If I continue to search here, it won't be of much use. I'd better look for some targeted places."

Nangong Ying provided Ouyang Zhengxiong with a good idea, but Ouyang Zhengxiong didn't know where to look.

"So where do you think we should go to find Wanqing now? If someone catches it, where will it be sold?"

Actually, Ouyang Zhengxiong and Nangong Ying already have a bad guess in their minds.

But they don't want to believe this. Wanqing is a royal body. If such a thing really happens, I'm afraid they won't

"I think she was probably sold into a brothel or a place where she worked as a coolie."

The scope is quite large. Any tavern or teahouse may be a place where coolies are sold.

As for brothels, there is only one largest brothel in the local area. They can also go and take a look first.

"I remember that the Yuchun House where Yu'er was located was the largest brothel in the local area. Why don't we go to Yuchun Tower to take a look first and let Yu'er help us find out."

After Nangong Ying's words, Ouyang Zhengxiong seemed to have found his backbone.

The two people quickly arrived at Yuchun Tower, but when they first came here, they did not find anything unusual.

At this time The two people quickly came to where Yu'er was.

"Yu'er, we came to you this time because we have something important that we need your help with."

Yu'er was still curious why Ouyang Zhengxiong and Nangong Ying came together this time.

"Is there anything you need my help with?" Yu'er is still very willing to help Ouyang Zhengxiong and Nangong Ying.

Ouyang Zhengxiong and Nangong Ying usually take good care of her, and now it's time for her to repay her kindness.

"Has your brothel been sold to a new woman recently? He looks very lively and very disobedient."

After Yu'er heard Ouyang Zhengxiong's words, she subconsciously thought of the person who was sold in today.

Chapter 2277

"It is true that different people are being sold in every day, but I have never heard of anyone who resisted violently. Have any people been sent in?"

Ouyang Zhengxiong and Nangong Ying looked at each other, and they didn't know whether they should tell Yu'er about this matter.

Yu'er stayed in the brothel for a long time, so she might have better information.

"It's Princess Wanqing. You have never met her. She is probably the same age as you, but she is more arrogant than you."

When she heard she was a princess, Yu'er was shocked.

"How can it be? How could a dignified princess be abducted and sold into a brothel? What happened? Brother Ouyang, does this matter have anything to do with you?"

As soon as Yu'er heard that it was related to the princess, her whole heart was hanging on Ouyang Zhengxiong.

If it was really related to Ouyang Zhengxiong, then she should think of a way now, how to send Ouyang Zhengxiong away from here?

"It has nothing to do with me. He ran away on his own, but he lost it after he walked out of my house. The emperor doesn't know about it yet, so I am slowly investigating, and I must hurry up before the emperor knows about it. Wanqing got it back."

Ouyang Zhengxiong thought this matter very well. After all, Wanqing is the emperor's most favored princess. If you don't see her for a day, you may not notice it, but if you don't see her for two or three days, it will always be revealed.

"So that's it. Brother Ouyang, don't worry, I will definitely help you pay attention. Can you give me a portrait of the princess, and I will ask my good sisters to help you find it."

"Never." "This is not a trivial matter. If others find out, Wanqing's life will be ruined."

"No one should know about this matter except you. If this matter spreads, Wanqing's life will be ruined."

After listening to Ouyang Zhengxiong's words, Yu'er also suddenly realized that the identity of the person who was sold in this time was unusual.

If something unexpected happened, I'm afraid everyone who knew about it would be silenced.

"I understand, brother Ouyang, don't worry, I will definitely watch it carefully for you."

After Yu'er's words, Ouyang Zhengxiong and Nangong Ying immediately went to search elsewhere.

And Yu'er was also observing the portrait carefully.

"The brothel was left to Yu'er, so where should we look for it next?"

"The troops were divided into three groups." "This is the best way so far.

"Nangong, you lead a group of people to search in restaurants in the city. I will lead people to search elsewhere. I will go find the second prince later and ask the second prince to go out of the city to search."

After getting Ouyang Zhengxiong's idea, Nangong Ying immediately took action.

At this time, Ouyang Zhengxiong also immediately came to the second prince.

The second prince was very worried and scared.

"Second Prince, I know this matter worries you, but now Princess Wanqing has most likely been sold outside the city, so we still have to send troops to check outside the city."

The second prince was very surprised and angry after hearing what Ouyang Zhengxiong said.

"How can this be? Wanqing is a princess, who is so bold as to betray her!"

Although they all know that Wanqing is a princess, not many people among the people know.

Moreover, they have actually captured Wanqing. After letting Wanqing go, she will not escape death.

"Second Prince, I'm afraid you don't know the minds of these people. They can go to hell or high seas for money. Anything can happen."

"Besides, we are the only ones who know the identity of Princess Wanqing, so how could the common people know these identities."

Indeed, Wanqing doesn't often appear in front of the public. At this time, the public naturally doesn't know her.

"Okay, I will take people to search outside the city now. You must search carefully for me inside the city."

The second prince said and led the troops outside the city. Such a huge battle naturally alarmed the eldest prince.

The eldest prince sent someone to investigate and found out the whole story.

This gave the eldest prince A very good space for the prince to perform

"Come, follow me into the palace, and go to see your father together."

The eldest prince quickly told the emperor about this matter.

When the emperor heard about this matter, Long Yan was furious.

"Do you take what you say seriously? Is Wan Qing really missing, or was it the fault of the Second Prince and Ouyang Zhengxiong?"

Listening to the emperor's angry voice, the eldest prince couldn't help but smile.

"Father, these things are all true. I would never dare to deceive you. Wanqing is a rich woman. What if something happens to her? He also asked his father to quickly send troops to find Wanqing."

The eldest prince looked very anxious, but the emperor had no intention of distinguishing between true and false.

"The man called Ouyang Zhengxiong and the second prince in."

Ouyang Zhengxiong and the second prince were summoned to the palace and met at the palace gate.

"Second Prince, do you know why the Emperor suddenly summoned the two of us this time?"

Although the second prince doesn't know why, he always has a bad feeling in his heart.

"It could be that things we have hidden are being discovered."

Chapter 2278

After listening to the second prince's words, Ouyang Zhengxiong still didn't understand.

Someone must have told the emperor about Wanqing

"Second Prince, what should we do now? The whereabouts of Princess Wanqing have not been found yet. Is it possible that....."

The second prince didn't know what to do about this matter? But if his prediction was correct, this matter should have something to do with the eldest prince.

Unexpectedly, the eldest prince found out about this matter, and now he was caught by the eldest prince again.

"Let's take it one step at a time. If the eldest prince really said this, then he is undoubtedly declaring war on us."

The two people soon came to the palace with heavy hearts.

At this time, they saw the eldest prince beside the emperor.

"Sir, see the Emperor"

""My son, please see your father."

At this time, the emperor has no intention of listening to the greetings of the second prince and Ouyang Zhengxiong.

"Is there anything you two are hiding from me?"

When they saw the eldest prince again, they knew that this matter could no longer be concealed.

"Father, I really have something to report to my father. Wanqing was lost before, and we are now vigorously searching for her."

After the emperor heard what the second prince said, he was furious.

He threw an inkstone directly on the second prince's head, causing blood to flow from his forehead.

"Why didn't you tell me about such a major matter earlier? Wanqing is a princess. If something happens to her, can you afford it?"

The second prince also knows that this matter is his fault, not to mention that Wanqing is his sister.

"The father, the son, knew his mistake. The son had been searching for Wanqing's whereabouts during this period, and hoped that the father could give the son a chance to make meritorious deeds."

Ouyang Zhengxiong had been kneeling on the ground at this time and refused to get up.

The emperor placed his sinister eyes on Ouyang Zhengxiong's head again.

"Ouyang Zhengxiong, is this matter still related to you?"

"Report to the emperor, it is related to the minister." Ouyang Zhengxiong did not shirk responsibility.

This matter was indeed related to him. If he had not humiliated Wanqing that day, Wanqing might not have run away.

"Do you know the difference in status between you and Wanqing? She is a princess and you are just a commoner. How do you get the qualifications to compete with a real princess?"

After hearing these words, Ouyang Zhengxiong couldn't help but feel sad.

Even if he was working hard to contribute to the Qi State, in the heart of the emperor, he was no match for a princess.

No matter what, he was just a subject of the family. They can never be compared with those noble princesses and princes.

"The emperor knows his mistake. This matter is all my fault. I will definitely do meritorious service and send the princess to the tour safely."

It's a pity that the emperor is no longer willing to believe Ouyang Zhengxiong at this time.

The emperor is also unwilling to find the truth of this matter. He doesn't even ask Wanqing why he made Ouyang Zhengxiong angry.

"I am telling you two today that if anything happens to Wanqing, you two will come to see me."

The emperor left here alone.

At this time, the second prince and the eldest prince became somewhat tit-for-tat.

"This matter was told by the emperor's brother to his father."

The second prince questioned the eldest prince with his head bruised and bleeding.

And the eldest prince had nothing he refused to admit.

"Wanqing is our dearest sister. If something happens to her now, it is natural for her father to know about it. Besides, she is much more important than us, so she must not let anything happen to her."

The eldest prince's words were high-sounding and put all the fault on them.

But they couldn't refute the eldest prince's words.

"I think the emperor should take care of himself from now on, and stay out of things that shouldn't be taken care of."

The second prince could no longer bear himself. The eldest prince had already ruined countless of his plans.

"Second brother, what does this mean? Now that something happened to Wanqing, we are all very heartbroken. What we have to do now is to find Wanqing smoothly. I will tell my father about this matter. Maybe my father can send someone to find Wanqing. , the second brother really blamed the wrong brother for this matter."

The second prince listened to the eldest prince's high-sounding words and didn't want to pay attention to the eldest prince.

He took Ouyang Zhengxiong and left here directly. At this time, they were still having a headache.

Where should they go to find Wanqing?

"Second Prince, please quickly bandage the wound on your head to prevent anything from happening."

Ouyang Zhengxiong looked at the blood flow on the second prince's head and felt a little horrified. This shows how hard the emperor has dealt and how important it is to be clear in the emperor's heart.

"It's okay. I'll bandage it later. You go find Wanqing now. Don't let anything happen to Wanqing."

After hearing what the second prince said, Ouyang Zhengxiong left here without any pretense.

But none of them thought that Wanqing was still in the brothel at this time, and she was still in a coma.

After finally waking up, Wanqing After seeing the colorful room, it seemed that this was not her room.

Chapter 2279

"Girl, are you awake?" After hearing the sudden female voice next to her, Wanqing was startled.

"Who are you? Where am I?"

After seeing Wanqing say this, Xiaoqi knew that Wanqing was also a hard-working person.

"Girl, don't be afraid, you have arrived at Yuchun Tower now."

Wanqing doesn't know where Yuchun Tower is. Normally, her royal brothers would not bring her to such a chaotic place.

Moreover, her royal brothers would not tell her about this. thing

"That's fine, but where is Yuchun Tower? How come I've never heard of it? Is it a restaurant?"

After hearing Wanqing's words, Xiao Qi knew that this girl didn't understand anything at home.

Otherwise, she wouldn't have said such a thing.

"Girl, you are really naive. This Yuchun Tower is not just a restaurant. This Yuchun Tower is the largest brothel in Kyoto."

After listening to Xiaoqi's words, Wanqing became panicked.

Even if he is an inexperienced girl, she still knows what brothel means.

"Why am I here? How dare you bring me here?"

After hearing Wanqing's words, Xiao Qi knew that this girl was not someone she wanted to come to.

"Girl, calm down. You have been sold to a brothel now. Even if you don't want to, you can't change your fate."

After hearing what Xiao Qi said, Wanqing still didn't want to believe in fate. She was not an ordinary person, she was the majestic Princess Wanqing.

"Impossible, please let me go immediately. Do you know who I am? I am Princess Wanqing. If you keep me imprisoned here, be careful that my father will kill you."

After hearing Wanqing's words, Xiaoqi's heart was filled with pity.

"Girl, I know you are unwilling to give in, but you can't tell such a lie! If your mother finds out, you'll be screwed."

Wanqing still didn't want to just trust her fate. After putting on her shoes, she ran out and wanted to run out of here.

At this time, although Wanqing was trying her best to escape, Yuchun Tower also had special guards.

Every day Every girl who comes here does not come here voluntarily, and they will make such a fuss after coming here.

They have already made complete preparations to prevent them from playing this trick.

Soon, Wanqing was caught , pressed in front of the old bastard

"Oh, forget it, take it away, take it away, I'm used to this kind of thing."

After hearing what the Madam said, Wanqing quickly took the Madam's hand.

"You can't do this to me, do you know who I am? I am Princess Wanqing. It's still too late for you to let me go now, otherwise my father will definitely kill you if he knows I'm here."

After hearing Wanqing's words, the Madam slapped Wanqing's hand away.

Many people had told such lies before. She was naive at the time and believed it.

But now she will never do it again. Do you believe this, no matter who you are? Since you were sold here, you should listen to her.

"Princess, let me tell you, even if you are a real princess today, but you were sold to me, then you are mine."

"If you want to get out of here, then you have to take the money and you can't get the money out, you are the prostitute here."

These words hurt Wanqing's self-esteem. She has never been said to be a prostitute.

She has always been a respected princess.

She is the flower that blooms proudly on the branches, but now this flower The flower was suddenly broken off and thrown into the mud.

"You can't do this to me. I'm really a princess. I didn't lie to you. If you let me go now, I can still plead with you and my father."

"Let my father spare you from the death penalty. If you believe me, please let me go."

Countless people have said this before.

She runs a brothel, not a charity. There is no reason for her to say such things, so let her go.

After seeing the heroine like this, Xiao Qi felt The heroine's words are very credible.

Maybe the heroine is really Princess Wanqing. If the delay continues, something big might happen.

"Mom, why don't you let this girl go? Looking at how anxious she is now, maybe she really is a princess."

"Shut up, are you the mother or am I the mother. Should you listen to me or you? I have seen this kind of people a lot. Is it possible that I will let go of every person who sells in the future and says this kind of thing? I really thought I was doing charity."

Xiao Qi couldn't convince the madam, so she had to give up the matter.

After seeing Xiao Qi being so sincere to her, Wanqing was deeply moved.

It turns out that there are still innocent people in this brothel.

"If you take me in again today, I swear that if my father finds me in the future, he will never let you go."

Wanqing was still suppressed by these words, but these words were heard by Xiao Cui.

After Xiao Cui returned, she told Yu'er about the incident.

Chapter 2280

After hearing this, Yu'er's reaction was very big.

"Is what you just said true? That person did call herself Princess Wanqing?"

Xiao Cui didn't understand why Yu'er suddenly became so excited.

"Yes, yes, miss, she still has a nose and eyes, I almost believed her."

After hearing Xiao Cui's words, Yu'er immediately unfolded the portrait given to her by Ouyang Zhengxiong.

"If you take a closer look, the person in the portrait"

"Yes, that's her." After unfolding the portrait, Xiaocui immediately recognized it.

The person in the portrait was indeed the person she saw before.

Isn't this a coincidence? The palace has indeed lost a princess.

"Xiaocui, she is really Princess Wanqing, she didn't lie."

After hearing Yu'er's words, Xiaocui also became panicked.

If this Wanqing is really a princess, then their brothel will suffer.

"Miss, what should we do now? Tell mom about this?"

Yu'er shook her head gently. If she told her mother now, her mother would not agree.

"You can't tell your mother, tell her, she will only hide Wanqing, so you can go to Brother Ouyang now with this news."

"I will go find Wanqing now and try my best to protect her and prevent her from receiving guests."

After hearing Yu'er's arrangement, Xiao Cui immediately ran out.

At this time, Yu'er tidied up her makeup and came to the old madam with a smile.

"Mom, long time no see, you are still charming."

After hearing Yu'er's words, the smile on the old bustard's face became even deeper.

"How can I compare to you young people? Seeing how sweet you are now, tell me, what is the purpose of coming here?"

After hearing what the Madam said, Yu'er looked at the Madam with some disapproval.

"Mom, what do you mean? I grew up in a brothel, this is my second home"

"Didn't I hear that you just hired a woman and she is disobedient? So I want to help you enlighten her."

The madam doesn't think Yu'er can have such a good intention.

"Why do I not believe what you say? Tell me, what's the reason?"

"Don't try to bullshit me here."

Yu'er felt a thump in her heart after seeing that the madam had been unwilling to believe her.

"Mom, you see you still don't believe me, but everything I say is true. I really want to share your worries."

"Wasn't it the same when I first came here? Now I can understand her thoughts. And I can also understand your painstaking efforts. It is most suitable for me to be the middleman."

After seeing Yu'er's good intentions, the madam couldn't help but look Yu'er up and down.

"If you can really persuade her, then I will let you go to an independent yard."

After having this temptation, Yu'er naturally became more attentive.

"Mom, don't worry, I will definitely help you to persuade Wanqing."

After Yu'er's words, the madam didn't want to find out and handed this matter over to Yu'er.

Soon, Yu'er came to Wanqing's house.

This was different from the place where they first lived. It seems that the Madam really values Wanqing.

But the Madam is indeed wrong. Wanqing is not an ordinary person at all. Wanqing is a princess, and she cannot stay in such a muddy place for a long time.

"Who are you? What are you here for?"

When Wanqing saw someone coming in, her whole body was tense. She was afraid that this person was here to frame her.

After seeing Wanqing like this, Yu'er also felt a little distressed.

Seeing Wanqing now, she felt like It reminds me of myself in the past.

She was in the same state as Wanqing when she first came here.

"Don't worry, I won't hurt you, I'm here to protect you"

"I know you are Princess Wanqing, and I have sent someone to tell Brother Ouyang."

After hearing Yu'er's words, Wanqing finally relaxed slowly.

"Are you willing to believe my words? The brother Ouyang you are talking about is Ouyang Zhengxiong?"

After hearing Wanqing's words, Yu'er nodded slowly.

"Yes, I have told Brother Ouyang about this. Don't worry, Brother Ouyang will come to save us before long."

After hearing Yu'er's words, Wanqing could finally feel relieved.

But she didn't know whether this matter was true or false. What if someone was deceiving her?

"Why do you believe I'm a princess? What exactly is your purpose? Do you really believe me?"

Seeing that Wanqing is so vigilant, Yu'er still admires Wanqing very much.

"I have a portrait here that Brother Ouyang gave me. He asked me to find you here. Don't worry, brother Ouyang will definitely be here in a few hours."

After hearing Yu'er's words, Wanqing could only slowly feel relieved.

I hope that just like Yu'er said, she can be rescued soon.

"Then I believe you this time, they must come to rescue me quickly."
