

Attributes 2301

Chapter 2301

"What do you mean? Is it possible that someone is setting you up behind your back? Even if someone framed you, why did you have to go to my mansion? Why do you have to find Yu'er?"

Even if the second prince was really drugged, it does not rule out the idea that the second prince must go to Yu'er.

It is true that the second prince was drugged, but he did follow the most pious principles in his heart. That voice went to Yu'er.

Originally, he thought Ouyang Zhengxiong or Nangong Ying would stop him at home, but he didn't expect that Yu'er was the only one at home.

In addition, Yu'er never dared to refuse because of his status as a prince, which made him More rampant

"I know this is all my fault, but I was really drugged and then chased, and I broke into your mansion by mistake."

"It was also by accident that I came to Yu'er's room and what happened that night happened. After learning about this incident, I immediately proposed an engagement to Yu'er. As long as Yu'er is willing, I can Be responsible for her."

After hearing what the second prince said, Ouyang Zhengxiong closed his eyes hard.

At this time, he didn't know who he should hate.

If the second prince was framed, then he had no right to accuse the second prince. prince

"I believe what you say now, but I will definitely investigate this matter myself. If you were really framed, I can forgive you, but if you did it on purpose, I swear, I will be at odds with you."

Seeing the seriousness in Ouyang Zhengxiong's eyes, the second prince did not dare to joke with Ouyang Zhengxiong.

"I'm not kidding you. Although I liked Yu'er from the beginning, I never had any thoughts about Yu'er because I wasn't sure what his relationship was with you? I cherish you as an ally."

After hearing what the second prince said, Ouyang Zhengxiong slowly calmed down and took two steps back.

The second prince could detect Ouyang Zhengxiong's true thoughts. He knew that Ouyang Zhengxiong had really taken all the blame on himself.

"There is no need for you to feel guilty. In fact, this matter has nothing to do with you in the end, it is all my fault. Ask Yu'er when you go back. If she is willing to marry me, I will definitely marry her as my concubine. After I successfully ascend the throne, I will also make her a noble concubine."

"But if she doesn't want to marry me, I will forget about the past as if nothing ever happened."

The second prince said these words in great pain. He originally thought that after such an incident, he would be able to marry Yu'er as he wished.

But he didn't expect that Ouyang Zhengxiong was killed in the middle. Ouyang Zhengxiong was very unfavorable about this matter..

After Ouyang Zhengxiong got the promise from the second prince, he left here quickly.

He didn't know what to do about this matter? Or should he leave the choice to Yu'er.

After Ouyang Zhengxiong returned here, he came In front of Nangong Ying and Yu'er.

Before Yu'er could say anything, Nangong Ying looked at Ouyang Zhengxiong with great concern.

"How about it? What did the Second Prince say about this matter? Does he have to marry Yu'er?"

Ouyang Zhengxiong looked at Yu'er with some embarrassment. Yu'er still had to make the final choice in this matter.

"Yu'er, the second prince told me about what happened that day, but I will not forgive him for this. I will tell you this matter from beginning to end. As for how to choose, I respect your opinion."

After listening to Ouyang Zhengxiong's words, Nangong Ying suddenly felt that Yu'er was very likely to forgive the second prince.

Sure enough, after hearing Ouyang Zhengxiong tell the whole story, Yu'er's face did appear some disbelief and pain

"This is what happened. If you are willing to marry the second prince, I will not stop you, but if you are not willing, the second prince will never force you."

Yu'er didn't expect that the matter would be so complicated at this time.

She also didn't expect that the second prince would be framed for this matter. So should she agree to the second prince's words?

"Brother Ouyang, I want to think about this matter carefully. I don't know what choice I should make."

After seeing Yu'er so scared, Ouyang Zhengxiong did not force Yu'er to make a choice now.

"It doesn't matter, you can think about it carefully, but you have to give me the answer within three days. If you don't want to marry the second prince, you don't have to worry. Even if you can't marry in the future, I will definitely support you. With you."

Yu'er is very grateful to have met Ouyang Zhengxiong, her brother. She is also very happy that Ouyang Zhengxiong can always think about her like this.

But she really needs to think carefully about this matter, whether Ouyang Zhengxiong will offend the second prince. , she doesn't know either

"Brother Ouyang, did you quarrel with the second prince because of this matter? Is it possible that the second prince is targeting you because of this matter?"

Seeing that Yu'er was still thinking about Ouyang Zhengxiong at this time, Nangong Ying was really angry.

Chapter 2302

"Yu'er, what time is it now? Don't worry about Ouyang anymore. Just think about yourself first."

"No matter what, he is still someone valued by the emperor? Even if the second prince wants to embarrass him, it won't be too embarrassing. What matters now is you. Do you want to marry the second prince? What do you care about others?"

After hearing Nangong Ying's sudden loud voice, Yu'er was shocked.

In front of Yu'er, Nangong Ying had never lost her composure like this before. This was the first time.

But fortunately, Yu'er held on at this time. Otherwise, she would really be scared to death by Nangong Ying

"Why are you so fierce? This matter is originally related to Brother Ouyang. I am concerned about what happened to Brother Ouyang?"

"Care about Ouyang, care about Ouyang, you only remember to care about Ouyang every day, when did you put yourself in your heart, and when did you put me in your heart? I have always liked you, don't you know this? Do you still want to pretend to be confused with me at this time?"

Seeing Nangong Ying acting like this After quickly piercing the window paper, Ouyang Zhengxiong felt that he was no longer suitable to stay here.

Just when Ouyang Zhengxiong wanted to leave, he was stopped by Nangong Ying.

"Ouyang, don't leave. Let's explain this matter clearly today and what Yu'er thinks."

Ouyang Zhengxiong looked at Nangong Ying and Yu'er with some confusion.

Now he can't get involved in the relationship between Nangong Ying and Yu'er.

"Nangong, it's useless for me to stay here. This is a matter between the two of you. You two can just talk about it yourself."

"Why is it useless? Don't you see that her heart and eyes are all about you? When she encounters anything, the first thing she thinks of is you, and she is always concerned about whether you are okay? Never cared about me, never cared about herself."

After Ouyang Zhengxiong heard Nangong Ying's words, he indeed shut his mouth.

He didn't expect that Nangong Ying had always kept this matter in his heart, and he did know about it.

How much did Yu'er think about him? I also know a little bit. I originally thought that if he pretended not to know anything, he could pretend that nothing had happened.

But now it seems that everything must be put on the surface and explained clearly. There is no need to continue to pretend. Confused

"Nangong, what do you want to do? What does this matter have to do with Brother Ouyang? He is my brother, and he has been running around for my affairs. I thought, shouldn't he be right?"

"Is it just because of this? Isn't it because you like him?"

Nangong Ying can't think of any solution. He has already told everything.

Since you have to make a choice and clarify it, then don't leave anything out and put everything out in the open.

"Isn't it because you like Ouyang that you keep rejecting me, and I don't want to be with the second prince? Now that I have told this matter for you, you don't have to be embarrassed all the time. You can also take a look at what your brother Ouyang thinks of you?"

After seeing Nangong Ying like this, Ouyang Zhengxiong and Yu'er were really frightened.

They didn't expect that Nangong Ying would suddenly become like this, nor did they expect that Nangong Ying would suddenly become so angry.

"Nangong, please calm down. Regarding Yu'er, we really need to take a long-term approach. Yu'er has his own ideas. We can't interfere with her."

After hearing Ouyang Zhengxiong's high-sounding words, Nangong Ying couldn't help laughing.

"Listen to what you said for yourself. Don't you think that what you said is guilty? Don't you know how important you are in Yu'er's heart? If you don't want her to marry the second prince, do you think she will resist?"

"Since you want her to marry the second prince, don't say anything high-sounding here, let her make her own choice, just tell her directly."

After Nangong Ying said these words, he didn't want to face Yu'er and Ouyang Zhengxiong anymore.

He had said everything he wanted to say today, and there was no need to stay here.

Nangong Ying turned around directly After leaving here, Ouyang Zhengxiong and Yu'er were left standing here in a daze.

Yu'er's eyes were filled with tears, and she was very sad looking at Nangong Ying's leaving figure.

And Ouyang Zhengxiong probably also noticed that Yu'er He knew that Yu'er probably already had Nangong Ying in her heart.

But at this time, Yu'er hadn't realized her true heart, nor the importance of Nangong Ying to her.

Maybe this matter shouldn't be done Blame Yu'er, and you shouldn't blame anyone.

It's just that this thing happened too suddenly, and they didn't have time to prepare at all.

"Yu'er Nangong may be a little angry. Don't take his words to heart. If you don't want to marry the second prince, you must tell me directly."

"In fact, I don't want you to marry the second prince. The royal water is too deep."

Chapter 2303

After understanding what Ouyang Zhengxiong meant, Yu'er also nodded.

"Brother Ouyang, please let me think about this matter myself. I know that you and Nangong are both doing it for my own good, and don't want me to marry into the royal family and get stuck in the mud. But in this world, how can I, who is so broken, be worthy of such a bright Nangong?"

As soon as he heard Yu'er's words, Ouyang Zhengxiong knew. In fact, Yu'er had already fallen in love with Ouyang Zhengxiong without knowing it.

Unfortunately, Yu'er didn't realize this herself, and she didn't really realize it until today.

She There may really be a lack of fate between you and Nangong Ying, and we can't be together in this life.

"Yu'er, if you really want to be with Nangong, then leave everything to me. I will help you go to Nangong and tell him that Nangong also likes you and will definitely not reject you."

Although she knows that Ouyang Zhengxiong is telling the truth, Yu'er still doesn't want to do it.

Although Nangong Ying likes her, she can't feel sorry for Nangong Ying like this. She is no longer worthy of Nangong Ying.

"Brother Ouyang, I know Nangong won't mind this, but if his family knows about this, do you think his family will accept me? The relationship between Nangong and his family cannot be ruined because of me."

"And you said you could go and talk to the second prince, what can you give me to plead with the second prince? Take your current power and status? Everything now is your hard work. I can't just watch your hard work go to waste."

Listening to Yu'er's words, Ouyang Zhengxiong knew that Yu'er had many concerns in her heart.

"Yu'er, if you really want to be with Nangong, then leave everything to Nangong to handle. You also have to trust Nangong. Nangong will definitely protect you."

Looking at the perseverance in Ouyang Zhengxiong's eyes, Yu'er nodded, but she still didn't have the ability to take that step.

"Brother Ouyang, please let me calm down! I will give you the results before tomorrow."

With that said, Yu'er returned to the room alone, while Ouyang Zhengxiong was doing it slowly in Nuo Da's living room. It's funny to say that he had been working for the second prince, but in the end his sister's happiness was ruined. The second prince personally obliterated it.

He didn't even know what he was doing during this period. Everything he wanted to do failed to achieve. He even ruined Yu'er's happiness.

After Yu'er returned to her room, she couldn't bear it anymore, and just hugged her head and started crying.

During this period of time, she pretended that nothing had happened, and had been supporting herself.

Until a few days ago, when the second prince came and considered it, she only then did she really realize that something was wrong.

She originally thought that as long as she didn't take the initiative to mention this matter, the second prince would forget about it and let her go.

But she didn't expect that these were all reasons she thought that the second prince would not do anything at all. Will not let her go.

Yu'er hid all her fragility in the room. When she opens the door again, she will no longer be the Yu'er in front of her.

Nangong Ying has been walking aimlessly after leaving here, He didn't know where he could go.

Here, he was unfamiliar with the place, and he didn't even know where he was now.

If it hadn't been for knowing Ouyang Zhengxiong, I'm afraid he wouldn't have stayed here, but he didn't. He thought that if he stayed, his feelings would be ruined.

"It's really ridiculous that I, Nangong Ying, have been wandering around the world in vain, and finally fell into a woman's body. How ridiculous."

Nangong Ying couldn't help but think of the people he had laughed at before.

He had also laughed at those who had fallen on women before, but now it was his turn, and he could no longer laugh.

Only then did he realize that the hero was saddened by the beauty. The true meaning of the sentence.

Unknowingly, Nangong Ying came to a pavilion alone.

I don't know whether it was a coincidence of fate or God's arrangement, but he actually met Wanqing.

At this time, Wanqing was still the same as before, She is a carefree girl.

It can be said that the previous things have helped her become more mature.

In a place where she can truly relax, Wanqing will still return to her previous state.

This is why it takes so long. For a long time, the palace people were not worried about Wanqing.

This time Nangong Ying did not come here alone, he also brought countless drinks in his hand.

Nangong Ying sat here and started drinking alone. After Wanqing came here, , and also changed the previous arrogant attitude.

You can also be with ordinary people here, and you will not put on the princess airs before.

After Wanqing came here, she saw Nangong Ying, who had been drinking.

This time she met The moment Nangong Ying met him, his heart immediately fell in love.

Unlike the last time he met Ouyang Zhengxiong, Nangong Ying looked suave this time.

In addition, he kept drinking the wine in his hand, which made him look even more bohemian.

"Do you know who is sitting there drinking?"

Chapter 2304

Listening to Wanqing's questions, no one dared to answer Wanqing.

None of them knew who the person in front of them was.

"Princess, that may be just an ordinary family. We have not seen this young master before."

After listening to the servant's words, Wanqing nodded in understanding.

"It doesn't matter, we don't know him now, we will know him later."

With that said, Wanqing walked in the direction of Nangong Ying, as if looking for Nangong Ying.

After learning what Wanqing meant, the maid next to her quickly stopped Wanqing.

"Princess, you are rich, how can you sit with a drunkard? You must not go there."

Listening to the palace maid's words, Wanqing frowned and immediately waved the palace maid away.

"what do you mean? Can't this princess still talk to him? You'd better hide my identity, and you can't say that to others. What if they want to drink because they are depressed."

In the final analysis, Wanqing just wants to get to know Nangong Ying.

Hey, why are you sitting here drinking alone?"

Nangong Ying heard a voice above him. He looked up and saw Wan Qing with a bright smile.

Nangong Ying recognized who Wan Qing was at a glance.

"Who did I think she was? It turned out to be Princess Wanqing!"

Listening to Nangong Ying's words, Wanqing became a little surprised.

She basically never saw this person in front of the public? How could she know who she was?

"Who are you? How do you know I'm a princess?"

This is a rare moment for Wanqing to be vigilant. She is afraid that Nangong Ying in front of her is here to hurt her.

"Hum, not only do I know who you are? I also know what happened to you in the brothel before. Ouyang and I saved you together."

Listening to Nangong Ying's words, Wanqing actually had a good impression of Nangong Ying.

"It turns out that I was involved before, so why didn't I see you? I thought there were only Ouyang Zhengxiong and my second brother, but I didn't expect you."

Nangong Ying listened to Wanqing's words and had no reaction at all.

It seemed that he didn't care about the reward, and he didn't want to talk to Wanqing.

"What exactly are you here for? If nothing is wrong, please ask Princess Wanqing to leave here and leave me alone for a while."

Listening to Nangong Ying's words, Wanqing felt that Nangong Ying was still a little too distant from her. She immediately sat opposite Nangong Ying.

"Now that you know my identity, I can't leave even more. We can be considered acquaintances anyway, right? You haven't told me yet, what's your name?"

After hearing Wanqing's annoying words, Nangong Ying raised his eyes and looked at Wanqing coldly.

"You royal people, can you let us common people go? I never thought about crossing paths with you, I just know you. Do you never care about other people's feelings? Do you want to know my name? I have to tell you."

Although this sounds like a question, Wanqing is sure that Nangong Yingshe is describing this matter to her.

However, people in their royal family do not use power to suppress others. This is because their father has always Teach them things.

They are absolutely not allowed to use power to oppress others, they can convince others with virtue

"What do you mean? Have we royal people offended you? I must be told this by you, to tell you that we in the royal family also have a bottom line and will never bully the common people."

Listening to Wanqing's words, Nangong Ying suddenly showed a disdainful expression.

"If you really care about the feelings of Dawn people, how can you force others? If I don't tell you my name, won't you punish me?"

"I asked you to leave a long time ago, why are you still in front of me, why are you still bothering me here?"

Listening to Nangong Ying's almost irritable words really scared Wanqing.

This is the first time Wanqing has been treated like this by someone. Even her father and brother have never been so rude to her.

"You are presumptuous. Don't think that because you are my princess's savior, this princess won't do anything to you. Let me tell you, if you make this princess unhappy, I can still take your head off."

Listening to this, Nangong Ying was not afraid at all.

Instead, he felt it was very ridiculous. If it weren't for the second prince threatening Yu'er like this, I'm afraid Yu'er wouldn't compromise on this.

"What do you think I said? You royal people only know how to use power to suppress others. They don't care what we ordinary people think. Let me tell you, I'm not scared at all. Since you won't leave, then I'll leave."

With that said, Nangong Ying took his wine bottle and left here.

And Wanqing was so angry when she saw Nangong Ying leaving so coolly.

"You should immediately find out his details for me. How dare you challenge this princess? I want to let you know who is the most powerful person."

Listening to Wanqing's words, none of the servants dared to disobey, so they could only investigate hard.

Chapter 2305

Ouyang Zhengxiong, who had been sitting in the living room, was worried about Nangong Ying's safety.

If something happens to Nangong Ying here, it will have something to do with him.

In addition, he had confirmed Yu'er's feelings, so he was even more concerned about Nangong Ying's traces.

Just when Ouyang Zhengxiong was going to find Nangong Ying, he saw Nangong Ying coming back drunk.

"Nangong, why did you drink so much? What happened?"

After listening to Ouyang Zhengxiong's words, Nangong Ying actually smiled like a fool.

"What's wrong with me? Don't you know yet? Ouyang, I feel so uncomfortable. Why did I face such a thing when I fell in love with someone for the first time?"

Listening to Nangong Ying's words, Ouyang Zhengxiong also felt very sorry for the fate between him and Yu'er after all.

It was absolutely impossible for Yu'er to tell Nangong Ying that she liked Nangong Ying.

But he also promised Yu'er He won't tell this matter easily.

If he really tells Nangong Ying about this matter, I'm afraid he will fall out with him tomorrow

"Nangong, have you ever thought that Yu'er actually likes you."

After hearing Ouyang Zhengxiong's test, Nangong Ying laughed out loud.

"How can it be? If he really likes me, he shouldn't consider this matter and should reject you directly."

"My liking is so obvious, but she has never responded to me, and has even been rejecting me. In fact, I should have recognized it a long time ago."

"In fact, I have already caused her trouble, and I shouldn't keep pestering her."

Even at this time, Nangong Ying has been reviewing his own mistakes and has never felt that Yu'er did anything wrong.

Seeing this scene, Ouyang Zhengxiong was really sad. If the second prince hadn't stepped in, I am afraid that Nangong Ying and Yu'er will also become happy lovers.

But now there is no possibility between the two of them. Yu'er will never agree to Nangong Ying like this.

"Nangong, even if Yu'er doesn't like you, there must be many people in this world who like you."

"Don't keep your eyes on Yu'er. If possible, I also hope you can look at other people."

After hearing Ouyang Zhengxiong's words, Nangong Ying shook his head. Apart from Yu'er, he would never fall in love with anyone else.

"do you know? She is the first, the first person I like so much. I originally thought that as long as I always like her and stay with her, I will get a response from her one day."

"I didn't expect that this thing happened so suddenly. I didn't expect that all my illusions would be shattered."

As he said that, Nangong Ying actually started crying. Nangong Ying looked very helpless.

He looked like he had lost something beloved.

After Ouyang Zhengxiong saw Nangong Ying like this, he felt a little distressed.

But he There is nothing I can do to help. After all, the matter between Yu'er and Nangong Ying needs the two of them to resolve it.

"Nangong, if possible, you should sit down and have a good talk with Yu'er. Maybe you can know other things. What did Yu'er think? We can't make a decision for her. If she really doesn't want to marry the second prince, will you dislike her?"

"How could I dislike her."Nangong Ying blurted it out without even thinking about it.

It seems that Nangong Ying really likes Yu'er, and he likes her to the core.

Even if this happened, he never disliked Yu'er.

"As long as she is willing to be with me and she is willing to go with me, I can take her away now. It doesn't matter that I can give up everything, and that I can be hunted down by the second prince together with her."

After hearing what Nangong Ying said, Ouyang Zhengxiong also knew that Nangong Ying was telling the truth.

But the more he looked like this, the more worried he was about Nangong Ying and Yu'er.

Maybe it was because of this that Yu'er didn't want to be with Nangong Ying. Yes

"Nangong, please calm down and go back to sleep, and then have a good talk with Yu'er when you wake up tomorrow. If you and Yu'er really want to leave here, I will also help you two."

Listening to Ouyang Zhengxiong's words, Nangong Ying nodded, but he had no way to go back to his room. He fell asleep directly. Seeing Nangong Ying like this, Ouyang Zhengxiong had no choice but to help Nangong Ying back to the room..

In fact, Ouyang Zhengxiong had already noticed that Yu'er had been listening to his conversation with Nangong Ying outside.

That's why he asked the last question. Sure enough, after hearing this question, Yu'er was stunned..

It was also at this time that Yu'er realized how much Nangong Ying liked her. She originally thought that Nangong Ying's love for her was just a matter of lust and would not last long.

But she did not expect that Nangong Ying really liked her, and even Giving up everything for her.

But she couldn't afford to repay such feelings.

If it had been earlier, she would definitely respond to Nangong Ying, but now everything is too late.

There is no possibility between her and Nangong Ying anymore , can only be missed in a lifetime.

Chapter 2306

By the time he got up the next day, Nangong Ying had forgotten what happened to him last night.

But he still remembered that Yu'er was about to marry the second prince.

When Nangong Ying thought about this, he felt very ironic.

But no matter what? After all, Yu'er was the one he loved, and he couldn't just watch Yu'er jump into a pit of fire.

After Nangong Ying sobered himself up, he came to the living room alone.

I want to have a good talk with Yu'er

"Brother Ouyang, I have thought about it clearly. I am willing to marry the second prince."

After hearing Yu'er's words, Nangong Ying did not step forward, but hurriedly hid aside.

This was when he heard Yu'er's words with his own ears, and they were so harsh.

He never thought that Yu'er would really agree. As long as Yu'er is willing to refuse this matter, he and Ouyang Zhengxiong will definitely take Yu'er out of here well.

"Why? Why did you suddenly agree? Do you really like the second prince?"

Ouyang Zhengxiong couldn't imagine why Yu'er would agree to this.

In order to allow Yu'er and Nangong Ying to be together well, he has made all preparations

"Brother Ouyang, I know you don't want me to jump into that fire pit, but didn't you also jump into a fire pit by me? You like freedom by nature and don't like to be restrained, but you still stepped into the court without hesitation for me."

"Now is the time for me to repay you. I can't let all your hard work go to waste. I also hope to find out the truth about my family's destruction by myself."

Listening to the choking in Yu'er's tone, Nangong Ying was speechless.

If he had been earlier and braver, would everything have been different?

But these are just what-ifs. It's impossible in this world. If

"What about Nangong? Are you really going to let go of Nangong like this?"

"Brother Ouyang, what are you talking about? I have never liked Nangong. I have always regarded him as my brother."

Listening to Yu'er's words, Ouyang Zhengxiong knew that Yu'er only knew Nangong Ying outside.

The sound Nangong Ying made just now was so loud that it was difficult to pretend not to hear it.

"Yu'er, why are you doing this? you....."

"Brother Ouyang, please help me."

Yu'er looked at Ouyang Zhengxiong with pleading eyes. She didn't want Nangong Ying to know about this.

She did like Nangong Ying, but she was no longer worthy of Nangong Ying.

She already knew about Nangong Ying's treatment of her last night. Thoughts are enough

"Brother Ouyang does not respond to all feelings in this world. I am very grateful to Nangong that he likes me, but now that things have happened, I have no one I like."

"Why can't I just enter the palace and find out the truth behind my family's annihilation?"

After seeing Yu'er like this, Nangong Ying had nothing to say and walked away directly.

He staggered and looked like a walking corpse.

There was no expression at all, and Yu'er grew long after noticing Nangong Ying's departure. He breathed a sigh of relief.

Ouyang Zhengxiong looked at Yu'er with complicated eyes.

"Yu'er, why are you doing this? You clearly know that Nangong likes you, why do you reject him in front of him? Deny his intention"

"Brother Ouyang, there is never any possibility between me and Nangong. In this case, it is better to reject him directly and let him never know my thoughts."

"Brother Ouyang, I beg you, don't tell him this, never tell him, just treat it as if I have never liked him."

Listening to the pleading and choking in Yu'er's tone, Ouyang Zhengxiong could only nod.

The relationship between Yu'er and Nangong Ying was finally torn apart.

"Even if you don't want to accept Nangong like this, there is no need for you to marry the second prince. You have to know that once you enter the palace gate, it is as deep as the sea. You are simple-minded. If you really enter the palace, you will definitely be eaten to the bone."

"I still have you, brother Ouyang, I believe in you, you can definitely help me live smoothly."

Seeing that Yu'er believed in him for no reason, Ouyang Zhengxiong felt guilty and happy.

It seemed that he had messed up everything. He said that he would help Yu'er investigate the truth of the matter, but in the end, Yu'er was Pushed into the fire pit

"Okay, now that you have thought it through, I will tell the second prince what you mean."

With that said, Ouyang Zhengxiong left here with stiff steps. He walked very slowly. In fact, he had been waiting for Yu'er to call him.

He had been waiting for Yu'er to regret it.

Unfortunately, he didn't wait until he came to the second prince's house. Without even waiting for a word from Yu'er.

After arriving at the second prince's residence, Ouyang Zhengxiong went directly to see the second prince.

"If you dare to treat her badly in the future, I won't let you go."

Ouyang Zhengxiong's eyes were full of ruthlessness, and he didn't care that the person standing in front of him was a prince.

After hearing Ouyang Zhengxiong's words, the second prince also understood what Ouyang Zhengxiong meant.

It seems that Yu'er agreed to marry him, He knew that Yu'er would not refuse.

"Ouyang, don't worry, I won't be sorry for your sister. This matter is all my fault, and I will definitely make it up to her."

Although the second prince said so, Ouyang Zhengxiong didn't really believe in the second prince.

People in the royal family have always been ruthless and are the least worthy of trust.

"I am here to make it clear to you today. I will believe what you say now, but if you dare to do anything that is sorry for her, I will never let you go. But the sister I have always taken good care of, if it weren't for you, I would have helped her find a good family."

"I will also help her find someone who will be devoted to her all his life. He will definitely not be a royal person like you, who has so many wives and concubines."

The second prince knew that Ouyang Zhengxiong was just warning him.

He also knew that it was his fault that made Yu'er become like this.

"Ouyang, I know that this matter is all my fault. I will definitely treat Yu'er well and never let anything happen to Yu'er. Don't worry, I will never abandon her. No matter what happens, I will stand in front of her."

Although the second prince was a little angry at what Ouyang Zhengxiong said just now, he also knew that this was all Ouyang Zhengxiong's consideration.

We also know that Ouyang Zhengxiong did this after careful consideration.

It is indeed not a good choice for a girl from an ordinary family to marry a royal family. They will choose an ordinary person to marry.

But now because he forced Yu'er, he can only let Yu'er marry him.

"Second Prince, I am really asking you to treat Yu'er well. If you don't treat her well, I will make you pay the price with my life, even if I try my best."

After seeing the tears in Ouyang Zhengxiong's eyes, the second prince fell silent.

"Ouyang, let me tell you the truth, I already liked Yu'er when I first met her, but I also know that my current status is very embarrassing, and I also know that with my ability, it is impossible to give her happiness."

"It's not because of what happened to me that night. I'm afraid I will never have anything to do with her in my life. Now that she has married me, I will never treat her badly."

Looking at the seriousness in the second prince's eyes, Ouyang Zhengxiong couldn't help but believe in the second prince.

"Second Prince, if you say this, then I believe you. As long as you treat Yu'er well, I will also cooperate well with you."

This matter has been linked to this. Even if the second prince does not like Yu'er in the future, he must carefully consider Ouyang Zhengxiong.

"Since she agreed to marry me, when will she enter the palace? Although I like her, I can't give her the position of concubine. At most, I can only give her a beauty."

After hearing what the second prince said, Ouyang Zhengxiong didn't know how to answer him.

"In addition to the principal concubine and the side concubine, I want you to make her the highest position. After establishing a firm foothold in front of the emperor, I want you to help her become the principal concubine or the side concubine."

Seeing the light in Ouyang Zhengxiong's eyes, the good second prince also knew that if he just refused, I'm afraid that even if Yu'er was willing, the matter between him and Yu'er wouldn't be possible.

"Okay, Ouyang, I promise you, I will always keep the position of the principal concubine for you. As long as you establish a firm foothold in front of your father and can let your sister marry me legitimately, I will give her the position of the principal concubine. Bit."

Ouyang Zhengxiong knows that although the second prince has agreed to him now, he still has to continue to work hard on this matter. The relationship between the two of them has completely changed because of Yu'er.

In the past, it may have been a simple alliance, but now there is After seeing Yu'er, the two of them are just grasshoppers tied to a rope.

"Then there is nothing to say. Since she has agreed to marry you, you don't have to worry. I will go back to the military camp, make contributions as soon as possible, and let the emperor notice me as soon as possible."

"If within three months, I cannot stand in a high position, after three months, I will let Yu'er marry you. If I stand in a high position, Yu'er will be your princess in three months."

After hearing Ouyang Zhengxiong's words that he was bound to win, the second prince had nothing to refuse.

This is also a good thing for the second prince. After all, the higher Ouyang Zhengxiong climbs, the more beneficial it will be to him.

"Okay, I really like Yu'er, and I hope you can remember her."

On this point, Ouyang Zhengxiong and the second prince finally reached an agreement.

As for Nangong Ying, he fell into helplessness alone after leaving.

He didn't know what was going on, and he didn't know what he was going to do..

For the first time, he liked a girl, but this girl was snatched away by someone else in the blink of an eye.

Nangong Ying came to the pavilion in a daze again, and here, he met Wanqing again.

Seeing Wanqing After that, Nangong Ying subconsciously wanted to leave, but was stopped by Wanqing.

"Do you see why this princess left?"

After seeing Wanqing being so arrogant, Nangong Ying couldn't help but have an evil thought.

Since the second prince took away his beloved woman, he wanted to let his sister have a taste of this.

Chapter 2308

"Where do I go? Do you care? Even if you are a princess, there is no need to be so lenient, right?"

After seeing the disdain on Nangong Ying's face, Wanqing became angry again.

"This princess is willing to talk to you because she thinks highly of you. Please don't yell at me here."

Looking at the pride on Wanqing's face, Nangong Ying was a little dull.

Looking at Wanqing, he couldn't help but think of Yu'er. If Yu'er had lived a good life, would she have grown like this?

"Why are you looking at this princess like this? You know now that this princess is beautiful, right?"

Wanqing's face was full of embarrassment, which made Nangong Ying look a little funny.

"You are indeed beautiful, but what is the use of being beautiful in this world? If you don't have enough background, you are just an ant that can be trampled on."

Wanqing suddenly felt that Nangong Ying's words were very meaningful.

It seemed that Nangong Ying was talking about other things by saying these words to her.

"What on earth are you going to say? You have been very angry with me since the last time we met. Did I offend you somewhere? If it weren't for you saving this princess, I wouldn't have tolerated you for so long."

Wanqing seemed to have exploded at this time. She had never been treated like this before.

But the person in front of her had always misunderstood her and did not give her a good look at all.

"Do I want you to endure it? It was you who insisted on coming closer when you saw me. I always avoided you when I saw you. Why did you come to provoke me? What benefit would provoking me have to you?"

"Is it true that you royal people just leave without saying anything after provoking someone like this? You don't care at all how much influence you have on others."

Listening to these words, Wanqing felt that Nangong Ying seemed to be belittling her.

"So besides me, are there any other royal people to provoke you? You don't know anything, why are you talking about us royals like that? Let me tell you, if it weren't for the fact that you know Ouyang and are my savior, your head would have fallen off countless times."

After seeing Wanqing finally getting angry, Nangong Ying also calmed down.

He can't cause trouble for Ouyang Zhengxiong anymore. He has already caused trouble for Ouyang Zhengxiong once before.

If he continues to cause trouble, I'm afraid Ouyang Zhengxiong will He will cope with it.

Nangong Ying closed his eyes, slowly calmed down, and finally slowly opened his eyes.

"Sorry, I was too irritable just now. I can apologize to you. I also hope that the princess will not take this matter to heart."

After seeing Nangong Ying's sudden change, Ling Wanqing was confused.

"You, how come you have such a big change all of a sudden?"

Wanqing became a little scared and didn't understand what Nangong Ying was going to do.

But at this time, Nangong Ying suddenly had a very charming smile on his face.

"What is the princess afraid of? In broad daylight, what else can I do to you? Besides, you are protected by guards on both sides."

After hearing Nangong Ying's words, Wanqing suddenly blushed.

Listening to Nangong Ying's words, it seemed that she was very narcissistic.

"This princess didn't mean that, but what exactly did you mean by what you just said? Have people from the royal family ever bullied you?"

Listening to Wanqing mentioning this topic again, Nangong Ying's eyes became a little distant.

"Well, I have a sister who was defiled by someone from the royal family."

After listening to Nangong Ying's words, Wanqing became very angry.

"What? How could this happen? Is it our country? If so, let me help your sister get justice."

After seeing Wanqing so angry, Nangong Ying was a little confused.

He didn't understand why Wanqing became so angry?

What happened to Wanqing?

"Why are you so angry? It seems like you are different from those royal people"

"Of course it's different. Without thinking, Wanqing directly refuted Nangong Ying.

"Of course I am different from those people. I am very powerful, okay? Let me tell you, our country will never allow such moths to appear. If you really are there, you must tell me and I will help you make the decision. My father loves me so much, he will never let that person go."

After listening to Wanqing's words, Nangong Ying laughed at himself.

If they could really have such high skills, then the second prince would not do such a thing.

"It's not your place. I'm also thinking that if it were better to be here, you would definitely help my sister get justice."

After seeing the sadness in Nangong Ying's eyes, Wanqing became a little at a loss.

She didn't know how to comfort Nangong Ying.

It seemed that Nangong Ying was very sad, but she knew exactly what Nangong Ying was doing.

"It doesn't matter, don't worry, if I start to provoke you now, I will never let anyone bully you. Although I can't help you with your sister's matter, you are my princess's savior."

Chapter 2309

Seeing Wanqing facing her like this, she was so full of energy.

Nangong Ying suddenly felt that the thought he had just had seemed like a scumbag.

If such a good little girl was really treated like that because of his slightest thought.

Then he is so inhuman

"Thank you for what you told me today. I am very happy that this matter has been buried in my heart for a long time and I have never told anyone. After telling you, I suddenly felt that none of those things were important."

"As long as that person treats my sister well, it's enough, and I don't need to pursue anything."

Listening to Nangong Ying's words, Wanqing nodded thoughtfully.

"Yes, if that person is good to your sister, you really don't have to hold him accountable. Marrying a royal family is actually quite good, at least you will have enough food and clothing."

After hearing this, Nangong Ying laughed.

Wanqing seemed to be selling, and it looked very ridiculous.

"You are right. She has enough food and clothing and no need to worry about material things. She was always worried when she was with us, but now she should not have to worry about it anymore."

Taking this opportunity, Nangong Ying said everything.

"Okay, thank you princess. After having you, I really feel that all my grievances are gone. Can we be considered friends now?"

Listening to Nangong Ying's question, Wanqing became very angry.

"What do you mean? Is it possible that you have never regarded me as a friend? This princess has long regarded you as a friend."

After hearing Wanqing's arrogant words, Nangong Ying really felt that Wanqing was very good.

"You are so nice and real. I really don't know which man will be so lucky to marry you in the future."

Although Nangong Ying just said this in praise, it didn't mean that to Wanqing. To Wanqing, it sounded like Nangong Ying was interested in her.

But these words were indeed very ambiguous, if not interesting, and won't talk nonsense casually

"Why, is it possible that after that moment, you fell in love with me, but this princess is so beautiful and talented, so you should like this princess."

After hearing Wanqing's words, Nangong Ying was a little funny.

"You, forget it, you are just as good as my sister."

As he said this, Nangong Ying actually laughed to himself, but Wanqing seemed to have her self-esteem hurt at this time.

"What did you say? I have my own brother, aren't you two years older than me? Why do you want to be my brother?"

After saying that, Wanqing left here by herself, and Nangongying didn't know that he had stepped into Wanqing's minefield.

To be honest, Nangongying didn't know why things turned out like this.

Why Wanqing came out of the blue? He was angry, but Nangong Ying didn't think too much about it.

He only thought that Wanqing was deliberately acting like a child, but instead thought that Wanqing was cute.

At this time, Nangongying had not thought that Wanqing had fallen in love with him.

After returning from the pavilion, Nangong Ying met Yu'er.

It was still very awkward between the two of them, two people in love who didn't know each other, and now they had to watch the one they loved marry someone else.

Nangong Ying still felt in her heart Can't calm down

"Yu'er, I heard that you have decided to marry the second prince. I hope you will be happy in the future."

After listening to Nangong Ying's words, Yu'er reluctantly smiled.

But in Nangong Ying's view, this smile was very sincere and even a little shy.

"Thank you, I will definitely make myself happy."

After hearing what Yu'er said, Nangong Ying nodded and found an excuse to leave.

He couldn't stay with Yu'er for too long, because in his opinion, Yu'er was different from him.

Yu'er was going to get married soon. It's for the royal family. If you can have less contact with men, you should still have less contact with men.

"We have become so distant from each other after all." Yu'er's words to herself were not heard by anyone.

The moment she decided to marry the second prince, there was no possibility forever between her and Nangong Ying.

Nangong Ying was so alienated from her this time That's right.

If you really get too close to her, you won't end up well.

After Ouyang Zhengxiong returned here, he saw Yu'er standing outside the living room in despair.

"Yu'er, why are you standing here by yourself? Come into the house quickly, I have already told the second prince about your matter."

After listening to Ouyang Zhengxiong's words, Yu'er also reacted.

"Yeah? So what did he say? Did he say when to marry me?"

After hearing Yu'er's words, Ouyang Zhengxiong looked at Yu'er very seriously.

"Yu'er, I told her to marry you in three months. During these three months, I will try my best to let the emperor see me, and I will make you his concubine."

After hearing Ouyang Zhengxiong's words, Yu'er raised her head in surprise.

She only came from a brothel, how could she be worthy of the position of a concubine?

"Brother Ouyang, are you kidding me? How could I be the royal concubine?"

Chapter 2310

"Why can't you take the position of the principal concubine?" Ouyang Zhengxiong obviously didn't want to listen to what he just said.

"You are my sister. If you want to be the concubine, who else can stop you? You can only occupy the position of the principal concubine. If you don't have the position of the principal concubine, what should you do if you are bullied?"

Yu'er knew that Ouyang Zhengxiong wanted to become the concubine because he was worried about her.

"Brother Ouyang, have you ever thought that it is impossible for me to become a royal concubine? I was born in a brothel. Once the royal family knew about it, I wouldn't even have a chance to marry the second prince."

Hearing Yu'er's worried look, Ouyang Zhengxiong didn't want Yu'er to worry about this anymore.

"Yu'er, just listen to me. I won't let anyone hurt you, and I will never let anyone look down on you."

After hearing Ouyang Zhengxiong's words, Yu'er also nodded.

And all this was heard by Nangong Ying outside.

Nangong Ying's heart hurt like being pricked by needles repeatedly during this period.

But now the person inside is hurt. He doesn't know anything.

But now that Yu'er has made a choice, he will never embarrass Yu'er again.

Yu'er can't make any choice, and he will support it unconditionally.

"Brother Ouyang, if you have time, go and see Nangong. Nangong is not in a good mood these days."

Everyone knows why Nangong Ying is in a bad mood? But they can't change this matter from the source.

"Give him some time and he will figure it out on his own, so don't worry about him."

Although Yu'er is also very worried about Nangong Ying, her current status is no longer suitable to ask Nangong Ying.

"I have to return to the military camp quickly. I can't stay with you here anymore. You and Nangong Ying are the only ones left at home now. You must be good to Nangong Ying. If something really happens, you must go to Nangong Ying to help you."

After hearing this, Yu'er nodded.

But she was unsure because she was not sure whether Nangong Ying was still willing to help her.

Looking at Ouyang Zhengxiong's leaving figure, Yu'er knew about her marriage, so she It was settled in this way.

I also knew that because of her marriage, Ouyang Zhengxiong would try his best.

There was really nothing to say about her and the second prince.

After Ouyang Zhengxiong returned to the military camp, he immediately went to see General Zhao

"General Zhao, I have something to tell you." After seeing Ouyang Zhengxiong's serious look, General Zhao also looked at Ouyang Zhengxiong.

"What happened? You actually make you so anxious."

Ouyang Zhengxiong didn't want to hide anything from anyone. It would be a good thing if he could resolve this matter quickly.

"General Zhao, is there any way you can help me achieve success quickly? I have to let the emperor see me now."

After seeing the eagerness in Ouyang Zhengxiong's eyes, General Zhao suddenly felt that Ouyang Zhengxiong seemed to have changed.

Before, Ouyang Zhengxiong never cared about these things.

"What happened? Why do you care so much about this?"

Hearing General Zhao's words, Ouyang Zhengxiong also looked at General Zhao

"General Zhao, I have a sister who was defiled by the second prince. She is a sister that I love very much. I don't want her to become someone else's concubine."

After hearing what Ouyang Zhengxiong said, General Zhao was very surprised.

He didn't expect Ouyang Zhengxiong to go back in such a hurry to deal with this matter.

"The second prince is too confused. Your sister should live in your house. How could she be taken by the second prince?....."

Ouyang Zhengxiong became very angry when he mentioned this matter.

But he couldn't tell General Zhao about his cooperation with the second prince, so he could only tell General Zhao a lie.

"The explanation the second prince gave me was because he didn't pay attention for a while. After being plotted by others and escaping into my house,....."

After hearing this, General Zhao also knew that no matter how angry Ouyang Zhengxiong was, there was nothing he could do against the second prince.

After all, he is a member of the royal family. No matter how unpopular he is with the emperor, we still have nothing to do with them.

"In this case, let me show you a clear way now. Outside the imperial city, there is a group of bandits. Every year they stop a lot of things, and the emperor also sends many people to suppress the bandits."

"You have never defeated this group of bandits. If you find a way to take down this group of bandits, you can achieve what you want."

After listening to General Zhao's words, Ouyang Zhengxiong's eyes were filled with determination to win.

No matter what? He must complete this matter.

"General Zhao, I know, I will definitely complete this mission."

After saying that, Ouyang Zhengxiong went down and carefully investigated everything about the robber.

General Zhao also knew that this matter might be a big deal for Ouyang Zhengxiong.

But he also knew that Ouyang Zhengxiong would definitely do his best. To complete this matter.

Ouyang Zhengxiong has always been a down-to-earth and very stable person.

But when he knew about this matter, it was impossible to continue to be so calm.

"I hope you can complete this matter smoothly, that you can successfully take over my position, and that you can also fulfill your wish."
