Chapter 231

The screams came from the east, from the direction of the depths of Leize.

Gu Shaoyang and his group quickly and cautiously approached, and after a while, an astonishing sight appeared in front of them.

Large swaths of thunderclouds gathered, and the lightning fell like a waterfall, turning into purple electric snakes scurrying around on the ground.

And in the center of this thundering purgatory, a ferocious monster like a lion or a tiger, wrapped with purple lightning all over its body, was roaring angrily and going on a killing spree.

The moment Wan Yue saw the monster, his eyes suddenly shrank, and he couldn't help but exclaim: "This is the Thunder Spirit Beast I saw last time!"

Thunder Spirit Beast?!

Everyone was happy, but soon fell down again.

When everyone came, they happened to see a group of people being chased by the Thunder Spirit Beast. These people were wearing the clothes of the disciples of the Thunder Prison Sect.

Gu Shaoyang saw the Thunder Spirit Beast take action, turning into a purple lightning and galloping through the void, several minutes faster than lightning, and its destructive power was extremely shocking.

The Yinjie disciple of the Thunder Prison Sect, who had his teeth smashed by him, had reached the Divine Sea Realm Great Perfection, and was considered quite tyrannical.

But when he used the Thunder Spirit Beast, he could not hold on for more than a few breaths before he was torn apart by the purple lightning transformed by the Thunder Spirit Beast.

Seeing this scene, everyone took a breath, and even Gu Shaoyang's eyes tightened.

The strength of this thunder spirit beast far exceeds that of the Great Perfection of the Divine Sea Realm. It is impossible to tell whether it has reached the life and death realm, but it is still easy to deal with them.

The screams before were made by the disciples of the Thunder Prison Sect. At this moment, the disciples of the Thunder Prison Holy Sect were almost killed by the Thunder Spirit Beast, and only a figure was left, still running away in embarrassment.

This person seemed to notice the appearance of Gu Shaoyang and others, his eyes lit up, and he actually turned around and rushed toward them.

"snort.."

Gu Shaoyang frowned slightly, "He wants to divert trouble to the east and use us to attract the attention of the Thunder Spirit Beast.".."

The appearance of this person was also quite familiar to Gu Shaoyang. He was none other than Wei Donglin, the seventh holy son of the Thunder Prison Sect.

Gu Shaoyang's eyes turned cold and he said in a low voice: "Let's go!"

Everyone nodded hurriedly, especially Chao Qian, Barbarian Shenzong and others. After seeing the fierce power of the Thunder Spirit Beast, their faces turned pale, and they already regretted entering Leize. coming.

Gu Shaoyang led everyone to retreat for a distance, and found that Wei Donglin was chasing after him, but he was biting harder and harder. It seemed that he had made up his mind to divert trouble to the east.

Gu Shaoyang's eyes flickered, scanning Chao Qian and others one by one, and suddenly said to Wan Yue: "Brother Wan, why don't we leave separately. Take them out of here..."

Several people looked stunned, but then they heard Gu Shaoyang continue to explain: "Don't worry, with Wei Donglin's paranoid, arrogant, narrow-minded, and vengeful temperament, if we are separated, he will definitely come for me, and the Thunder Spirit Beast behind will also be attacked by me. Lead away, you will not be in danger."

"Then Brother Gu, you.."

Just when Wan Yue was about to speak, Gu Shaoyang interrupted him lightly and replied: "Don't worry, with my speed, it will be easy to get rid of Wei Donglin or the Thunder Spirit Beast."

Wan Yue and others' expressions changed, and they finally made up their minds.

"Okay, then Brother Gu, please be more careful. We are waiting for your return in Leize City."

Gu Shaoyang nodded, and suddenly disappeared with a movement, and reappeared more than ten miles away from everyone.

As expected, the escape light transformed by Wei Donglin kept turning and chased Gu Shaoyang, dragging a purple shadow behind him. , leaving countless tiny electric rays in the void.

Wan Yue and others heaved a sigh of relief, and turned to fly outside Lei Ze without looking back.

Even the disciples of the Thunder Prison Sect were injured and killed by such a thunder spirit beast. It is not something that their strength can touch.

Gu Shaoyang used Shrinking to an Inch again and again, and after the first time he distanced himself from Wei Donglin, he would wait for him for a while, deliberately hanging him and leading him in another direction.

Wei Donglin tried his best, Shockingly, he discovered that Gu Shaoyang had always remained at a distance that was neither too far nor too close. Instead, there was a roaring sound in the air behind him, and the distance between the Thunder Spirit Beast and him was getting closer and closer.

"damn it!"

Wei Donglin's face was ferocious, and the ferocious light in his eyes jumped. He suddenly punched himself hard in the chest. The speed of escaping light suddenly increased a lot, and he instantly shortened the distance between him and Gu Shaoyang.

Gu Shaoyang was slightly shocked when he saw Wei Donglin That crazy twisted face is almost visible before your eyes

"Roar!"

At this time, the Thunder Spirit Beast behind him also seemed to be angered. The purple lightning transformed from his body was so fast that it was almost invisible in the void, and he quickly caught up with him.

What did he want to do?!

Gu Shaoyang frowned.

He couldn't figure it out. What's the point of Wei Donglin doing this?

Do you want to drag him to death?

Then he must be able to do it?!

Although because of the previous battle with Chai Yan, his Yuanli has not fully recovered, and now it is only half of what it was in its heyday. Yes, but it was more than enough to deal with a small Wei Donglin.

Gu Shaoyang simply stopped running away, stopped on the spot, turned around suddenly, and slashed hard in the direction of Wei Donglin.

The sword light was as bright as a shooting star, with a strong edge. The aura of the thunder was cut into tiny wounds on Wei Donglin's face before it hit him.

But to Gu Shaoyang's surprise, Wei Donglin didn't dodge. With a low roar, he activated his Leisha Gang body to the extreme and resisted forcefully. He stopped Gu Shaoyang's sword.

Then Wei Donglin showed a crazy and proud smile on his face, stared at Gu Shaoyang, his eyes full of resentment and hatred, and laughed: "Gu Shaoyang, enjoy this great gift I give you!"

Wei Donglin suddenly raised his hand, preparing to throw something at him.

At this moment, Gu Shaoyang tapped his eyebrows and said lightly: "Broken!"

In an instant, the ancient bell in the divine sea rang, and the invisible soul fluctuations spread out and swept across the world.

Wei Donglin's proud and arrogant expression froze on his face, and his whole figure was frozen as if he had been hit by a body-fixing spell.

Gu Shaoyang saw clearly the hand on his right hand. The thing he was about to throw at him was an oval-shaped egg the size of a human head?!

But it had been crushed by Wei Donglin. A thick, dark purple liquid was flowing out of the broken eggshell, exuding a rich aroma. Thunder energy and an inexplicable fishy smell.

What is this?

Gu Shaoyang looked stunned.

The next moment, he heard an earth-shattering roar in his ears.

Gu Shaoyang looked over Wei Donglin's figure and looked behind him, and found that he had been chasing him. The thunder spirit beast of She has fully revealed its figure at this time.

The body like a lion and a tiger is filled with purple thunder and lightning flames, and the purple gem-like eyes reveal boundless anger.

Even Lei Ze's celestial phenomenon has changed, and the dark clouds have changed. Dense, the lightning falling from the sky was several times denser, the real lightning was like a waterfall, and the terrifying scene was like the end of the world.

Wei Donglin howled in pain, his face was twisted and ferocious, and the veins on his forehead popped out, and he was suffering from huge pain.

How could he not pay a heavy price for facing Gu Shaoyang's soul-killing technique.

But Wei Donglin still insisted on throwing the broken egg at Gu Shaoyang, and at the same time, his other hand seemed to be holding something.

Gu Shaoyang His pupils shrank and he wanted to draw his sword.

Someone was faster than him

"Uh-huh!"

A phantom jumped out of his arms, and with Wei Donglin's even more shrill scream, the phantom returned to Gu Shaoyang's arms.

It was the colorful strange bird that had been hiding in his arms.

At this time, the strange bird's beak There was a piece of transparent and colorless exquisite jade talisman on the jade talisman. The jade talisman exuded an extremely strong aura of space attributes.

Gu Shaoyang had a clear mind and figured out everything in an instant.

Then without hesitation, he used his magical power to shrink into an inch and flew back, even just now The thought of taking away the broken eggshell that arose in his heart was extinguished.

After using the magical power of shrinking to an inch for seven or eight times, Gu Shaoyang withdrew hundreds of miles away.

Finally stopping, Gu Shaoyang looked up. Go, you can see the terrifying sight of lightning and thunder somewhere, and you can seem to hear the suppressed screams of pain mixed with the thunder.

Gu Shaoyang took the transparent jade talisman in his hand and played with it carefully, his eyes flashing.

This is a space teleportation jade talisman. It seems that Wei Donglin just wanted to throw the egg on himself and teleport away immediately.

Unfortunately, he did not expect that he had the soul-killing technique and caught him off guard.

As for that An egg... can cause the Thunder Spirit Beast to be so angry. It can't be the Thunder Spirit Beast's egg, right?

But isn't the Thunder Spirit Beast created by the energy of heaven and earth? How could there be an egg...

Gu Shaoyang looked puzzled, but in his heart She lamented that if the eggshell had been taken away, maybe we could figure out what was going on.

But if we did, Wei Donglin would not be the only one who vented the Thunder Spirit Beast's anger...

Chapter 232

"Giggle.."

Suddenly there was an unpleasant chirping sound in his arms. Gu Shaoyang looked down and found that the strange bird put its head near his hand like offering a treasure, opened its mouth and spit out a large piece of purple fragments.

Gu Shaoyang was stunned and suddenly discovered that this was the eggshell of the Thunder Spirit Beast.

The eggshell is held in the palm of the hand, it is hard and smooth, and there is a faint numbing feeling from the fingers.

"Vitality*2893, thunder attribute*4894.."

The egg liquid had basically evaporated and dried up, leaving only a little bit. Gu Shaoyang's pupils suddenly shrank, and he saw another property bubble that he had never seen before.

"..Thunder Beast Essence and Blood*23.."

Thunder beast essence and blood?!

What thunder beast?

Thunder spirit beast?

Or... an ancient thunder beast?!

Gu Shaoyang's heart suddenly became a little hot, and he immediately extracted and absorbed the properties of "Thunder Beast Essence and Blood".

This bit of essence and blood comes from the egg liquid of the Thunder Spirit Beast egg. The egg liquid is gone, and the essence and blood contained in it is even less.

But just such a small amount of essence and blood, sucked into Gu Shaoyang's body, instantly caused a huge reaction like ice water dripping on a red-hot iron.

Gu Shaoyang felt that the mysterious runes on all the thunder bones all over his body lit up, and there seemed to be an extremely powerful terrifying force about to erupt from his body.

But just when that force was about to be pulled and completely exploded, it suddenly fell silent again.

The amount of blood essence is too small.

Gu Shaoyang suddenly regretted not snatching the egg from Wei Donglin's hand just now

"call.."

Gu Shaoyang slowly exhaled and his eyes flashed.

He made the decision to enter the depths of Leize again.

The Thunder Spirit Beast was of unexpected benefit to him. Since Wei Donglin could steal an egg, there was no reason why he couldn't.

And didn't the rumors say that in addition to the big thunder spirit beast, there was also a small thunder spirit beast. The big one couldn't be offended, but the smaller one might be able to make some plans.

Taking a step back, even if he failed... with the space teleportation jade talisman he grabbed from Wei Donglin, and the magical power of shrinking to an inch, he would definitely be able to escape unscathed.

You can take this risk!

The only problem now is how to find the Thunder Spirit Beast's lair and where Wei Donglin stole the egg.

Gu Shaoyang's eyes were filled with light, and soon a smile appeared at the corner of his mouth.

He handed the eggshell to the strange bird's mouth and said in a low voice:"The next step is up to you. If it can be done, the benefits will be yours.."."

The strange bird cackled and seemed extremely excited.

This kind of sneaking around is what he likes the most.

The strange bird held the eggshell in its mouth and jumped out with a swish. Gu Shaoyang flashed and followed closely....

The strange bird took Gu Shaoyang and flew quickly towards the depths of Leize. What made Gu Shaoyang feel a little relieved was that this direction was opposite to the direction where the angry thunder spirit beast was wreaking havoc.

The terrifying sounds of thunderstorms and occasional screams were behind him, gradually getting further away.

After probably flying for thousands of miles, Gu Shaoyang and the strange bird entered Leize.

The dark clouds above were as thick as ink and turned into lightning like rain, and the ground was full of flying snakes.

Gu Shaoyang breathed in Kong Lei Yuan Qi to silently restore his energy, and at the same time dispersed his soul power, carefully exploring every move around him.

Finally, the strange bird slowed down, and a huge swamp appeared in front of Gu Shaoyang.

The swamp was a beautiful lavender color, thunder flowers bloomed on the water, and there seemed to be living things swimming underneath.

After flying dozens of miles into the swamp, a small valley appeared in front of Gu Shaoyang

"Giggle.."

The strange bird became excited, as if to say, it's inside.

Gu Shaoyang's heart couldn't help but feel hot. He tried his best to calm down his excitement and walked in more cautiously.

The valley was calmer than Gu Shaoyang imagined. It was as if he was in the eye of a thunderstorm, but there was no thunder and lightning.

The valley is full of rare and rare fruits with thunder attributes. There are many eighth- and ninth-grade spiritual fruits, and tenth-grade spiritual fruits are also not uncommon.

The strange bird chirped lowly, jumped out, and dived into the pile of spiritual fruits to feast on it.

Gu Shaoyang was a little speechless. This guy seemed to be a fire-attributed spirit beast, but no matter what attribute the spirit grass, spirit fruit, and demon pill were, they were always raw and cold. He didn't know how it digested them.

Gu Shaoyang didn't bother to pay attention to it. The lair of the Thunder Spirit Beast had been found. The next step would depend on his own ability and luck.

Gu Shaoyang flew deep into the valley. There were no monsters in the valley.

I guess this is the reason why the Thunder Spirit Beast is entrenched here. No monster dares to come in.

"Sob..Sob.."

Suddenly, Gu Shaoyang heard bursts of whimpering.

It was like the cry of a small animal, very sad and sad...

Gu Shaoyang raised his brows and dodged a few times in the direction of the sound.

After walking around a stone wall, the real lair of the Thunder Spirit Beast appeared in front of him.

A pale stone mountain stands strangely and abruptly. There is a stone platform on the stone mountain, and on the stone platform there is a lavender light pillar that reaches the sky and the earth.

If you look carefully, you will find that it is not a beam of light at all, but a thunder slurry condensed by countless thunder and lightning power, hanging down from the thunder clouds in the sky like a waterfall.

At this moment, none of these attracted Gu Shaoyang's attention.

Gu Shaoyang focused all his attention on the stone platform and opened his eyes suddenly.

There was a figure on the stone platform, a slender figure wearing a purple and gold robe, with his back facing him.

This figure holds a long knife with an ancient and elegant style in one hand, and the other hand is tightly clasped on the head of a strange little beast the size of an elk.

The five fingers dug deep into the skull of the little beast, and the billowing purple blood was absorbed into the body by the figure.

Not only that, Gu Shaoyang also saw several purple eggs scattered on the stone platform that he had seen before at Wei Donglin's. The eggshells were all broken and they were empty inside.

Apparently he was also swallowed by the purple-robed figure.

Gu Shaoyang suddenly saw this scene in the Thunder Spirit Beast's lair, and was greatly shocked. He was dazed for a moment, and his aura could not help but leak out.

The purple-robed figure suddenly felt something and turned around suddenly.

A handsome and unruly face appeared in front of Gu Shaoyang's eyes. This man's eyes were purple, and his eyebrows were also purple. There was a world-swallowing arrogance and dominance between his eyebrows, and there was a hint of violence and cruelty flashing through.

Everyone will feel that this person is extraordinary when they first see him.

Gu Shaoyang saw the symbol of the Thunder Prison Sect from the purple robe on his body. A flash of inspiration flashed in his mind, and he suddenly thought of a person.

The third holy son of the Thunder Prison Sect, massacres people!

Tu Rensheng stood on the stone platform and looked at him condescendingly, his eyes indifferent, looking at Gu Shaoyang as if he were looking at an insignificant ant.

Gu Shaoyang has seen this look on Chai Yan before

"..Yuan Qi*23478, Root Bone*4238, Comprehension*235, King Ti Daoyun*1344" Gu Shaoyang's pupils shrank.

Sure enough, Tu Rensheng also has the King Ti Dao Yun attribute. He... also has a king body!

And it is better than Chai Yan's Tianyan Fengxuan The king's body is even more powerful.

In other words, Tu Rensheng is now rapidly climbing towards a more powerful realm.

He took advantage of the Thunder Spirit Beast to leave the nest, sneaked into the Thunder Spirit Beast's lair, devoured all the Thunder Spirit Beast's eggs, and returned The only little thunder spirit beast was about to be devoured by him.

The egg in Wei Donglin's hand might have been given to him by him as a trick to lure the thunder spirit beast away from the nest.

Gu Shaoyang couldn't help but trembled in his heart and looked deeply. He took a look at Tu Rensheng.

Bold, thoughtful, and ruthless, Tu Rensheng was worthy of being the third holy son of the Thunder Prison Sect. His methods and strength were unprecedented in his eyes. He was a first-rate tycoon.

Moreover, he The plan was successful.

This shows that he is a talented person with great fortune and great luck!

While Gu Shaoyang was looking at Tu Rensheng, Tu Rensheng was also looking at him.

The latter frowned slightly and uttered one word coldly:"Get out of here.!"

Gu Shaoyang's face suddenly turned cold...

Chapter 233

Gu Shaoyang's cultivation level is only in the late stage of Shenhai. Due to the loss of Yuanli, his aura is also a little weak, so his strength seems to be mediocre. It is no wonder that Tu Rensheng is arrogant.

Gu Shaoyang knew that he came a step late and originally planned to leave right away, but as soon as Tu Rensheng said "go away", he left without any hurry.

No matter what, I have to stop him from being disgusted.

A sneer appeared at the corner of Gu Shaoyang's mouth, and Qixing Longyuan suddenly unsheathed it.

The Huangtian Prison Thunder Sword with 40% destructive sword intent drew a mysterious and splendid trajectory in the void. The abundant thunder energy in the valley was attracted, which further increased the power of this sword.

Tu Rensheng also showed a little surprise in his eyes when facing this sword, as if he didn't expect someone with Gu Shaoyang's strength to be able to use it.

He casually threw the dying little thunder spirit beast aside.

The essence in the latter's body had been almost absorbed and devoured by him, and he was weak and dying.

And Tu Rensheng's goal was basically achieved.

Tu Rensheng was surrounded by thunder and lightning, and his aura was as majestic as the abyss and the sea, like a thunder god descending from ancient times.

He stretched out a hand, and lightning and fire flashed on his palm, and the terrifying aura spread throughout the void.

"click.."

Gu Shaoyang's sword, which destroyed 40% of his sword intent, was crushed to pieces by his palm like this!

Gu Shaoyang's eyes were solemn as never before.

Although his strength at this time is less than half of what it was at its peak, not everyone can take on the Huangtian Prison Thunder Sword with 40% of its destructive sword power.

This third holy son, Turen Sheng, is too powerful!

Tu Rensheng showed a sneer of contempt and disdain, looked down at Gu Shaoyang, and said lightly: "I still have some talent in swordsmanship. In time, I may not be able to get on the list of Shenhai people... It's a pity..."

Tu Rensheng slowly shook his head, his eyes suddenly turned cold, and his aura suddenly erupted like a volcano.

"boom!"

Endless thunder light surged out from all over his body, and his whole body was bathed in the thunder light, and his aura climbed to the extreme.

He took a step forward suddenly, and was in front of Gu Shaoyang in an instant, and then stretched out his big hand to grab Gu Shaoyang fiercely. , the cold voice rolled through the valley like muffled thunder

"..It's a pity you met me. I, Turen Sheng, had a shocking opportunity today to absorb the essence of the Thunder Spirit Beast and push the Thunder Prison King's body to the realm of a half-step divine body... Now, I am confident that I can compete for the top ten position on the Divine Sea Ranking..."

Today is the day. You are unlucky, my divine body has just formed, so use your blood to sacrifice the edge of my divine body!"

Tu Rensheng's big hand seemed to encompass the world. Thunder light rolled from his palm, and a power belonging to the soul realm emitted, crushing the void into pieces. The terrifying power moved people.

Gu Shaoyang took a deep breath, and unexpectedly sheathed his sword without using it. , instead stretched out a palm flatly, and faced Tu Rensheng without any fancy.

True Dragon Way. Black Dragon Transformation.

Dragon Capturing Strength, twenty-five times more powerful.

Due to the advancement of Thunder Body along the way, Gu Shaoyang's physique And his strength is also growing continuously.

Now he uses the power of Capturing the Dragon to burst out instantly, reaching the power of three and a half ancient true dragons!

Three and a half million kilograms!

Boom!

Even the void is punched out layer by layer, Like a piece of paper that has been crumpled hard

"The real dragon explores its claws!"

The curved palm collided hard with the big hand wrapped in lightning.

"boom!"

The collision of terrifying forces set off a huge wave of vitality, which made the stone walls of the valley rustle.

Tu Rensheng's body trembled violently, and then he stood still after a few steps. However, Gu Shaoyang couldn't help but flew backwards, his face became even paler.

Half a step into the divine body The power of the body is more terrifying than the king's body.

This is the first time that Gu Shaoyang has met a person of his own generation who can compete with him in terms of pure physical strength.

However, his goal has been achieved.

He specifically chose to fight against Tu Ren Sheng, that is In order to extract the attributes of Tu Rensheng, the attributes of Wangti Daoyun entered the body...

The mysterious runes on the thunder bones in Gu Shaoyang's body extended rapidly, as if they were being outlined by an invisible pen.

But...

It is still a little short of being able to initially bring out the power of the thunder body.

Not enough, still not enough.

Now I can't use the Soul Killing Technique, I can't use the Starry Sky Sword River, and my body's energy is less than half of what it was in its prime... If I could control the thunder body, I could still fight against Tu Rensheng, but judging from the current situation, this is obviously not possible. It's possible.

Gu Shaoyang frowned and completely gave up on the idea of fighting Tu Rensheng in his current state. He already had the intention of retreating in his heart.

Both the Thunder Spirit Beast and the Thunder Spirit Beast eggs were devoured completely by Tu Rensheng. The opportunity had been taken away, and there was no need for Gu Shaoyang to stay here any longer.

Thinking of this, Gu Shaoyang flew out of the valley as soon as he moved.

Tu Rensheng didn't seem to intend to let him go so easily, and he chased him with thunderous strides.

"Want to escape? dream!"

Gu Shaoyang had no expression on his face and slashed out his sword coldly towards Tu Ren Sheng.

The light of the sword was like autumn water, like flowing light. With 70% of the power of the Yin Yang sword spirit, even Tu Ren Sheng had to avoid its edge.

Gu Shaoyang slashed out three swords in a row, almost killing all the swords in his body. His Yuan Power was emptied out.

While forcing Tu Rensheng to retreat a certain distance, Gu Shaoyang also used the force of the counterattack to fly back.

Everything was going smoothly at first, but at this moment.

Gu Shaoyang's eyebrows suddenly twitched, and he seemed to have an extremely strong feeling. Something bad is about to happen to him.

The next moment..

"Roar!"

A deafening roar sounded from behind Gu Shaoyang, and a thunderous sound rushed into the valley.

Both Gu Shaoyang and Tu Rensheng's pupils shrank, and they were shocked.

Thunder Spirit Beast!

That big Thunder Spirit Beast, the strength The Thunder Spirit Beast, which was almost in the state of life and death, came back.

The Thunder Spirit Beast immediately noticed the eggshells scattered on the stone platform and the dying little Thunder Spirit Beast.

Suddenly, it was stunned, and then it was filled with anger that had accumulated to the extreme. grief, murderous intent...

Like a volcano erupting, raising its head and roaring

"Rumble.."

The thunder in the entire valley exploded at the same time in an instant, the sky and the earth became white, and everything became silent.

The Thunder Spirit Beast's eyes fell on Gu Shaoyang and Tu Rensheng.

Now, even breaking the bodies of the two men into thousands of pieces and scattering their bones and ashes cannot quell the anger in its heart.

The Thunder Spirit Beast opened its mouth and spit out two dark purple lightning bolts, which shot towards Gu Shaoyang and Gu Shaoyang.

This lightning drew an extremely long black trace in the void, and its power was extremely terrifying.

Tu Rensheng did not hesitate, took out a transparent jade talisman from the spirit storage ring and crushed it.

A large hole as tall as a person suddenly appeared in the void.

Gu Shaoyang's expression changed, and he wanted to take out the jade talisman he snatched from Wei Donglin and flee.

But Tu Rensheng suddenly turned around, smiled contemptuously at him, and said sarcastically: "You can also use the things of our Thunder Prison Sect? Haha, leave it to me!"

Tu Rensheng pointed his finger at Gu Shaoyang from a distance..

Suddenly, the jade talisman in Gu Shaoyang's hand suddenly lost all its luster, as if it was dead.

Gu Shaoyang was shocked, and the jade talisman lit up again. Although it only failed for a short moment, the best opportunity to escape had already been missed.

He could only watch helplessly as the lightning from the Thunder Spirit Beast fell on him, and the figure of Tu Ren Sheng walking away from the space portal with a proud smile...

Gu Shaoyang was struck by lightning, his whole body was stinging, and his brain felt numb for a moment. Falling into a void.

In the dark, he seemed to see a pair of deep and wise eyes, looking at him intently.

That Eyes of Bai Ze.

Yes, it was Bai Ze who guided him here.

But the opportunity was robbed.

Now he is in a life and death crisis.

Why?

Could it be because... after falling into death, there is still a greater opportunity waiting for him?!

Chapter 234

Fortunately, Gu Shaoyang's thunder body has just formed, and his resistance to lightning is ten times or even dozens of times more than that of ordinary people. After being hit by lightning, he frantically extracts the attributes of lightning, so The blow didn't do much damage to him.

On the contrary, he regained a lot of his energy.

But before Gu Shaoyang could take a breath, his chest suddenly felt like he had been hit hard by a million-pound hammer.

"Bang!"

Gu Shaoyang's body was shot out like a ball, smashing into large rocks, and finally half-sunked into the rock wall of the valley.

"puff.."

Qi and blood surged in his body, and Gu Shaoyang couldn't help but spit out a mouthful of blood.

There was severe pain all over his body, and his bones seemed to be falling apart, especially in his chest. Gu Shaoyang knew that he had at least three broken ribs.

He has never suffered such a serious injury since he succeeded in refining his body.

"call.."

Gu Shaoyang breathed in the fresh air. He looked up and saw the Thunder Spirit Beast standing not far in front of him, looking at him angrily, exuding undisguised murderous intent.

Tu Rensheng, the culprit, escaped, and the Thunder Spirit Beast naturally vented all its anger on Gu Shaoyang.

A wry smile appeared at the corner of Gu Shaoyang's mouth.

Unexpectedly, he was so smart that he would sometimes make wedding clothes for others and take the blame for others.

Tu Rensheng...

Thinking of Tu Rensheng's mocking and contemptuous smile before leaving, the proud back as he walked away, and his own tricks, even though Gu Shaoyang's temperament has always been cold and indifferent, now he can't help but feel a surge of anger.

Killing intent surged in his eyes, and Gu Shaoyang's heart turned cold.

Sooner or later, he would pay Tu Rensheng back a hundred times a thousand times.

The Thunder Spirit Beast was still screaming angrily and sadly. Gu Shaoyang saw it standing on the stone platform, wandering around a few broken eggs that had become empty shells, and then ran to the dying little Thunder Spirit Beast and whimpered. He gently arched the body of the little thunder spirit beast with his head.

It carefully picked up the little thunder spirit beast and walked towards the purple electric light pillar in the sky.

The purple pillar of Tongtian opened a hole on both sides. Suddenly, Gu Shaoyang's eyes froze.

"..Vitality*237849, Thunder Beast Essence*48499..."

A golden-red, huge attribute bubble full of nobility and ancient wildness suddenly appeared in front of Gu Shaoyang's eyes.

The terrifying numerical value on it made Gu Shaoyang's heart feel extremely hot.

So much thunder beast essence and blood?!

If he could absorb it, his thunder body would be completely perfect. By then, killing that human being would not be as simple as killing a chicken but a dog?

Under the golden-red bubbles is a small blood pool, with a huge heart in the blood pool.

This heart was huge and ugly. Half of it was completely withered, while the other half was extremely alive and beating rhythmically.

The sound of the beating heart is like thunder, deafening.

Every time the heart beats, a large amount of blood will be squeezed out. This is how the purple-red blood in the blood pool underneath is accumulated.

Gu Shaoyang saw the Thunder Spirit Beast placing the little Thunder Spirit Beast in the blood pool.

The blood in the blood pool immediately drowned the little thunder spirit beast, and the weak state of the little thunder spirit beast was immediately contained.

But before the Thunder Spirit Beast could show its joy, a sudden change occurred.

The blood surged in the blood pool, and the body of the little thunder spirit beast began to become illusory, with a tendency to gradually melt with the blood.

"Roar.."

The thunder spirit beast was frightened and angry, and quickly fished the little thunder pond out.

Looking at the appearance of the little thunder spirit beast, at least 30% of its body has been assimilated by the blood pool, making it even weaker.

"Woo.."

The thunder spirit beast came in pain and helplessness, like a mother who lost her beloved son.

"The energy in the blood pool is too overbearing. Its origin has been taken away, and it cannot rely on the blood pool to recover. Throwing it into the blood pool will only speed up its demise..."

Suddenly, a cold voice sounded in the thunder spirit beast's ears in the valley.

The Thunder Spirit Beast turned his head suddenly and saw a handsome and pale young man slowly walking towards him step by step, clutching his chest.

It was Gu Shaoyang.

When the Thunder Spirit Beast saw Gu Shaoyang, murderous intent and rage suddenly emerged from his body, and his figure disappeared in a flash.

Gu Shaoyang's face changed slightly. The moment the Thunder Spirit Beast disappeared, he immediately used the Black Dragon Transformation, and his eyes turned silvery white at the same time.

Eyes of truth.

The flesh is like an abyss, the energy and blood are like the sea

"Uh-huh!"

This time I finally caught the figure of the Thunder Spirit Beast, wrapped in electric light, several times faster than lightning. If Gu Shaoyang didn't have the eye to see the truth, even ordinary Divine Sea Realm Dzogchen warriors wouldn't be able to see its movements clearly.

Gu Shaoyang took a deep breath, with firm eyes, stretched out his hands and grabbed the Thunder Spirit Beast fiercely.

"Bang!"

Gu Shaoyang and the Thunder Spirit Beast collided without any fancy. The muscles of Gu Shaoyang's arms were tangled, and he tightly grasped the outstretched front paws of the Thunder Spirit Beast, like fighting a tiger or a lion, giving him a sense of bravery and cruelty.

"Extract attributes, rage, murderous intent..."

Gu Shaoyang roared in his heart and extracted all the huge emotional attributes from the Thunder Spirit Beast.

The effect was immediate, the Thunder Spirit Beast suddenly became quiet, and its aura quickly dropped.

"Well.."

The murderous intent on the Thunder Spirit Beast's face disappeared without a trace in an instant, its cloudy and angry eyes became clear, and the look in Gu Shaoyang's eyes was still mixed with a trace of confusion.

Gu Shaoyang breathed a sigh of relief.

He made the right bet.

Since the killing intent of the Thunder Spirit Beast can be eliminated, half of his life and death crisis has been overcome.

The revelation given by the Bai Ze mythical beast was correct.

Gu Shaoyang's eyes flashed like a cold blade coming out of its sheath.

Next, it's time for him to fight for a big opportunity

"..You should know that I was not the one who harmed your child. Although I made a mistake by entering the valley by mistake, my crime will not lead to death..."

Gu Shaoyang looked into the Thunder Spirit Beast's eyes calmly and said.

The Thunder Spirit Beast roared several times in annoyance. It was quite intelligent. The strong smell of Thunder Spirit Beast eggs still remaining on Tu Rensheng's body and the whine of the little Thunder Spirit Beast told it who was the culprit.

The reason why it attacked Gu Shaoyang was just to vent its anger.

It couldn't calm down before, but now that the murderous intention and anger have subsided, it can listen to Gu Shaoyang's words a little better.

Seeing that the Thunder Spirit Beast did not continue to attack, Gu Shaoyang knew that his words had an effect, and then said:"Besides, I have a way to save your child..."

"Um?!"

The Thunder Spirit Beast was stunned.

Gu Shaoyang's expression was extremely serious,"If you don't believe it, you can let me try it first. If I lie to you, it won't be too late for you to kill me... and.."

Gu Shaoyang paused, looked at the extremely weak little Thunder Spirit Beast on the stone platform and said,"You have no other choice now, you can't save it at all." The

Thunder Spirit Beast was stunned for a moment after hearing Gu Shaoyang's words, and then retreated. Then, he paced back and forth anxiously on the ground.

His eyes kept wandering between Gu Shaoyang and the little thunder spirit beast.

Hesitation, struggle, indecision, murderous intention, doubt...

Various emotions rolled in the Thunder Spirit Beast's eyes.

But Gu Shaoyang just looked at it calmly from beginning to end, letting it make its own choice. finally..

"Roar!"

It growled low and rushed in front of Gu Shaoyang. After a threatening roar, it seemed to have made up its mind and slowly moved out of the way in front of Gu Shaoyang.

A faint smile appeared on Gu Shaoyang's face.

He was right again.

"Roar..roar.."

After the Thunder Spirit Beast decided, it even began to urge Gu Shaoyang to hurry up, because it could feel that the aura of the little Thunder Spirit Beast was still weakening and passing away.

Gu Shaoyang strolled onto the stone platform and walked to the Thunder Spirit Beast.

The little thunder spirit beast looked at him in fear and panic

"Don't be afraid.."

Gu Shaoyang said softly, and first extracted the negative emotions from the little thunder spirit beast, making it slowly settle down.

Then he picked up the light body of the little thunder spirit beast, walked to the rolling purple blood pool, and jumped in without hesitation.

He Gu Shaoyang's great opportunity.

Right now, right in front of you!

Chapter 235

Gu Shaoyang slowly walked into the blood pool, and purple-red blood as thick as thunder covered his body.

The skin covered with plasma suddenly felt like countless needles were drilling into Gu Shaoyang's body.

The tingling and numbness brought the long-lost pleasure of the body's surge.

Gu Shaoyang's eyes were bright and he thought silently in his heart

"Extract attributes!"

"Vitality*3744.."

"Vitality*8584.."

"Thunder Beast Essence and Blood*2349.."

"Thunder Beast Essence and Blood*3858.."

Rolling blood poured into Gu Shaoyang's body crazily. The bones all over his body were like red-hot irons, and his blood was so hot that it boiled.

"call.."

"call.."

Gu Shaoyang exhaled thick white gas from his mouth, and bursts of white gas evaporated from the top of his head. His whole figure seemed to be in scalding boiling water, feeling extremely comfortable.

Looking inside, Gu Shaoyang could clearly see the mysterious runes quickly emerging on his thunder bones, which were completely natural and exuded the meaning of the great avenue.

There are also thunder patterns on the inner walls of the meridians.

His physical body was heading toward the extraordinary realm step by step with firm steps.

A faint wild and ancient aura emanated from him.

While Gu Shaoyang was immersed in this mysterious artistic conception, he suddenly heard an angry roar.

"Roar!"

The Thunder Spirit Beast was standing under the stone platform and grinning at him.

Gu Shaoyang suddenly woke up and found that the little Thunder Spirit Beast in his hand was almost melted by the blood pool, and even part of its power was absorbed into his body..

I almost forgot about the real thing.

Saving the little Thunder Spirit Beast is the key. I am just taking advantage of it.

If the little Thunder Spirit Beast dies, how much I get in the blood pool, the Thunder Spirit Beast will definitely let me Spit it out twice as much.

Gu Shaoyang quickly gathered his mind and allocated a small part of his energy to control his body to absorb the plasma from the blood pool. Most of his energy was focused on the little thunder spirit beast. He carefully explored the condition of the little thunder spirit beast.

Gu Shaoyang found that there was a particle in its body. The dim beads full of cracks should be its original essence.

However, these origins have long been brutally absorbed by Tu Rensheng. This is also the main reason why the little thunder spirit beast's body is riddled with holes and its vitality continues to drain.

"Extract attributes.."

Gu Shaoyang extracted a small portion of the thunder beast's essence, blood and vitality from the blood pool, and carefully injected it into the little thunder beast's body.

The face of the little thunder spirit beast showed pain.

Is it too much?

Gu Shaoyang's eyes moved and he immediately absorbed part of it himself.

In the following time, Gu Shaoyang continued to adjust the amount of essence, blood and vitality of the thunder beast until he figured out the maximum level that the little thunder spirit beast could absorb, and then maintained this level and slowly injected energy into the little thunder spirit beast.

It was pretty much what he had guessed.

The birth of the Thunder Spirit Beast is inseparable from the blood pool. The two have the same origin. Therefore, when the Thunder Spirit Beast puts the little Thunder Spirit Beast into the blood pool at first, not only will it not have any rescue effect, but it will be assimilated by the blood pool.

What Gu Shaoyang can do is to repair the original core of the little Leiling first and let it regain a certain strength. This way it can maintain itself in the blood pool and not be assimilated, and its injuries can slowly recover.

Sure enough, after the stable and peaceful blood pool entered, the aura on the little thunder spirit beast gradually became stable, its power no longer flowed away, and it was changing in a good direction.

The Thunder Spirit Beast under the stone platform seemed angry, and its gaze on Gu Shaoyang softened. It squatted beside the stone platform, protecting one person and one beast.

Gu Shaoyang looked up and saw that the valley was quiet and deserted. There was only the sound of lightning and thunder from time to time. In the distance, there was a strange bird huddled in the grass and looking over here. Seeing that Gu Shaoyang was fine, it plunged into the spiritual world again. In the haystack, you can vaguely see a round belly.

Gu Shaoyang was angry and funny, and immediately stopped caring about the strange bird.

Doing two things at once, close your eyes and enter into practice.

Gu Shaoyang was completely submerged into the blood pool, together with the little thunder spirit beast.

Two whirlpools, one large and one small, appeared in the blood pool, and the rolling plasma was constantly being swallowed up by these two whirlpools.

The blood accumulated in the blood pool for thousands of years is decreasing bit by bit at a speed visible to the naked eye, revealing the mottled walls of the blood pool.

The half-living, half-withered heart was still beating vigorously, squeezing out drops of blood and dripping into the blood pool below.

After an unknown amount of time, the blood pool gradually dried up.

The Thunder Spirit Beast also gradually lost patience, stood up and roared towards the blood pool.

It wanted to rush up the stone and enter the blood pool several times, but it seemed to have an inexplicable awe for that heart and always hesitated.

Finally, the blood in the blood pool completely disappeared.

In the huge blood pool, only a huge blood cocoon as tall as a person was left.

Like an eggshell, the surface shone with a strange blood light.

The blood squeezed out of the weird heart drips on the blood cocoon and always disappears quickly, as if it has been absorbed by the blood cocoon.

"Roar!"

The Thunder Spirit Beast finally couldn't bear it anymore. The worry for the little Thunder Spirit Beast defeated the awe of the weird heart. It threw its body out to tear open the blood cocoon.

Just when the Thunder Spirit Beast was about to touch the blood cocoon

"click.."

A clear sound of breaking a cocoon sounded in the field.

The Thunder Spirit Beast stopped immediately

"Click..Click..Click.."

The sound of the cocoon breaking became increasingly dense and clear. The cracks on the blood cocoon were like spider webs, and a strange aura emanated from the cracks, which shocked people's hearts. finally..

"Bang!"

The blood cocoon was completely broken open, and a purple shadow the size of a calf jumped out from it.

"Roar!"

The thunder spirit beast roared with joy

"Roar!"

The purple shadow opened its mouth to respond. The roar was a little childish, but it conveyed a strong sense of nobility and majesty. The purple shadow revealed its appearance.

It was a one-legged creature with the head of a tiger and the body of an ox. It was covered with purple scales. , a strange monster beast with a tail composed of countless crystal purple manes. It looks weird, but it has a sense of majesty, nobility and majesty in it.

When it appears, purple thunder and lightning come from the sky and the earth. It gathered together and made it look majestic and gorgeous.

Little Thunder Spirit Beast!

Although its appearance changed drastically, its breath was still familiar.

The Thunder Spirit Beast was overjoyed, hugged the little Thunder Spirit Beast, and silently licked the scent of it. Scale armor, with joy and love flowing out of his eyes.

Suddenly, there was another crisp sound.

The blood cocoon completely burst open, and a figure that looked like a thunder dragon jumped out of the blood cocoon.

"Roar.."

The little thunder spirit beast turned around suddenly, with joy in its eyes, and flew towards the figure with joy.

"boom!"

The figure fell to the ground, and the huge force smashed out two charred shallow pits on the hard ground.

A strong and perfect body, as if made from heaven, stood in the field.

Every inch of the skin was as crystal clear as jade, with a faint trace of light. Invisible purple light, the muscles are smooth and strong, a little more bloated, a little less thin.

The facial features are as handsome as knives and axes, and the eyes are as bright as morning stars.

In this world, even the most powerful body-refining warrior cannot do this. Even when it comes to perfection, there are always flaws.

But there is nothing wrong with this body. It is truly natural and a masterpiece of God. It has transcended the world. It is full of the beauty of the most masculine, masculine, domineering and powerful. Any woman would be dazzled when she saw him.

It was Gu Shaoyang!

Gu Shaoyang with a perfect thunder body!

Gu Shaoyang was naked and expressionless. He stretched out his hand and the purple beam of light behind him was immediately attracted by him, and countless thunder lights came to him. Lightning gathered towards him.

Countless thunder and lightning wrapped around Gu Shaoyang's body, which was extremely dazzling.

He seemed to have become the master of thunder, and a mysterious and beautiful purple rune appeared between his eyebrows. It was extremely noble and revealed a strong ancient character. The breath of wildness.

In an instant, it was as if a real ancient thunder god had arrived.

The power of the slaughtering Sheng before was already huge enough, but compared with Gu Shaoyang, it was a world of difference.

Chapter 236

Gu Shaoyang's body is like an ancient tree, and the thunder patterns on his bones and meridians are the branches and leaves of the ancient tree, perfect and natural.

Every movement of his hands and feet seemed to be accompanied by the rhythm of Taoism, and he could easily trigger the power of thunder and lightning between heaven and earth.

Gu Shaoyang casually pointed his finger, thunder arose in the void, and a solid dark purple lightning shot out like a spear, creating a large crater several feet deep on the ground.

Gu Shaoyang's eyes lit up.

This power has almost caught up with the 40% Destruction Sword Intent, Huangtian Prison Thunder Sword.

It's really scary!

If the Huangtian Prison Thunder Sword is used with the blessing of the thunder body, how terrifying the power will be!

Gu Shaoyang was looking forward to it.

Then Gu Shaoyang clenched his palm into a fist and punched the void hard

"Roar.."

Thunderclouds surged behind Gu Shaoyang, and the golden energy turned into deep purple. A majestic monster with one leg like an ox rushed out and raised its head to the sky with a strange roar.

The shadows of ten real dragons appeared on Gu Shaoyang's fist, and then they converged into the shadow of a Kui ox.

The phantom of Kui Niu rushed away.

In an instant, the place where Gu Shaoyang's fist landed became blurry, and the void was continuously folded.

Then there was a loud bang!

"boom!"

The terrifying invisible waves spread in all directions.

The whole valley seemed to be shaking, and gravel fell from the stone walls on both sides of the valley.

This was just the aftermath of Gu Shaoyang's fist hitting the empty space.

The power of a punch , so terrifying!

Gu Shaoyang's pure physical power after the Thunder Body was fully completed, coupled with the fifth level of Dragon Capturing Strength that was instantly completed, exerted 32 times the force.

When exploded, it reached the power of ten ancient true dragons. The power of an ancient Kui ox.

It was so terrifying.

Even the Thunder Spirit Beast in the realm of life and death looked at Gu Shaoyang with a trace of fear.

Gu Shaoyang exhaled, feeling happy in his heart, wishing he could look up to the sky and smile.

Only now did he know that blood The essence and blood in the pool is the essence and blood of the ancient thunder beast Kui Niu. The heart should also be left behind after the death of Kui Niu.

After countless thousands of years, half of the heart has died.

And the energy leaked from the dead half, He created the entire Lei Ze by force.

It is worthy of being the top beast that controlled thunder and lightning in ancient times, almost comparable to the four great beasts. Its vitality is so powerful that it is unimaginable.

And Gu Shaoyang's acquired thunder body that sprouted from the heavenly tribulation is also in Kui's hands. After the transformation of the cow essence and blood, it was completely transformed from acquired nature to innateness.

However, it has not yet reached the level of a divine body, only the state of a complete king's body. But Gu Shaoyang felt that they were both kings. With Chai Yan's Heavenly Annihilation Fengxuan King Body, he can do it without any effort.

This is the dominance of the innate thunder body.

Moreover, the thunder body is only a masterpiece, and the thunder patterns in his body are still being outlined and grown, and he has the potential to impact the divine body. Potential.

In addition to the great thunder body, his destruction also soared directly to the state of perfection, and his power directly surpassed 70% of the Yin Yang sword spirit. The process of absorbing the essence and blood of Kui Niu was like drenching the body, rolling copper and tempering the bones. The pain of the thousand swords also caused his Divine Sea to expand several times, and now he is one step away from the perfection of the Divine Sea Realm. All that is left is to polish his Yuan Power.

In short, Gu Shaoyang's whole person has undergone a transformation. Transformation.

From the mortal realm to the extraordinary, he truly has the ability to compete with those proud men on the Divine Sea Ranking who were born with kingly bodies and golden spoons in their mouths.

What is a great opportunity?

This is a great opportunity.

It's huge. Opportunity.

The revelation given by Bai Ze Divine Beast was half good. Tu Rensheng came one step ahead of him and seemed to have the upper hand. In fact, what he got was just some petty profits, which were nothing compared to what Gu Shaoyang got. Moreover

, he also Having offended the Thunder Spirit Beast, there was more cause and effect on his body, and there were more obstacles on his way to the King's Realm in the future.

Gu Shaoyang received the inheritance of Kui Niu's essence and blood, and his luck increased several times again.

After his luck changed shape and manifested the Baize Divine Beast, He also manifested the body of the ancient Kui Niu.

But even so, the chaos behind him has not dissipated, and it seems to be pregnant with a shocking existence that is even more terrifying than Kui Niu.

Gu Shaoyang took a deep breath, and the thunder around him gradually Dissipated, and the thunder lines between his eyebrows also disappeared.

He exited from the thunder body state.

From now on, he has two combat states. Once the thunder body comes out, his combat effectiveness in all aspects will increase infinitely.

"Roar..roar.."

The little thunder spirit beast huddled in Gu Shaoyang's arms, lovingly nudging his chest with its little head. It was so naive and extremely affectionate towards him.

Gu Shaoyang smiled and touched the little thunder beast's head to show his closeness.

While he was rescuing the little thunder beast and absorbing the essence and blood of Kui Niu, he was in harmony with the little thunder beast.

The little thunder spirit beast also absorbed a large amount of Kui Niu's essence and blood, and was completely reborn. It can almost be said to be a direct descendant of Kui Niu.

Gu Shaoyang has the aura of Kui Niu, so it is naturally close to Gu Shaoyang, even closer than the Thunder Spirit Beast.

It is an unexpected blessing to be favored by a strange beast with the blood of ancient Kui Niu and unlimited potential.

"Roar!"

The Thunder Spirit Beast looked at the intimate appearance of Gu Shaoyang and the little Thunder Spirit Beast on the ground, and growled a few times, as if he was jealous.

Gu Shaoyang smiled, then turned to the Thunder Spirit Beast and said seriously: "I did what I said. , this Kui Niu essence and blood was left over from ancient times, and the virtuous can get it. I don't think I robbed you, but now you owe me a favor."

The Thunder Spirit Beast looked at Gu Shaoyang angrily, as if he wanted to defend himself.

Because no matter how you calculate it, it seems that Gu Shaoyang is taking advantage of it and is trying to be nice to it.

But it clearly knows that Gu Shaoyang is sophistry and doesn't know how to refute it. It angrily looks at Gu Shaoyang bared his teeth for a while, then lowered his head dejectedly, as if he had no choice but to admit Gu Shaoyang's statement.

Gu Shaoyang smiled, but soon his smile faded away, and there was a cold murderous intent in his eyes.

"Butcher Sheng.."

He recited the name silently, and the murderous intention in his body surged like a tide. The little thunder spirit beast was connected with his mind, and it also thought of the bad guy who had brought it endless pain and despair, and almost forced it into death, and it roared angrily. stand up.

Tu Rensheng must die!

Gu Shaoyang's eyes flickered.

Along the way, he has never suffered such a big loss at the hands of others. He must avenge this revenge.

"Chai Yan once said that a martial arts tea party will be held in Langya Pavilion in a few months. At that time, all the outstanding people on the Divine Sea List will go to attend... The Slaughterer and Shenglei Prison King's body has been promoted to the half-step divine body, and he must be in the limelight...

I will take this opportunity to beat him to death in front of all the geniuses, so that I can relieve the hatred between me and the little thunder spirit beast..."

Gu Shaoyang lowered his head to look at the little thunder spirit beast and asked, "What do you think?"

"Hoho.."

The little thunder spirit beast couldn't help but nod in agreement, feeling eager to try.

Gu Shaoyang smiled lightly, and couldn't help but whisper: "It's just that there is no sun and moon in the mountains, and I don't know how long it took me to absorb the essence and blood of Kui Niu in this Leize... Wan Yue Chaoqian and the others were in Leize City You must be in a hurry, right?.."...

The Shenhaibang Martial Arts Tea Party held every three years in Zhongtian Territory is about to be held.

Countless prodigies and evildoers set out for Langya Pavilion, hoping to have a glimpse of this grand event.

Suddenly, the situation among the younger generation in Zhongtian Territory changed.

In Langya City, countless geniuses gathered.

On weekdays, we see so many masters of the Divine Sea Realm. There are even masters of the Great Perfection of the Divine Sea Realm flying in the sky from time to time. It is really a grand occasion.

"This martial arts tea party is hosted by Mr. Langya, the young master of Langya Pavilion. I don't know how far Mr. Langya's cultivation has reached in the past three years."

"Mr. Langya has a profound understanding and is ranked among the top five in the divine sea list with a mortal body. He is really respectable and terrifying. It's a pity that he is so enlightened that he is jealous of God. His health is deteriorating. I suspect that his strength will deteriorate even more in the past three years..."

"Damn it, you can talk about the top five geniuses in the Divine Sea Ranking?!"

"This time, many descendants of the Holy Son from the Second-grade Holy Land will come, and there may be a big reshuffle on the Divine Sea List."

"Let's wait and see!"

Chapter 237

In Langya City, people are coming and going, traffic is busy, flying boats are flying in the sky, and the light is like rain, it is very lively.

Suddenly, a tall and tall figure walked slowly along the street.

This man was wearing a dark gold robe, with a handsome face and outstanding temperament. He was accompanied by two strange-looking pets.

There was an armored monster with only one leg, and a beautiful big bird with colorful feathers squatting on top of the monster's head.

This strange combination attracted a lot of curious eyes, but most people just took one look and took it back.

Gu Shaoyang was walking in Langya City with a relaxed expression.

After he came out of Leize, he took the little thunder spirit beast to Leize City first, but he didn't find Wan Yue and others.

After asking, I learned that he had actually spent two months in Lei Ze.

People from the Thunder Prison Sect released the news that he had died at the hands of Tu Rensheng. Wan Yue and others had been waiting for him for two months but there was no news about him, so they had no choice but to leave Leize City.

So Gu Shaoyang came to Langya City alone to attend the so-called martial arts tea party.

Gu Shaoyang walked to a teahouse and saw that it was very busy inside, so he walked in, found a seat on the second floor, ordered a few side dishes and fruits, sat down and listened silently to the loud conversations in the lobby.

A warrior from the Divine Sea Realm said loudly:

"This martial arts tea party is probably the biggest event in the past century. As far as I know, the top geniuses who have not appeared at the previous martial arts tea parties will all appear this time."

"! I'm talking about the fifth Shun who has been number one on the Shenhai list since he entered the list, and the dragon's head and tail are moving around strangely?!"

"Not only that, but also Fairy Lin Shuman from the Yaochi Holy Land, and Jiang Taichu, the Dacheng King of the Jiang family..."

"What?! These geniuses are practicing hard every day. It is difficult to meet any one of them alone. Why are they born one after another?"

"It seems like they are fighting for something...I don't know exactly..."

Fifth Shun, Lin Shuman, Jiang Taichu...

Gu Shaoyang silently recited these names in his heart, his eyes moved, and a faint fighting spirit brewed in his chest.

These are the top figures on the Divine Sea Ranking. The existences standing at the top of the pyramid of the younger generation are also the peaks he is destined to overcome one by one.

"I told you earlier that this time the Shenhai Ranking would definitely be in a state of change. In addition to these old geniuses, there have also been many new monsters recently."

"The one who has gained the most attention recently is probably the Eastern Territory Swordsman Ye Lingchen. This man came out of the Eastern Territory and in less than three years he has reached the top 20 on the Divine Sea Ranking. This talent is really scary..."

Ye Lingchen...

Gu Shaoyang's eyes moved, and he suddenly felt that this person's experience was similar to his own. He also came out of another domain and rose to power in the Zhongtian Domain, but his performance was much more dazzling than his.

Just as I was thinking about it, I heard someone say:

"Yes, but when talking about Ye Lingchen, I also think of Gu Shaoyang, the eldest son of Hanhai, who also came from the Southern Territory. It is said that he also defeated Wei Donglin, the seventh son of the Thunder Prison Sect, and Chai, the 48th son of the Haohai List, in Leize City. Yandu is no match for him. He is also extremely evil..."

Before this man could finish speaking, a yellow-robed warrior immediately picked him up.

"Brother, your news is lagging behind. Gu Shaoyang from the Southern Territory has long since died in the hands of Tu Ren Sheng, the third holy son of the Thunder Prison Sect. Speaking of which, Tu Ren Sheng seems to have a big plan this time. It has only been a long time since Langya City has been visited by people. He defeated several geniuses who were ranked ahead of him..."

I didn't expect that my name would be mentioned.

Gu Shaoyang laughed dumbly and shook his head, but did not stand up to express the fact that he had not fallen.

When he beat the butcher Sheng Shengsheng to death in front of everyone, everyone would naturally know that Gu Shaoyang was still alive.

This is also the reason why Gu Shaoyang did not deliberately go to Wan Yue and others.

But at this moment, a figure suddenly rushed out from the side, grabbed the shoulder of the yellow-robed warrior who had just spoken, and asked with a solemn face: "Brother, that Gu Shaoyang from the Southern Territory you just mentioned Is the news of the death true?"

The yellow-robed warrior looked stunned, then nodded and said: "Of course it is true. Two months ago, a thunder spirit beast appeared in Leize City, and many people rushed there. Gu Shaoyang was still in Lei Ze City. Zecheng had been in the limelight for a while, but unfortunately he was unlucky and was palmed to death by Tu Rensheng... Many people know this news..."

After hearing this, the man immediately sighed heavily and sighed with regret.

"Brother Gu, we made an appointment to meet in Zhongtian Domain, but I didn't expect that you would already... Sigh.."

Anyone else know me?

Gu Shaoyang was startled and looked towards the man.

I saw that the young man who was asking for information was wearing coarse linen clothes, with bare feet, and an ordinary stainless steel sword hanging from his waist. He was dressed crudely, but he had a free and uninhibited temperament that people couldn't ignore.

Gu Shaoyang recognized this person's identity.

Tuoba Hai!

It was Tuoba Hai, a disciple of the True Spirit Sect for whom he had blocked two divine sea thunder tribulations in the Brahma Sword Tomb. Although the two had only met once, their temperaments were quite similar. Unexpectedly, Tuoba Hai still remembered him.

A faint smile appeared at the corner of Gu Shaoyang's mouth, and he was about to say hello to Tuoba Hai.

Suddenly, a group of people wearing uniform clothes slowly walked up behind Tuoba Hai. The leader was handsome and had profound cultivation. He had reached the perfection of the Divine Sea Realm.

He looked at Tuoba Hai's face and scolded him: "Tuoba Hai, that Gu Shaoyang killed my core disciple of Zhenling Sect and is my enemy of Zhenling Sect, yet you still care about his life and

death... You are like this Are you worthy of being the next generation eldest son of my Zhenling Sect?!"

Tuoba Hai glanced at the handsome young man at the head and said calmly:"Ye Lin, it's not your turn to care who I, Tuoba Hai, make friends with. You That incompetent brother Ye Zhuo tried to murder me in the Brahma Sword Tomb, but was killed by my friend Gu Shaoyang. He deserved his death. You don't need to use the sect's big hat to detain me." The dispute between

Tuoba Hai and the handsome young man The movement caused everyone in the teahouse to turn their attention. Some people recognized their identities and exclaimed.

"Could it be that this person is Tuoba Hai from Zhenling Sect. I heard that this person, with his cultivation level in the middle stage of the Divine Sea, was able to pick off several Divine Sea Realm Dzogchen warriors in one day, and he was known as the number one swordsman below the fourth rank!"

"I heard that his swordsmanship was spirited and his luck was strong. The Zhenling Sect was only a first- and fifth-level sect. After making him the eldest son, the sect's luck increased several times, and there was a tendency to hit the fourth-level sect."

"The person he was arguing with seemed to be a disciple of Zhenling Sect, and his cultivation was not weak at all."

"That's right, that man's name is Ye Lin, and he is the core senior brother of Zhenling Sect. Tuoba Hai's position as eldest son was snatched from him."

Ye Lin was stung by Tuoba Hai's words, and others were talking in his ears. His face turned purple and blue, and he finally couldn't help it and said harshly:"Then Gu Shaoyang kills me, the core disciple of Zhenling Sect. Not only do you not He avenges his sect and protects the other party at all times. I now suspect that you colluded with that Gu Shaoyang to deliberately murder Ye Zhuo.

Tuoba Hai, don't attend this martial arts tea party. Come with me back to the Zhenling Sect's Criminal Law Hall."

As he spoke, Ye Zhuo's body shook, and he dodged and stretched out his right hand to grab Tuoba Hai directly.

The aura of perfection belonging to the Divine Sea Realm spread in the tea house, causing everyone to scream in surprise and keep retreating to both sides..

Even though there are many masters in Langya City at this time, the cultivation level of the Great Perfection of the Divine Sea Realm is considered to be first-rate among the younger generation.

Tuoba Hai only has the cultivation level of the mid-level Divine Sea Realm, but faced Ye Lin's palm. Without changing his expression.

He held the long steel sword at his waist, the light in his eyes surged, and he thrust the sword towards it calmly.

This sword was as casual and unrestrained as a horse flying in the sky or an antelope hanging its horns, and it also had a powerful sword. The soul came out of the sword and instantly pierced Ye Lin's aura.

Everyone was shocked and exclaimed:"Sixty percent of the sword soul! What a Tuoba Hai!"

Chapter 238

The sword struck by Tuoba Hai was casual and natural, like the clouds in the sky and the wind blowing through the valley.

It contains up to 60% of the power of the sword.

His cultivation level is only in the middle stage of Shenhai, and he can understand 60% of the sword spirit. How can it not be surprising?

It is no wonder that he can challenge several Divine Sea Realm Perfection Battles and win them. The 60% bonus of the sword's lethality is not something that ordinary people can accept.

Gu Shaoyang's eyes lit up when he saw this sword.

Tuoba Hai's basic talent and understanding are not even top-notch, but he has an innocent heart that is true to the way of the sword. This is probably the real reason why he was able to comprehend 60% of the sword spirit in the middle stage of Shenhai.

Tuoba Hai is a jade in the art of swordsmanship, and now he is gradually blooming with his own brilliance.

Ye Lin's expression changed when he faced Tuoba Hai's 60% sword light, and his figure transformed into several phantoms in the void.

Tuoba Hai's sword light stirred lightly, easily shattering all the phantoms, and Ye Lin's figure was forced out of the void.

He slapped a palm hard with a sullen face, trying to block the sword light, and then growled: "What are you people still looking at?"

Several disciples of the late Shenhai Zhenling Sect who were following Ye Lin quickly woke up. , took out their swords and rushed towards Tuoba Hai.

Tuoba Hai frowned slightly and swung out seven or eight swords in an instant, and seven or eight bright white sword lights suddenly appeared in the void.

The sword light combined into a sword net, encompassing all the Zhenling Sect disciples on the field.

Tuoba Hai's sword light was as clear as the light of the sky, and it could be suppressed by one person, Ye Lin, who had reached the Great Perfection of the Divine Sea Realm, and several disciples of the True Spirit Sect in the later stages of the Divine Sea.

There were bursts of exclamations from the sidelines.

"This Tuoba Hai is really powerful!"

"He is worthy of being the number one swordsman under the fifth rank. With his strength and swordsmanship talent, many sect members of the top fourth rank sects are not as good as him!"

"These disciples of the Zhenling Sect bully the few with more, the stronger with the weak, but in the end they are going to lose... It's really laughable."

Ye Lin, who was in the battle group, was furious, but Tuoba Hai's sword light was too sharp, and it was impossible for him to get close to Tuoba Hai's body. He could only be restrained everywhere, and he felt as if he was trying to pull a tortoise and couldn't make a move.

At this moment, there was a burst of laughter from the sidelines

"Hahaha, brother Ye Lin, I haven't seen you for many years, but your strength seems to have regressed. Can't even defeat a warrior who is only in the middle stage of Divine Sea?"

Ye Lin's face showed a look of rage, and he shouted coldly: "Shut up!"

Subconsciously, he turned his head to look, with a look of surprise on his face again, and shouted

"Brother Zuo Ning, you came just in time to take down this sect traitor for me."

Everyone turned around and saw a handsome young man wearing a sky-blue robe walking out of the crowd with a smile and a good temperament.

Someone recognized this man's identity and shouted out in a low voice.

"It's Zuo Ning, the young prince of the Great Xia Dynasty. I didn't expect him to be here too!"

"He ranks among the top three among the younger generation of the Great Xia Dynasty. I am afraid that he is here to be on the Divine Sea Ranking."

"Ye Lin of the Zhenling Sect was on good terms with him. If he took action, Tuoba Hai might be in danger."

While everyone was talking, Zuo Ning had already taken action with a long smile.

"OK. Brother Ye Lin, remember this, you owe me a favor! Ye

Lin was overjoyed and agreed: "It's easy to say. I will definitely thank Brother Zuo Ning again after this.""

Zuo Ning stepped into the void with a few steps, and soon came to Tuoba Hai's head. Then he punched out and shouted: "Great Xia Longting!"

This punch is the secret of the Daxia Dynasty, and it also incorporates the majestic and majestic power of Zuo Ning's view of the Daxia Imperial City. With one punch, a gorgeous and continuous palace building is transformed into the void. A royal aura is rolling down. When he came down, it was as if the Dragon Court of Great Xia really came and suppressed all directions.

The sword pressure of Ye Lin and several late-stage Shenhai was already at its limit. After all, he was only in the middle-stage of Shenhai.

Zuo Ning was also very powerful. As soon as he came out, Tuoba Hai Suddenly stretched, defeated

"cough.."

Tuoba Hai's sword light was shattered by Daxia, and Ye Lin and others took the opportunity to attack fiercely. Tuoba Hai was immediately overwhelmed by the tidal wave of attacks and retreated steadily.

He groaned, his chest felt like a heavy blow, his face turned pale, and even the stainless steel sword in his hand was broken.

Ye Lin was extremely proud and laughed ferociously at Tuoba Hai: "Tuoba Hai, as the eldest son, you have secretly collaborated with the sect's enemies. This time you return to the sect, I will definitely deprive you of your position as eldest son and destroy your cultivation.".."

Tuoba Hai's eyes were filled with unwillingness and anger. He used his hands instead of swords and danced wildly, but he was not strong enough and was about to be hit in the chest by Ye Lin.

At this moment, everyone felt like their eyes were blurred.

Uh-huh.

A black figure appeared quietly among Tuoba Hai, Ye Lin and others.

Um?

Everyone was stunned.

Ye Lin was also startled, and then he frowned and cursed in a low voice: "You guy without eyes, get out of my way!"

Gu Shaoyang looked at Ye Lin expressionlessly, as if he was worried about the palm that was about to come to the door. Turn a blind eye.

Suddenly, everyone on the field felt as if their eyes were blurred.

The next moment, a figure flew out at the speed of light.

"Puff puff.."

Blood spurted out from his mouth, and his face was filled with an inexplicable look of horror.

Everyone opened their eyes wide in disbelief.

It's Ye Lin!

Ye Lin was seriously injured!

Everyone looked at this handsome young man who suddenly appeared in shock, and a thought came to their minds: Who is this person? So strong!

"Be bold!"

Zuo Ning next to him reacted, with a sullen look on his face. He stepped forward and punched Gu Shaoyang.

"Daxia Longting!"

And the disciples of the Zhenling Sect who were following Ye Lin all followed closely behind, shouting: "Even our senior brother Ye Lin dares to fight, he is looking for death!"

Gu Shaoyang was instantly surrounded by various offensives.

Everyone looked at Gu Shaoyang with wide eyes, only to feel that there was another flower in front of them, and another light lit up.

This time they finally saw it clearly.

It was sword light. It was extremely brilliant. The sword light.

The sword light suddenly started and stopped. When everyone came back to their senses, what was presented to them was an extremely shocking scene.

"puff.."

"puff.."

Seven or eight figures on the field flew backwards, including... Zuo Ning of the Great Xia Dynasty?!

Zuo Ning is a prodigy who possesses the combat power of the Divine Sea Ranking, and his strength even exceeds that of Ye Lin and Tuoba Hai.

But in front of this handsome young man in black clothes, he didn't even have the qualifications to block his move.

Now everyone's eyes looking at Gu Shaoyang changed completely. They were shocked, horrified, and awe, as if they were looking at a monster.

"Such terrifying strength can only be achieved by the top forty or even top thirty geniuses on the Divine Sea Ranking!"

"Who is this person? There seems to be no such master in the top 30 on the Divine Sea Ranking who can wear a mysterious robe and use a fast sword!"

At this time, Tuoba Hai, who was slightly injured and pale, looked at Gu Shaoyang's side face and shouted excitedly: "It's you! Brother Gu, you are indeed not dead! Ha ha.."

Tuoba Hai was so surprised and happy that he couldn't help but throw his head back and laugh heartily.

Ye Lin, who was collapsed on the ground, also recognized Gu Shaoyang's face. He opened his eyes wide and exclaimed in disbelief: "You are Gu Shaoyang?! Haven't you already fallen?!"

"The eldest son of Hanhai, Gu Shaoyang?!"

Zuo Ning took a breath, and his eyes when looking at Gu Shaoyang were full of solemnity.

Only then did everyone understand, and exclamations continued to sound.

"He is Gu Shaoyang! The genius who defeated Wei Donglin, the seventh son of the Thunder Prison Sect, in Leize City!"

"He has not fallen! The news released by the Thunder Prison Sect is false!"

"It seems to me that his strength is not inferior to Tu Ren Sheng of the Thunder Prison Sect. It seems that there must be a fight between the two of them at this martial arts tea party!"

"Gu Shaoyang also came from the Southern Territory, and he and Ye Lingchen from the Eastern Territory were a pair of twins!"

There were endless discussions and exclamations.

Gu Shaoyang looked indifferent and smiled at Tuoba Hai. Then he glanced at Ye Lin and the others as if nothing existed, and said, "What are you going to do with these people, Brother Tuoba?"

Swept by Gu Shaoyang's cold sword-like eyes, Zuo Ning, Ye Lin and others suddenly felt a chill in their hearts, with an indescribable feeling of fear.

Tuoba Hai looked at Ye Lin and others with anger flashing in their eyes. , but his eyes soon became unbearable, and he hesitated: "After all, we are from the same school, let's forget it this time."

"good."

Gu Shaoyang nodded.

Ye Lin and others felt happy, but before their hearts could drop, they heard Gu Shaoyang's cold voice ringing in their ears again.

"Brother Tuoba said to let you go, but I never said that.."

Chapter 239

As soon as Gu Shaoyang finished speaking, he pointed a few fingers casually.

Several rays of sword energy shot out from his fingertips, passing over Ye Lin and others.

"puff.."

Ye Lin and others spurted out several more mouthfuls of blood, and their faces instantly became paler than paper.

"you.."

Ye Lin pointed at Gu Shaoyang, his eyes filled with anger and resentment, and he was trembling and speechless.

Gu Shaoyang had no expression on his face and said coldly: "You have a vicious heart for killing your fellow sect members. I will destroy your Dantian to serve as a warning to others." .."

The onlookers were all shocked, and their eyes looking at Gu Shaoyang suddenly became a little more fearful.

Destroying Ye Lin's Dantian is equivalent to cutting off his martial arts. He will be a cripple after he recovers from his injuries. It is simply more vicious than killing him.

This Gu Shaoyang is really cruel and ruthless.

Gu Shaoyang turned to Zuo Ning again and said calmly: ".. You don't distinguish between right and wrong, and you help the evildoer do evil. This sword energy of mine will stay in your body for ten days, causing you to suffer the pain of being cut with swords day and night. Small punishments and big punishments.."

Zuo Ning's face was complicated. There was resentment in his eyes but more of awe when he looked at Gu Shaoyang. He lowered his head and said in a low voice: "Thank you."

Then he left without looking back, never looking at Ye Lin on the ground again. One glance.

When the onlookers heard that Zuo Ning's Dantian had not been destroyed, they suddenly thought highly of Gu Shaoyang.

Ye Lin is only the core disciple of the fifth-grade sect. As a fourth-grade sect disciple, Gu Shaoyang is above Ye Lin in terms of strength and status, so it doesn't matter how he is punished. Even if he kills Ye Lin, the True Spirit Sect will probably Dare not say anything.

Zuo Ning was the young prince of the Great Xia Dynasty and had a distinguished status, so Gu Shaoyang beat him with some leeway and did not create a big enemy for himself for no reason.

After this processing, it was clean, neat and decent. Gu Shaoyang was clever in his methods and wise in reason. He was worthy of being the eldest son of the Hanhai Sect.

After dealing with all this, Gu Shaoyang turned to look at Tuoba Hai, with a spring breeze-like smile on his face again.

"Brother Tuoba, you are fine. The look on Tuoba

Hai's face was both surprised and complicated. He looked at Gu Shaoyang and said slowly:"It's true that I'm fine... We haven't seen you for more than a year. Brother Gu's cultivation level has already surpassed mine, and his strength is even more difficult for me to hope for." The nape of his neck has also become famous in Zhongtian Territory..."

Gu Shaoyang glanced around and said,"There are so many people here, how about we change places and reminisce about old times?"

Tuoba Hai said:"Okay."

The two left the teahouse in the awe of others, and soon changed to another restaurant. At the restaurant, we ordered a dozen dishes and several jars of fine wine while drinking and chatting.

Tuoba Hai has been inquiring about Gu Shaoyang's news, so he knows everything about him becoming the eldest son of Hanhai, defeating Chai Yan and reaching the 48th place on the Divine Sea Ranking, etc., which saves Gu Shaoyang a lot of words.

Gu Shaoyang just explained to him the rumors about his death, saying that he was mistakenly sent into the depths of Lei Ze by the butcher Sheng Sheng, and came out after having an adventure.

Tuoba Hai was very envious when he heard this. He looked at the little thunder spirit beast lying on Gu Shaoyang's feet and devoured the fish meat and said:"I think this is the descendant of that thunder spirit beast. Brother Gu always turns evil into good fortune and achieves great fortune in desperate situations. It's so lucky, it's enviable.."

Gu Shaoyang just smiled.

Tuoba Hai then said sternly:"Brother Gu is a mass murderer of the Thunder Prison Sect. He will definitely come to trouble you again at this martial arts tea party.".."

Gu Shaoyang smiled indifferently and said casually:"Even if he doesn't come to look for me, I will definitely look for him."

Tuoba Hai was slightly startled and whispered:"Brother Gu is aiming for the top 20 on the Divine Sea Ranking this time. ?"

Gu Shaoyang's eyes flashed, and he smiled without answering. Instead, he changed the subject and said,"I wonder if Brother Tuoba knows about the top geniuses on the Shenhai Ranking?"

Tuoba Hai was stunned for a moment. After pondering for a while, he said:"The Shenhai Ranking is as everyone said. Basically, every tenth place is a watershed, and the top ten on the Shenhai List is a watershed every fifth... The rankings on the Shenhai Ranking vary from time to time. There have been changes, but the top five have always been firmly occupied by five people, and no one has ever shaken their position..."

There was a strange light in Gu Shaoyang's eyes, and he asked with great interest:"Tell me about it.""

"Each of the top five people on the Divine Sea Ranking is a true dragon proud man with a great inheritance of great luck and great fortune, and has the appearance of a divine king.

Zeng Jinguo, the elder of Tianji Pavilion, said that there will be a powerful divine king in this Shenhai Ranking. Everyone knows that this divine king should appear from among these five people..."

"The posture of a divine king!"

Gu Shaoyang's eyes narrowed. This was the first time he heard that a younger generation received such a high evaluation, and there were only five of them.

"That's right. Tuoba Hai said seriously:"

Shun, the fifth one on the list of the Divine Sea, is the fifth holy son of the top holy land Wanchu Holy Land, and he is also the direct disciple of Wanchu Divine Lord... Although he is the fifth holy son, he is actually the fifth holy son." The only person who can sit in the position of the Second Holy Son is his surname No. 5, so he deliberately took the name No. 5..."

Gu Shaoyang spoke slowly:"The top holy land, personally passed down by the God King, is really amazing.."

This fifth Shun is considered to have gathered all the good fortune in the world. To say that he was born with a silver spoon in his mouth is an understatement. He should be born with a top-quality Yuan Stone in his mouth.

Tuoba Hai continued:"Lin Shuman, who is second on the Divine Sea List, is the preparatory saint of the Yaochi Holy Land. Although the Yaochi Holy Land is not a top-level holy land, it is also the best among the second-grade holy places... and there is also the third-ranked one. Jiang Taichu, the young master of the Jiang family, was born with a king's body. His bloodline was as strong as ever in the king's realm, and his combat prowess was unparalleled..."

Gu Shaoyang couldn't help but frown when he heard this, and asked in confusion:"A child from a noble family? Can he compete for the third position on the Divine Sea Ranking just by possessing a king's body?"

Tuoba Hai said with a bitter smile:"Brother Gu, you don't know something. The Jiang family is not like any other aristocratic family. The Jiang family is one of the most prosperous aristocratic families in the world. The family is guarded by powerful kings who are at the peak of their powers. The blood of the family's children is pure, far beyond those of the dilapidated aristocratic families that have been left behind for thousands of years..."

"A king-level powerhouse at the pinnacle of existence.."

Gu Shaoyang couldn't help but sigh:"No wonder.."

The king's bloodline is the closer to the generation of king-level experts, the more pure and powerful it is. The Jiang family's generation of king-level experts are still alive, and all the Jiang family's bloodlines have just changed, and they are all the first generation. It is the time when everyone is like a dragon.

Therefore, Jiang Taichu can rank among the heroes of the Divine Sea Ranking with a mere king's body.

"Ranked fourth is Yang Xiansheng. The origin is unknown, but the strength is extremely high. Some people speculate that he may come from the Tiangong, the most mysterious power in the Zhongtian Domain, and his name is named after the great power in ancient mythology, which vaguely confirms this. It also shows that this person is very ambitious and wants to be on par with the ancient power. able.."

Gu Shaoyang's heart suddenly moved when he heard the word Tiangong.

He had almost forgotten about it after coming to Zhongtian Territory for so long.

I am still the Lord of Wings and Stars of Tiangong. I don't want to go around in circles, but I still want to interact with Tiangong.

"..The last one, ranked fifth on the Shenhai list, is the Young Pavilion Master of Langya Pavilion, Langya Yu, who hosted this martial arts tea party."

When the name of Langya Jade was mentioned, Tuoba Hai immediately showed sincere admiration and reverence on his face.

"Mr. Langya, with a mortal body, is one of the five giants of the younger generation. His talent and talents are truly respectable and admirable. If anyone can be promoted to Divine Lord in the future, I would be more inclined to Master Langya."

Gu Shaoyang heard this name mentioned countless times after he came to Langya City. He immediately asked:"Who is this Young Master Langya? This is just a young pavilion master of Langya Pavilion, and he can compete with the descendants of the top holy land kings. Competing?"

Tuoba Hai looked into Gu Shaoyang's eyes and said slowly:"Because Mr. Langya holds the ancient artifact Observing the Sky..."

"Um?! Watch the sky!"

Chapter 240

Tuoba Hai explained to Gu Shaoyang:"The Guantianjian is an artifact handed down from ancient times. It has the power to reach the sky and penetrate the earth. It was originally integrated with the

sky measuring instrument of Tianji Pavilion, but I didn't know it later. It was split into two parts for some reason.

Tianji Pavilion has always wanted to combine the two artifacts into one. To this end, they even did not hesitate to recruit Mr. Langya as the deputy master of the pavilion, but he was rejected...."

Gu Shaoyang wondered: "Wouldn't Langya Pavilion and Tianji Pavilion be robbed openly? And since Guan Tianjian is so great, why hasn't it attracted other people's covetous intentions?"

"Because in the entire Zhongtian Domain, only Mr. Langya has the ability to use the Tianjian. Without Langya Jade, even if the others get the Guantianjian, they are just pieces of scrap metal...."

Therefore, what is important is not the artifact itself, but the person who can use it."

Gu Shaoyang felt even more strange after hearing this.

"Why can only Langya Jade use the Guantianjian? Tuoba

Hai showed admiration on his face and said, "Master Langya is astonishing in talent and understanding. And those who want to operate the Guantianjian must have extremely high intelligence and understanding..."

This standard is so high that only Master Langya in the entire Zhongtian Domain can meet it.

Therefore, Mr. Langya is recognized as the number one person in Zhongtian Domain in terms of understanding."

"It is said that Mr. Langya possesses two swords that are close to perfection...."

Two swords that are close to the perfect state?!

Gu Shaoyang was shocked.

He always thought that his understanding was extremely high, that he was so wise that he could even connect with the ancient Bai Ze beast.

But even so, he could only comprehend 70% of the spirit of Yin Yang Sword.

That Langya Jade can understand both sword souls to a state close to perfection. This understanding is really terrifying.

Tuoba Hai added: "Every martial arts tea party is held by Langya Pavilion and it is also related to Guantianjian."...

The Guantianjian can radiate the light of ancient wisdom and greatly improve the understanding of warriors in a short period of time. In the past few martial arts tea parties, there was a monster who realized the great perfection of ten swords at the same time in just one stick of incense....

However, Guan Tianjian's light of wisdom requires a large amount of luck to promote, and only the proud and outstanding people on the Shenhai Ranking have so much luck.

This is also the main reason why every martial arts tea party is hosted by Mr. Langya by default. Gu Shaoyang smiled and said:

This Young Master Langya can share the Tianjian with everyone every time to improve everyone's cultivation. It is really generous. I am afraid that more than 80% of the geniuses on the Shenhai Ranking will accept his favor."

Tuoba Hai praised: "Master Langya has a noble character, a gentleman like jade, and has the style of a great sage from ancient times.""

Gu Shaoyang smiled and didn't make too many comments.

There are no selfless people in this world. This Langyayu is willing to take out the Tianjian again and again. Naturally, there are reasons why he has to take it out.

But he doesn't know these words. Said in front of a sincere Tuoba Hai.

Gu Shaoyang thought for a while and asked again: "I heard that the five giants of the younger generation all showed up this time to fight for one thing. Do you know what it is? ? Tuoba

Hai looked puzzled and shook his head: "I don't know. What people like them need to fight for is beyond our ability to guess.""

Gu Shaoyang stopped asking.

The two chatted for a while. Suddenly, a thunderous voice sounded outside the restaurant: "Ye Lingchen, you mud-legged guy from the Eastern Region, get out of here!"

The sound was so loud that it almost shook the entire restaurant. The diners in the restaurant and the nearby warriors all came out and looked towards the long street outside the restaurant. I saw a Leng Ling Kong standing in black robes. , the aura around him was like an abyss and a prison.

His whole body seemed to be exuding a strange black energy all the time. The place where he stood was like night rising, giving people a feeling of depression and despair.

It was very strong.

Gu Shaoyang looked at the black air The young man in the robe secretly speculated in his heart.

This man's strength is probably between thirty and twenty on the Shenhai Ranking. If he doesn't use his thunder body and wants to defeat the opponent, he may have to spend a lot of effort.

Thinking of the young man just calling Ye Lingchen's name made Gu Shaoyang's eyes show a bit of anticipation.

He was very interested in the monster from the Eastern Region who had a similar situation to him.

At this time, the onlookers who heard the sound recognized the young man's identity and shouted in a low voice.

"This person is Ye Shang, the young master of the Night Evil Palace! The strong man ranked 23rd on the Divine Sea Ranking!"

"The person he just called was Ye Lingchen. When did Ye Lingchen get into trouble with the Night Evil Palace again?"

"Ye Lingchen is ranked 20th on the Divine Sea Ranking, and is on par with Ye Shang in terms of strength. However, Ye Shang's palace is powerful, so I don't know if he dares to show up..."

"coming!"

While everyone was discussing, a clear voice came from the restaurant.

"Where are the wild dogs barking?!"

As soon as the voice came out, a slender and tall figure flew out from the third floor of the restaurant.

Someone exclaimed:"Ye Lingchen?!"

Gu Shaoyang looked intently and saw the young man named Ye Lingchen, who was dressed in snow-white clothes and had a delicate face, but his eyes faintly revealed a look of vicissitudes of life that was inconsistent with his age. His aura around him was sharp, and his whole person seemed to be... The handle was like a peerless sword with its handle unsheathed.

For some reason, Gu Shaoyang always felt that Ye Lingchen gave him an inexplicable weird feeling.

It was as if the bottle was not a bottle of wine but not wine, and there was an incongruous feeling.

Ye Lingchen appeared on the field, Immediately suppressed Ye Shang's momentum by half, and stood up to him.

"Ye Shang, it seems that you haven't learned enough from last time, you still dare to come to trouble me?"

Ye Lingchen said to Ye Shang in an understatement.

Ye Shang's handsome face immediately turned ugly when he heard these words, and he said in a cold voice: "Ye Lingchen, you shameless villain, you tricked me into stealing the inheritance of King Xuan Sword. You will not repay my anger for this. It's hard to calm down! Ye

Lingchen smiled disdainfully: "The inherited magic weapon has always been reserved for the virtuous. Are you still a three-year-old child, Ye Shang?" Do you want me to teach you this truth?!"

Ye Shang was so angry that his face turned blue, and he roared and stretched out his hand to strike.

"There is no sun in heaven and earth!"

Large swaths of black energy filled the air from his palms, covering the entire sky in darkness in a few breaths, as if the night had suddenly come.

"This is...The secret skill of Night Evil Palace!"

"Many people died inexplicably due to this trick"

"Ye Shang is indeed the 23rd strong man on the Divine Sea Ranking!"

Ye Lingchen didn't care at all about Ye Shang's move. He twitched the corner of his mouth with a sneer and said lightly: "It's flashy."

The next moment, he drew his sword boldly: "The emperor's sword skills, the fire dragon moves the wind and clouds!"

In an instant, an extremely ferocious ancient fire dragon seemed to emerge from Ye Lingchen's sword light. It opened its teeth and claws, and the ferocious flames were overwhelming.

In just a few breaths, Ye Shang's world was torn apart.

Gu Shaoyang's pupils shrank slightly as he watched..This is...King Xuan's inheritance of the emperor's swordsmanship!

Ye Lingchen actually knew how to do this move, and he seemed to have practiced this move to an extremely profound level.

Gradually, the surprise in Gu Shaoyang's eyes gradually turned into shock, and Shen Ning's

"The emperor's swordsmanship, the green dragon shakes the world!"

"The emperor's sword skills, the black dragon swallows the sun and the moon!"...

Ye Lingchen was much scarier than he imagined.

He didn't just get one style of Emperor's Sword Art inheritance, he got four styles or even more.

This sword technique bloomed with extremely dazzling brilliance in his hands, and was extremely domineering, suppressing the Ye Shang to retreat.

Gu Shaoyang looked at Ye Lingchen's high-spirited figure in mid-air, and his eyes couldn't help but shine.

If you want to inherit King Xuan's inheritance, you must collect all the Emperor's Swords. He possesses one skill. Even if he doesn't go to Ye Lingchen in the future, Ye Lingchen will definitely come to him.

So there must be a battle between the two.

This Ye Lingchen can be said to be his old enemy!
