Chapter 41

The Gu family is located in a small town more than a hundred miles away from the Qingyun Sect, and it is even closer from the Qilian Mountains.

In half a day, Gu Shaoyang arrived at Gu's house.

At the rather impressive gate of the mansion, as soon as Gu Shaoyang dismounted, a servant respectfully came up to lead the horse and shouted: "Master Yang is back."

Gu Shaoyang nodded at him and strode into the Gu mansion.

Gu Shaoyang's predecessor's father, Gu Tianhe, was the biological brother of the head of the Gu family, and his mother, Xiao Qingzhu, was also the legitimate daughter of another large family. Therefore, Gu Shaoyang's status in the Gu family was not low. This was also the reason why his predecessor, with mediocre abilities, was able to study at the Qingyun Sect.

A servant had already reported the news of Gu Shaoyang's return. Before Gu Shaoyang could reach the door of his hall, he saw a beautiful middle-aged woman running out of it in surprise.

He hugged him and almost cried with joy: "Yang'er, you are finally back."

Gu Shaoyang forced a smile and shouted: "Mom."

A tall, middle-aged man with a handsome face walked out from behind the beautiful woman. , is Gu Tianhe, Gu Shaoyang's father.

Gu Tianhe had a straight face at first, but when he saw Gu Shaoyang's cultivation clearly, he immediately exclaimed: "Shaoyang, how did you break through Juyuan?!"

"ah?!"

The beautiful woman was so shocked by the good news one after another that she could hardly find her head. "Has Shaoyang been promoted to the Juyuan Realm?! Gu

Shaoyang nodded and said: "I had an adventure, my root and bone qualifications improved, my cultivation went smoothly, and I easily broke through to Juyuan.""

"good! OK!"

Gu Tianhe praised him several times, his face full of surprise.

"Talent and opportunity are indispensable for martial artist training. It is your blessing to have this unexpected encounter, so we won't ask any more questions. But we have to work harder and move forward in the future..."

"clear."

Gu Shaoyang asked again why his family was so anxious to find him back. Xiao Qingzhu explained embarrassedly: "Your father and I don't know about the progress of your cultivation. Some time ago, we discussed letting you come back from Qingyun Sect. As soon as possible. marriage.."

Gu Shaoyang frowned, "Marriage, with whom?"

Xiao Qingzhu said: "You forgot that before you went to Qingyun Sect, we arranged a marriage for you with the Liu family in Hexi..."

When Xiao Qingzhu said this, Gu Shaoyang immediately had an impression.

His previous life did seem to be engaged to someone, a girl named Liu Qian.

She is similar in age to him and has better qualifications than him. After the two got engaged, they were sent to Hanyue Valley to study arts by the Gu family.

It was originally agreed that they would get married as soon as they turned eighteen.

Xiao Qingzhu said to himself happily: "...Now that your qualifications have become better and your cultivation has also greatly increased, that girl Liu Qian will definitely be very happy to see you. Gu

Shaoyang muttered: "Mom, my martial arts practice has just improved, and I don't want to get married so soon."

Xiao Qingzhu suddenly became serious, "What are you talking about? Marriage is a trivial matter. Besides, won't you be able to continue practicing after you get married? Liu Qian has already arrived at our Gu family..."

"She's already here?"

Gu Shaoyang was slightly surprised, but at this time Gu Tianhe snorted coldly: "I think Shaoyang's decision is right. I also don't like the girl named Liu. She has completely changed her temperament after only a few years in Hanyue Valley. When she came to our Gu family this time, it didn't seem like she was here to get married. Instead, she

seemed to be here to break off the engagement. She even brought a few men with her... I think she forgot who sent her up the mountain in the first place, and who was so shy that she insisted on it. Come to curry favor with our Gu family..."

Xiao Qingzhu glared at Gu Tianhe:"Stop saying a few words."

Gu Shaoyang shook his head and whispered:"Where does that woman live? I'll go see her."

Gu Tianhe said:"I live in another courtyard. Because of the We heard a lot of gossip about her. Ling Fei almost got into a fight with her several times..."

Gu Shaoyang's eyes moved, and a graceful figure flashed in his mind.

Gu Lingfei.....

The Gu Family Courtyard.

A woman and three men were sitting on a stone table drinking tea and chatting.

Three of the men are all above the Juyuan realm, and the pretty woman is at the ninth level of Qi training.

"I heard that Gu Shaoyang has come back. Junior Sister Liu, why don't you go meet your future husband?"

Someone said teasingly.

The pretty woman said disdainfully:"Brother Liu, please stop making fun of me. As for Gu Shaoyang, I sent someone to inquire about his current situation last year. It is said that he has reached the fifth level of Qi Lian Lian. None of them.. How can I, this kind of useless person, become Liu Qian's husband?"

"Then who can be Junior Sister Liu's husband?"

Someone picked up the conversation with a smile.

A trace of shyness flashed across the face of the pretty woman, and she secretly glanced at the remaining young man with a handsome face, who had been quietly sipping tea, and pointedly said:"Of course... of course only Ruhan Only a person like Senior Brother Xiao is worthy of me, Liu Qian, wearing red makeup and a phoenix crown for him."

The two men chuckled and asked again.

"Then Junior Sister Liu stayed here specifically to wait for that loser to do something. We could have returned to Hanyue Valley long ago. Liu

Qian frowned slightly and said, "After all, I am engaged to Gu Shaoyang, and the Gu family relies on him a lot, so it's hard to break up." I planned to have a good talk with him in private, but he backed out. It would be best if he took the initiative to regret the marriage. At most... I can give him some compensation."

The handsome young man who had not intervened in the topic suddenly said, "Junior Sister Liu, this matter does not have to be so difficult. We can just openly bring up the matter of breaking off the engagement, and forgive him that the Gu family will not dare to do anything. No big deal, I'll invite my dad over.."

"Yeah yeah. Someone laughed and clapped their hands and said, "Senior Brother Han is one of the top fifty geniuses in our inner sect of Hanyue Valley, and his father is an elder in the sect. How can he afford to offend the Gu family?"

"Senior Brother Han.."

Liu Qian was a little moved, and looked at Han Xiao with eyes full of emotion and love.

The latter's eyes also softened, "Junior Sister Liu.."

At this moment, the door of the other courtyard was suddenly kicked open, and someone let out a cold groan.

"What a shameless couple!"

Chapter 42

A tall girl pushed open the door and walked in, with a look of coldness and disgust on her pretty face that was even more delicate than Liu Qian.

When the two male disciples of Hanyue Valley saw the girl, their eyes suddenly lit up.

"Miss Gu, how are you today?"

"roll!"

The girl cursed without turning her head, and the two male disciples closed their mouths with ugly expressions.

Liu Qian stood up, frowned and said to the girl: "Gu Lingfei, why are you so crazy?"

Gu Lingfei sneered: "Why am I crazy?" I'm here to look after my brother Shaoyang's future wife. A man who is clearly engaged yet shamelessly flirts with other men every day. Pooh! Han

Xiao on the side looked embarrassed.

Liu Qian said angrily, "Gu Shaoyang and I are not married yet!" Besides, it's not your turn to take care of what I do... I think it's because you like that good-for-nothing Gu Shaoyang and you're anxious to marry him..."

"you! A trace of anger flashed in Gu

Lingfei's beautiful eyes, and she shouted: "You dare to say that Brother Shaoyang is a waste, I must teach you a lesson today!"

With that said, Gu Lingfei's figure suddenly disappeared, and in an instant she was in front of several people.

Liu Qian's face turned pale and she whispered: "Juyuan Realm!"

Immediately turned to ask Han Xiao for help.

Han Xiao held a folding fan in his hand and shook it gently. He seemed not to be moved at all by Gu Lingfei's explosive strength.

"Miss Gu, I'm offended."

The two male disciples following Han Xiao apologized and joined forces to attack.

Gu Lingfei's figure was immediately blocked.

The two disciples were also at the early stage of Juyuan, and the three of them instantly fought together.

But not long after the fight, However, the two disciples were overwhelmed and kept retreating.

"Her sword is so fast!"

The two disciples looked at each other, and saw the look of horror in each other's eyes.

They were both in the early stage of the Juyuan Realm, and it was amazing that they were no match for Gu Lingfei when they joined forces.

Seeing that Gu Lingfei was about to kill the two of them one after another. Defeated, Han Xiao, who was watching, suddenly extended a flat palm

"Beixue Villa's "Snow-cutting Sword" is indeed extraordinary...but unfortunately, you are still a little short of the mark."

A light blue strong wind visible to the naked eye flew towards Gu Lingfei, and happened to spot a flaw in her, which was firmly imprinted on her lower abdomen.

"puff!"

Gu Lingfei spurted out a small mouthful of blood and flew backwards.

When she fell to the ground and got up again, her pretty cheeks were completely white, but her eyes were still staring at the two of them stubbornly and angrily.

Han Xiao slowly retracted his palm, He shook his head and said, "You just spoke rudely to me and Junior Sister Liu, this is just a small punishment. If you are not convinced, you can go to Hanyue Valley to find me at any time."

Gu Lingfei bit her lower lip and said nothing.

On the contrary, Liu Qian, with a bright smile restored on her face, walked to Han Xiao and said softly: "Thank you, Senior Brother Han, for standing up for my little sister..."

He immediately turned to look at Gu Lingfei and said coldly: "I know that Gu Shaoyang has come back. He didn't dare to come to see me. Instead, he asked you to stand up for him. You still protect this kind of trash. I really feel unworthy of you..."

After saying that, he turned around and sighed softly, "Actually, if he can achieve half of Senior Brother Han's achievements, so what if I really marry him. Unfortunately, he can't even achieve one-tenth of Senior Brother Han's achievements..."

"spit.."

Gu Lingfei spat out a mouthful of blood, stared at Liu Qian closely, and said harshly: "You don't deserve it."

"Yes, you don't deserve it."

A calm voice suddenly came from behind everyone.

Everyone looked around and saw a slender and handsome young man walking in. He walked to Gu Lingfei and carefully helped her up.

"Gu Shaoyang?!"

Liu Qian opened her eyes wide, as if she was surprised to see him.

Gu Lingfei stared at Gu Shaoyang, a flowery smile suddenly appeared on her pretty face, and she said in surprise: "Brother Shaoyang! Are you really back?!"

After saying that, Gu Lingfei seemed to remember something, stretched out her hand to push Gu Shaoyang hard, and said urgently: "Brother Shaoyang, leave quickly, these people will force you to break off the engagement."

Gu Shaoyang was indifferent, and there was a heart-stopping heaviness between his calm brows.

"Liu Qian.."

Gu Shaoyang said: "You are not worthy of being my fiancée, Gu Shaoyang. The engagement between you and me is void."

Liu Qian looked stunned for a moment, then laughed: "Gu Shaoyang, you are very sensible. I will give you a hundred low-grade Yuan stones to make it for you." compensate.."

Gu Shaoyang shook his head and whispered: "Forget it about the low-grade Yuan Stone. As for compensation... I will get it myself."

The next moment, Gu Shaoyang suddenly disappeared and appeared in front of Han Xiao as if he had teleported.

Everyone on the field was shocked.

Gu Shaoyang stared at Han Xiao expressionlessly, his words as cold as the cold wind blowing from the Wanzai Glacier.

"You were the one who hit Gu Lingfei with this hand?"

Chapter 43

The fluctuation of Yuan Power coming from Gu Shaoyang made everyone stunned for a moment.

Liu Qian shouted in disbelief: "Gu Shaoyang, why are you in the Juyuan realm?! Didn't you only reach the fourth level of Qi training last year!"

Gu Lingfei's expression was completely opposite to his, full of surprise: "Brother Shaoyang was promoted Juyuan, great, really great.."

However, his face soon changed, and he shouted urgently: "Brother Shaoyang, don't fight him, he is already in the middle stage of Juyuan."

"hehe.."

Liu Qian also sneered, and loudly said in a tone of disdain and contempt: "Gu Shaoyang, do you think you will be very powerful after being promoted to Juyuan? You are still not as good as Senior Brother Han, you are still a waste.."

"ah!"

A cry of pain interrupted Liu Qian's words. Liu Qian looked at the scene in front of him and said in a daze: "Senior Brother Han... Senior Brother Han?"

I saw that Han Xiao no longer had the calm and unrestrained posture before. His face was pale and he was sweating profusely. One of his hands was about to reach out, but was gently pinched by Gu Shaoyang.

Han Xiao only felt his eyes blur, and Gu Shaoyang came to him. In front of him, he pinched his wrist firmly with iron-like hands. Why is this man so strong?!

Han Xiao almost screamed out in pain, and finally roared: "Three Evil Palms!"

A blue gleam of light appeared on his other hand, and it was the same palm technique used to injure Gu Lingfei before.

But before Han Xiao could strike out with this palm, he suddenly screamed miserably, and the energy in his hand collapsed. , can no longer use any strength

"click.."

Han Xiao's wrist was twisted at a weird angle.

Gu Shaoyang crushed his hand abruptly!

"You slap Ling Fei, I'll cut off your hand, it's fair."

Gu Shaoyang spoke calmly.

Everyone on the scene was stunned.

Especially Liu Qian, who looked at the scene in front of him blankly, feeling as if he was dreaming.

"Impossible, this is impossible... Senior Brother Han Xiao is one of the top fifty geniuses in the inner sect of Hanyue Valley, and he is very powerful..."

Liu Qian murmured in his mouth, as if he was in a daze.

"Brother Shaoyang.."

Gu Lingfei looked at Gu Shaoyang steadily, covering her mouth tightly because of surprise, and a strange and moving light was flowing in her beautiful eyes.

The remaining two Hanyue Valley disciples looked at each other with ugly expressions.

Didn't he say that this boy named Gu was mediocre and had low cultivation?

Damn it, you can crush senior brother Han Xiaohan's wrist with one move. Those who can do this are at least among the top ten in the inner sect of Hanyue Valley.

The key is, he is still in the early stage of Juyuan!

How is this useless material? He is clearly an out-and-out monster.

"Gu Shaoyang, Gu Shaoyang, you are finished. If you dare to hurt me, I want you to die. I want your entire Gu family to die!"

Han Xiao was rolling on the ground in pain, staring at Gu Shaoyang with a ferocious face, and roaring with incomparable hatred. When

Gu Shaoyang heard this, he raised his sword eyebrows slightly, and murderous intent surged in his heart.

In an instant, everyone around him felt that the temperature around him suddenly dropped. He came down.

Liu Qian's face turned pale, and he stumbled back several steps. There were two other disciples, as if facing a formidable enemy, with a look of deep fear in their eyes.

They felt that Gu Shaoyang really wanted to kill them and silence them.

Gu Lingfei He was also trembling, feeling the fierce murderous intention surging around Gu Shaoyang's body, and couldn't help but secretly thought in his heart: What exactly has Brother Shaoyang experienced? Not only has his cultivation increased greatly, but he is also so decisive in killing, but he is much more charming than before...

"Brother Shaoyang, don't do anything.."

Gu Lingfei pointed at Han Xiao and said to Gu Shaoyang:"This man is the son of an elder in Hanyue Valley. If you kill him, you will be in trouble."

Gu Shaoyang said coldly:"It will be even more troublesome if you don't kill him."

Gu Lingfei smiled and said:"Brother Shaoyang, don't worry. Although his father is an elder, his status in Hanyue Valley is not high. When I return to Beixue Villa, I will tell my master that he injured me and he will be the unlucky one..."

Gu Shaoyang glanced at Gu Lingfei in surprise, whose pretty face was full of confidence.

It seems that Gu Lingfei is very valued in Beixue Villa.

Also, Gu Lingfei is one year younger than herself, has reached the early stage of Juyuan, and has good swordsmanship. With this qualification, she can be called a"genius" no matter where she is, and it is normal for her to be taken seriously.

"Okay, I'll just listen to you."

Gu Shaoyang thought for a while and nodded in agreement.

"Um."

Gu Lingfei saw that Gu Shaoyang was extremely happy to listen to her persuasion, and her smile was as bright as a flower.

"You guys, get out of my Gu family within one stick of incense."

Gu Shaoyang said coldly to Liu Qian and others, without even looking at them, and strode out of the other courtyard with Gu Lingfei.

Behind him, Liu Qian looked at Gu Shaoyang's leaving back, pain, resentment, and shock flashed in his eyes..There is also deep regret.

If, if she had known that Gu Shaoyang had this strength, she should be the woman happily accompanying Gu Shaoyang right now.

After all, she is Gu Shaoyang's legitimate fiancée...

Chapter 44

"Brother Shaoyang, why have you become so powerful now... Then Han Xiao can't even beat me, but you can easily break one of his hands. Even if you are in the inner gate of our Beixue Villa, you can easily get in front. Thirty.."

After walking out of the courtyard, Gu Lingfei gathered around Gu Shaoyang and chattered non-stop, her tone full of joy, joy and admiration.

Gu Shaoyang recalled everything about Gu Lingfei.

Gu Lingfei is Gu Shaoyang's clan sister. Because Gu Shaoyang has been more handsome than ordinary children since he was a child, she has always liked to follow Gu Shaoyang and play with him, shouting "Brother Shaoyang" and "Brother Shaoyang".

The two are childhood sweethearts.

Five years ago, Gu Tianhe and Xiao Qingzhu arranged for Gu Shaoyang to get married to the Liu family. Gu Lingfei even cried and made a fuss about it. After Gu Shaoyang left, she immediately went to Beixue Villa to learn skills.

Time flies, five years have passed, and Gu Shaoyang feels that Gu Lingfei's friendship for him has become deeper.

"Ling Fei.."

Gu Shaoyang suddenly interrupted Gu Lingfei's words and said, "Is it really okay to let Han Xiao and others leave? It's still too late for me to go back and kill them all..."

Gu Lingfei helplessly raised her forehead and muttered: "Brother Shaoyang, why are you so murderous now... Don't worry, my master is the sister of the owner of Beixue Mountain Villa, Bei Hanmei. As long as she says a word, Han Xiao and he Dad doesn't even dare to fart."

Gu Shaoyang's eyes moved, "Oh, is Beixue Villa more powerful than Hanyue Valley?"

Gu Lingfei said proudly: "Of course, it's not just Hanyue Valley, but also your Qingyun Sect and Tianfeng. Valley, Beixue Villa is the strongest among the four major sects of the Great Yuan Kingdom..."

Gu Shaoyang smiled and said: "It seems that you are also a highly regarded genius in Beixue Villa, and you are actually accepted as a disciple by the owner's sister."

"Where is there.."

Gu Lingfei shook her head in embarrassment, with a hint of girlish shyness on her face, "It's just good luck and being loved by the master... When it comes to geniuses, there are many monsters in the villa who are more talented than me..."

Gu Shaoyang became interested and asked:"For example?"

Gu Lingfei said without hesitation:"For example, the master of the young village, Bei Linjiang, is already a Ningzhen powerhouse at the age of twenty, ranking among the heroes... and our inner sect senior brother. Jingtong.."

"Jing Tong?"

Gu Shaoyang heard this name for the first time.

Gu Lingfei asked curiously:"Brother Shaoyang knows Senior Brother Jing?"

Gu Shaoyang shook his head,"I was thinking, if Song Qianyu, the number one in our Qingyun Sect's inner sect, is more powerful than your inner sect senior brother Jing Tong?"

"Of course Jingtong is stronger."

Gu Lingfei affirmed:"In the three great competitions between the four sects, Senior Brother Jing was the leader of the four inner sects. Moreover, it is said that he has now entered the Ningzhen Realm and his strength is unfathomable. but.."

Gu Lingfei paused and thought:"In terms of talent, I think there is someone who can't even compare to Senior Brother Jing?"

"who?"

Gu Lingfei said slowly:"Jiang Lan." Seventeen years old, in the middle of Juyuan period, currently ranked second in our Beixue Villa's inner sect rankings"

"second.."

Gu Shaoyang was shocked. There were more talented masters in the inner sect of Beixue Villa than in the Qingyun Sect, but the number two in the inner sect was firmly occupied by a seventeen-year-old Juyuan Middle School. One can only imagine how evil this Jiang Lan must be.

"..Since Jiang Lan started training three years ago, she has made a breakthrough from an ordinary person with no cultivation to the middle stage of Juyuan. Moreover, his combat prowess is superb. Even in the late Juyuan period, he was no match for him. My master said that he was born with a sword and was destined to be on the list of heroes..."

"Born with sword bones? Gu Shaoyang's eyes flashed,"

What is that?"

"I have no idea. Gu

Lingfei shook her head and her expression became solemn: "But I have seen him a few times. From a distance, he looks like a knife, cold and sharp." Any sword technique that comes into his hands can be mastered to perfection within a few days, even if it is an earth-level sword technique. Moreover, he rarely used a second sword in a fight with others, and most of them were defeated with just one strike... My master said that Jiang Lan understood the meaning of the sword when he was in the Qi training state, and now.."

Gu Lingfei stretched out four fingers and said in a deep voice: "At least I have realized the realm of 40% of the sword's intention."

"It's really awesome."

Gu Shaoyang couldn't help but admire.

He always thought that his understanding was already very evil, and he deliberately restrained himself from showing it too much. Now he realized that it was completely unnecessary. There are many geniuses in this world who are even more evil than him.

Seventeen years old, in the middle stage of Juyuan, with 40% Sword Intent...

If it weren't for the ability to infinitely extract attribute enhancement talents, this talent would make even Gu Shaoyang jealous.

"But Brother Shaoyang, you are also very powerful..."

Gu Lingfei hugged one of Gu Shaoyang's arms with a smile and praised: "At least when you impressed Han Xiao, I didn't even see what kind of martial arts you used."

Gu Shaoyang laughed.

When Gu Lingfei said this, he felt a little passionate in his heart.

He can't wait to return to the sect now, defeat those who are ahead of him one by one, and then compete with the monsters of other sects in the four sect competition.

This world is much more exciting than he imagined.

While the two were talking, a man and a woman suddenly walked towards them in front of them.

As soon as Gu Lingfei saw the two of them, she immediately retracted her arm around Gu Shaoyang and said with a blush, "I've met Uncle Gu and Aunt Qingzhu."

Gu Tianhe and Xiao Qingzhu walked up to them with smiles, their teasing eyes constantly looking at the two of them. Sweeping all over her body, Gu Lingfei's face turned even redder.

Chapter 45

"Shaoyang, Liu Qian and the gang left the Gu family in a hurry. Did it have something to do with you? Gu

Tianhe coughed slightly and asked.

Gu Shaoyang nodded, "I have taken care of it. Liu Qian will have nothing to do with me from now on."

A hint of coldness appeared on Gu Tianhe's face, and he said harshly: "Since you have made a decision, my father will not interfere with you." It's just that the Liu family has relied on our Gu family for so many benefits in vain, and as a result they have raised a white-eyed wolf. Sooner or later, I will make them spit them out..."

"Tianhe.."

Xiao Qingzhu looked unbearable, but sighed and did not continue. He turned to Gu Shaoyang and said: "Oh, mother originally wanted to see you get married as soon as possible..."

"mother.."

Just when Gu Shaoyang was about to speak, Gu Tianhe laughed and interrupted: "Without Liu Qian, wouldn't Shaoyang be able to get married? Isn't there Ling Fei?.."

"Uncle Gu, you are making fun of Ling Fei again.."

Gu Lingfei's pretty face turned red, she stamped her feet shyly, and left as if running away.

Before leaving, he took a deep look at Gu Shaoyang...

After staying at Gu's house for a few days, Gu Shaoyang said goodbye to his parents and Gu Lingfei, who was somewhat reluctant to leave him, and returned to Qingyun Sect.

The harvest from this trip was huge, and he needed to calm down and practice for a while to digest it.

Returning to Qingyun Sect, Gu Shaoyang found something strange

"Hello, Senior Brother Gu"

"Senior Brother Gu is back.."

"I've met Senior Brother Gu.."

Every inner disciple who saw him came up to greet him with a smile, which was completely opposite to the way everyone was afraid of him before leaving the sect.

Gu Shaoyang was a little confused.

Suddenly, he saw two familiar figures.

One is tall and tough, carrying a long knife, and the other is dressed in red.

It was Mo Feng and Xia Qingqiu.

The auras of the two of them were slightly unstable, and it seemed that they had just broken through Juyuan and were promoted to the inner sect.

The two of them obviously saw Gu Shaoyang, but they hesitated and seemed afraid to come up and say hello to him.

Gu Shaoyang nodded to them and left alone

"It's Senior Brother Gu.."

Mo Feng looked at Gu Shaoyang's leaving figure with a complicated expression.

Xia Qingqiu stared at Gu Shaoyang blankly and murmured:"People like him are destined to walk on the clouds and are not ordinary people.""

"yes."

Mo Feng sighed:"I thought he would remain dormant for a while before rising to fame, but I didn't expect that he would rise so quickly."

On the first day after entering the inner sect, he defeated Huang Yuan with the ninth level of Qi training.

On the fifth day, he defeated Juyuan and defeated Hua Shurong.

In both battles, he only threw one punch, and he won with one punch. He is currently ranked No. 1 on the list of talents. Thirty-six.

Later, two elders from the sect almost came to blows for him, exposing his demonic talent for alchemy.

After Gu Shaoyang blocked the outer sect, the light on his body became stronger and stronger in the inner sect. It was so dazzling that people could see it. Unable to look directly at them. On the other hand, the two of them are top geniuses in the outer sect, influential figures, and two of the three masters.

After entering the inner sect, I discovered that there are geniuses everywhere here, and almost everyone is as talented as They instantly disappeared into the crowd.

Compared with Gu Shaoyang, the gap was so huge that they were almost as big as a sky or an earth.

Gu Shaoyang was slightly surprised that the two of them had broken through Juyuan one after another and promoted to the inner sect.

"The failure to fight against Senior Brother Gu at the beginning should be regarded as one of Mo Feng's biggest regrets in his life... There should be no chance for him in the future."

Mo Feng's tone was helpless and bitter.

Xia Qingqiu was silent for a while and said calmly:"Let's go, I just took over the task, so we should complete it as soon as possible. Only by earning Yuan Stone can we have a chance to chase his back."

"Um."

Mo Feng nodded, his expression became determined....

Gu Shaoyang first handed over several sect tasks in the Qin Gong Hall, and then went to visit Elder Lin.

He was holding on to the time. The cooling time of King Xuan's Stone Slate should be over.

"Thank you Master."

Gu Shaoyang returned the King Xuan Slate that had absorbed the sword intent to Elder Lin.

The sword intent that could be extracted from the King Xuan Stone Slab became less and less, and the refresh time became longer and longer, so it was not as helpful to him as before. Got it

"So, have you gained anything?"

Gu Shaoyang nodded, "I have some understanding."

Chu Yang's Sword Intent is moving towards the 50% level.

"Something happened during the few days you were away from the sect..."

Elder Lin nodded, hesitating to speak, as if he wanted to tell him something.

Gu Shaoyang was about to ask more questions when a burst of laughter came from the door.

"Haha, Lin Hesong, is that guy back?.."

Elder Lin looked helpless, shook his head and sighed: "It's just the right time..."

Gu Shaoyang looked towards the door and saw a calm old man in black striding towards him, staring at him with burning eyes.

It's like seeing a rare treasure

"it's him!"

The old man in black was talking to Elder Lin, but his eyes never left Gu Shaoyang for a moment.

Gu Shaoyang was a little embarrassed by the old man, and subconsciously took a few steps back.

Elder Lin said coldly: "Shaoyang, this is the Lei I mentioned to you before. Elder Lielei."

Gu Shaoyang understood immediately.

Lei Lie chuckled, and in an instant he was in front of Gu Shaoyang, reaching out to grab him.

Gu Shaoyang was startled, and his Yuan Power surged, but he heard something coming from his ears.

"Boy, don't be afraid, let me see your bones."

A pair of big hands pinched Gu Shaoyang's arms and shoulders a few times, causing goosebumps all over Gu Shaoyang's body.

Then he saw Lei Lie stop his hand, frowned, and said with some disappointment: "Gen Gu is excellent, but It's not an innate sword bone..."

Lei Lie turned to look at Elder Lin and said loudly: "Lin Hesong, this guy's muscles and bones are like spears, and his energy and blood are like pulp. He looks like he has perfected his body. Has he really comprehended 20% of the sword's intention? Don't lie to me... As far as I know, people who practice physical training are very stupid..."

I made a mistake about Ji Xuan in the previous chapter, and I have corrected it after the reader reminded me. There are still two chapters to wait. I didn't spend any money or vote today, so I didn't add any more chapters. Sorry...
