

Attributes 561

Chapter 561

"So brave!"

Bei Mingjue noticed Gu Shaoyang's intention, laughed angrily, and shouted loudly. He waved his hand and shot out countless restricted lights, like a meteor shower, splashing towards Gu Shaoyang.

The realm of chaos was released, and all restrictions were released. The light immediately disappeared without a trace within a few feet of Gu Shaoyang's body, as if it was swallowed up by an invisible mouth in the void.

"How can this be?!"

Bei Mingyue's eyes almost popped out of his head when he saw it, with a look of disbelief on his face. He had never fought against Gu Shaoyang using the forbidden method. He knew that Gu Shaoyang was powerful, but he was accomplished in the forbidden method. Not to mention defeating Gu Shaoyang, dragging him down. It should be more than enough to hold him for a few breaths and drag him back to defend with two chains of king soldiers.

However, when his forbidden light hit Gu Shaoyang, it was like a cow in the sea, and there was no movement at all.

"You couldn't beat me when you were in your heyday, but now that your physical training has been ruined, you still want to compete with"170" me?!"

Gu Shaoyang snorted coldly, and with a domineering attitude, he slashed at Bei Mingjue with a sword. The five elements flowed, blessed by ten times the power of time!

The most powerful sword.

In addition, Qixing Longyuan had just merged a part of the source of destruction. The power of Qi surged, and he already had a hint of the aura of a king's soldier.

Bei Mingjue's pupils shrank, and his scalp suddenly exploded.

There was a shadow of death hanging over his heart.

If he could not block and dodge this sword, he would definitely die.!

"Roar!"

Bei Minjue roared wildly, and finally...The last chain on Wang Bing's spear fell off and faced Gu Shaoyang's sword.

"snort!"

Gu Shaoyang sneered. This was the moment he had been waiting for.

With a slash of his sword, Gu Shaoyang didn't even look at the result. He flew directly in front of Wang Bing's spear and took it down with one palm.

The dark Wang Bing's spear was like a sleeping dragon, covered in gray. Surrounded by aura, a terrifying aura was gradually awakening.

Gu Shaoyang saw an attribute bubble emerging from Wang Bing's spear.

"The original value of the "Qi of Killing*278" was very small at first, and then skyrocketed crazily.

The Wang Bing's spear also lost all its gray energy, and a scarlet blood bloomed from the tip of the gun and spread to the entire gun body.

This is a weapon of killing. An out-and-out killing soldier!

Gu Shaoyang's eyes showed joy. He grabbed Wang Bing's spear and was about to pick it up.

But at this moment, the blood on Wang Bing's spear suddenly burst out.

The entire space was completely covered with blood. Submerged in the color of blood.

Everyone on the field was shocked and looked here in horror.

In Gu Shaoyang's eyes, there was a mountain of corpses and a sea of blood, covered with white bones.

A murderous intention soared into the sky, almost solidified, and chilled to the bone. Let the snow fall in the void for no reason.

Gu Shaoyang was so shocked by this overwhelming murderous intention that his mind went blank for an instant, and he froze on the spot, feeling lost and in a trance for a moment.

"Go to hell!"

Bei Minjue shouted loudly, and two chains of king soldiers rushed out like giant pythons, piercing Gu Shaoyang's body fiercely.

Gu Shaoyang was knocked out, and his spear

"Um?!"

At this time, another one holding the big sun came down and hit Gu Shaoyang hard.

"boom!"

Gu Shaoyang fell like a meteor and was directly hit the ground.

Under the huge impact, the ground collapsed like an avalanche of snow, forming a large pit and a bottomless abyss.

Gu Shaoyang's body sank into it and disappeared.

"Brother Gu!"

Luo Hongwen shouted, with shock and worry on his face.

Wang Bing's spear also broke away from Gu Shaoyang's hand and was suspended in the air, trembling with murderous intent.

A big hand stretched out and held Wang Bing's spear firmly in his hand.

There seemed to be countless rounds of sun rising on the big hand, suppressing all the killing intent on the king's spear and no longer shaking it.

Jin Donglai held the spear and casually swung away all the chains that surrounded him.

For a moment, the overlord The grace enveloped the whole place

"Damn it..."

Bei Minjue's expression was extremely ugly. All the chains of the nine king soldiers were retracted. He stared at Jin Donglai and stepped back step by step.

Luo Hongwen even backed up crazily, with fear on his face.

Jin Donglai looked at the Wang Bing spear in his hand quietly, his eyes were very bright, and a smile appeared on the corner of his mouth.

"I have said before that you are destined to be my king's soldier from Jin Donglai, and your supreme help in conquering the Tiandao Monument! Hahaha...."

The majestic laughter spread throughout the ancient forbidden land, making the void tremble.... severe pain...

This is the only thought in Gu Shaoyang's mind

"Extract attributes!"

After extracting the Wang Bing's aura from the wound and the palm power of the secret law left by Jin Donglai, the power of the life fetus began to take effect, and Gu Shaoyang's injuries were also recovering quickly.

"Jin Donglai has at least comprehended the fourth kind of mysteries of law! Moreover, the comprehension level of each profound truth is above 50%!"

Jin Donglai's strength is stronger than Gu Shaoyang expected.....

Even if the flow of the five elements and the blessing of ten times the power of time are not necessarily his opponent, I am afraid that only with the blessing of the physical body with ten times the power of time, and the use of Ten Days of Annihilation, it is possible to fight against him.

But then Gu Shaoyang himself would explode

"Now that he has obtained the spear of the ancient king's soldier, he is even more powerful, making it even more difficult to deal with!"

Gu Shaoyang's eyes flashed, and he couldn't think of a way to deal with Jin Donglai for a moment.

He simply wasn't in a hurry to go out, and his body was still falling downwards.

"Huh?"

Gu Shaoyang suddenly felt a little strange.

The ground in this ancient forbidden place was too crunchy.

When the force of the fall disappeared, Gu Shaoyang looked around, and suddenly sensed something, and a bright light flashed in his eyes.

There is something below!

Gu Shaoyang was decisive. Continue down.

After probably walking for dozens of miles, the surroundings suddenly became empty.

He actually came out of the soil.

What appeared to Gu Shaoyang was a huge underground space.

The space was filled with extremely rich heaven and earth vitality, so rich that it gave people A suffocating feeling.

Gu Shaoyang took a deep breath and looked at his body in shock.

There were mountains of crystals as big as mountains, completely condensed from vitality.

"The best Yuanjing Mountain?! No! It contains ten times more vitality than the best Yuan Jing!"

Gu Shaoyang suddenly understood.

This should have been an existence similar to a small world, but the king's weapons were sealed.

Two king's weapons, one of which was the extremely terrifying killing weapon 3.3.

All the vitality of heaven and earth was absorbed by the king's soldiers. The aura and murderous aura were squeezed into the ground, gathering the vitality of the entire small world. No wonder there was such a spectacular scene.

"Who is Wang Bing? This is the supreme opportunity I really want!"

Gu Shaoyang was ecstatic, and rushed into the Yuanqi Crystal Mountain. The realm of chaos was completely released, covering the entire space in an instant. Devouring it with all his strength!

Pieces of the Yuanqi Crystal Mountain were stirred into powder, turning into billowing vitality, and the energy of chaos flowed one after another. The Tao was generated rapidly.

The five-color glow lingering on the green trees in the realm of chaos began to grow and circulate rapidly.

Gu Shaoyang's understanding of the profound meaning of the Five Elements Law also grew rapidly.

"Extract attributes!"

The energy of chaos was absorbed into Gu Shaoyang's body.

At this moment, his physical body and cultivation level were simultaneously increasing at a shocking speed.

Gu Shaoyang...To attack the true god realm!

Chapter 562

Nine stars, nine and a half stars...

Ten stars! boom!

The deep dark night sky appeared before Gu Shaoyang's eyes again, with nine stars hanging high in the night sky.

It is the nine stars that represent the ninth level of life.

Two of the stars had already lit up, and now another one shone brightly.

Gu Shaoyang felt that there was an inexplicable power descending on his body and converging on his eyes.

My eyes felt hot, and then there was severe pain, as if they were exploding.

It was extremely refreshing at the end.

Gu Shaoyang opened his eyes suddenly. His eyes were brighter than the stars in the sky. They seemed to contain the mystery of the universe, the world, and all things. The sun, moon, and stars were rising in the east and setting in the west, circulating endlessly.

Gu Shaoyang once cultivated the Eye of Deception, which helped him a lot, but as his strength improved, the effect of the Eye of Deception became less and less, and he was almost forgotten.

At this moment, the ability of the Eye of Deception was increased a thousand times.

The power of the true laws between heaven and earth blessed Gu Shaoyang's eyes.

The transformation of the delusion-breaking eye...Eyes of truth!

The world in front of Gu Shaoyang changed again. It was completely composed of countless lines of laws. It was extremely clear and infinitely close to the essence of every thing.

Even the great road hidden in the void, riding above the law, also vaguely showed its outline in his eyes.

At the same time, there is countless information every moment, and the mysteries about the secrets of the laws of heaven and earth are received by the Eye of Truth and pour into Gu Shaoyang's mind.

Gu Shaoyang's divine sea shook, and he roared in pain. He forcibly ignored and blocked most of the information to feel a little better.

Having just obtained the Eye of Truth, he still needs to gradually become familiar with its use. When Gu Shaoyang learns how to filter out the information he needs from countless information and discard the information that he doesn't care about, the Eye of Truth will be of unimaginable power.

"Break all laws with one force! This is the key to defeating all laws with one force!"

Gu Shaoyang was overjoyed in his heart, and instantly understood the true power of the Eye of Truth.

It is said that body-refining warriors can defeat all kinds of magic with one force. In the past, Gu Shaoyang always understood this as: as long as the physical strength is sufficient, any form of energy, whether it is Yuanli, The power of restrictions, etc., can be broken with one force.

Now he understands that this understanding is not complete and incomplete.

The real way to defeat all laws with one force is not brute force, but skill.

Only insight Only by focusing on the flaws and loopholes in the opponent's attacks can it be possible to defeat the largest attack with the smallest force.

Each of the true ancient body-refining warriors is an extraordinary person with great wisdom and talent, who has truly grasped the context of the law and the traces of the great road..

Gu Shaoyang thought about this and felt extremely happy in his heart. He wished he could rush out now and have a battle with Jin Donglai to verify his ideas and his true eyes. His physical strength continued to increase steadily, but After the third level of the Ming Gate was opened, the effect of the Chaos Qi also weakened.

Gu Shaoyang continued to temper himself, but put more energy on the transformation of the Chaos Realm.

With the support of the massive vitality in the underground space, the Chaos Realm The transformation is extremely fast.

Gu Shaoyang received a gift from the Realm of Chaos.

The second derivative of the Five Elements Law has been completely perfected, and the third derivative has reached 40% and started to move towards 50%.

"Now the Five Elements Flow sword, coupled with the blessing of ten times the power, I wonder if it can compare to the palm that Jin Donglai slapped on me."

The third derived secret of the Five Elements Law,!

60%...

70%...

80%...

100% perfect!

The fourth derived secret is born!

After the fourth derived secret of the Five Elements Law was generated, new laws began to appear in the realm of chaos.

Space laws!

"The birth of a new world, the yin and yang and the five elements are derived from chaos. If I predict correctly, it should be space and time...."

Gu Shaoyang's eyes showed a light of thought.

Only with space and time can life appear; only with life can there be life and death, reincarnation, and killing and destruction.

After thinking about this, Gu Shaoyang fully accepted the understanding of the secrets of space laws fed back from the Realm of Chaos.

Gu Shaoyang had only comprehended 60% of the second derived secret of the Space Law before, but now the Space Law has also experienced a surge.

70% comprehension of the second derived secret..

80% comprehension...

Ninety percent...

The second derived secret is complete! The third derived secret appears!

"The third secret of the law of space is speed..."

Gu Shaoyang understood instantly.

With the secret of speed, I believe that his speed in the future will never be inferior to the "so close to the end of the world" magical power that Bei Mingjue used before.

In terms of speed, no law can compare to the power of space.

Everything stabilizes. The realm of chaos is like a carriage, and the massive energy in the underground space is the horse pulling the carriage. The combination of the two carries Gu Shaoyang quickly to a higher realm.

"Next, it's time for me to try to break through to the True God Realm!"

Gu Shaoyang took a deep breath and officially took that step....

On the surface, Jin Donglai held a spear and looked down at an old man in black with white hair and sunken eyes in front of him.

The old man in black is Bei Mingjue!

Less than half a day after Bei Mingjue returned to his handsome appearance, he became even uglier than before.

And this time, it was much worse than before.

Previously, it was because of his special body-training technique that all the flesh and blood essence of his body was locked in his bones, so he was able to stand upright.

Now, a large amount of life essence has been overdrawn, and life span has been excessively depleted, which is why it has become like this, neither human nor ghost.

"Jin Dong is coming! Do you have to kill them all?"

Bei Mingjue's voice also became extremely hoarse and terrifying. He stared at Jin Donglai, his eyes full of resentment and fear.

Without the Wang Bing chain, he couldn't compete with Jin Donglai at all, but Wang Bing is Wang Bing after all. , up to the level of God King, 017 can only be used reluctantly.

Bei Mingjue, who is at the True God level, has been able to control Wang Bing for such a long time, and was almost sucked dry by Wang Bing.

Even if he was not sucked dry, he would be now. At the end of his strength, he could no longer hold on for much longer.

Jin Dong looked at Bei Mingjue with incomparably cold eyes, as if looking at an ant. He raised the spear in his hand slightly and said calmly: "Leave Wang Bing, I will give you one." I will take the whole corpse and send you back to the Pixin Sect, allowing you to be buried with great splendor!"

"you..."

Bei Mingjue was so angry that he gritted his teeth, his hands were trembling, and he was eager to try the nine-way king's weapon chain.

He was already planning a last ditch effort.

Jin Donglai's face was expressionless, and the aura of terror brewing in him was brewing in him and could explode at any time.

Just when the two were about to decide whether to live or die, dark clouds suddenly gathered in the sky of the restricted area, there was a dull thunder rolling, and a faint pressure from heaven and earth descended.

"Um?!"

The two people's expressions changed.

Jin Donglai frowned, "Is this... the True God's Thunder Tribulation? Could it be that someone wants to break through to the True God Realm again?!"

Chapter 563

The thunderclouds are getting thicker and thicker, and the pressure of the general trend of heaven and earth is becoming more and more terrifying.

There were bursts of muffled thunder, just like ancient ferocious beasts roaring in the clouds.

Bei Minjue and Jin Donglai's faces were slightly moved.

"No, it's not the True God's Thunder Tribulation, it seems like...God Lord's Thunder Tribulation!"

Could it be that there is someone at the peak of the True God Realm in this ancient forbidden land who is ready to break through to the God Lord?

Impossible. Apart from a few of them, where else can anyone else be hiding in this ancient forbidden land?

"It's him?!"

Jin Donglai suddenly had a cold look in his eyes. He lowered his head and looked at his feet. There was a bottomless pit under his feet.

Not long ago, he just slapped a person into the ground.

That person hit him, so logically speaking, he should It's better not to die but also to be seriously injured. How can there be a chance to make a breakthrough?

"No more variables!"

Murderous intent burst out in Jin Donglai's eyes. He immediately gave up his intention to kill Bei Mingjue and instead grabbed the king's spear and threw it downwards!

With this throw, the void directly shattered.

The sky seemed to be covered by a jet of darkness. The lightning was split into two halves, and Wang Bing's spear fell downwards.

"Boom!"

The tip of the spear was still hundreds of miles away from the ground, and the ground was crushed and collapsed by the terrible power carried by the spear.

Before, Gu Shaoyang fell and hit the deep pit and was crushed even more.

Wang Bing's spear seemed to be about to Completely penetrated the ground.

The spear sank into the ground.

The ground trembled slightly, like the cry of a giant dragon.

The thunderclouds surging in the sky seemed to have stopped, and everything became still.

Bei Mingjue was shocked and doubtful, while Jin Donglai silently sensed it. , relying on the weak connection he had just established with Wang Bing's spear, he summoned Wang Bing to return.

Everything seemed to be normal, just as Jin Donglai expected.

The guy who tried to break through underground should have died in this shot It's down.

Next, we just need to kill Bei Mingjue and get the king's weapon in his hand. This great opportunity will be complete.

Jin Donglai's eyes flickered, staring at the location of the pothole, waiting for the king's weapon to return.

Sky The thunderclouds in the sky no longer surged and tended to disperse. This is the best evidence that Gu Shaoyang was killed.

"Was that guy really killed by Jin Donglai??"

Bei Minjue couldn't believe it.

He had a strong intuition that Gu Shaoyang would not die so easily, and there was also a faint feeling of uneasiness in his heart, and he didn't know where it came from.

Jin Donglai felt the breath of Wang Bing's spear getting closer and closer to the ground, with a faint smile on his face.

Everything is under his control

"Boom!"

The terrifying sound of breaking through the air rang in my ears, and the killing intent was overwhelming!

"wrong!"

Jin Donglai's expression suddenly changed and he lowered his head suddenly.

He saw a dazzling bloody light shooting towards him like a meteor.

It was the king's spear that he had thrown out before. Now it came back even more fierce than when it left. The violent murderous aura was more than ten times higher!

And the direction pointed by the tip of the spear was exactly where Jin Donglai was coming from.

"presumptuous!"

Jin Donglai shouted loudly, held a big sun in his hand, and faced the tip of Wang Bing's spear without giving up.

"boom!"

The unparalleled wind pressure caused by the collision of the two most powerful forces drove Bei Ming backwards step by step.

Jin Donglai also took a few steps back in the void, with a pair of tiger eyes staring at the direction in which Wang Bing's spear was rolled back. He was struck by Jin Donglai. The spear of Wang Bing, who was repelled by Dong Lai, flew backwards in the air, and was then gently grasped by a slender and powerful hand. A slender, handsome, cold, moon-like figure was completely revealed in front of Jin Donglai and Bei Minjue.

"Gu Shaoyang! It's really you!"

Bei Mingjue couldn't help but exclaimed in a low voice.

"You are indeed not dead."

Jin Donglai said coldly word by word.

Gu Shaoyang had no expression on his face, looking at the Wang Bing spear twisting like an evil dragon in his hand, and said calmly:"It seems that it is more powerful in my hand than in yours. suitable"

"hehe..."

Jin Donglai gave a long laugh, "Then you have to take your life!"

After saying that, ten rounds of suns rose behind Jin Donglai, illuminating the entire ancient land.

Gu Shaoyang turned a blind eye and looked up at the sky.

The next moment, the thunderclouds that were about to disperse in the sky quickly condensed at an extremely terrifying speed.

The previously stagnant pressure also rose like a rocket, rising higher and higher.

Terrifying thunder and lightning rolled endlessly in the clouds like horned dragons, with astonishing power.

Bei Minjue was so shocked that he opened his mouth slightly and murmured: "Is this really... the True God's Thunder Tribulation?!"

Jin Donglai also looked moved. Gu Shaoyang's True God's Thunder Tribulation was better than the God's Lord Thunder that he had seen many people. The calamity will be terrifying.

But the scarier thing is yet to come.

Gu Shaoyang stared at the sky and stretched out a hand. In an instant, the thunderclouds in the sky seemed to be swallowed and pulled by an invisible giant mouth.

In just a few breaths, everything fell into Gu Shaoyang's hands.

There was a terrifying black hole hidden in Gu Shaoyang's palm, which swallowed up all the thunder clouds comparable to the thunder tribulation of the God Lord, but it didn't even cause any ripples.

The momentum on Gu Shaoyang's body also increased steadily, giving people the feeling that a dormant giant beast was slowly awakening, and the world seemed to be shaking.

Before Jin Donglai and Bei Minjue could be shocked, thousands of rays of light appeared in the sky.

It is a brilliant vision composed of countless mysterious lights, golden and purple lights. It is so brilliant that it shocks people's hearts and makes them unable to look away.

Jin Donglai seemed to have thought of something, his face that had been silent all of a sudden changed drastically, and he exclaimed in disbelief: "Tiandao Monument!"

"Monument of Heavenly Way?!"

Bei Minjue was stunned.

The next moment, he saw a magnificent monument slowly appearing among the countless divine lights.

There were countless mysteries flowing on the monument, which were ancient and vast. Looking at the monument was like facing the sky and the way of heaven. Everyone on the field felt extremely small and helpless.

"impossible! impossible! Bei

Minjue roared, his expression was excited, and his rickety body trembled violently, "You have just been promoted to the True God Realm, how can you be engraved on the Heavenly Dao Monument?" Why! Why!"

Jin Donglai's eyes were moved, and his expression was a little dull. He couldn't believe what was happening in front of him.

He had seen a lot of geniuses in the True God Realm who were engraved on the Heavenly Dao Monument, and had fought a lot.

But he had never seen it before. , someone can actually be engraved on the Heavenly Dao Monument when he first enters the True God Realm.

This means how deep and terrifying this person's background is....

Even myself is far behind!

Jin Donglai suddenly shrank his eyes and stared closely at the flowing writing on the Tiandao stele.

"How many names (of King Zhao)? Entering the True God Realm for the first time, even if you are ranked at the bottom of the Heavenly Dao Monument, it is still a shocking achievement! shocking.."

The mysterious writings on the Tiandao Stele slowly flowed, and finally revealed their true form.

Gu Shaoyang of Cangqing Sect, in the early stage of True God Realm, ranked...

Fifty-third!

"puff!"

Bei Minjue spurted out a mouthful of blood, his eyes opened wider than a copper bell, and his ugly old face was extremely ferocious, still full of horror and shock.

Jin Donglai was also severely shaken.

Chapter 50 Three!

Even if he was engraved on the Heavenly Dao Monument when he first entered the True God Realm, he actually climbed to the fifty-third place, dozens of places higher than himself!

Jin Dong's eyes when he came to look at Shaoyang had become completely horrifying. How terrifying is this person's potential?

In other words, if this person wants to kill him now, wouldn't it be as easy as crushing an ant?!

Jin Donglai felt his whole body was cold, My hands and feet are cold, and I no longer have the momentum and temperament of the proud overlord before..Tail.

Chapter 564

Gu Shaoyang had no expression on his face, standing under the shadow of the Heavenly Dao Monument that stretched across the sky and the earth, as high and majestic as the sky, giving people a sense of majesty as a son of the sky.

Even Jin Donglai can't compare to this.

The fifty-third name on the list of the True God Realm of the Tiandao Monument, belonging to Gu Shaoyang, was as dazzling as the sun, deeply hurting the eyes of Jin Donglai and Bei Mingjue.

"Today, none of you can escape!"

Gu Shaoyang shouted loudly and glanced coldly at Bei Mingjue.

A bone-chilling chill suddenly occurred in Bei Mingjue's heart, and a thick shadow of death emerged.

The next moment, his pupils shrank suddenly, and a handle was reflected in his eyes. The scarlet spear filled with murderous intent.

The tip of the spear pointed directly at his eyebrows, giving Bei Mingjue a terrifying feeling of being penetrated.

"ah!"

Bei Mingjue roared, and tried his best to activate the nine chains of the king's soldiers.

The nine chains of the king's soldiers formed a spider web-like shape, and the spear pierced the center of the spider web, constantly pressing down.

Bei Mingjue tried his best to activate the chains of the king's soldiers. With such power, his already old face was aging rapidly, like a ghost.

Gu Shaoyang threw a shot at Bei Mingjue, without looking at him again, he turned to look at Jin Donglai indifferently, and said lightly: "It's your turn."

"Ten days of rotation!"

Jin Donglai roared angrily, and slapped a palm towards Gu Shaoyang. His palm was like the sky. Ten great suns rose on his palm, and the whole space was illuminated extremely brightly.

There are four laws and secrets in each great sun. Circulation, the comprehension level of each derived secret is more than 50%. The ten great suns are connected end to end, forming a huge red roulette that presses hard towards Gu Shaoyang. Gu

Shaoyang just glanced at this majestic and magnificent scene, and then slashed out with a flat sword

"The five elements flow."

The five-color sword light, which was more brilliant than all the rays of the ten great suns combined, lit up in the sky.

The ten great suns were burst one after another like bubbles under the sword light.

"The power of the five laws, the fourth derived secret, are all perfect?!"

Jin Donglai exclaimed in horror, "How is that possible?!"

The tenth round of the great sun has been cut through, and the five-color sword light remained unabated and struck Jin Donglai in an instant.

Jin Donglai groaned and spurted blood from his mouth, dyeing the skirt of his clothes red. Before, Feng Shen The jade-like grace was gone.

Gu Shaoyang's feet moved slightly, and in the next second he appeared in front of Jin Donglai, who was flying upside down.

Jin Donglai's eyes shrank to the size of needlepoints, his expression was frightened, and he already showed uncontrollable deep fear..

Gu Shaoyang held the sword in his right hand and punched Jin Donglai hard with his left hand.

The dark ripples on his fist were condensed but contained unimaginable terrifying power, and he hit Jin Donglai firmly on the chest without any fancy.

Jin Donglai His expression froze and froze for a moment.

Then the whole person exploded with a "bang" and turned into a blood mist.

An illusory figure of Jin Donglai walked out of the blood mist. He was confused at first. When he woke up and saw Gu Shaoyang clearly, his appearance had changed. His face was full of horror.

Jin Donglai...Being killed by Gu Shaoyang was beyond courageous.

Jin Donglai's soul turned around and ran away, traveling tens of thousands of miles away in an instant.

Looking back, he found that Gu Shaoyang was still standing behind him, exactly the same as before.

It's like he hasn't moved at all

"The secret of space law and speed!"

Jin Donglai screamed.

Gu Shaoyang had no expression on his face and slowly raised the long sword in his hand. A breath of destruction rose up from the sword.

Killing the soul is the best way to attack.

Jin Donglai was boundless Overwhelmed with fear and terrified, Shinobu shouted:"Ancestor, save me!"

"Boom!"

As Jin Donglai's voice came out, the sky in the ancient forbidden land slowly cracked, and supreme majesty descended.

A big hand stretched out from the crack in the sky and quickly grabbed Jin Donglai.

"Give mercy to others..."

A vast, thick, indistinguishable voice came from the crack in the sky accompanied by a big hand.

A stream of light shot toward Gu Shaoyang's face.

Gu Shaoyang caught it steadily, took a look, and then slowly took back the sword.

Jin Donglai's soul was taken away by the unknown ancestor of Shenzhao Sect, and what was left to Gu Shaoyang was a soul storage bracelet.

Gu Shaoyang glanced at it casually. There were only a huge amount of elixirs and Yuanjing inside, and nothing else.

"What an old fox...."

Gu (bhff) Shaoyang shook his head and turned to look at Bei Mingjue.

Bei Mingjue had been nailed to death in the void by the king's soldiers' spears. He had become a human body when he died, with a look of disbelief on his face.

A dark chain was suspended in the void, and together with Bei Mingjue, it was nailed to death by the king's spear, twisting like a snake.

"reap the consequences.."

Gu Shaoyang muttered something in a low voice, then stretched out his hand and Wang Bing's spear flew into his hand.

This ancient spear is a mid-level king's weapon, containing overwhelming killing intent. It is a first-class killing weapon. Gu Shaoyang plans to keep it when he uses his physical strength, or prepare for the future.

This is the only chain that seals the ancient spear....

"It would be a pity to only use it to lock up soldiers because it contains the power of destruction...."

Gu Shaoyang whispered:"It's better to use it to achieve my Qixing Longyuan."

Qixing Longyuan suddenly trembled with excitement, and Wang Bing's chain trembled slightly, as if he had predicted his next fate.....

Qingzhou, Cangqing Sect.

Everything was as quiet and peaceful as usual.

Suddenly, in the sky outside Cangqing Sect, the void suddenly opened, and flying boats came out one after another.

Each flying boat is as big as a mountain and extremely gorgeous.

The number of flying boats in total is no less than a few hundred, and they are flying toward the Cangqing Sect with great force and momentum.

The flying boat group quickly touched the Cangqing sect's protective formation.

An old and majestic voice sounded from inside the sect.

"Who visits our Cangqing sect?"

The majestic voice rolled like thunder. Countless Cangqing sect disciples were alarmed and flew out one after another. They looked at the flying boat group outside the sect with surprise and uncertainty. Is this an invasion from the sect?!

Two figures also appeared in the sky above the Cangqing sect. In the void.

One is old and clear, with an immortal spirit, and the other is handsome and young, but full of white hair.

Both of them looked at the flying boat group outside the guardian formation with solemn expressions.

The flying boat group was touching the Cangqing sect's protective formation. It had stopped when it came, and then a figure wearing a golden robe flew out from the lead, the most luxurious and huge spaceship.

Accompanied by hearty laughter

"Hahaha, I didn't think well, and Meng Lang was wrong. The two masters can't blame me."

The man in golden robe straightened up solemnly, bowed in the direction of Cangqing Sect, and said in a deep voice: "Jin Su, together with the disciples of Jinming Sect, came to congratulate Cangqing Sect!"

Congratulations?!

Not only the two leaders of the Cangqing Sect, but also all the disciples of the Cangqing Sect were stunned.

What congratulations?

What congratulations does the Cangqing Sect have?

At this time, a ray of light had already flown out of the flying boat of the Jin Ming Sect. There is a figure, and someone is singing on the side

"Jin Ming Zongxian...Ten thousand thousand-year-old purple jade corals..."

"One Thousand Bottles of Yuan-Creating Pills..."

"Thirty million yuan of top grade Yuan Jing..."

The priceless gifts one after another confused everyone, and they still didn't understand what Jin Mingzong was congratulating him for.

Before Jin Mingzong finished singing the ceremony, a large group of flying boats flew out of the void on the other side.

A dull sound came from afar

"Disciples of Pixin Sect came to congratulate Cangqing Sect..."

Well...

Everyone was completely confused...

Chapter 565

The flying boat of the Pixin Sect also quickly flew close to the Cangqing Sect, and then like the Jinming Sect, a disciple named Pixin came out and sang the ritual list.

Listening to the treasures on the gift list, the eyes of the Cangqing Sect disciples jumped wildly.

They are all treasures that ordinary warriors dream of, but now they are presented in hundreds or even thousands like cabbage.

It made them extremely jealous.

At the same time, the doubts in my heart became even worse.

The Pixin Sect of the Jinming Sect all said they were congratulating the Cangqing Sect, but they were still confused as to what exactly they were congratulating.

The clear old Taoist and the handsome young man in the sky are both the same - their eyebrows are furrowed.

"What kind of medicine are these two old ghosts selling in their gourds? You say congratulations to me from the Cangqing sect. Where can I, the Cangqing sect, get the congratulations?! Could it be that there is some deceit involved, deliberately tricking us into opening the sect-protecting formation and welcoming them in? ! "

The handsome young man with white hair shook his head, "It doesn't look like it. If there is really a conspiracy and the two sects want to attack our Cangqing sect, they won't carry so many precious things with them.

Those are genuine talents. Earth treasure."

Old Taoist Qinghui nodded, but the doubt on his face became even more intense.

Finally unable to bear it any longer, Old Taoist Qinghui spoke in a deep voice, and his rich voice spread quickly.

"The two sects of Taoist friends came here for the happy event, hoping to clear up the confusion for the poor Taoist."

Jin Mingzong and the head of the Pixin Sect looked at each other with a look of astonishment on their faces.

"Don't you know?"

"What should we know?"

Old Taoist Qinghui asked back.

Jin Su, the head of the Jinming Sect, couldn't laugh or cry, and replied word by word: "Gu Shaoyang, a disciple of your noble sect, first entered the True God Realm and was engraved on the Tiandao Stele. He ranked 53rd on the True God Realm list of the Tiandao Stele.!"

The whole Qingzhou was shocked, you Cangqing sect didn't know?!

The leader of the Pixiu Sect also said: "It is natural to congratulate you on such a great joy for having a proud son!" There are many sect leaders from Qingzhou who are on their way here. Taoist friend Jin Su and I arrived early."

The words of the two reverberated in the sky like thunder on a sunny day, shocking everyone in the Cangqing sect to freeze.

The old Taoist Qinghui and the handsome young man looked stunned.

"Is there a disciple of my Cangqing sect who has been inscribed on the Tiandao tablet? And he was ranked fifty-third after entering the True God Realm for the first time?"

"Hiss hiss..."

Both of them gasped.

The difficulties and achievements involved are so great that they are simply unimaginable.

"Gu Shaoyang!"

The handsome young man murmured in a low voice: "That's the disciple with the mysterious black sword in his destiny!"

Old Taoist Qing Kui had a complex look on his face, "Only he has this possibility."

After a short period of silence, the disciples of Cangqing Sect completely exploded!

"Damn it! Someone from our Cangqing sect was engraved on the Heavenly Dao Monument, and he was ranked 53rd on the True God List for the first time after entering the True God Realm! This is amazing!"

"Gu Shaoyang! Isn't Gu Shaoyang the one who ranks first among the elite disciples in the Zhumai Martial Arts Competition?!"

"It's unbelievable that our first direct disciple Jiang Feng, Senior Brother Feng, is only at the bottom of the True God Realm list, but Gu Shaoyang is actually ranked 53rd?! horrible"

"Doesn't this mean that Gu Shaoyang's current strength has surpassed that of senior brother Jiang Feng?!"

"Not just beyond, the two are completely different, almost the same as the sky and the earth. To put it bluntly, Senior Brother Jiang Feng is not qualified to be compared with Gu Shaoyang now!"

"...."

All Cangqing disciples were excited.

Excited, thrilling, shocked, horrified, unbelievable...

The heated discussion continued for a long time.

The most shocked among them should be the people at Canglan Peak.

"Forest...Senior Sister Lin Lan, did I hear you correctly?..."

A Canglan Peak disciple stammered:"They are talking about Junior Brother Gu? Our Junior Brother Gu Shaoyang from Canglan Peak?!"

The rest of the people all had their mouths wide open, looking extremely shocked. It was unimaginable and they didn't dare to believe.

Lin Lan's performance was no better than theirs. Her lips were slightly opened, her eyes were blank, and she didn't come back to her senses at all.

Junior Brother Gu... the Junior Brother Gu who she watched with her own eyes when he was introduced and who became an instant success when his talent was determined.

It has grown to such a height in just a few years.

Not to mention her, even the unattainable Senior Brother Jiang Feng was far behind him.

The real dragon has disappeared into the clouds, and its head and tail are hard to see.

For a moment, Lin Lan felt infinite sigh and loneliness in her heart.

"This boy has already reached the peak of his power and cannot be suppressed even if he wants to."

"It's a blessing, not a curse, but it's a curse that cannot be avoided."

Old Taoist Qinghui sighed softly: "I hope he is the blessing of our Cangqing sect."

.....Asking for flowers.....

After saying that, Old Taoist Qinghui looked solemn and shouted: "Open the mountain gate and welcome the two sect leaders in!" The mountain gate of Cangqing Sect opened wide, and many flying boats slowly sailed into the sect.

The entire Cangqing sect was filled with joy. This was a grand occasion that had not happened in thousands of years.

And in the distant void, there seems to be a flying boat slowly sailing out.....

At this moment, Gu Shaoyang didn't know that the fact that he was ranked 53rd on the list of true gods of the Tiandao Monument had already caused a sensation.

Gu Shaoyang's name has become famous in Qingzhou.

Gu Shaoyang has left the ancient forbidden land and has not yet left the Tianyuan Martial Realm.

That guy Luo Hongwen had secretly left the ancient forbidden land when Gu Shaoyang was trying to break through to the True God Realm and Jin Donglai was fighting Bei Minjue, and now he doesn't know where he went.

0.....

Gu Shaoyang randomly found a place for retreat.

He took out the King's Soldier Chain and placed the Seven-Star Longyuan on the other side, and then...

"Extract attributes!"

The original power of destruction was extracted by Gu Shaoyang and injected into Qixing Longyuan.

Qixing Longyuan hung in the air and trembled endlessly in the mid-air.

The sword of Qixing Longyuan flowed with jet-black streams of light, emitting streams of light. The terrifying breath of destruction is transforming to a higher level. The top-notch divine weapon breaks through the king's weapon, a rare feat in ancient times.

Now, it will be repeated in the hands of Gu Shaoyang.

With the injection of the power of destruction one after another, the Seven-Star Longyuan The originally clear and transparent sword body, like a puddle of clear spring, also gradually changed.

The color gradually became darker, like a clear sky turning to dark night.

The aura of Qixing Longyuan became more and more terrifying, directly shattering the void.

"Buzz.."

The dead snake-like king's soldier chain whined, and the last bit of the original power of destruction was extracted by Gu Shaoyang.

It has also completely fallen from being a low-grade king's weapon to a top-grade divine weapon.

The aura of Qixing Longyuan surged, and the luxurious and perfect sword body turned completely black. Looking carefully, Gu Shaoyang felt that it was somewhat similar to the black sword in Qinglong's mouth.

"boom!"

Finally, Qixing Longyuan completely stepped into the ranks of the king's soldiers.

In an instant, the void shook, and the color of the sky and the earth changed. In the sky above Gu Shaoyang's retreat, clouds from all directions gathered, forming a huge vortex, and the atmosphere was astonishing....Zhang.

Chapter 566

Sorry, I made a mistake in the last chapter. Jiang Feng is at the bottom of the list of gods, not the list of true gods. It should be said that Gu Shaoyang's achievements, rather than his strength, left Jiang Feng far behind. Mixed up writing...

The vision of Qixing Longyuan being promoted to King Soldier attracted the attention of many people in the Tianyuan Martial Realm.

"what is that? What an amazing weather!"

"There must be an ancient treasure appearing in this world! The resources of this Tianyuan Martial Realm are extremely rich, and the ancient great master who created this realm must also be a person who can reach the sky. The treasures left by such people... tsk tsk.."

"Go quickly!"

The eyes of a True God Realm warrior showed fire and eagerness, and they all rushed towards the place where the astonishing vision appeared.

Soon, they arrived at the place where the vision appeared.

All the astonishing auras came from one Hidden cave

"Over there!"

"Come inside and take a look!"

Dozens of True God Realm powerhouses rushed towards the cave where the aura came from.

Suddenly, a white and fat figure of "827" emerged from the soil at the entrance of the cave, wielding four flying swords and blocking it in an old-fashioned way. In front of many true gods, he scolded in a sweet voice: "Master...retreat in seclusion. You can't come in!"

The eyes of many True God Realm powerhouses lit up.

"What a smart ten thousand year old jade ginseng!"

"It would also be great to catch him and become a Dannu."

"It says there is someone in the cave?!"

"not good!"

A strong man in the True God Realm suddenly whispered and said nervously: "Someone must have obtained some ancient treasure inheritance in the Martial Realm, and they are currently refining it!"

Others immediately felt that it made sense.

Only those at the True God Realm and below can enter the Tianyuan Martial Realm. The Ten Thousand Years Jade Ginseng in front of them only has the cultivation level of the Tianzun Realm.

If you think about it, you can guess the cave. He is definitely not a great person.

Since he is not a powerful person, the only person who holds the treasure is...Lucky man!

The faces of many true gods showed jealousy, and their expressions became more and more anxious.

"Hurry in, don't let him succeed in the sacrifice!"

A group of people rushed towards the cave in a hurry, and for a moment no one knew how many pairs of big hands were grabbing at the Wannian Jade Ginseng.

Fubao was so frightened by this formation that he screamed, grabbed a few small swords and flicked them. He shrank back into the earth.

Just when dozens of true gods were about to rush to the entrance of the cave, and dozens of attacks were already blasting towards the cave. Suddenly

, the world became silent.

Everything in the world seemed to have stopped.

An unspeakable terrifying murderous intention and terrifying power quickly rose from the cave.

Then, a breath burst out of the hole!

"court death!"

Accompanied by an icy sound that rolled out like thunder from the sky.

A majestic sword light shot out from the cave, like the Milky Way in the Nine Heavens suddenly rushing out.

Dozens of True God Realm eyes widened, not yet After seeing clearly what was going on, he was completely swallowed up by the sword light.

"boom!"

The remaining force of the sword light blasted a big hole out of the ceiling of the Tianyuan Martial Realm. The entrance to the cave was completely clean, with dozens of True God Realm members not even a trace of dust left.

Not far away, there were dozens of people who had just arrived and had time to rush up. The true god realm powerhouses happened to witness this scene with their own eyes.

They were all so frightened that they could hardly control the escape light.

"In the cave, who is...?!"

"Kill dozens of true gods with one sword!"

"I'm afraid only a strong person in the God Lord realm can execute this sword!"

"But how could there be a God Lord Realm in the Martial Realm?!"

Amidst the shock of these people, an indifferent young man with great splendor and unparalleled beauty slowly walked out of the cave. The young man had a cold temperament, his eyes were like stars, his face was like the moon, and his body was filled with extremely terrifying sword energy and murderous intent. Like an otherworldly sword fairy who has been banished to the human world.

The most attractive thing is the sword in the young man's right hand.

The light of the sword is like night, flowing with cold light and dim light. If you stare at it for a long time, it seems to absorb the soul of the person. Inhale it and crush it thoroughly

"This is..."

Everyone opened their eyes wide and suddenly exclaimed:"Wang Bing!"

"The real king of soldiers! Moreover, it is a sword, a rare killing weapon!"

"It is countless times stronger than the half-step king weapon in the hand of Alchemy Sect Luo Hongwen!"

The expressions of these people all became excited, and their eyes revealed a strong greedy and fiery look. However, they all calmed down after being swept away by Gu Shaoyang's cold gaze.

"Walk!"

A dozen True God Realm powerhouses seemed to have made an agreement, and they fled in all directions without a trace in an instant.

Gu Shaoyang was too scary, or in other words, the king's weapon was too scary.

Dozens of True God Realm people came up together. They were all killed instantly by his sword. Why don't they leave and stay for cooking?

Fu Bao emerged from the mud again and saw everyone running away, then he smiled proudly. Then he crawled along Gu Shaoyang's thighs to Sitting on his shoulder, his cute big eyes were full of admiration for Gu Shaoyang.

Gu Shaoyang looked at the Seven Star Long Yuan in his hand, and there was a bit of strange color in his eyes.

"Using the true god realm to command Wang Bing, he can only exert about 10% of his power at most. This is how Bei Mingjue controls the chain of the king's soldiers.

However, Qixing Longyuan has been with me since I was young. With the same breath and mind, I can actually exert at least 30% of my power.....

If I strike with all my strength now, I'm afraid I can kill even a strong man in the God Lord realm."

At this time, Gu Shaoyang felt that it was a very wise decision to extract the attributes of the Wang Bing Chain to become the Seven Star Long Yuan.

Gu Shaoyang's expression quickly became cold again.

"With Qixing Longyuan in hand, even if those guys covet the king's soldiers in my hand, they can't do anything to me. They can kill as many people as they come..."

Gu Shaoyang was sure that those people before would spread the news after seeing that he had Wang Bing in his hands.

Just like Luo Hongwen back then, it was just a half-step king's weapon that made Luo Hongwen hunted down by more than a dozen pride-level people. Now he has a real king's weapon in his hand, and it is also a killing weapon. , jealous people will only be stronger, more

"We can no longer go to meet Senior Brother Shi and others like this, otherwise we will only injure them and we have to leave on our own."

Gu Shaoyang made up his mind and quickly headed towards the exit of the martial realm with the Jade Ginseng Fortune Treasure.

As soon as Gu Shaoyang stepped out of the martial realm, several towering auras suddenly came down, completely sealing the void. , separated from each other, but the target they were targeting was Gu Shaoyang.

Gu Shaoyang's expression turned cold.

Divine Lord Realm!

And not one Divine Lord Realm!

At least four!

Then, Gu Shaoyang's shadowy figures walked out from all directions, all of them The true god is also a powerful person in the Tianzun realm.

Most people stared at the Seven Star Longyuan in his hand with greedy and fiery eyes, while the rest looked at him with pity, sighs and gloating.

Fu Bao was overwhelmed by this formation. , it was so frightened that it kept hiding behind Gu Shaoyang.

Gu Shaoyang patted its little head and took 5.5 it into the realm of chaos.

At this time, thunder was rolling in the sky, and four figures appeared in the sky around Gu Shaoyang at the same time. He was surrounded in the middle.

All of his body exuded the extremely powerful aura that belongs to the realm of God Lord, swaying in the void.

A tall and handsome young man with slender eyebrows looked down at Gu Shaoyang and said lightly:"That boy, leave the king's soldiers in your hands." Come on, I can spare your life.

Such treasures are not something you can possess in the True God Realm."

"What a waste of resources"

"Your blessings are shallow. Even if you hold this king's weapon, you will not be able to grasp it. It will only bring death to yourself."

The other God Lords also echoed, all of them with sanctimonious expressions on their faces.

Gu Shaoyang smiled coldly, lifted Qixing Longyuan, laid it flat on his chest, and said lightly:"Want Wang Bing? Yes, if you have the ability, come and pick it up in person."

As soon as these words came out, the whole audience was shocked.

Chapter 567

The True God Realm experts who were watching shook their heads and sighed, looking at Gu Shaoyang as if they were looking at a madman.

"I'm afraid this man is crazy. Does he think he can fight against the God Lord realm with the king's soldiers in hand? Haha, it's just the early stage of a true god"

"The realm of the four divine masters is here. This person is doomed today."

"Alas, what a pity for this king-killing soldier. It's about to change hands before it's warm in this person's hands."

"I'm curious how to divide the four divine masters of Wang Bing?"

Many onlookers were talking about it. One of them opened his eyes wide and looked in the direction of Gu Shaoyang.

"Gu...Brother Gu?!"

Luo Hongwen blinked his eyes hard, as if he couldn't believe what he saw in front of him.

"Wasn't Brother Gu driven into the ground by a joint attack from Jin Donglai and Bei Minjue? Even if he didn't die, he shouldn't have escaped so smoothly?"

"And he also has an extra king weapon in his hand! This is...his original sword! The aura is similar to Bei Mingjue's King's Arms Chain!"

"Now that brother is out, where are Jin Donglai and Bei Minjue?"

Luo Hongwen was stunned, and thoughts were racing in his mind. He couldn't understand why it was such a result. At the same time,

Luo Hongwen felt extremely regretful. He should have stayed in the 20th Ancient Forbidden Land for a longer time if he had known it.

At that time, he mainly escaped because he saw that Bei Mingjue and Jin Donglai were in the imperial army. He was afraid that Yuchi would be affected, and he also believed that Gu Shaoyang was seriously injured and dying.

"You are a little kid, your cultivation level is not high, but your tone is quite loud."

After Gu Shaoyang's words came out, one of the four God Lords who looked like an old man shook his head and spoke. The eyes he looked at Gu Shaoyang were undoubtedly looking at a dead person.

The handsome young God Lord who was the first to speak said calmly: "You don't have to talk nonsense with him. Kill people and seize troops first, and then we'll each rely on our abilities."

"good."

No one disagreed.

A beautiful woman-like God Lord covered her mouth and giggled: "Everyone, please be merciful if trouble arises later. This person's energy and blood are as strong as the sun in the oven, and his energy and energy are soaring into the sky. His appearance and temperament are the first-class handsome men that are hard to find in the world.

I really like him very much and want to keep him by my side and love him well."

The remaining three divine monarchs shook their heads speechlessly, and immediately stopped talking, and all moved towards Gu Shaoyang.

Four slender, old, or delicate, sky-covering hands fiercely grabbed Gu Shaoyang, and the aura of the divine master realm split the void, seeming to cut through the void. This world is divided into four parts, each part is a different world.

The four God Lords take action at the same time, and the power makes countless true gods change their colors and tremble just by looking at it.

This power, let alone a true god In the early stage of the realm, even if you are at the peak of the true god realm, even if you are a half-step god master, you will be beaten into powder.

As for Gu Shaoyang, in the eyes of everyone, he has already been destined to turn into gray in the next second.

Gu Shaoyang has no expression on his face. He did not use the Seven-Star Longyuan in his hand.

Instead, he took a deep breath and raised his left hand. Suddenly, five dark demonic suns rose on his fist, strange and domineering.

At the same time, Gu Shaoyang's eyes also changed endlessly. There seemed to be the sun, moon, stars, and everything flowing in it, as if it contained a complete world.

Gu Shaoyang punched lightly, hitting the air.

Five rounds of dark magic sun exploded at the same time.

The point of this explosion was mysterious and mysterious, and it happened to be in a In an extremely delicate situation.

This point exploded, seeming to break the balance of the previous separatist momentum of the four divine masters.

The four big hands collapsed and exploded at the same time in an instant.

"What?!"

All four of them exclaimed, with shocked expressions on their faces.

This strange scene was even more incredible than when Gu Shaoyang suddenly disappeared in front of them. The

True God Realm experts who were watching were also stunned.

They couldn't think of anything. Understand why the punch from the early stage of the True God Realm hit the air, and all the attacks of the four God Lord Realms collapsed.

This is really weird.

The Eye of Reality, this is the power of the Eye of Reality.

Plus Gu Shaoyang's twelve-star power, which is comparable to the attack power of the God Lord Realm, is blessed with five times the power of time. It is easy to break through the four God Lord Realm's joint attacks. When the breath of the four God Lord Realms was released, Gu Shaoyang had already raised his hand. He picked up the sword in his right hand and slashed hard at one of them, the goddess who had teased him before and said that he wanted to take him as his face. The five elements flowed and were blessed by ten times the power of time.

Plus ,...Thirty percent of the power of the king's soldiers!

When the sword was slashed out, the color of the world changed.

The four powerful men in the God Lord Realm felt a sense of great terror and crisis in their hearts at the same time, and their expressions changed drastically.

Almost in no particular order, they retreated crazily into the void behind them.

As for the goddess targeted by Gu Shaoyang, her beauty turned pale and she screamed in shock.

"Uh-huh!"

The power of the God Lord to dominate the world was cut open by Gu Shaoyang like a hard-boiled egg. The eyes of the Goddess were about to split, and her pretty face was full of panic and fear.

She tried to escape and tore open a layer of There was a layer of void, but the sword light behind her was still approaching.

Finally, the sword light penetrated through her body.

The goddess was directly cut into two halves, and the upper and lower delicate bodies were separated, like a beautiful peony that had been forcibly cut off. Flower.

Then in a few breaths, in full view of countless people, it quickly withered, disappeared, died, and turned into a puddle of ashes and disappeared....

There was a deathly silence.

Everyone was immersed in the peerless grace of Gu Shaoyang's sword.

It's so shocking, so scary, so scary, so dreamy.

In the True God Realm, kill the God Lord with one sword?!

I'm afraid I can't even dream of doing this.

The three powerful men in the God Lord realm who had escaped the disaster stared at the place where the Goddess Lord died, horrified.

The look in Gu Shaoyang's eyes was no longer like looking at a lamb carrying a heavy treasure to be slaughtered, but like looking at an ancient beast that had awakened from silence.

"Well...."

In the crowd, Luo Hongwen's mouth opened wider than his fist, his expression as if he had seen a ghost.

His expression was sluggish and shocked, and his heart was fluctuating like a turbulent sea.

"Gu...Brother Gu actually killed a person in the realm of God Lord?!"

Luo Hongwen couldn't believe it. He suddenly came to his senses and his eyes suddenly opened wide.

Since Gu Shaoyang can kill even the God Lord realm with one sword, the fate of Bei Mingjue and Jin Donglai can be imagined. The biggest winner in the world is naturally Gu Shaoyang.

After killing the frivolous goddess, Gu Shaoyang withdrew his gaze and stopped looking over there. His cold eyes swept across the whole place, overlooking the world, and finally fell on the remaining three. On the body of a strong man in the name of the God Lord.

He raised the Seven-Star Longyuan and said calmly and coldly every word: "Wang Bing is here, who else wants it? Come and get it!"

The three God Lord Realm experts looked at each other and seemed to have reached a tacit understanding. They turned around at the same time in an instant, disappeared into the void, as if they had never appeared.

Then, the quiet side of the field suddenly erupted and boiled.

The onlookers of the True God Realm warriors were almost crazy with shock.

What did they see?

Four God Lord Realm surrounded and killed an early True God Realm warrior, but the latter killed one person and scared away three people!

Is this really true? Could you be dreaming?

Chapter 568

Gu Shaoyang glanced at the field. Everyone was avoiding his gaze and no one said a word.

He sneered disdainfully and disappeared into the void.

When Gu Shaoyang left, a violent commotion suddenly broke out in the silent field.

"Damn it, the True God Realm killed the God Lord with one sword! Even with the blessing of Wang Bing, it would be too scary."

"The true god realm might not be able to exert even 10% of the power of the king's soldiers. The main reason is that this person's fighting power is extremely terrifying. The punch that broke the combined momentum of the four god masters and the sword that killed the god master were both amazing!"

"Who is this person? Such an amazing talent and beauty, he must be either the saint son of the great sect or the blood of the divine emperor!"

"With such combat power, he should have a place on the list of true gods of the Heavenly Dao Monument!"

There were bursts of exclamations in the field, and suddenly someone exclaimed, "I know! It must be that person!"

"who?!"

Everyone looked at the person who spoke.

There was a look of shock on the man's face and he said: "A few days ago, there was a big change on the list of true gods on the Tiandao Monument. There was a Qingzhou prodigy who rose up and entered the true god realm for the first time. Ranked fifty-third on the True God List of the Monument!"

The entire Qingzhou has been shaken!"

"What?!"

Everyone looked shocked, and the impact was greater than when Gu Shaoyang killed the God Lord with one sword before.

If Gu Shaoyang killed the God Lord before, he could still attribute part of the credit to Wang Bing, but it was engraved on the Tiandao Monument and ranked fifth on the list of true gods on the Tiandao Monument. Thirteen people are completely relying on themselves.

It is the recognition of heaven and earth, the recognition of heaven.

"Hiss..."

"He can rank fifty-third at the early stage of True God Realm. What kind of monster is this?!"

"The bloodline of the God Emperor and the bloodline of the God Lord are nothing more than this, right?"

"Not only that!

The man who spoke said in a deep voice:"Do you know who he stepped on to get to the top?""

"who?"

"The Holy Son of Shenzhao Sect, Jin Dong, is here!"

As the man spoke word for word, the place suddenly became quiet, and there was a gasp.

"On the day this son emerged, the name of Jin Donglai, the great son of Shenzhao Sect, also completely disappeared from the Tiandao Monument.

You should know what this means, right?"

Everyone nodded with complicated faces.

There are only two possibilities for his name to be erased from the Tiandao Monument.

Either he was ranked lower and was directly squeezed out by the latecomers, just like Bei Mingjue before.

Either he died, or his vitality was lost. He was seriously injured and his strength declined significantly.

Jin Donglai was originally ranked more than 80 on the Tiandao Monument True God List. It was absolutely impossible for him to be squeezed out of the True God List.

That could only be the latter case.

Gu Shaoyang and Jin Donglai has entered the Tianyuan Martial Realm, it is obvious

"Jin Donglai...Fell here?!"

Everyone shouted in horror.

"I haven't fallen yet, but I can't follow you much...."

The speaker shook his head and explained:"It is said that Jin Donglai was beheaded, and a ray of soul was brought back by the ancestor of the Shenzhao Sect himself...."

Everyone on the field was completely speechless.

This news was so shocking and shocking that they could not digest it for a while.

When Jin Donglai arrived at Mirage City, everyone saw it with their own eyes.

It was such a peerless character, but he was killed to the point where his ancestor had to retrieve his soul. Thinking about it, it feels tragic.

Now thinking of Gu Shaoyang's record of killing the God Lord, everyone began to feel that it was natural.

The proud man at the top of the list of true gods in the Tiandao Monument indeed has the combat power to crush the average god master realm.

One person in the field was stunned when he heard this, and his heart was filled with turmoil.

It is Luo Hongwen.

Luo Hongwen finally knew what happened in the ancient forbidden land at that time.

Unexpectedly, Jin Donglai was actually killed by Gu Shaoyang.

If he had known that Gu Shaoyang had such incredible potential, he should not have escaped in the first place.

Or, when Gu Shaoyang was besieged by four God Lords just now, it was also a perfect opportunity for him to stand up and unite with Gu Shaoyang to repair the relationship. pity...

Both opportunities were wasted by Luo Hongwen.

Luo Hongwen was so depressed that his intestines almost turned green.

If you can become friends with someone like Gu Shaoyang, its value is not inferior to a great opportunity.

"well..."

Luo Hongwen let out a long sigh and walked away feeling ashamed and regretful.

After the battle in Mirage City, Gu Shaoyang's name began to spread in Yunzhou.

When he first entered the true god realm, he ranked 53rd on the list of true gods on the Heavenly Dao Monument. He beheaded the body of the Holy Son of the Great Sun of Zhaozong, and then beheaded a strong man in the god master realm. He held the killing king's weapon....

Gu Shaoyang was like a rising star that shocked countless people in Qingzhou and Yunzhou.

With the blessing of the speed secret of the Space Law, Gu Shaoyang traveled very fast, rushing back to Cangqing Sect from Mirage City in just five days.

The mountain gate of Cangqing Sect was opened, and all kinds of flying boats came and went in an endless stream, as if a grand event was being held.

Gu Shaoyang was slightly surprised. There were Cangqing disciples guarding the mountain gate.

As Gu Shaoyang approached, two disciples who were in the early stage of True God Realm immediately stopped him.

".who? From what sect? Do you have any gifts to bring? If so, go to the other side to register, and the Cangqing Sect will naturally give you a gift in return when you leave."

Gu Shaoyang's Cangqing disciple's robe was destroyed in the previous battle, so he changed into an ordinary moonlight robe. Before he could take out his identity token, he was shocked by the words of the two gatekeeper disciples. Have to be stunned

"A congratulatory gift? Gu

Shaoyang couldn't help but ask:"What great event happened to the sect that actually attracted so many outer sects to come to congratulate it?""

The gatekeeper looked at him strangely,"You are.."

Gu Shaoyang said calmly:"I am also a disciple of Cangqing."

After saying that, he took out his identity token.

The gatekeeper's face immediately relaxed and he smiled and said,"This senior brother must have been practicing outside for a while before returning to the sect."

Gu Shaoyang nodded.

The gatekeeper disciple immediately pulled Gu Shaoyang and said with a smile: "Then I have to explain it to you carefully."

"Do you know what is the biggest thing happening in Qingzhou recently?"

"What is it?"

Gu Shaoyang's eyes flickered and he asked back.

The gatekeeper's face showed a strong look of pride and he said with high spirits: "That is the second direct descendant of my Cangqing sect. Senior Brother Gu Shaoyang is ranked 53rd on the list of true gods of the Tiandao Monument. It's a big deal."

Gu Shaoyang had a weird look on his face and said, "Is there still such a thing?"

The gatekeeper laughed, pointed at the flying boats flying overhead like fish, and said proudly: "Look at these foreign flying boats loaded with gifts, isn't it the best proof?"

Chapter 569

Gu Shaoyang only realized after listening to the gatekeeper disciple that he was engraved on the Tiandao Monument, and that he was ranked 53rd on the True God List, which had already shocked Qingzhou.

Only then would countless sects, large and small, come to congratulate the Cangqing Sect.

The head of Cangqing even directly named Gu Shaoyang as his second direct disciple, second only to Jiang Feng.

Gu Shaoyang has now become the idol of all the disciples in the sect, even more popular than Jiang Feng.

After all, Jiang Feng did not reach his level of achievement when he was in the True God Realm.

Moreover, Gu Shaoyang has just entered the true god realm, and there is still a lot of room for improvement. It is very likely that he will not stop at the 53rd place on the true god list.

Potential is the scariest thing.

After Gu Shaoyang understood the situation clearly, he planned to enter the sect, but found that the gatekeeper was a talkative one.

He kept talking for a long time without stopping at all. It seemed that he would talk for three days and three nights.

Gu Shaoyang was extremely annoyed and was about to go in directly. Suddenly, a hesitant and unbelievable voice sounded in his ears: "Gu...Senior Brother Gu Shaoyang?!"

Gu Shaoyang turned around and saw four or five people standing close to him. The void not far away.

He didn't know these people, but their faces were very familiar. Gu Shaoyang suddenly remembered that these were disciples of Canglan Peak.

Seeing Gu Shaoyang turn around, several Canglan Peak disciples suddenly showed expressions of excitement and ecstasy on their faces. They flew up one after another and came to Gu Shaoyang. They said respectfully and uncontrollably with excitement: "Senior Brother Gu, you finally came back. Zong!"

Gu Shaoyang nodded and glanced at a few people.

Xiao Chuhan, who had joined the Cangqing Sect with him, was surprisingly among them.

When Xiao Chuhan saw Gu Shaoyang's gaze, he saluted him with great respect and shouted: "Senior Brother Gu."

Xiao Chuhan had completely given up the idea of competing with Gu Shaoyang when Gu Shaoyang won the first place among the elite disciples of Zhumai Huihui.

At that time, he knew that Gu Shaoyang was a real dragon. When he entered the Great Thousand Domains, he entered the sea and soared into the sky.

And he, the number one genius in the Middle Thousand Domain Realm, can only be ignored by everyone.

Now Gu Shaoyang is so high in the sky that Xiao Chuhan can't even look up.

The one who was most surprised was the gatekeeper disciple who had just bragged to Gu Shaoyang.

"you...Are you Gu Shaoyang?!"

The gatekeeper disciple opened his mouth wide and stared at Gu Shaoyang in disbelief. He couldn't say a word.

He remembered the Jade Talisman of Gu Shaoyang's image that the sect had distributed to all disciples some time ago, and hurriedly took it out to compare.

Only then did he notice the station. The disciple in front of me is extremely hard to find in terms of appearance, figure, demeanor and demeanor. He was completely blinded before and only focused on bragging and ignored this.

"Have you met Gu...Senior Brother Gu!"

The gatekeeper disciple was ashamed and hurriedly saluted Gu Shaoyang.

Gu Shaoyang just smiled and said, "Then can I enter now?"

The gatekeeper disciple said quickly: "Of course, of course."

When Gu Shaoyang was surrounded by several Canglan Peak disciples and approached the Cangqing Sect, the gatekeeper's face turned red, he used all his energy and shouted loudly in the direction of the sect.

"Respectfully welcome Senior Brother Gu Shaoyang back to the clan!"

"Respectfully welcome Senior Brother Gu Shaoyang back to the clan!"

"Welcome...."

The gatekeeper disciple shouted three times, until he almost collapsed and all the energy in his body was exhausted.

Following his three shouts, the entire Cangqing sect fell silent for a while, and the endless flow of flying boats also stopped.

Then there was a sudden commotion throughout the sect.

Countless powerful auras burst out.

Countless figures flew out from various peaks and places of the Cangqing Sect. There were disciples and disciples of the Cangqing Sect, as well as disciples of other sects dressed in different sects. Their faces were full of anticipation, excitement, joy, and curiosity.

Gu Shaoyang was recognized immediately, and then countless Cangqing disciples looked at him with admiration, saluted, and shouted in unison

"Respectfully welcome Senior Brother Gu Shaoyang back to the clan!"

The momentum was so great that it soared straight into the sky, washing away the blue clouds that were thousands of miles above the Cangqing Sect.

Gu Shaoyang is the pride of the Cangqing Sect, and now, he is back.

The leader of the Cangqing Sect, Taoist Qingyu, is the one who Old Taoist Qinghui flew up with a large number of people.

Everyone around him was very dignified and dignified. He was either the master of a sect or the leader of a sect.

Behind him were more than a dozen true descendants of the God Lord from the Cangqing sect, all of whom were full of dignity. Looking at Gu Shaoyang with a complicated face

"It's better to meet him than to be famous. The nephew of Gu Zong is really a dragon among people. Such a grace is hard to find."

A middle-aged man in golden clothes looked at Gu Shaoyang and couldn't help but admire him, his eyes flashing with strange light.

The other sect leaders also spoke one after another: "Master Nephew Gu is indeed a talented person, and he has already shown his impressive head."

"I hate that my sect Wu Gu has such a handsome person as my nephew, otherwise my luck will skyrocket for ten thousand years!"

All kinds of words of praise and praise were heard endlessly, and Sect Master Qingyu and Cangqing Sect disciples also had smiles on their faces.

As he said that, suddenly the middle-aged man in gold who was the first to praise Gu Shaoyang stepped forward and looked at him with a sincere expression. Gu Shaoyang said: "I am Jin Su, the head of the Jin Ming Sect. I wonder if Master Nephew Gu is interested in finding a martial arts partner. I have a daughter at my knees. Her appearance and qualifications are acceptable. Maybe I can make friends with Master Nephew Gu."

Everyone was stunned. The leader of Jin Ming Sect actually wanted to recruit Gu Shaoyang as his son-in-law?!

The other leaders cursed Jin Su in their hearts for being shameless. After all, he was also the leader of a sect in the God King Realm, so they looked so eager.

But everyone on the other side rushed forward and said, "If Master Nephew Gu is interested, I also have a daughter." ..."

"I have a niece who is a younger generation. Her appearance is extremely beautiful. She should be worthy of the demeanor of Master Nephew Gu...."

Gu Shaoyang was a little dumbfounded, but finally shook his head and declined: "I already have a wife and children in the lower domain."

"It turns out that Master Nephew Gu is from the Lower Domain..."

Many sects were suddenly shocked again.

To be able to soar from a remote place to the vast realm and achieve such an achievement, this talent and potential...It's absolutely terrifying.

They had underestimated Gu Shaoyang before, but they suddenly thought more highly of Gu Shaoyang.

Jin Su looked at Gu Shaoyang and became more and more fond of him. He waved his hands and said nonchalantly:"It's just my wife and children in the lower realm. I can't count them. It's no problem. When my nephew Gu marries his little daughter, I will help you pick up your wife and children." Okay."

Everyone suddenly looked down upon Jin Su.

Gu Shaoyang didn't say anything. He was directly involved in getting married, and he didn't want the face of the God King.

At this time, the leader of Qingyu came up to rescue Gu Shaoyang, smiled and said:"Everyone, let's go in and talk, don't let the disciples see the joke."

"Sect Leader Qingyu is right"

"Go in, go in first.."

Gu Shaoyang was surrounded by a group of people, welcoming him into the sect like stars over the moon....

Chapter 570

Cangqing sect's main hall.

When Gu Shaoyang walked in, he saw a young man standing in the corner of the hall and looking at him quietly.

The true disciples came in and saluted him, "Senior Brother Jiang Feng."

But they quickly turned their attention to Shaoyang.

The halo that once gathered around Jiang Feng has been completely taken away by Gu Shaoyang. Things have changed and people have changed, which makes people sigh.

Some true disciples saw Jiang Feng standing alone in the corner of the hall away from the crowd, with a lonely figure. They couldn't help but sigh and said: "At the beginning, senior brother Jiang Feng concluded that Gu Shaoyang could be inscribed on the Heavenly Dao Stele in the True God Realm and ranked on the True God List.

But I think that even Senior Brother Jiang Feng himself should not have thought that Gu Shaoyang would be ranked 53rd on the True God List as soon as he entered the True God Realm.

This potential and talent can be said to have completely surpassed Senior Brother Jiang Feng. It is not surprising. Those God King Realm sect leaders would win over Gu Shaoyang like this.."

"Hey, yes. I am afraid that from now on, Cangqing disciples will only know their second direct descendant, Senior Brother Gu, but not their first direct descendant, Senior Brother Jiang~.."

Gu Shaoyang was surrounded by a group of sect leaders in the God King Realm. They exchanged pleasantries for a while and then excused themselves and left.

The head of Qingyu will naturally cope with it.

When Gu Shaoyang left the sect hall, an elite disciple at the peak of the True God Realm immediately came up to him and said to him respectfully: "Senior Brother Gu, the master has set up a peak for you. Now you are the master of the peak and the lineage. The cave is no longer in Cang." Lan Feng."

Gu Shaoyang nodded, as he expected.

It would be a joke if, as the second direct disciple of the Cangqing Sect, he was still inferior to the true disciples.

Gu Shaoyang followed this elite disciple to a tall and beautiful giant peak, not far from the main peak of Cangqing. Various restrictions have been posted on it, as well as various vegetation, mountains, pavilions, pavilions and caves, all of which are new.

"The master personally took action and used his supreme supernatural power to create this mountain peak. The master also personally guided the vitality and spiritual veins, which is enough to support ten thousand-fold vitality pools.

No., Cangyang Peak!"

Gu Shaoyang was slightly moved. Ten thousand-fold vitality pools, even if he is a direct disciple, this treatment is too good. The elite disciple took out another exquisite spirit storage bracelet and handed it to Gu Shaoyang respectfully.

"The items belonging to the direct disciples and the rewards from the master are all inside. Please take a look at them, Senior Brother Gu..."

Gu Shaoyang took the Soul Storage Bracelet and glanced briefly. Inside were more than ten sets of gorgeous and noble robes, personal disciple identity tokens, various Yuanjing, elixirs, etc., and even a top-quality divine sword.

The head of Qingyu was really interested... but when Gu Shaoyang thought about the congratulatory gifts sent by many sects, he felt that it was nothing.

What he has in his hands is not even a drop in the ocean compared to the benefits of connections that the Cangqing Sect has received because of him.

Gu Shaoyang stepped into Cangyang Peak. Apart from thousands of slaves, there was not even a single Cangqing disciple. He still needed to slowly recruit them.

"I'll take my leave now that I've brought my things..."

The elite disciple who led the way said respectfully to Gu Shaoyang.

Gu Shaoyang nodded, and after waiting for a while, he found that the man had no intention of leaving at all.

Gu Shaoyang had a clear mind and didn't understand what he meant, so he said:"What is your name?" The elite disciple respectfully replied:"Brother Hui, my name is Qian Junming."

Gu Shaoyang nodded and said:"Junior Brother Qian, Are you willing to stay in my Cangyang Peak?..."

Before Gu Shaoyang finished speaking, Qian Junming bowed and said,"Thank you, Senior Brother Gu, for your appreciation."

Gu Shaoyang smiled and shook his head, then told Junming everything he needed to do, and then he entered the training room directly.

It was said to be a training room, but in fact the entire cave above the top of Cangyang Peak belonged to Gu Shaoyang.

The ten thousand-fold vitality pools are sparkling, like pools that have not yet melted away from the cold winter and spring.

The pool was filled with pieces of broken ice.

It was Yuan Power condensed into crystals, terrifyingly pure.

Gu Shaoyang directly entered a thousand-fold vitality pool, silently breathing in vitality to recuperate himself, while reviewing his current cultivation.

The Mystery of the Five Elements Law has been comprehended to the fourth derived Mystery, the first three Mysteries have all been comprehended from far away, and the fourth has been comprehended to 60%.

Then there is the secret of space law, the first two are perfect, and the third is 50%.

This is the biggest aspect of improvement, followed by physical cultivation.

The triple life gate is opened, and with the power of the twelve stars, within the limits of the physical body, one can use a punch that will be annihilated for seven days.

"My current strength is at the level of an ordinary God Lord. With the blessing of the king's soldiers, I can kill with one sword at will. But it's hard to say for a genius-level God Lord. Like many peak masters of the Cangqing Sect, I should be able to win easily...."

Gu Shaoyang thought, opening his own realm of chaos.

The Realm of Chaos has changed a lot since the beginning.

·····Asking for flowers···0A little clear light in the chaos, a small tree as tall as one person is green and green, with branches and leaves swaying slightly.

Under the tree lies a fat and white baby, which is a lucky treasure of jade ginseng.

Fu Bao was sleeping soundly. Every time he breathed, he would spit out a part of his pure vitality, which would be absorbed by the little tree.

The same small tree also has some clear light absorbed by it.

Unknowingly, Fu Bao's cultivation level has reached the fourth level, which is equivalent to the peak of Tianzun Realm.

"You have a good chance..."

Gu Shaoyang couldn't help but sigh softly.

Fu Bao has been accompanied by the young tree that represents the origin of the realm of chaos for many years, which is equivalent to the first living being born in this world, and is like an innate god and demon.

Both potential and destiny have been changed, and the future is limitless.....0

There are five colors of light flowing on the small tree like clouds, which is the manifestation of the law of the five elements.

Gu Shaoyang took one step forward and reached the bottom of the small tree.

There is also a sense of distance. This is the manifestation of the law of space.

"After that...law of time.."

Gu Shaoyang was thoughtful, his soul returned to his body, and began to slowly absorb the pure vitality outside his body.

The Realm of Chaos is like a greedy mouth, swallowing up the vitality in the thousand-fold vitality pool.

Soon, a vitality pool was empty.

Then the second one, the third one...

In the realm of chaos, the sun, moon and stars slowly appear....

The Cangqing Sect had been celebrating the grand event for more than a year before the heads of many sects began to say goodbye and leave.

During this period, the news that Gu Shaoyang killed a powerful person in the God Lord realm in Yunzhou also spread to the sect, causing quite a stir.

This is also one of the reasons why many leaders stay for so long.

Gu Shaoyang has now become a favorite in their eyes, a future god with unlimited potential, so they want to win over him at all costs.

Just when Gu Shaoyang's name spread throughout Qingzhou and Yunzhou, news bigger than the sky was suddenly spread.

Emperor Puluo is about to die and is looking for someone to be his son to succeed him as the God Emperor!

As soon as this news came out, not only Qingzhou Yunzhou, but also the entire Daqian Realm was shocked.

The God Emperor is about to die, what a big deal this is.

Moreover, there is also the inheritance of the mantle of the God-Emperor, and the position of the Emperor's Son, which affects the hearts of countless people.
