Chapter 981

After saying that, Gu Shaoyang got up and set off towards the top of the mountain, but Feng Xiaodi had been uneasy ever since he knew that there was a package left by the old man for his grandson on Gu Shaoyang's body.

There were several times when he almost fell down when going up the mountain. If Gu Shaoyang hadn't caught him quickly with quick eyes and hands, he would have fallen directly.

"What are you walking for? Watch the road well!" After saving Little Brother Feng two or three times, Gu Shaoyang was also a little impatient. If he kept doing this and didn't react and failed to save him, wouldn't he just fall down?

"Thanks!" Little brother Feng also realized his gaffe, but he just couldn't control his mind.

"It's okay, just pay attention!" Gu Shaoyang replied impatiently. After saying that, he walked around Feng Xiaodi and walked in front of him.

When Feng Xiaodi walked behind Gu Shaoyang, he kept trying to hold Gu Shaoyang and tell Gu Shaoyang his His true identity.

But every time he was about to say it, he seemed to think of something, and finally endured it.

In this way, Gu Shaoyang and Feng Xiaodi each spent another two days and one night hiding their thoughts.

"No more! too tired! I must have a good sleep! Brother Feng, if you have something urgent to do when you go up the mountain, you can go ahead without waiting for me."

Gu Shaoyang waved goodbye to Little Brother Feng, and Little Brother Feng immediately followed Gu Shaoyang and spread out on the snow.

"It's okay, I happen to be a little tired too, let's rest together and go up the mountain together later, so that both of us can take care of each other."

Brother Feng said and smiled awkwardly. He closed his eyes and went to sleep regardless of Gu Shaoyang's wishes. Gu Shaoyang just shook his head helplessly, and then lay down to sleep beside him.

But after Gu Shaoyang fell into a deep sleep, he lay on the bed. Feng Xiaodi suddenly opened his eyes.

Suddenly he left Gu Shaoyang's side and walked to a high place alone to look at the foot of the mountain. Only when he was alone did he reveal his truest emotions..

Tears fell uncontrollably on his sleeping face and fell to the snow, and the tears that fell on the snow instantly turned into ice.

When Gu Shaoyang woke up and found that no one was around to look for him, what he saw was Feng Xiaodi looking to the east alone. He was crying at the foot of the mountain.

When he saw Feng Xiaodi like this, he originally wanted to tease him, but he gave up the idea of not wrapping him up.

"Dahan! Come and see what your grandfather gave you."Gu Shaoyang said directly after seeing Feng Xiaodi's appearance, and then turned to a place where he could not see him and took out the package.

Feng Xiaodi, who was crying alone, did not expect that Gu Shaoyang would wake up suddenly, and he would see him falling. The look of tears. What surprised him even more was the name called out from Gu Shaoyang's mouth - Dahan!

Since he had been on the snow mountain for so long, except for being ignorant and ignorant and telling strangers his real name when he first came up, he had never heard of it. He never told anyone else.

But at this moment, Gu Shaoyang suddenly called his name, which made him feel surprised and unbelievable.

"What are you doing? Why should a grown man cry?"

Seeing that Feng's brother didn't respond for a long time and had no intention of coming over, Gu Shaoyang could only walk over and shout to him again.

After Gu Shaoyang put down his words, he was about to turn around and wait for him below, but when he turned around Feng The younger brother suddenly stopped him

"What did you just call me?"As if to verify his conjecture, Brother Feng stopped Gu Shaoyang and asked, and Gu Shaoyang could guess that he was unbelievable.

So he called his real name again:"I call you Dahan! Little Brother Feng is not your real name at all. Your grandfather has already told me your real name."

Gu Shaoyang shrugged, looking very impressive. When Xiaodi Feng saw this, he was really convinced that Gu Shaoyang knew his true identity, so he hurried down to see the package that grandpa gave him.

"You see, your grandfather gave it to me for so long, but I have never opened it, and the contents inside have definitely not been lost."

Gu Shaoyang took the package out of the space ring and handed it to his hand. Feng Xiaodi's eyes turned red when he looked at the package that Gu Shaoyang handed him. It has been almost four years since he went up the mountain! He has not seen him for four years. His grandpa!

In the past four years, he didn't know whether his grandpa was doing well at the foot of the mountain, whether he had gained weight or lost weight, and he didn't know whether his grandpa was sick or bullied...

When he thought of his grandpa, Feng Xiaodi's tears couldn't stop anymore, and they fell on the package.

Gu Shaoyang was not a tender person, but after seeing Feng Xiaodi like this, he couldn't help but feel soft and hugged him directly.

"Cry, although I don't know why you didn't come down from the snow-capped mountains for so long, but I think you have your reasons after all. Now that you know your grandpa is waiting for you at the bottom of the mountain, I think you should go down and see his old man."

Gu Shaoyang's younger brother Lou Feng patted him on the shoulder and consoled him.

Chapter 982

But after Feng Xiaodi, who was sobbing quietly, heard Gu Shaoyang's words, his tears were like a flood bursting from a dam, and he could no longer stop it.

"I don't want to either! I also want to go back to see grandpa! But I'm stuck! I'm stuck!"

Little Brother Feng was sobbing and kept talking, but when Gu Shaoyang heard his words, he was just wondering why he was trapped?

Now Little Brother Feng was crying so hard that Gu Shaoyang couldn't ask anything, so he could only wait. After he calmed down, he could ask.

But Feng Xiaodi just leaned on Gu Shaoyang's shoulder and twitched, like a child. Gu Shaoyang also patted his back gently and gently, which was a silent comfort.

Finally, Gu Shaoyang didn't know how long it took, Feng Xiaodi finally got tired of crying and stopped crying, and left Gu Shaoyang's shoulder.

"Finished venting?" Gu Shaoyang couldn't help laughing when he looked at his red and swollen eyes, and after venting, Feng Xiaodi finally showed a smile. The icy face he had always had before disappeared. Gu Shaoyang knew when he saw his smile that now He is the one who truly relaxes his vigilance and truly trusts him

"Go and see what your grandpa brought you. There seems to be a letter home written by your grandpa."

Gu Shaoyang patted him on the shoulder and pointed to the package in his arms. When Little Brother Feng heard that Gu Shaoyang said there was a letter from his grandfather, he immediately opened the package carefully.

Little Brother Feng opened it all within two seconds, and after opening it What appeared in front of him was a simple letter from home, a piece of his favorite osmanthus cake, the protective armor he gave to his grandfather before, and the wooden sword that his grandfather carried with him.

Although there were only four items, But for grandpa, everything is carefully prepared for his grandson, and these things are the only things that grandpa can get.

Especially grandpa's magic weapon!

It doesn't mean that this thing is grandpa's life. However, because whenever there is a fight, the magic weapon can play a very important role, but now grandpa gave it to him.

Although he did not have a blood contract with the magic weapon, as long as grandpa does not summon it, the magic weapon will not go back

"My grandpa...he...is he okay?"Picking up the contents of the package, Feng Xiaodi looked at Gu Shaoyang and asked

"Don't worry, grandpa's body is quite healthy. I've checked with him and he doesn't have any diseases. He's just a little nutritionally deficient. It should be because he has been staying at the foot of the snow-capped mountains and not eating well."

Gu Shaoyang told the truth about his grandfather's situation. After hearing that his grandfather was malnourished because he had been staying at the foot of the mountain, Feng Xiaodi suddenly became very angry.

"them! It must be them!"Little brother Feng stood up suddenly, his eyes filled with anger, as if he recalled something that made him very angry.

"who is it? What happened?"Gu Shaoyang, who didn't know why, looked at Feng Xiaodi and asked curiously. After all, Feng Xiaodi must have met a lot of people in the snow mountains for so many years.

And what happened between him and those people, Gu Shaoyang didn't know. Got it

"I was cursed by the snow girl because I picked snow lotuses from the Tianshan Mountains. I will never be able to go down to the snow mountain in my life. And as long as I try to get close to the foot of the mountain, my grandfather will die because of me."

"So I have been afraid to go down the mountain for so many years. I also secretly tried to look at grandpa in the dark, but I found that whenever I got closer to grandpa, his body would feel inexplicably uncomfortable."

"So I didn't dare to get close to him anymore. And I always know that grandpa is guarding the bottom of the mountain for me, so I often give the things I got in the snow mountain to people who are about to reach the bottom of the mountain, and ask them to help me bring the things to grandpa."

"The things I gave them were very nourishing to the body, and I also gave them corresponding rewards. But now you tell me that grandpa is malnourished, it only means that those people did not give things to grandpa, but He stole it for himself!"

Little brother Feng told Gu Shaoyang briefly about the matter, and after listening to it, Gu Shaoyang finally understood why he was angry.

He obviously often brought things to grandpa, but he couldn't give the things to grandpa. Those people didn't even say a word. The news arrived, making the old man completely unaware of the situation he was going up the mountain.

"Then you didn't ask anyone to carry anything for you anymore?"

Gu Shaoyang saw that he had seen through the faces of those people, so he continued to ask

"Yes, after I found out, not only did I not let them carry things for me, I also blocked them from getting what they wanted."

Little Brother Feng took a deep breath, his eyes a little dodgy. Because some of the people he blocked lost their lives because of his blocking.

"So you're preventing them from getting what they want, and have you achieved your goal?"

Gu Shaoyang knew that what he did was wrong, and he had to speak to him properly. Although he had no identity, in order to build virtue for the old man, he had to speak to him!

Chapter 983

"Brother Gu, don't worry, I will never do that again! But when you go down the mountain, can you help me bring the things to my grandpa."

Feng Xiaodi said that he immediately took out all the things he had saved.

When he placed them neatly on the ground, Gu Shaoyang suddenly understood why the old man loved his grandson so much.

In the meantime, he was windy on the snow. The things that I saved for my grandfather are almost ten meters long. If these things are sold down the mountain,

I dare not say tens of millions of taels of gold, but at least a few million taels is more than enough, and Little Brother Feng gave so much concession before. You can imagine how much someone brought down the mountain to Grandpa.

It's no wonder he was so angry. After seeing so many things, Gu Shaoyang was finally able to understand.

"Okay, put it away quickly, what does it look like displayed like this!" Gu Shaoyang saw that Brother Feng was still taking things out, laying them out neatly.

Then he immediately stopped him and asked him to hurry up and help: "If you want me to carry so many things, I won't do it! If you want to take it, take it to your grandfather personally and hand it into your grandfather's hands!"

Gu Shaoyang said the last few words with extra force, but Feng Xiaodi pursed his lips again when he heard his words.

"Brother Gu, I also want to bring it to grandpa myself, but I am trapped on the mountain and can't get down at all. I...I can only ask you!"

"If you don't even help me! Then... wouldn't it be that all the things I saved were in vain?"

Little brother Feng said that his eyes were red again, and tears were already packed in his eyes and were about to flow out. Gu Shaoyang just felt a headache when he saw him like this. Why didn't he find that this kid was so crying when we first met him? He just said a word. This look!

"have to! have to! have to! Don't cry yet! I haven't finished saying this yet! Look why you are so anxious!"

In order to prevent Feng Xiaodi from crying, Gu Shaoyang quickly interrupted and suppressed the tears that were about to flow out.

"I mean, since you can be trapped on a snowy mountain, you will definitely be able to lift the curse and get down the mountain after so long! This is why it is said that to untie Ling, one still needs to tie the bell!"

Gu Shaoyang said seriously, but after hearing this, Little Brother Feng sighed deeply: "Brother Gu, if only it was as easy as you said!"

"It's not been a year or two since I was trapped on this snowy mountain! I've tried everything, but I still can't go down!"

Little Brother Feng said very frustrated, and how could Gu Shaoyang not know that he must have thought of a way.

But with the power of many people, the way Little Brother Feng thought may not work, but it does not mean that the way he thought of will not work! Maybe! It was a success!

"Do not be discouraged! Let's go and think of a solution first. You have to tell me why you are trapped first. I can only help you if I know the reason first."

Gu Shaoyang and Feng Xiaodi have been delayed here for several hours. If they don't leave, half a day will pass.

"Okay, let's talk as we go." Feng Xiaodi took the initiative to lead the way and led Gu Shaoyang towards the top of the mountain. However, the path he led was no longer directly around the snow-capped mountains, but a more convenient path.

"Why doesn't this direction seem right?" Gu Shaoyang saw that the direction was wrong, but he didn't see the clues, so he couldn't help asking curiously.

"Brother Gu, try closing your eyes and feeling it with your heart, so that you will know which road is the closest and where there is no danger."

Hearing Xiaodi Feng's words, Gu Shaoyang tried to close his eyes, and after closing his eyes, it was exactly as he said. He couldn't see clearly which road was closest or what was there.

The entire snow mountain was like this. After doing it, it seems to be transparent and there is no privacy at all.

"This is amazing! How did you find out?"

Gu Shaoyang couldn't help but ask curiously after trying Feng Xiaodi's method. Feng Xiaodi knew so many things, which proved that he must have suffered a lot on the snow mountain.

Otherwise, how could he have explored the snow mountain so thoroughly?

"It's just an accidental knowledge, it doesn't matter, as long as you can use it, Brother Gu!" Little brother Feng seemed to be praised, and he scratched his head shyly, with a blush on his face.

"Okay, this method does work. Now you can quickly tell me why you are trapped."

No longer entangled in irrelevant things, Gu Shaoyang went directly to the topic, and Feng Xiaodi began to fall into memories.

"At that time, my grandfather had inconvenient legs and feet, was in poor health, and almost died. Our family was poor and we had no money to treat my grandfather, let alone buy supplements for him. I had no energy left."

"So I simply went to the snow mountains to try my luck and wanted to bring Tianshan Snow Lotus back to my grandfather for treatment, but who would have thought that I would be so lucky! I really found the Tianshan Snow Lotus!"

Feng Xiaodi recalled that his face was full of pride.

Chapter 984

Gu Shaoyang looked at his expression and could probably imagine his mood at that time. You must be very happy, because with Tianshan Snow Lotus, grandpa's disease will be cured!

Moreover, after having Tianshan Snow Lotus, grandpa does not need to buy supplements, and they can even sell the uneaten Tianshan Snow Lotus.

In this way, their grandfather and grandson's life will definitely get better and better, but something unexpected happened to them suddenly. With my grandfather and grandson, all the beautiful fantasies came to nothing.

"Well, then what happened to you on the snowy mountain?"

Gu Shaoyang saw that Little Brother Feng was still immersed in sad memories, so he reminded him to continue talking.

"As a result, when I got the Tianshan Snow Lotus, I met the Snow Girl on the snow mountain, and then...then I fell in love with her."

When he talked about this, Feng Xiaodi couldn't help but blush again, and Gu Shaoyang couldn't help but be surprised when he heard his story.

Because he didn't expect this boy to be so lucky! Not only did he get the Tianshan Snow Lotus, but he also had a love affair on the snow mountain. , and it was with the sacred snow girl!

This is something that normal people dare not think about, but it really happened to this kid!

"Then did your relationship with Yuki Onaga go bad later on? And then she locked you up on this snowy mountain?"

After Gu Shaoyang heard what Feng Xiaodi said, he made up a big drama in his own mind, but the reality was not what he thought, and it was exactly the opposite situation.

"No! There is no conflict at all between Yuki Onna and me! On the contrary, I have a very good relationship with her. She loves me and I take care of her. We are like good friends and confidants."

Brother Feng recalled the days he spent with Xue Nu, and the corners of his mouth unconsciously raised with yearning. But after hearing his story, Gu Shaoyang couldn't understand it again.

"So since you two have such a good relationship, why does the Snow Girl lock you up on a snowy mountain? And you are not with her now."

Gu Shaoyang looked around and made sure there were only two of them around. Then he raised his head and looked at Feng Xiaodi, waiting for his answer.

"Because I got what I wanted, and after I got it, I needed to go down the mountain to find grandpa. I had to save grandpa."

"So I stubbornly wanted to go down the mountain. And she and I also had a big quarrel because of this matter, and finally we broke up."

"When I woke up, I originally wanted to go down the mountain temporarily and give the Tianshan Snow Lotus to my grandfather, and then go up the mountain to report the ceremony to her, but I couldn't leave."

Little Brother Feng lowered his head and shook his head helplessly. After hearing this, Gu Shaoyang could probably understand why Little Brother Feng could not leave the snow mountain.

"Then why don't you go find Yuki-onna and explain to her? As long as you explain things clearly to her, then she will definitely be able to understand you!"

From the perspective of Gu Shaoyang, an outsider, the actual problem between Feng Xiaodi and Xue Nu has always been a misunderstanding. As long as the misunderstanding is cleared up, it will be resolved naturally.

By that time, Feng Xiaodi will not only be able to go down the mountain, but also be able to hug If you want a beautiful woman to return home, why not do it!

"But I can't find her! The snow-capped mountains are her territory. Although you can see the snow-capped mountains very clearly with your eyes closed, she is the one who decides here after all. If she wants me to see her, I can see her. If she doesn't want me to see her, I can even see her hair. not see!"

Little brother Feng said very helplessly, but there was also some doting in the helplessness: it seems that this boy still dotes on this snow girl, many of them are so gentle to her no matter how they talk.

Gu Shaoyang observed silently in his heart, and Feng Xiaodi still continued his answer

"I had yelled loudly on the snow mountain to explain to her that I wanted to see her, but she directly told me that she would trap me until my grandfather passed away!"

"I immediately got angry after hearing her answer. My grandfather is very important to me, but she wanted him dead, so I had another fight with her over this matter."

Little brother Feng sighed helplessly, and his head couldn't help but swing from side to side. He seemed to regret that he had quarreled with her.

"Then what? No contact?"Gu Shaoyang saw that Feng Xiaodi was silent again, so he could only remind him again

"Then that was the last time I talked to her and contacted her. Since that time, I have never heard her voice or seen her person again."

Speaking of this, Feng Xiaodi is still a little disappointed and misses the days when he and Xue Nu were together, but time has passed and he doesn't know whether his expectations can be realized.

"So do you know where she usually stays? I think you can look at the places where you two have been, maybe she will be there."

Gu Shaoyang gave him an idea and guessed, and the reason why he said that Snow Girl might be in the place where they had been was because the two of them had such feelings, and he had been on the snow mountain for so long, and Snow Girl did not hurt him.

Chapter 985

Then it can only mean that Xue Nu has him in her heart and is reluctant to hurt him! In this case, Yuki-onna will definitely stay in the place where they met and fell in love to miss every moment with him.

"The snow girl and I met not far ahead, but I often passed by and never saw her!"

After listening to Gu Shaoyang's words, Feng Xiaodi also felt that it was very possible, but he was like this on the snow mountain, and he had never met her again.

"Let's go over and have a look." Gu Shaoyang thinks that his inability to see Xue Nu should be caused by Xue Nu's magic, but it is impossible to change a person's aura.

If Xue Nu is really there, as long as Feng Xiaodi feels it seriously, he will definitely be able to see her.

Under Feng Xiaodi's leadership, Gu Shaoyang came to the place where they met for the first time. According to Feng Xiaodi's description, there should have been a snow pavilion here, but now it has disappeared.

"Feel it carefully and see if you can feel the scent of the snow girl?"

Gu Shaoyang took advantage of Little Brother Feng's feeling and walked around to check, hoping to find some clues.

"No! There is no scent of her here." Little brother Feng closed his eyes and felt it, but the result was the same as before. There was no smell of the snow girl here.

"I always feel like something is wrong here. This is not the place where you first met." Little brother Feng has finished feeling it, and Gu Shaoyang has also finished checking it, and the conclusion he gave is very certain.

"How could it be possible? This was where I met her. There was originally a snow pavilion, but she broke it into pieces when I quarreled with her."

Little brother Feng is also very sure that this is the place where he and Xue Nu met, because according to his memory, this is how he walked here.

"wrong! It must not be here! Let's go back the way we came! Don't walk with your eyes closed this time."

Gu Shaoyang suddenly remembered that when they went up the mountain, they both walked with their eyes closed in order to see the road. Although they could see the road more clearly with their eyes closed, some things that could only be seen with the eyes would be ignored.

Facing Gu Shaoyang, he said that he wanted to see the road clearly. Little Brother Feng was a little puzzled when he returned to the road, but he trusted Gu Shaoyang very much, so he followed what he said and did not refute.

In this way, the two of them had come so far with great difficulty, and now they had to waste time. go back

"Brother Gu, do you think something is wrong?" Walking on the road, Feng Xiaodi looked to see if Gu Shaoyang went to the roadside to check again, and also let Feng Xiaodi feel the scent of Snow Girl.

But nothing was found along the way, but Gu Shaoyang still persisted in doing so.

"Forget it, Brother Gu, I may never see her again in this life."

After dozens of failures, Feng Xiaodi no longer has any hope, because he has tried to find it over the years, but the results are still unsatisfactory.

"It's a little too early to say this now, look what's there." Just when Feng Xiaodi lowered his head in despair, Gu Shaoyang suddenly saw a broken but repaired snow pavilion.

He poked Feng Xiaodi's head and asked him to look up, but when he saw it, his face was filled with tears. Unbelievable, looking very expectant

"Let's go up and have a look." When Gu Shaoyang saw that he was still stagnant in place, he patted his head and then pulled him up.

After going up, what Gu Shaoyang saw was a super large snow castle besides the snow pavilion.

"Is this where she lives?" Gu Shaoyang followed Feng Xiaodi to the snow pavilion and asked, but Feng Xiaodi had no intention of answering his question at this moment.

Because at this moment, Feng Xiaodi's whole body was focused on the snow pavilion. Gu Shaoyang saw Without disturbing him, he leaned directly on the snow pavilion, waiting for him to recall the past.

But who knew that when Gu Shaoyang had just leaned on the snow pavilion, an accident happened.

In just a moment, the originally broken snow pavilion suddenly collapsed. The whole thing collapsed, but Feng Xiaodi was still standing inside. He was caught off guard and was buried.

When Gu Shaoyang saw this, his heart suddenly rose to his throat!

But before he could react to save people, a woman suddenly He flew out of the snow castle and landed in front of Gu Shaoyang.

"What did you do to my snow pavilion! go to hell!" Facing the woman who suddenly flew out and attacked him, Gu Shaoyang recognized her identity instantly.

He originally wanted to explain that he didn't mean it, and Feng Xiaodi was still suppressed underneath, but Xue Nu seemed to be angry and took action Each move was fiercer than the last, and every move was aimed at Gu Shaoyang's life.

At first, Gu Shaoyang just kept dodging, but as time went by, the snow girl became more and more serious and used more and more force. Gu Shaoyang's physical strength was in the snow mountain. He couldn't catch up to Xue Nu, so he was unable to avoid it.

For the sake of his own life, Gu Shaoyang had no choice but to take action, hoping to quickly restrain Xue Nu and save Feng Xiaodi.

Chapter 986

In this way, Gu Shaoyang and Xue Nu fought back and forth again and again. Neither of them gave in to the other, nor did they admit defeat.

But Xue Nu is a woman after all, and her strength is not as strong as Gu Shaoyang's, so she can no longer move after Gu Shaoyang grabbed her hands, and Gu Shaoyang was finally able to explain it well.

"Okay, Snow Girl! Let's not fight! It's better to save your sweetheart quickly! He was buried in the snow pavilion!"

After capturing Xue Nu, Gu Shaoyang quickly explained that he was afraid that Xue Nu would do some dirty tricks. Then it would not only be him who would be unlucky, but also Feng Xiaodi who was buried in the snow pavilion.

"Freeze said! Where did I get my sweetheart from?" Because Xue Nu didn't know Gu Shaoyang, she just thought that what he said was deliberately diverting her attention.

"Take a look! Don't even think about walking out of here alive today!" As expected by Gu Shaoyang, Xue Nu really had a back-up plan!

Before Gu Shaoyang could react, icicles suddenly protruded from behind him and rushed straight towards his back. Fortunately, Gu Shaoyang sensed the danger in time. Dodge.

Then she barely managed to escape, and Xue Nu also regained her freedom because of Gu Shaoyang's sudden avoidance, and was no longer bound by him. The icicle that Xue Nu had just cast also instantly plunged into the snow.

After Gu Shaoyang dodged the icicle He glanced subconsciously, and couldn't help but feel scared when he saw such a thick icicle. If he hadn't reacted in time just now, blood would have been splattered on the spot now!

"no! Can you please listen to my explanation?" Gu Shaoyang saw that Xue Nu was not someone to be trifled with, so he wanted to make a truce and use words to explain, but Xue Nu didn't want to hear anything.

"Shut up! You ruined my stuff and you want to make excuses for yourself!" Xue Nu was paranoid and wanted to use Gu Shaoyang's life to extinguish the anger in her heart.

But Gu Shaoyang couldn't do anything no matter how much he tried to persuade her, and Xue Nu also decided that he didn't believe him.

But Gu Shaoyang could only keep fighting with Xue Nu, and he only wanted to Little Brother Feng who was buried in the snow pavilion was fine and could survive.

Otherwise, even if he defeated the snow girl and successfully went down the mountain, he would not be able to explain to the old man. After all, his grandson was fine on the mountain, but he lost his life because of him.

For a while, only Gu Shaoyang and Xue Nu were seen on the snow mountain, going back and forth. The two of them flew to the east and west, and their moves never stopped.

And Xue Nu's fortress was also partially destroyed due to the fight between the two. The smell of gunpowder smoke was very strong over time.

Some of the creatures around the fortress were also affected by the fight between the two people, and they ran away one after another, running around looking for new places to settle down.

When the snow girl saw that the creatures under her management were affected, she even took the responsibility It's all put on Gu Shaoyang's head

"all because of you! All the creatures on the snowy mountains are homeless!"

Xue Nu's anger suddenly increased, and Snow Mountain suddenly began to snow like goose feathers because of her anger. For a while, Gu Shaoyang could not see clearly the scene in front of him. He could only watch the perception of danger and Xue Nu continue. Struggle.

Looking at the goose-feather heavy snow, Gu Shaoyang suddenly remembered the snow elves. They had not recovered yet when he treated the snow elves like that before, but now it suddenly snowed, and they might all wake up.

If they wake up and go up the mountain to find the snow girl , then he might be even worse!

Thinking of this, Gu Shaoyang couldn't help but pray in his heart, hoping that the snow elves would not think of it, let alone come up the mountain.

"Cher!"

While Gu Shaoyang was praying and fighting with Xue Nu, a small voice suddenly came out from the snow pavilion.

Xue Nu immediately froze after hearing the sound from the snow pavilion, and Gu Shaoyang hit her. A palm also fell hard on her body.

Withstanding Gu Shaoyang's palm, Xue Nu immediately flew out tens of meters due to inertia.

Gu Shaoyang looked at the Xue Nu who was sent out by him and immediately retracted his palm. , even though he tried his best to control it, he still couldn't control it.

"Snow girl! sorry!"Gu Shaoyang looked at the snow girl who fell to the ground and immediately stepped forward to help her up, but before Gu Shaoyang could get close to her, the snow girl had already stood up from the ground and staggered towards the snow pavilion, and then she didn't use her hands. She kept picking at the fallen ice on the snow pavilion.

At this time, Xue Nu and Gu Shaoyang had stopped fighting, so the surroundings were very quiet. At this time, Xue Nu also heard the faint call from inside the snow pavilion.

"Xue'er, I'm sorry, I didn't want to leave you. sorry....."

The snow girl, who was kneeling next to the snow pavilion, picking up ice cubes, could only hear the people inside apologizing, and the voices became quieter and quieter, and finally disappeared.

However, when the snow girl heard that there was no sound inside, her expression became even more sluggish, and her hands holding the ice became harder and harder.

Gu Shaoyang hurried forward after seeing her movements, but he did not directly open it with his hands like Xue Nu, but directly cast a spell.

Chapter 987

After Gu Shaoyang's spell, all the ice cubes on the snow pavilion were removed in a short while, and Feng Xiaodi, who was buried underneath, was finally revealed.

But when Xue Nu saw Feng Xiaodi's injuries and bleeding wounds caused by being hit by ice cubes, tears immediately flowed from her eyes.

When all the ice blocks on Feng Xiaodi's body were removed, he had already fallen into a coma, and his breath was very weak.

"not good! Your breath is too weak and needs immediate treatment!"

After removing the ice from Feng Xiaodi's body, Gu Shaoyang immediately checked his pulse and treated him. Then he immediately made a series of judgments and actions very rationally.

But Xue Nu was obviously panicked at this time, as if she had made a mistake. Like a child, she has no idea what she should do

"what to do! what to do! save him! please! Save him!"

Xue Nu looked at Gu Shaoyang helplessly. Just now she was so arrogant in fighting with Gu Shaoyang, and now she is so humble asking for help from Gu Shaoyang.

And Gu Shaoyang has no mind to think about other things at this time, he is just thinking about it now I want to bring Little Brother Feng back from the hell gate.

"You go prepare a clean room and a clean bed. He must stop bleeding all over his body! Otherwise he will bleed to death!"

Gu Shaoyang calmly ordered Xue Nu, and he immediately and urgently took off the clothes on Little Brother Feng, and then took out the blood coagulation pill from the space ring and fed it to his mouth to temporarily stop the bleeding. Although the blood coagulation pill has miraculous effects on stopping bleeding, , but it treats the symptoms rather than the root cause, so in the long run, you still have to bandage the wound cleanly and let the wound scab.

"OK! I'll get ready right away!"After receiving Gu Shaoyang's instructions, Xue Nu immediately turned around to prepare, but when she turned around, she saw a mess behind her.

Her originally clean fortress was now because of her willfulness just now and she refused to listen to the explanation, insisting on Gu Shaoyang's life. It was caused by fighting.

And Feng Xiaodi's weak breath and needing rescue at this time were all caused by her paranoia. Thinking about this, Xue Nu felt even more self-blame, and her tears couldn't help but fall.

"Now is not the time to blame yourself, saving others is the most important thing!" Gu Shaoyang looked at Xue Nu standing there and bowed and could tell her emotions at this moment.

At this time, he didn't have much patience or good mood to comfort her. He could only seek truth from facts and teach her to distinguish things. First and second, otherwise if something happens to Little Brother Feng, she will feel even more uncomfortable.

Sure enough, after listening to Gu Shaoyang's words, Xue Nu immediately wiped away her tears, then stood in front of the fortress and cast spells to restore the fortress, and it didn't take long for the fortress to be restored. As before

"okay! Bring him in quickly!"

Xue Nu immediately called Gu Shaoyang after cleaning up. After hearing Xue Nu's instructions, Gu Shaoyang quickly cast a spell to move Little Brother Feng into the air, and then slowly moved into the fortress.

"You lead the way. I don't know what wounds he has on his body and I don't dare to touch him at will, so I can only move him like this."

"And I can't last long like this, I have to treat his wounds later, so hurry up and find a clean place."

Gu Shaoyang simply put forward his request, and then Xue Nu immediately led him the way, and soon he came to a clean room.

"You come and hold him in the air. I will bandage the wounds on his back first, and then bandage the wounds on his front."

After entering the room, Gu Shaoyang exchanged places with Xue Nu, and Xue Nu cast a spell to fix Little Brother Feng in the air.

"Is he okay?" Xue Nu, who held Little Brother Feng in the air, couldn't help but worry about asking as she watched Gu Shaoyang keep taking out the space ring.

Gu Shaoyang's expression was very solemn, because he couldn't say anything and didn't dare to give a definite answer. So he just kept silent and selectively avoided Xue Nu's question.

When Xue Nu saw that Gu Shaoyang didn't answer, her heart skipped a beat. A bad feeling came to her heart instantly, and she couldn't control her tears. of flowing down

"I...I didn't expect this! I thought you lied to me before! I was wrong! I was wrong!"

Xue Nu was emotionally unstable, so the body of Feng Xiaodi, who was controlled by her in the air, also began to shake. This made it very difficult for Gu Shaoyang to apply medicine to Feng Xiaodi.

"Now is not the time to cry, we haven't reached that point yet! If your mood cannot be stabilized, then get out!"

Gu Shaoyang really can't stand Xue Nu crying all the time. Not only can she not be able to control Feng Xiaodi's body like this, but her sad mood will also infect Gu Shaoyang.

As a result, he can't concentrate his thoughts and can't treat him properly. Feng Xiaodi treatment

"I can control myself, I don't want to go out!" Sure enough, when Xue Nu heard Gu Shaoyang's words, she immediately stopped crying and her mood gradually stabilized.

Chapter 988

In this way, Gu Shaoyang and Xue Nu fought back and forth again and again. Neither of them gave in to the other, nor did they admit defeat.

But Xue Nu is a woman after all, and her strength is not as strong as Gu Shaoyang's, so she can no longer move after Gu Shaoyang grabbed her hands, and Gu Shaoyang was finally able to explain it well.

"Okay, Snow Girl! Let's not fight! It's better to save your sweetheart quickly! He was buried in the snow pavilion!"

After capturing Xue Nu, Gu Shaoyang quickly explained that he was afraid that Xue Nu would do some dirty tricks. Then it would not only be him who would be unlucky, but also Feng Xiaodi who was buried in the snow pavilion.

"Freeze said! Where did I get my sweetheart from?" Because Xue Nu didn't know Gu Shaoyang, she just thought that what he said was deliberately diverting her attention.

"Take a look! Don't even think about walking out of here alive today!" As expected by Gu Shaoyang, Xue Nu really had a back-up plan!

Before Gu Shaoyang could react, icicles suddenly protruded from behind him and rushed straight towards his back. Fortunately, Gu Shaoyang sensed the danger in time. Dodge.

Then she barely managed to escape, and Xue Nu also regained her freedom because of Gu Shaoyang's sudden avoidance, and was no longer bound by him. The icicle that Xue Nu had just cast also instantly plunged into the snow.

After Gu Shaoyang dodged the icicle He glanced subconsciously, and couldn't help but feel scared when he saw such a thick icicle. If he hadn't reacted in time just now, blood would have been splattered on the spot now!

"no! Can you please listen to my explanation?" Gu Shaoyang saw that Xue Nu was not someone to be trifled with, so he wanted to make a truce and use words to explain, but Xue Nu didn't want to hear anything.

"Shut up! You ruined my stuff and you want to make excuses for yourself!" Xue Nu was paranoid and wanted to use Gu Shaoyang's life to extinguish the anger in her heart.

But Gu Shaoyang couldn't do anything no matter how much he tried to persuade her, and Xue Nu also decided that he didn't believe him.

But Gu Shaoyang could only keep fighting with Xue Nu, and he only wanted to Little Brother Feng who was buried in the snow pavilion was fine and could survive.

Otherwise, even if he defeated the snow girl and successfully went down the mountain, he would not be able to explain to the old man. After all, his grandson was fine on the mountain, but he lost his life because of him.

For a while, only Gu Shaoyang and Xue Nu were seen on the snow mountain, going back and forth. The two of them flew to the east and west, and their moves never stopped.

And Xue Nu's fortress was also partially destroyed due to the fight between the two. The smell of gunpowder smoke was very strong over time.

Some of the creatures around the fortress were also affected by the fight between the two people, and they ran away one after another, running around looking for new places to settle down.

When the snow girl saw that the creatures under her management were affected, she even took the responsibility. It's all put on Gu Shaoyang's head.

"all because of you! All the creatures on the snowy mountains are homeless!"

Xue Nu's anger suddenly increased, and Snow Mountain suddenly began to snow like goose feathers because of her anger. For a while, Gu Shaoyang could not see clearly the scene in front of him. He could only watch the perception of danger and Xue Nu continue. Struggle.

Looking at the goose-feather heavy snow, Gu Shaoyang suddenly remembered the snow elves. They had not recovered yet when he treated the snow elves like that before, but now it suddenly snowed, and they might all wake up.

If they wake up and go up the mountain to find the snow girl, then he might be even worse!

Thinking of this, Gu Shaoyang couldn't help but pray in his heart, hoping that the snow elves would not think of it, let alone come up the mountain.

"Cher!"

While Gu Shaoyang was praying and fighting with Xue Nu, a small voice suddenly came out from the snow pavilion.

Xue Nu immediately froze after hearing the sound from the snow pavilion, and Gu Shaoyang hit her. A palm also fell hard on her body.

Withstanding Gu Shaoyang's palm, Xue Nu immediately flew out tens of meters due to inertia.

Gu Shaoyang looked at the Xue Nu who was sent out by him and immediately retracted his palm. , even though he tried his best to control it, he still couldn't control it.

"Snow girl! sorry!"Gu Shaoyang looked at the snow girl who fell to the ground and immediately stepped forward to help her up, but before Gu Shaoyang could get close to her, the snow girl had already stood up from the ground and staggered towards the snow pavilion, and then she didn't use her hands. She kept picking at the fallen ice on the snow pavilion.

At this time, Xue Nu and Gu Shaoyang had stopped fighting, so the surroundings were very quiet. At this time, Xue Nu also heard the faint call from inside the snow pavilion.

"Xue'er, I'm sorry, I didn't want to leave you. sorry....."

The snow girl, who was kneeling next to the snow pavilion, picking up ice cubes, could only hear the people inside apologizing, and the voices became quieter and quieter, and finally disappeared.

However, when the snow girl heard that there was no sound inside, her expression became even more sluggish, and her hands holding the ice became harder and harder.

Gu Shaoyang hurried forward after seeing her movements, but he did not directly open it with his hands like Xue Nu, but directly cast a spell.

Chapter 989

Just as he was about to assemble the snow pavilion, the snow girl suddenly appeared behind him

"Just now, I'm sorry."Xue Nu looked at Gu Shaoyang trying to piece the snow pavilion together, and suddenly thought of how she had to take other people's lives for the sake of the snow pavilion.

And she was not willing to give in, so she stepped forward and apologized for her behavior just now. Apologize to him and hope that Gu Shaoyang can forgive her.

But Gu Shaoyang looked at Xue Nu and just smiled lightly, then shook his head and said: "It's okay, I don't blame you, and didn't you also get a slap from me? Let's just The two are evenly matched!"

Gu Shaoyang scratched his head, but what he was thinking about in his heart was actually about the snow elf and snow ice spirit.

How about I take the initiative to tell the snow girl about the matter and admit my mistake to her? Otherwise, if the snow elf and snow ice spirit come to find me, Then the Snow Girl asked people to investigate again, then what happened to me?

Gu Shaoyang thought silently in his heart, and did not let go of the ice cubes in the snow pavilion in his hand.

"Well, I still don't know what your name is? Do you know Dahan?"

Xue Nu took the initiative to ask after seeing Gu Shaoyang being silent and no longer speaking. Gu Shaoyang stopped thinking alone after hearing Xue Nu's inquiry.

"Just like Little Brother Feng, you can just call me Brother Gu."

Gu Shaoyang briefly called Xue Nu, and then prepared to answer her next question. But before he could answer, Xue Nu asked again in a hurry.

"Brother Feng? who is it?" It turned out that Xue Nu's question was about who Feng Xiaodi was, so Gu Shaoyang could only explain to her again.

"Xiaodi Feng is Dahan, and Dahan is Xiaodi Feng. Because when I first met him, he told him to call him Feng Xiaodi, and I was used to it, so I didn't change it for a while."

After listening to Gu Shaoyang's explanation, Xue Nu nodded, and Gu Shaoyang also explained her other question to her again.

"I don't know him, I know his grandfather. His grandfather has been waiting for him at the foot of the mountain for four years. Isn't it just that I am going up the mountain, and then I just know that his grandfather is looking for him?"

"So I just wanted to help out along the way, just think of it as doing good deeds and accumulating virtue."

Gu Shaoyang didn't hide anything from Xue Nu, and the conflict between her and Feng Xiaodi happened to be here, so if he tells it now, Xue Nu will understand what happened to Feng Xiaodi's grandfather.

"His grandpa... is he okay at the foot of the mountain?" Xue Nu seemed to know that she had done something wrong by imprisoning Little Brother Feng on the snow mountain, so she felt very guilty towards his grandfather.

"how to say? There is no serious illness, but he is plagued by minor illnesses. In addition, the old man is severely malnourished, and he is suffering from longing, so he looks very bad."

Gu Shaoyang was a little more serious when he told Xue Nu about the old man's actual situation, because only in this way would she blame herself and understand Xiaodi Feng's desire to take care of his grandfather.

"There is no way he is malnourished! Didn't Dahan always ask people to bring things to grandpa? The things on the snowy mountains are very replenishing! There's no way he's malnourished!"

When Xue Nu's reaction after listening to Gu Shaoyang's words, he was a little surprised. All along, he only knew that it was Feng Xiaodi who worked hard to catch things on the snowy mountains.

But he didn't expect that Xue Nu was actually affected by all this, and it seemed that She is very aware of Feng Xiaodi's every move on the snow mountain.

In this case, does Snow Girl know what he did to the Snow Elf and Snow Ice Essence?

This question comes back to Gu Shaoyang's mind again: No! I have to take the initiative quickly Admit it, otherwise wouldn't I be very embarrassed if Xue Nu took the initiative to bring it up!

Gu Shaoyang thought like this, and just when he opened his mouth to tell Xue Nu, Xue Nu suddenly said first: "I know why grandpa is like this!"

"Is it because those people didn't bring the things to grandpa! Did they keep it for themselves? That must be it!"

Xue Nu was very smart and guessed the reason right away, but she still looked straight at Gu Shaoyang, wanting to verify with him whether her guess was correct.

And the way Xue Nu kept staring at him made him go to his mouth. The desire to tell the Snow Elf and the Snow Ice Elf was suppressed for the time being.

"Indeed, precisely because those people did not abide by the agreement with Dahan, they did take the things down the mountain, but they became their own possessions."

Gu Shaoyang confirmed Xue Nu's conjecture, and then wanted to take the initiative to admit his affairs, but Xue Nu interrupted him again.

"It's too much! no! I must make those people pay the price!"

"What they did was a complete waste of Dahan's efforts and his time! More importantly, it deeply hit his heart!"

Xue Nu's every word and deed was to defend Dahan, but obviously, at this time, she completely forgot that the reason why Dahan and grandpa were like this was actually because of her.

"yes! Those people are indeed hateful, but there is nothing we can do about it!"

Chapter 990

"But if Dahan could go down the mountain, none of these things would happen."

Gu Shaoyang pretended not to know that Little Brother Feng was trapped in the snow mountain because of the Snow Girl, so he said this deliberately

"If only Dahan could come down the mountain, his grandfather wouldn't have to stay at the foot of the mountain day and night and be insulted. well! How pitiful!"

Gu Shaoyang sighed while secretly checking Xue Nu's face. As he expected, Xue Nu fell into silence after hearing Gu Shaoyang's words. Seeing that Xue Nu was silent, Gu Shaoyang couldn't guess her inner thoughts, so he took the initiative Ask tentative questions

"Snow Girl, do you think what I said is right? Doesn't it make sense?"

Suddenly asked by Gu Shaoyang's name, Xue Nu subconsciously averted her eyes and did not dare to look at him, and then she just replied in a dull voice.

"Um! Quite right! That's quite right!"

When Gu Shaoyang heard Xue Nu's answer, he knew that what he said was heard by Xue Nu. Next, all he had to do was for Feng Xiaodi to wake up and let him talk to Xue Nu about this matter.

After finally answering Xue Nu's question, Gu Shaoyang Finally able to handle his affairs

"By the way, Snow Girl, can you not be angry if I tell you something?"

Gu Shaoyang often puts on a playful smile when he thinks about the snow elf and snow ice elf. He feels that it will be easier for him to be forgiven by the snow girl when he talks about what he has done.

"Well, just tell me, Brother Gu, it's okay."

Xue Nu nodded at Gu Shaoyang and answered, then suddenly looked at Xue Tingzi and thought of something:"Brother Gu, if you apologize to me for what happened with Xue Tingzi, you don't have to apologize. This is my fault in the first place."

Xue Nu waved her hands at Gu Shaoyang repeatedly, but Gu Shaoyang also waved at her. When she stopped, he also put his hands down.

"What I want to say is not about Xuetingzi, but something else."Gu Shaoyang explained, and then he was silent for a while to organize his words.

"I was attacked by snow elves when I was going up the mountain, so I learned how to make their favorite snow cakes and turned them into a puddle of snow."

Gu Shaoyang mistakenly said only one of the two people, but Xue Nu's anxious temper couldn't help but speak again.

"I thought you were talking about something! It's okay. They can still recover their shape after turning into snow. They can recover just after it snowed. You don't have to worry."

Seeing that Xue Nu didn't care about this matter, Gu Shaoyang quickly informed Xue Bingjing about it.

"By the way, in addition to turning the snow elves into snow, I also turned the snow and ice spirits into ice cubes."

Gu Shaoyang said angrily, but Xue Nu didn't pay attention to these two things Gu Shaoyang said at all.

"It doesn't matter! This is no big deal! They can all recover on their own! And there are so many of them, one or two less will have no impact at all!"

Xue Nv generously waved her hand and forgave Gu Shaoyang for his mistake, and Gu Shaoyang really thought it had no impact.

But when he heard what Xue Nv said after he finished speaking, he realized that Xue Nv thought he just let a couple A snow elf and a snow ice elf turned into a puddle of snow and ice.

But in fact, he did directly destroy the two groups in an instant.

"Uh-huh, I didn't just lose one or two, I lost a lot."Gu Shaoyang explained awkwardly, but Xue Nu didn't think they had wiped out all the elves. That's why she always had an indifferent attitude.

"fine! As long as the entire tribe doesn't disappear at the same time, you don't have to blame yourself too much!"

Xue Nu said and comforted Gu Shaoyang, for fear that she would have some psychological burden. However, what she didn't know was that the more she acted like this, the heavier his psychological burden would be.

Because after listening to Xue Nu's words, Gu Shaoyang didn't know whether he should be with her or not. He said that he actually made the two elven groups disappear at the same time.

In the end, Gu Shaoyang thought for a while and did not ask immediately. Instead, he tentatively asked about the results, and then decided whether he should say it and how he should say it. The problem

"So if two elven groups disappear at the same time, what harm will it do to the snowy mountains?"

Gu Shaoyang looked at Xue Nu's serious question, and Xue Nu also thought about it because of his question.

"No one has ever done this, but the main role of these two groups is to prevent people from coming up from the mountain from indiscriminately exploiting the resources on the snow mountain."

"If they all disappeared at the same time, then their role would not be highlighted, and the safety of the snow mountain resources would not be guaranteed."

Xue Nu thought carefully and explained to Gu Shaoyang truthfully. After hearing her explanation, Gu Shaoyang felt that he had caused a big disaster.

"Is it that serious?" Now Gu Shaoyang can no longer laugh, and he has to think carefully about what to do to remedy the situation.
