

The Billionaire's Babysitter by Essie Chapter 11

The best kiss is the one that has been exchanged a thousand times between the eyes before it reaches the lips.

He kissed her, he actually kissed her. Gisele stood there, stunned and immobile. She almost freaked out when she felt his tongue seeking for entrance at her lips.

She hesitated then parted her lips for his tongue.

Oh God. Oh... my... gosh. He was kissing her and it felt so good. He started exploring her mouth with his tongue and she about died from the pleasure.

She couldn't explain the emotions and the sensations that were pa**ing through her body; all she knew was that they were extremely pleasurable and she felt like she was on cloud nine.

Then he removed his mouth from hers and started placing small kisses all over her face. Then he went down to her neck and kissed her there. Slate touched a sensitive spot behind her ear and kissed it, then started nibbling on her earlobe.

Gisele heard a distant moan and it took her a few seconds to realize that it came from her. She froze and it was as if a bucket of cold water had been doused on her.

This man... Slate, the one she was kissing, was her boss and... Oh God, he had a fiancée who was no doubt pining for him at the moment.

Gisele put her small hands on Slate's shoulders and pushed him. He looked down at her and she stared back, before running out of his office.

Slate resisted the urge to run after Gisele, strong as it was. He had fucked up so bad. He had to take things slow but she had captivated him, entangled him in her beauty and innocence. He ran his hand through his hair, something he did when he was nervous, which was extremely rare.

He stayed in his office for a bit to calm himself (and to lose his hard-on).

He came out of his office and heard noises from the multimedia room, childish laughter and Gisele's own soft laughter he could recognize anywhere. He went in and saw that it was Cartoon Network on.

Gisele and Callie were both laughing uproariously. He looked at them and smiled fondly. Callie with her almost auburn hair could almost be Gisele's daughter.

Gisele ran out of Slate's office and decided to go check on Callie. She found her in the middle of her queen sized bed looking like a lost soul.

When Callie saw Gisele, her face brightened and she exclaimed, "Gigi"

Gisele smiled at her and said, "Hello, my princess"

Callie widened her eyes comically and asked, "Gigi, can I go watch 'The Amazing World Of Gumball' (TAWOG)?"

Gisele raised her eyebrows, perplexed and before she could utter a word, Callie sighed and rolled her eyes.

"You don't know TAWOG? Never mind, I'll show you, okay?"

With that, Gisele found herself in the multimedia room watching Cartoon Network. Soon enough, Callie and her were laughing at the antics of Gumball, Darwin and Anaïs.

"Gigi?", Callie called.

"Yes, ma cherie"

"Do you like my Daddy? 'Cause I saw you kissing and all"

"Uh, yes Callie I like your Dad"

Callie eyes brightened and she said,

"Then you can get married and all? Right?"

"Callie... it's not"

"But you have to get married so we can live togeda foreva", Callie said with much enthusiasm

" . . . "

Then they heard a throat clearing and they turned and saw...
