

Baby alliance: helping daddy get a rich mommy chapter 60

Never once in Selena's day had she forgotten about her father's mean words. Roland's face turned livid because that was exactly what he said to his daughter.

Other guests traded glances upon hearing that. Judging from Roland's expression, they figured that what Selena said was true. How ruthless could a father be to say such things to his daughter?

"Miss Yard, come on. It's not the time to talk about business. We haven't met for a long time. Will you have a chat with me?" Zeke tried to smooth things over by changing the topic.

"Sure." Then, Selena ignored her father and shuffled toward Zeke. It was too embarrassing for Roland because he was humiliated by his daughter in front of so many powerful people.

Just then, Megan, who was clad in a wedding dress, appeared at the venue, which stunned everyone. Typically, the bride would only appear at the venue after the emcee went on stage and made an introduction.

Why did she come here on her own? Megan told her assistant to lift the hem for her and stepped into the venue confidently. Upon seeing her, Finneas was equally shocked as well. "What are you doing here? The wedding hasn't commenced yet."

"Finneas, I need to make an announcement. You'll know what I mean soon."

Before Finneas could utter a word, she went on stage and said, "Everyone, my wedding with Finneas will commence soon, but before that, there's something I need to tell you."

In an instant, all the guests shifted their attention to her. It's going to get interesting. Finneas frowned, not knowing what she was trying to do.

Just then, he caught a glimpse of Selena, who held her head high. She really looked like an elegant swan. She's as beautiful and charming as before. Now, she's grown to be more mature. In the past, I was also attracted by her beauty.

"First of all, I have to introduce to you my dear sister, Miss Selena Yard!" Megan pointed at Selena, after which her assistant invited Selena to go on stage.

With a smile, Selena rose from the chair and went up the stairs. Before this, Megan had been staying in her room, so she didn't know what happened in the wedding hall.

"My sister, Selena, is the most adorable sister in the world." Megan held Selena's arm and continued, "Some time ago, she told me that she's now the wife of the President of JNS Corporation, which genuinely shocked me. I was really happy for her!"

Then, she shot a derisive look at Selena. "Selena, if you really married the President of JNS Corporation, I'd be over the moon. However, I really can't hide it from you any longer. It's because that man is a liar!"

In response, Selena just tilted her head and looked at Megan.

Megan put on a sorrowful expression. "I didn't want to expose him at such a moment, but I know that you're madly in love with him, so I have no choice but to break it to you in such a way. Selena, that man is a gigolo!"

Everyone was puzzled upon hearing that.

Selena is the President of JNS Corporation, so it's not surprising that she'd pay to have fun with a man. Since men can do that, naturally, women can do that as well.

Following that, Megan swept a look over everyone and found Pierre, who was about to flee. Pierre had figured that Megan would point him out, so he was about to run away. Unfortunately, he was caught on the spot.

"You! Come up here, liar!" Megan hurriedly shot a look at the security guards, who then surrounded Pierre.
