

Baby alliance: helping daddy get a rich mommy chapter 62

Pierre had proposed to Selena, and she was wearing the ring he had given her, but it was at this moment that she found out he was Pierre Fowler.

“Pierre!” Roland called out and shuffled toward Pierre. “Please don’t take what just happened to your heart. It’s because Megan didn’t recognize you. You see, Merry and your sons are four years old, but we have never met before, which is the cause for the misunderstanding. So, we should meet up more.”

Selena was flabbergasted when she heard what Roland said.

She recalled that when she was in the Fowler Residence, she heard the housekeeper calling out ‘Young Master Jamie’, but she didn’t read too much into it at that time. So, the twin sons are the kids of Meredith and Pierre!

At that instant, Selena was disgusted by the fact that he was Pierre Fowler, and on top of that, he also had kids with Meredith.

I’ve unknowingly become a mistress! How revolting!

Pierre shot a disdainful look at the old man and took a seat. Meanwhile, his bodyguards blocked Roland from approaching him.

On the other hand, Finneas’s forehead was beaded with sweat as he was still reeling from shock. He had wanted to familiarize himself with the President of JNS Corporation and Pierre through this wedding, but unfortunately, he had offended both of them at the same time.

What should I do next?

Ernest stomped his feet in anger because of what Megan had done.

Meanwhile, Meredith and the assistant brought Megan back to her room.

“Megan, what is wrong with you? He’s Pierre. Can you even afford to offend him? Even if you don’t care about the possible collaboration with him, you should have thought about my future! I’m going to marry him one day! How would he even tolerate it when my sister claimed that he’s a gigolo in public?”

Meredith kept chiding her sister for what the latter had done. Didn’t she say she wanted to take revenge on Selena? So why did she get Pierre involved?

Finally, Megan came to her senses and grabbed Meredith’s arm.

“Merry, tell me who that man is.”

Meredith heaved a sigh. “He’s Pierre Fowler, the President of Fowler Corporation and Empire Group. Do you get it now? He’s your future brother-in-law!”

“Really?”

“Are you saying I don’t even recognize my man?”

Apart from Finneas, Meredith also felt like slapping her sister at that moment.

“Why didn’t you tell me earlier?” Megan pushed her sister away. “They’ve set me up! They want to embarrass me in public!”

Megan cried as she stomped her feet on the ground because she was utterly ashamed.

“It’s because you’re foolish!” Meredith placed her palm on her forehead and took a deep breath. “Forget it. Today’s your wedding day with Finneas, so everyone will just see it as a joke and forget about it later. The wedding must go on.”

She tried to put her emotions under control and consoled Megan by saying, “When the wedding is over, I’ll bring you to apologize to Pierre. I’ll put in a good word for you.”

“Mommy, I’m hungry!” Jameson suddenly shouted.

When Megan saw the twins, she widened her eyes in disbelief and took Meredith’s arms.

“What’s wrong with you again?”

“They hooked up!”

“Who are you talking about?” Meredith didn’t understand her sister.
