

## Baby alliance: helping daddy get a rich mommy chapter 676

After learning about the rumor, Jude hurriedly left. No wonder Stardom Entertainment insists on signing me on! Is someone backing me behind the scenes?

Jude smiled to herself, for the only person who would be so considerate was Selena. On the one hand, Selena wanted to get her friend back into the game and help her, and on the other hand, she didn't want to let her know about it. Besides, Selena even helped Kenneth think of such a convincing reason. If Jude hadn't heard these two people talking here, she would have really believed Kenneth's words.

"Alas..." Jude sighed deeply. Since Selena has spent so much thought on it, she could only accept it and pretend not to know anything. Her best friend had really put in a lot of effort to help her out.

Coming out from the restroom, Jude walked along the corridor of Stardom Entertainment with the contract in her hands when a woman came toward her. She instantly stopped in her tracks in astonishment. Isn't this—

Meredith was walking toward her with her hips swaying seductively, and when she passed by Jude, she did not even look at the latter! Jude turned around and stared at Meredith, who disappeared from sight in just a few seconds. For a long time, she was shocked and couldn't come back to her senses.

A staff member came up next to her and said, "Are you shell-shocked by the sight?"

"That's—"

"That's Mia. Look at her! Doesn't she look like the previous superstar Meredith Yard?"

She doesn't just look like her; she's practically her doppelganger!

Jude was so surprised that she couldn't speak.

"Well, her name is Mia, and she's biracial. Her baby blue eyes are breathtakingly beautiful! Oh, and she dances especially well in a super sexy way. They say she is a beauty." The staff member introduced the woman with a proud look.

She continued, "I guess after a short while, she will become the face of Stardom Entertainment. Her rise to popularity is unstoppable! Even the company is now promoting her."

Jude didn't regain her senses for a long time. How can two people look so similar?

She quickly drove to the Fowler Residence. "Selena, Selena!"

"What's the matter? Why are you in such a hurry?" Selena had just reached home and hadn't even had time to drink water when she heard Jude calling her.

"I went to Stardom Entertainment today, and guess who I saw?" Even until now, Jude could not believe her eyes.

“Who?”

“Meredith! No, no, no, they all said she isn’t Meredith. She’s called Mia. I was shocked to death!” Jude clutched her chest with a shocked expression.

Selena shrugged. “I already know about this; I’ve sent people to investigate it before.”

“Is she really Meredith? They look too much alike, right?”

The two women were so similar to each other that it had thrown the usually unruffled Jude into such a shaken state.

“I’m not sure, but what I found out so far is that Mia is a mixed-race woman, and their styles are too different from each other. But the investigation is still ongoing.”

Jude sat on the sofa and took a sip of water to suppress her shock. “She did not react when she saw me just now, so it should not be Meredith.”

“No reaction at all?”

“Yes. In the past, Meredith had seen me as her strongest opponent, and she always treated me with the greatest hostility. But she seemed to not recognize me at all just now. She did not even look at me.”

“It couldn’t be that she didn’t notice you, could it?”

“I’m so beautiful; how could she not notice me?” Jude rolled her eyes at Selena.

Selena could only roll her eyes back at Jude. “Okay, okay. You’re beautiful, and whatever you say goes.”

Jude looked at Selena, her lips curving upward. “Thank you, Selena.”

“What are you thanking me for?” Selena was confused.

“Nothing!” Jude stood up.

“Be careful with Mia. I’m going back first! I’m going to get back into the game!”

“Go for it!”
