

Baby alliance: helping daddy get a rich mommy chapter 678

The two of them came to Rick's home on foot, and once inside, Rick brought out slippers for Selena and personally squatted down to help her change the slippers.

"This is a small place, and there is only one bathroom. You go on first. I'll wait for you outside." Then, he handed Selena a towel. "Smell it. It smells good, right? Do you like the smell?"

His words were followed by a cheeky wink. From his experience, it was highly probable for a woman who was willing to go home with him to agree to sleep with him.

"It really is quite fragrant. Why do you have such fragrant towels? You don't often bring back girls, do you?"

"Of course not! You are the first!" "It seems you have countless firsts!" "I swear, I really don't!"

Selena grabbed the towel and then walked directly into the bathroom, not forgetting to smile brightly back at Rick. At that moment, Rick felt like his soul was going to be stolen away by her. After a while, the sound of water coming from the bathroom caused Rick's little heart to surge with emotion. Good Lord! I've been waiting for this moment forever!

Selena was indeed the most beautiful woman he had ever seen, and when he thought of her gentle and lovely appearance, he itched to take her.

What was more, someone had promised him that if he could get Selena in bed with him, he would be given a large sum of money. With the handsome compensation, his house mortgage would be completely paid off. Naturally, he had to go all out to do such a great task.

Listening to the sound of water inside, Rick came to the water pipes, and with an evil smile, he cut off the water supply. Thus, the sound of water inside immediately stopped.

"Hey, why is there no water?" Selena's voice came from inside at once.

"There's no water? I'm going to see if it's time to recharge my meter. Please wait for a moment!"

Rick falsely went to take a look, then stood outside the bathroom and shouted, "The water supply is fine!"

"Then what's the problem? Anyway, there's no water at all."

"Can you check to see if you touched the switch somewhere?"

Carefully, Selena double-checked and replied, "No, I'm sure there is no switch here. But there's just no water. Oh no, my head is full of foam. What can we do?"

"Don't worry, I'll think of something right away. I'll go in and take a look!" Rick then directly opened the door of the bathroom.

Suddenly, he felt someone kick him from behind. Next, he fell onto the toilet facing the door in the bathroom and was stunned. How did someone break in?

Before he could get up, someone grabbed his collar and punched him in the eye, causing him to scream in pain.

Inside, Selena was scared witless.

“Who the hell are you? How dare you break into my house? I’m gonna call the police!” Rick covered one of his eyes and looked at the tall, magnificent man in front of him, howling.

The man simply ignored Rick but once again grabbed him up and punched him a few times, causing the poor man’s eyes to glaze over. Then, he was thrown onto the living room floor while he tried to gasp for air.

“My good man, please spare my life! Spare my life!” He was really no match for his opponent and could only beg for mercy.

“Okay, okay, don’t fight! Be careful of beating him to death!” Selena rushed out. At this time, Rick looked at her and saw that she was still properly dressed! Everything about her head full of foam was all fake!

“How are you still feeling sorry for him?” The man looked at Selena grumpily.

“I’m not! It’s just that there are still important questions to ask him,” Selena retorted. Why should I feel sorry for Rick? This man’s heart is not in the right place. He’s having the same old jealousy issues again!

The man picked up Rick and punched him, causing Rick to pass out. Then, Selena sat aside, and her anger dissipated.

“Selena, you’ve got a lot of nerve! I’ve only been gone for a few days!”
