

Baby alliance: helping daddy get a rich mommy chapter 733

Looking at Satan's tragic expression, Jude couldn't help but cover her mouth and laugh. In turn, this laugh made Satan more and more puzzled. Standing there, Satan was unsure whether to stay or go as he stared at Jude giggling away.

Then, Jude reached out a hand and pulled his arm, causing him to fall back onto the bed. "I broke up with him." Jude wrapped her arms around Satan's neck.

"You broke up?" This came as a bit of a shock to Satan because back then, Jude was determined to leave with Wyatt. Hence, he had always felt that she truly wanted to be with Wyatt and live the life she wished for. In fact, he never expected that the two of them would break up, and he was even ready for them to get married soon.

"Won't you ask me why we broke up?" Jude saw that Satan did not speak, so she simply asked the question herself.

"Why?" "I'm in love with someone else." Jude wrapped his arms around Satan and pressed her face against his back. "I fell in love with another man."

Satan was a bit confused and did not open his mouth to speak. Next, Jude smiled and continued, "Won't you ask me who that man is?"

"Not interested." With that, Satan got up to leave. But Jude pulled him back and replied, "Okay, okay. I won't tease you anymore." Looking at her, Satan felt rather helpless. This woman is getting worse by the day.

"Satan, I can't forget you. You live permanently in my heart, and so my heart can no longer accept other people. Wyatt knows that I do not love him, so he gave me freedom."

Gazing tenderly at him, Jude continued, "I don't know if this is the right decision or not, but I know that as long as I've decided, I'll stick by my decision no matter what. Satan, I know that you cannot have women by your side, but I still want to be your woman."

When Satan looked at Jude's loving gaze, he realized that the reason why she was unwilling to stay by his side before was out of concern for his own safety. Perhaps it was because she had seen Pierre and Selena being together and realized that Selena had become Pierre's weak spot. She did not want Satan to have a weak spot, so she had to keep her feelings under control.

At once, Satan pulled Jude into his arms and kissed her. The rest of the night was so long and yet so short.

In the morning, when Satan woke up, Jude was gone, but a note was placed on the table.

"Big bad wolf, I have to shoot today, but you get to sleep the whole day. However, considering your good performance last night, I'll forgive you. Wait for me to come back." It also contained a beautiful lipstick mark on it.

Looking at it, Satan couldn't help but lift the corners of his lips. Later, when looking through his phone, he found that Jude had posted something on her social media. It was a picture of a sunrise with a simple caption: 'Rebirth'.

Selena also saw the social media post and seemed to be able to sense Jude's good mood. After all, it was rare for Jude to post on social media, so something must be up now that she posted something like that.

So, Selena immediately sent a message to Jude. 'Has something happened?'

In the next moment, Jude sent a photo over. It was a photo of her neck with a big hickey on it.

Such blatant public display of affection!

Selena knew it was Satan without needing to ask Jude. Other than Satan, Jude would never let any other man touch her, so it was clear that the two of them had reunited.

When Pierre came in, Selena hurriedly turned off the phone screen. She didn't want Pierre to know that Jude was with Satan, nor did she want Pierre to know that Satan was in Digton City. If Pierre knew, the consequences would be unthinkable.
