

Billionaire CEO Won't Leave

Chapter 124

The sun was shining, and Bai nianxi narrowed her eyes. From her point of view, the shirt in her hand was just better than Kang Mobei's.

Just by comparison, Bai nianxi could imagine the appearance of this shirt on commobei. It must be inexplicably good-looking.

After all, there are not many people who can wear all the clothes well.

Having seen enough, Bai nianxi folded his shirt again, put it in the box, went forward and handed the box to Kang Mobei, "Mr. Kang, here you are."

Conmber took the box languidly and said, "well."

"What's the matter with you?" Aware of the difference in the north of Commodore, Bai nianxi asked.

Kang Mo north can't help but loose the tie, take eyes hook white read Xi, "thirsty."

The voice is hoarse.

Lolo looks melancholy. Hum, Mommy said she would come to accompany him specially. How come he looks like a light bulb now?

One day, Bai nianxi was tired. When he got home, he simply collapsed on the sofa.

Kangmobei is really a model worker. After sending her and Lolo back, she keeps going back to work. It's rare to get along with Bai nianxi alone. Lolo cherishes it very much.

Bai nianxi is lying on the sofa, so he climbs up and nests in Bai nianxi's arms. Even if he doesn't speak, he will be satisfied as long as he can be with mommy!

Bai nianxi was very comfortable. He touched Lolo's head with one hand, followed his soft hair, and looked at the ceiling.

I remember what I heard in the playground today.

If it's any different, it's just a matter of time.

Last night, she came back impulsively because she was not ready.

Maybe it was Jiang zhiang's words that made him wake her up.

She had to be aware of a problem that had been deliberately ignored by her - that she had fallen in love with combo north.

Love a person, is how painful thing, with love, people can no longer live so natural and unrestrained.

I think of last night when Lolo called her Mommy, at that moment, she had a sense of belonging.

"Lolo, what kind of person is your mommy? Will she look like me? Is it because she is like me that you take me as your mommy? Does your father feel the same way... "

Bai nianxi murmurs to ask, all don't seem to realize Luo Luo has already slept in the past.

Thought for a while, took out the mobile phone, casually turned up.

Suddenly found a few unread news, is sent in the morning, because has been outside, she did not find, click in, is a few news from strangers.

"Bai nianxi, let's meet."

"Eight o'clock tonight, Dutch cafe."

"I'll see you around. I'll wait for you."

After thinking about it, Bai nianxi came back with a message, "excuse me, are you?"

The other side is second back.

"Jenny."

Seeing the name, Bai nianxi's face changed slightly. For this person, she has only one feeling - trouble.

"Sorry, I don't think we need to meet."

"Don't you want to know what happened to you these days?"

Bai nianxi was stunned. Her good-looking eyes narrowed slightly. When things got up, she knew that there were behind the scenes, but she didn't know who it was.

"OK, I'll go."

After returning to the past, Bai nianxi didn't come back to the convenience. Bai nianxi put down her mobile phone, looked at Lolo who had fallen asleep in her arms, sighed, picked up the soft Lolo and went upstairs.

Luo Luo seems to lack a sense of security. When Bai nianxi moves, he wakes up and looks at the person in front of him with his hazy eyes. He is sure that Bai nianxi is the one who fell asleep again.

Bai nianxi put Lolo back to the room, covered the quilt, and then continued to accompany him for a while. He made sure that Lolo was in deep sleep before he left.

In the morning, because kangmobei was with Lolo, he delayed some work. Bai nianxi thought that he would come back later, so he didn't plan to tell him about her going out.

Went to the door, thought, or took out the mobile phone, sent a message, "I have something to do in the evening, may have to come back later."

At the appointed time, Bai nianxi arrives at the cafe.

In such a big coffee shop, there is melodious music. Besides, it is surprisingly quiet and empty.

Jenny is sitting at a table, stirring her coffee. The coffee is hot and steaming.

Bai nianxi walked over and sat down. With a bright smile on her face, Jenny said, "what would you like to drink?"

Bai nianxi glanced at the coffee in front of Jenny. "It's different from you."

"Not like me?" Jenny raised her eyes to look at Bai nianxi. "Are you challenging me?" "Think as you like." Bai nianxi replied lightly, anyway, if she doesn't challenge Jenny, she will also challenge her, won't she?

"Oh." Jenny gave a smile. "You're not what I think."

"Why, do you think I'm easy to bully?"

Jenny didn't speak any more. She took a sip of coffee lazily. Before long, Bai nianxi's coffee was also served.

"I've thought about what you said."

"What's the problem?" Jenny sits up and looks at Bai nianxi.

"Don't you want to know what happened to me recently?" Bai nianxi also looked straight back at Jenny, "are you telling me that you are the one behind the scenes?"

"Behind the scenes, it's hard to hear." Jenny curled her mouth. "But it's me."

Her identity is not just a little painter.

Jenny's father is a famous investor in a city with a fortune of several hundred million. Although he is not as rich as Kangmobei, he is more than enough. Jenny's mother is a famous brain doctor in China. Such a family background is not very top-notch, but it is decent enough to say it.

It is natural for her to look down upon Bai nianxi.

The cover plagiarizes the storm, is also she does the trick, under her father's help, everything goes smoothly.

Of course, if Comber didn't step in. However, it is impossible for Commobei not to intervene. After all, it has affected his interest cake.

But now, under the control of Commodore, everything is not only calm, but the people of Commodore are even going to find her.

"Oh." Bai nianxi nodded as if he had suddenly realized. "I'm flattered to have Miss Jennie do this to me."

"Well, there's no one else here. Don't pretend." Jenny put down her coffee cup with a disdainful smile on her lips.

"To my surprise, Miss Jennie has taken off the mask of hypocrisy so quickly."
