

Billionaire CEO Won't Leave

Chapter 128

Kangmobei's words are like a bolt from the blue, which makes Bai nianxi stand in the same place. What a good opportunity!

With her own strength, she has won such a hard won opportunity. She can not only get rich salary, but also use it as a springboard for her career

But her road to prosperity was cut off by conmo north?

Bai nianxi's face turned from red to white and black. It was wonderful for a moment.

"Why, do you want to go?" Kangmobei drank a mouthful of tea, spit out the aroma of tea, eyes leisurely pick Bai nianxi, as if to explore something.

Bai nianxi really wants to give kangmobei a 360 degree loopless kick, but he's right. She's still an employee of his company. She's going to announce her job hopping in front of her boss. It's really not good.

Bai nianxi's face was in a state of failure. Conmber could see nothing but disappointment and pity.

Put the teacup on Bai nianxi's desk and make a clear sound, "but I also said that if you want to earn extra money, you can."

What do you mean?

With a smile, he took the folder from Bai nianxi's hand and flipped it casually. "I've read the contract for you. There's no problem."

Of course, he didn't push it off. If he did, how could the contract be

put on her desk intact?

This is indeed a good opportunity for her, a good opportunity that can't be missed. With this new product cover, she has opened up a way for herself, and the cooperation with Panasonic is her ladder to the sky.

The mood is like riding a roller coaster, one moment falling to the bottom of the valley, one moment traveling in the sky. What makes Bai nianxi particularly happy is that she has already seen the dawn of hope to pay off the debt of 100 million yuan.

There was a knock on the door.

Secretary Xing came in and said, "Mr. Kang, this is the invitation for the evening party."

In the evening, there will be a grand charity party at the Imperial Hotel in a city. At that time, all the celebrities and dignitaries in a city will be there.

As the uncrowned king on the list of a city's dignitaries, kangmobei received the invitation one month in advance, and the gold-plated invitation in his hand was just sent.

It's not only an invitation, it's also a pass for the evening party. Although this face is his biggest pass.

"Well." Kangmobei nodded, then turned to Bai nianxi and said, "come with me in the evening."

Bai nianxi curiously took the invitation and looked at it. Only then did he find that the momentum of the banquet was not just general. At that time, I was afraid that all the dignitaries, celebrities and superstars in a city would attend.

"Why didn't you tell me so much earlier?"

"It's just a banquet," he wrote lightly

No matter how grand a banquet is, it's just a banquet. For him, it's not worth him to make preparations in advance. All he has to do is to attend on time.

But Bai nianxi's clothes, shoes and jewelry, he ordered them to go down early, which made people ready.

Judging from today's modeling time, Bai nianxi can feel the grand momentum of the banquet. At this time, Anna is the most popular lady in front of all kinds of celebrities, but Anna has already been invited by conmobei.

This means that today, Anna only serves for Bai nianxi.

At seven o'clock in the evening, the lights in front of the hotel were bright and resplendent. For a moment, countless luxury cars appeared on the wuzhu road leading to the hotel.

Conmobei's car tonight is a black luxury extended Lincoln, a special banquet car.

When we arrived at the gate of the hotel, conmobei's car stopped at the main gate. There was a long and wide red carpet at the gate of the hotel, and Saxophone drummers were playing joyful music outside.

Kang Mobei gets off first, and Bai nianxi then goes down with her skirt. When she gets off, she naturally puts her hand on Kang Mobei's arm.

Bai nianxi didn't know when she became so natural.

For a moment, everyone's eyes were attracted. First, they saw the handsome and cold kangmobei who was king, and then they looked at Bai nianxi who was beside kangmobei.

Bai nianxi has a very good foundation. Even if she is put in the crowd, she is attractive enough. In addition to Anna's magic hands, Bai nianxi is in the limelight for a while.

The most amazing thing is that the most eye-catching man and woman are still a couple!

As we all know, there has never been any woman around kangmobei. At the moment, kangmobei appears here holding Bai nianxi.

Bai nianxi, the designer who almost drowned in the public saliva some time ago!

Amazing, it's amazing!

Thanks to this kind of celebrity banquet, there are no paparazzi reporters. There are only special reporters recording the banquet, so there won't be so many gossip. Otherwise, tomorrow's news headlines in a city may be sent to the butcher's page by the lacy news of commobei. Bai nianxi takes Kangmo north into the field.

In fact, before she came here, she also had a tangle. It would be not good for her to suddenly appear in front of the public as a female companion of commobei.

But, she guessed, should Jenny come tonight?

Well, the more grand the occasion is, the more suitable it is to make things happen.

As expected, Jennie appeared. She had just beaten her yesterday. At this time, the corners of her mouth were still bruised and red, although they were covered up with a thick layer of powder.

Bai nianxi can see clearly.

As soon as I saw Bai nianxi, Jenny's face became resentful. After beating her like that yesterday, how dare she still show up in such a grand occasion?

Bai nianxi is really not afraid of her destroying her!

Bai nianxi is very calm and seems to have nothing to do with walking past from Jenny in front of him. Even when passing by Jenny, Bai nianxi seems to have nothing to stick closer to him.

Conmobei only slowly gives Bai nianxi a look after passing by Jenny as if nothing had happened. That look makes Bai nianxi shiver.

She knew what he meant was that he had seen all her little moves.

However, there is a clear connivance in the eyes, which makes Bai nianxi want to be more presumptuous.

A few more steps, you will meet the coming of musili and murushuang. Musili is still so noble and proud. Today, murushuang is also dressed in elegant and moving clothes.

"Mr. Kang." Mu Rushuang said hello with a smile, and then looked at Bai nianxi, "Miss Bai."

If in the past, but now, Bai nianxi has been clear about his heart to kangmobei, in front of like, people are overbearing and selfish.

Even though she knows that she will leave tomorrow, as long as she stays with kangmobei for a second, Bai nianxi can't help but be on guard against Yingyan.

It's different if you like it.

Mu Rushun's gentleness and courtesy make her defenseless, or she knows that this is an opponent she can't guard against.
