

Billionaire CEO Won't Leave

Chapter 132

Bai nianxi opened the water bottle and went to the easel. Facing the painting, he drenched the water bit by bit. When the paint on the painting touched the water, it spread a little bit.

The original orderly color becomes colorful, and then paste into a piece.

It's good to have a support group like kangmobei. Bai nianxi didn't dare to stop the whole process of sabotage.

Looking at the painting was dizzy dye, destroyed, at that moment, the expression on Bai nianxi's face, indifference to the extreme.

Jenny opened her eyes wide. "Are you crazy?"

She wanted to make her heartache and drive her crazy, but she couldn't understand what she had done in vain. Did she actually destroy her painting herself? Completely destroyed?

"Bai nianxi! How dare you ruin my painting

Jenny's shrill scream rang through the room.

All people just think that Bai nianxi's action is too much. It's like losing heart.

"This is my effort! My baby No matter how out of control and unreasonable Jennie's performance is at the moment, people always sympathize with and support her, and bainianxi is the one who will never forgive her.

"How can you afford it! Why did you ruin my painting With that, Jenny pours at Bai nianxi. Seeing that her sharp nails are about to scratch her face, Bai nianxi reaches out to stop her.

Thanks to the hard living experience abroad, she is much stronger than other girls.

Bai nianxi grabs Jennie's hand. She is half a head higher than Jennie. At this time, she is looking up at her with her eyes. Before Bai nianxi goes further, Jennie steps back.

"Your painting?"

"Your baby?"

"Your hard work?"

Bai nianxi forced herself in front of Jenny. "Is that right? Well

Although she knew that Bai nianxi had no evidence, Jenny was still in a panic.

In my heart, I'm about to shake off Bai nianxi's confinement. Bai nianxi, like Jennie's expected action, retreats at that moment, leaving Jennie shaking her body like crazy.

The development of the situation began to get out of control, and the audience began to stir. Some people wanted to stop the farce, but kangmobei was standing there like a pillar of heaven and earth.

He wants to connive. Who can stop him?

Someone came up to Mu Sili and asked for instructions, "Mr. mu, this situation is out of control. Do you want to stop it?"

Musi Li narrowed his eyes and said with a smile, "what's the matter? Isn't it a good play to watch?"

.....

Bai nianxi looks at Jenny with a beautiful smile on her lips, like the sunshine in July and snow in mountains.

Slowly, open the valuable handbag in hand, and take out something like a pen from it.

Lazily pressed the switch, the voice came out.

"To tell you the truth, I'm very disappointed that I didn't kill you this time. I thought you would be disabled even if you didn't die this time."

"Do you remember a time when someone kidnapped you? That's what I did At that time, I was very disappointed that I didn't kill you and let you live till now. "

"I called you here just to tell you, don't think you'll be safe after you've escaped this

disaster. Not this time. And next time, I've never been able to get rid of Jenny's eyesore."

"Don't blame me for being too arrogant. I'm used to it in my family. Of course, people like you don't understand."

"Born in pickle?"

This is Bai nianxi's voice, "then why do you steal the paintings of people like me?"
"The scenery of Kyushu"

"Why do you still remember your painting Anyway, the name of the owner of the painting is now Jenny. You remember that

The words in the recorder came out through the microphone, and every word could be heard clearly. Even the sound of a needle falling on the ground could be heard in the silence.

The content of information in this conversation is explosive.

It turns out that the painting of Kyushu landscape, which made Jennie famous, was originally painted by Bai nianxi. This time, the cover plagiarism incident is also that Jennie splashed dirty water secretly. Even, Jennie once bought a murderer.

The victims, from beginning to end, are in vain.

Amazement and shock flashed through people's faces one by one, leaving only anger in the end.

Jenny heard her voice coming out of the recorder, telling about the dirty things she had done. After a great shock, her face turned pale.

She tries to reach out and grab the recorder in Bai nianxi's hand, but Bai nianxi pushes it to the ground.

Conmobei's face had already become extremely cold when he heard that Jenny was buying a murderer. His whole body sent out a cold air.

The murderer he's been chasing for so long turns out to be Jenny.

Originally sitting under the stage to watch a good play, Musi Li also gathered a cynical smile on his face. His eyebrows slightly picked up and looked at Bai nianxi's eyes with a few threads of exploration. Mu Rushun looks at Kang Mobei with deep eyes. Although she is just a figure, she can see through his endless anger and killing

intention hidden in a dark suit.

So he spent a lot of money to buy the painting, just because it was painted by Bai nianxi?

"Did you hear that?" Bai nianxi looks down at Jenny who is sitting on the ground with a gentle smile on her lips.

Jenny's face turned white, her shoulders trembled, her fists clenched, her nails tucked into the flesh, but she didn't feel any pain.

He shook his head. "No, it's not. It's fake, it's fake, it's not true at all! "

"Don't you all be fooled by her!" Jenny shakes to her feet, a little crazy on her face. "This woman, she's the most vicious! She pretends to be weak, kind and innocent in front of others, but in fact she is extremely cruel! "

Connobei's fists in his trousers pocket were tight and loose, and he was trying to suppress his anger.

He glanced at the security guard under the stage. After the security guard agreed, he would go on stage and drag Jenny away.

"No!" Jenny shakes off the guard's hand and points to Bai nianxi, "it's her! It's all her fault

"It's her fake recording, it's her lie, it's her! It's her you're dragging away! "

Everyone could hear clearly. The voice in the recorder was indeed very similar to that of Jenny herself, but it was not impossible to say that it was a forgery.

Whether the recording is true or not, I'm afraid we can't make a conclusion until the special technicians analyze and analyze it.

So even though the situation on the court is clear now, in view of Jenny's identity, no one has come out to do anything to her, only connobei has come out.

"Miss Jenny." Bai nianxi looks at Jennie. Her eyes have become bright and innocent. "Why do you say I'm vicious? From the beginning to the end, it's you who bullied me. I've never done anything to hurt you. "

"Dare you say no?"

"I have a recorder here, Miss Jenny. What evidence do you have?"

"Evidence..." Jenny murmured for a moment. By the way, by the way, isn't Bai nianxi good at beating her? Her body is still covered with scars left by Bai nianxi's beating!
