

# Billionaire CEO Won't Leave

## Chapter 140

"Hiss" of a, white read night to come back to God, the finger has been cut a big hole, cencen of seeping blood.

Kangmo North was also in a trance originally, saw the shape to save to come over, once took white to read the finger of Xi, eyes deep coagulate, "how so careless?"

There are also band aids at home. Bai nianxi finds them and pastes them on them. The task of cooking is handed over to kangmobei.

There is only one room in Bai nianxi's small apartment. Three people crowded in a small bed all night, but Lolo felt particularly comfortable. It's so good to sleep with daddy and Mommy!

I was just woken up by a phone call in the morning.

After answering, he said a few words and hung up the phone. However, the phone still kept calling one after another until he finally shut down.

Bainianxi and Lolo have been awakened.

"What's the matter?" The phone call is urgent. Bai nianxi thinks there is something urgent.

"Not much." "This afternoon, I'll go back to my hometown," he said

At this, Lolo's face broke down.

What he hates most is going back to Lao Kang's house.

"No," he said

"Your aunt and uncle have just come back from America. They are going to have dinner together."

"Is aunt the woman who wanted to have a small night yesterday?" Luo Luo Du small mouth, "I don't like her, just don't give her wind and dust."

Yesterday, he heard the conversation between Mommy and daddy in the kitchen. His aunt wanted to beat Mommy, but he didn't like her.

"You have to go if you don't go. You know, it's not negotiable." Conmber's tone was hard.

If he can't go back, he won't either. Like Lolo, he doesn't like that home.

But grandfather's attitude is very tough, so he has to take Lolo home, because today, Kang Xinyue is going to take Su Yihao home, and they discuss the engagement.

As the helmsman of the Kang family, Kang Xinyue can't be absent from the discussion of his marriage. Even if he goes, he will just sit there like a pile of wood.

Lolo angrily jumped out of bed, "I don't want it."

Kangmo North a catch Luoluo, "kangjingchuan, don't be wayward."

"Well, I won't go unless Xiaoxi goes too."

Bai nianxi is most afraid of Luo Luo's coming. She has been to Lao Kang's once and never wants to go there again in her life.

But as if he had been waiting here for a long time, he just nodded his head as soon as Lolo spoke. "Good."

Bai nianxi looks at kangmobei with a question mark on his face.

Conmobei glanced at Lolo, as if to say: "it's his proposal, it's nothing to do with me."

Bai nianxi was about to say something else when he heard Luo Luo Snort and climbed into Bai nianxi's arms. "I'll go wherever Xiao Xi goes, and I won't go where Xiao Xi doesn't go."

.....

So, can she refuse again?

Luo Luo has no class today. In the morning, he went to the company with Kang Mobei and Bai nianxi. In the afternoon, three people drove to Lao Kang's home.

Secretary Xing was driving in front of him, and he was in a low mood.

is as like as two peas in the last time, and he knows that he doesn't love to go back to the old Kang family.

When I got off, the housekeeper was still waiting at the door. Seeing that Bai nianxi came down from the car with Kang Mobei, there was no difference on his face.

"Young master, all the family are waiting in it." The housekeeper went ahead and led commo north to the inside.

Bai nianxi is holding Luo Luo. He is even more nervous than when he first came here. His palms are full of sticky sweat. I don't know whether it's her or Luo Luo's.

After entering the door, Bai nianxi saw a peaceful and healthy scene inside.

Kang Liqing and Liu Xia sit on one side. They don't have too much expression on their faces, but they don't seem serious. Kang Youqin and Kang Xinyue are beside Kang Taiye. Kang Xinyue talks to make Kang Taiye happy, while Su Yihao sits on one side, very respectful and careful.

Sure enough, it's not easy to marry after a famous family.

When conmobei came in, the atmosphere of the whole family seemed to solidify for a moment.

When Bai nianxi leads Luo Luo to appear behind Kang Mobei, the atmosphere of the family becomes more rigid.

More surprised than the Kang family is Su Yihao.

Since Bai nianxi came in, Su Yihao's eyes had been fixed on Bai nianxi's face and never left. Why did Bai nianxi follow him wherever he went? What does she mean?

Just follow him into Panasonic. Where does she think it is? This is the Kang family! How dare she follow him to Kang's house!

Su Yihao frowned. What is this woman going to do?

The character of kangmobei is clear to the Kang family. Although Bai nianxi's appearance here is unexpected, it's not unexpected, so it's a quick reaction. Last night, after Kang Xinyue went back, she was not in the mood to go to the bar again. Instead, she found Kang Youqin, told Kang Youqin about Bai nianxi, and inquired about Bai nianxi.

It's not easy to be a woman who can accompany commobei like this and let him protect her like this.

"Is Mobei back?" The first speaker was Liu Xia, who stood up when he saw kangmobei coming back.

"Brother." Kang Xinyue also stood up from Master Kang and said hello to Kang Mobei. Su Yihao went to Kang Xinyue and nodded: "general Kang."

Before Kang Mobei answered, Kang Youqin said, "Yi Hao, look at you. What's your name now, Mr. Kang? You should follow Xinyue to call me brother."

Su Yihao's face appeared a blush, then changed his tongue: "brother."

Kangmobei just nods and doesn't speak any more. After entering the room, Luo Luo finds Bai nianxi to hold him. He always shrinks in Bai nianxi's arms. After Bai nianxi greets the people, he also sits down beside kangmobei.

As soon as Kang Mobei sat down, he said, "Xinyue has been in England for three years. Now she's back. She's been with Yi Hao for such a long time. It's time to make up her mind."

Speaking of this, Kang Xinyue's face turned red and said, "grandfather."

Kang Xinyue is Kang Youqin's daughter, the granddaughter of Kang Taiye. But when Kang Youqin was pregnant, she divorced. After Kang Xinyue was born, she followed the Kang family. When she grew up in the Kang family, she also called her grandfather like Kang Mobei.

"You see, what are you shy about? Today, when Mo Beige comes back, isn't that what you want to discuss? "

"I don't have a problem," he said

"Since we all agree, let's fix the date first." As soon as Master Kang opened his mouth, he was anxious to set a date.

"Dad." Kang Youqin took a look at Master Kang and said, "don't worry about Xinyue's marriage?"
