

Billionaire CEO Won't Leave

Chapter 144

What's the way to drive Bai nianxi out of the company and drive her away from komobi?

Su Yihao has untied his bow tie and walked towards her.

As soon as Bai nianxi's eyes turned, he slightly moved his legs. When Su Yihao forced him forward, he unconsciously stepped back two steps. Then, suddenly, he kicked with a flying leg.

It's in Su Yihao's heart.

Just at this time, Xiao Wang of the project department who sent a message to Bai nianxi led the other two colleagues to push the door and come in.

He said: "there is no meeting today. I don't know why Miss Bai came here and told Mr. Su that she must wait for her in the meeting room."

When the door was pushed open, I saw Su Yihao and Bai nianxi standing in the conference room. The distance between them was ambiguous.

Su Yihao's bow tie was torn off, and his shirt buttons were untied, revealing the hidden scenery inside.

Xiao Wang ignores the pain on Su Yihao's face, so he has to step forward and start acting according to the script.

Bai nianxi has already taken the lead in saying: "Mr. Su, I thought you were a gentleman, but I didn't expect you to take advantage of your subordinates."

The two colleagues who didn't know the truth exclaimed.

"You sent someone to call me and tell me that I was going to have a meeting, so I came here. Unexpectedly, you locked me in the meeting room and wanted to sexually harass me!"

Eating melon colleagues again exclaimed.

Su Yihao's face turned red because he was kicked to the pain by Bai nianxi, and he couldn't say anything to refute for a long time.

"You also threaten me that if I don't give in to you, you will take away my cooperation with your company. How can you do that?"

Su Yihao angrily looks at Bai nianxi. This woman is disgusting!

Originally, he intended to smear her for seducing the president, seize the opportunity to seize the design cooperation task she got, and then use this to coerce her to leave kangmobei. If she does not take the initiative to leave, as long as he tells the Kang family about it, Bai nianxi is still hard to get into the Kang family.

If Kang Mobei knew that she was seducing other men, especially this man or his future brother-in-law, how could he keep Bai nianxi around?

It's just that Bai nianxi now turns around and hits him?!

The two melon eating colleagues, who did not know the truth, stood at the door, stunned. The new president Su has only been here for two days. How can he make such an office scandal?!

"Nonsense Su Yihao was biting his teeth, and his lower body was still in a sharp pain. Bai nianxi's kick just now took a lot of effort.

The eyes gouged out the numb Wang beside him. Then Xiao Wang came back to himself and said, "it's impossible! How could Mr. Su do such a thing to you! It's clear that you have to ask Mr. Su to come to the conference room for a private meeting! "

As expected, he is waiting for her here.

Deliberately show a timid look, "if he does not bully me, I have nothing to kick him for what?"? How dare I kick the president of the company! Just now I was forced to... "

Eat melon colleague nodded, well, Bai nianxi said is reasonable.

Seeing the situation developing uncontrollably, Su Yihao yelled at Xiao Wang, "go away! Get out of here

Xiao Wang turns around, reaches out his hand and pulls out the other two colleagues. Bai nianxi also plans to turn around and go.

"Stop!"

Bai nianxi's expressionless look back, "what's the matter with President Su?"

Su Yihao sneered, cold sweat on his forehead, "Bai nianxi, don't force me to attack you."

"You can't fall in love. I can't take care of your hands anyway." It doesn't matter if we talk in the evening. "What's more, if today's story is spread out, the people who get out of the Kang family may become you."

"Do you think it can be spread without my permission?"

Bai nianxi nods. It's her negligence. Since Su Yihao has set up this one, he will only spread out the rumors he wants.

"But I remind you." Bai nianxi coldly looks at Su Yihao, "don't play tricks with kangmobei easily, otherwise, you don't know how to die."

"Do you think it's only me who will die if I know what I've done to seduce you today?"

"No, you'll die worse."

Bai nianxi sneered and turned to walk out.

Su Yihao clenched his teeth and looked at her back as she turned to leave. His eyes were hazy with hatred.

After leaving Matsushita, Bai nianxi came directly to the company of Kongshi group. When he opened the president's office of kongmobi, it was empty.

It must be a meeting again.

Bai nianxi went to her desk and sat down. She looked at the information at hand. No matter what, she would never give up this cooperation with Panasonic.

Not only will she not give up, she must do her best.

After a while, the door of the office was pushed open. Bai nianxi used to look up. She knew that Kang Mobei had come back. I don't know when conmobei was not in the office, and when the door of the office was pushed open again, her eyes had been filled with expectation and joy.

It's true that kangmobei has come back. When Bai nianxi sees kangmobei, his eyes brighten, but the next moment he sees a woman coming in behind kangmobei.

It's like frost.

She said, "brother Mobei..."

This is the first time that Bai nianxi heard mu Rushuang call him kangmobei, or in the workplace.

Two people see Bai nianxi are all a Leng, mu Rushuang to the mouth words also can't say.

Kangmobei calmly went to his office chair and sat down. He nodded to Mu Rushun and said, "I know. You go back first."

Mu Rushuang looked at Bai nianxi and said with a smile: "well."

Then he turned and went out.

When the door of the office closed again, Kang Mobei turned to Bai nianxi and said, "think about it?"

"What do you want?"

"Marry or not?"

To tell you the truth, she didn't think about it at all after she left.

Kangmobei seemed to see through what Bai nianxi thought, and then asked: "what are you doing here?"

Bai nianxi casts a look at Kangmo north. The look in his eyes is very unpleasant and I don't know what kind of feeling it is.

He just felt vaguely that she was angry.

Sure enough, the next moment, Bai nianxi stood up and picked up the things on the table. His voice was so cold that he couldn't say, "since Mr. Kang doesn't have my place here, I won't stay here any longer."

"Bai nianxi..."

Bai nianxi stares at him with a look in his eyes. "Besides, I think it's OK that Kang

always marries whoever he likes. It has nothing to do with me."

Then he took his own things to go. Conmobei quickly stood up from the seat, took Bai nianxi's hand and said, "what do you say?"

Bai nianxi moved his arm and shook off the hand from Kang Mobei. "Isn't Kang Zonggang asking me what I'm doing here? I'm here to pack my things. "
