

Billionaire CEO Won't Leave

Chapter 148

It's a voice like frost.

Mu Rushuang first opened his mouth directly to the direction where Kangmobei often sat, and when he found that Kangmobei was not there, he turned his eyes elsewhere.

And then I saw two people hugging each other on the bed.

Then I was stunned.

When Bai nianxi heard Mu Rushan's voice, his body suddenly trembled and unconsciously stretched out his hand to push away Kang Mobei.

There is always a feeling that she has done something bad. She doesn't know why. She just feels guilty.

Then Kangmobei didn't let go, still tied her tightly in her arms, and didn't lift her head.

They just hugged each other, but the posture seemed ambiguous, which made people blush and heart beat.

Mu Rushuang's steps moved slightly. After a while, he turned around. He didn't leave the office. He still stood in the same place and said, "brother Mobei, my father said, he's coming."

Mu Rushun's face is a little red, his mood is more complicated, and his voice is trying to disguise his calmness.

Before letting go of Bai nianxi, Kang Mobei gives Bai nianxi a kiss in his ear. The sound is very small, but in such a quiet office, people can still catch the sound with their sensitive ears.

Mu Rushuang heard, face more and more red, eyes also gradually sink down.

After the kiss, Kangmobei let go of Bai nianxi, straightened up, stood up, and went to the other side, the area of his office chair.

"Well, I see."

After Kang Mobei left Bai nianxi's body, Bai nianxi also sat up. Her face was very hot. Then she came out and said hello to Mu Rushuang with a reluctant smile. Then she went back to her desk.

"My dad says it's tomorrow."

"Where?"

Mu Rushuang was about to say the location. After thinking about it, he said, "we can go there together at that time. Anyway, I will go there."

"We?" Conmber asked.

"Do you mind if I take your car? Let's go in my car. " Finish saying, mu Rushuang didn't do to stay any more, didn't wait for Kang Mobei to say anything more, already turned and left.

Bai nianxi put his hand on his hot face. Thinking of what mu Rushun had just said, he asked, "who are you going to see?"

"Muliancheng."

Muliancheng? Bai nianxi thought and said, "Miss Mu's father?"

"Well."

"What do you want to see him for?" Bai nianxi thought for a while and asked.

"He asked me to meet him," he explained calmly

"He asked you out, and you went?"

Kangmobei raised his head and looked at Bai nianxi. His eyes seemed to be puzzled.

Bai nianxi is a little annoyed. She really has a big reaction. Conmber has his own freedom. What does she care so much about? It's all her fault. I can't control it.

"If you don't like it, I won't go." Kang Mobei thought for a moment and said such a sentence.

Bai nianxi was stunned and looked at him for a long time, then he didn't open his eyes.

"You go, it doesn't matter." Bai nianxi lowered his head and said, "I'm just a little curious when you talk about your business. I don't mind. What's more, you've promised others. It's not good to stand people up like this. "

Kangmobei and Mu Liancheng make an appointment for dinner. The next night, Mu Liancheng chooses the place. When she is about to leave work, mu Rushuang finds kangmobei's office.

"Mo beige, let's go."

"Well." Kangmo North got up, took a side of the suit jacket, looking at Bai nianxi, "not off work?"

Bai nianxi raised his head, "I'll leave later."

Kangmobei put on his coat and went to bainianxi. He put his hand on bainianxi's head and touched it twice. "In the evening, I'll ask Secretary Xing to take you back."

"Well."

Kangmo north and bent down, "obedient, don't run."

.....

Looking at the white read Xi obediently nodded, Kang Mo north this just at ease leave.

Bai nianxi sits in the same place, and his work hasn't made any progress for a long time. He only feels that the feeling of touching his hair from Kangmo north still reverberates in his interest.

Kangmo North went downstairs, first asked mu Rushuang, "Miss Mu drove over?"

Mu Rushuang nodded.

"Well, let Miss Mu lead the way."

Conmobei means that she won't be in the same car with her. Although the words are euphemistic, the meaning is direct and can't be refused.

Mu Rushuang can only get on his own car, and then takes Kangmo north to the place of Mu Liancheng.

When I arrived, I found that there were not only Mulian City, but also Kang Youqin.

Eyes do not feel the squint up, although Mu Liancheng is for business cooperation, but he knows the purpose of Mu Liancheng.

The reason why he came here is that it's not easy to refuse the invitation based on business cooperation. After all, comrades and mousse are still partners. Secondly, he also wants to solve the problem once and for all. He doesn't like murushuang, and there is no possibility between him and murushuang.

At the moment of seeing Kang Youqin, the momentum of Kang Mobei became cold.

He walked over and sat down on the opposite side of Mulian city.

"Mr. mu."

Mu Liancheng also nodded: "general manager Kang."

Knowing that kangmobei is Qi Zhiwei's son, he became curious about kangmobei. That day, mu Rushun found him and vowed to tell him that she had found his son-in-law, kangmobei.

Mu Rushuang said that she recognized Kang Mobei, but he didn't marry her.

Mu Liancheng didn't know what kind of character kangmobei was. He let his daughter, who had always been known as dignified and elegant, put down her figure and posture, and didn't care about anything else. She just fell in love with him with all her heart.

Today, it seems that komobei is indeed a talented person with outstanding instrument and capital.

"Mr. mu, this is my Mobei." Kang Youqin and Kang Mobei sit on one side and introduce to Mu Liancheng.

Mu Liancheng nodded and held out his hand. Kang Mobei held it back. Then he turned to Kang Youqin and said, "what's Auntie doing here?"

"Mobei, look at you." Kang Youqin said with a strange smile: "your grandfather cares about you and specially sent me to meet your future father-in-law. Isn't your grandfather afraid of something wrong with you?"

Kang Youqin said this and said to Mu Liancheng, "Mr. mu, don't blame me. My Mobei is just like this."

Mu Liancheng nodded. Before he came, he also knew about kangmobei.

Asked the family that boy is what the character of the north is, Musi from just smile banquet quite not serious with him said, "well prepared for the psychological line."

He didn't know exactly what he meant, but I think he was the kind of person who was too cold and strong to get along with.

"What's the matter with Mr. Mu today?" He asked politely and coldly.

"You child, how can you still be called general manager mu?" Kang Youqin interrupted.
