

Billionaire CEO Won't Leave

Chapter 149

"What's my name, aunt?"

Mu Liancheng said with a smile, "just call me uncle mu."

Kangmobei doesn't like this kind of empty relationship between elders. Today's dinner made him feel like being designed. He just took a look at mu Rushun sitting beside Mu Liancheng.

Her expression is still elegant and calm as usual, but the tension in her eyes is seen through by him.

He didn't directly pierce the harmonious atmosphere on the scene, but insisted: "since it's business, I'd better call you Mr. mu."

Mu Liancheng was stunned at first, then nodded: "it's OK, it's OK."

But this sentence, he has already seen, Kang Mobei, has no idea of Mu Rushun at all, and his idea is almost impossible to be influenced by others.

Kang Youqin, however, felt that her mission could not be let down. She kept trying to make ends meet. "Mr. mu, you are really lucky to have a daughter like frost. She is beautiful and elegant, which is really enviable."

Mu Liancheng shook his head with a smile. "I'm a girl. I've been spoiled since I was a child. I'm also a big lady."

Kang Youqin was very different from Mu Liancheng's words. "There is no such a good girl as Rushuang. People like her when they see her. You don't know. The old man in my family likes Rushuang very much."

When he said this, he took a hint at kangmobei, "the old man often said that if Mobei could marry Rusheng, and let Rusheng become the granddaughter-in-law of our kangs, I don't know how lucky it would be."

Mu Liancheng did not answer, but looked suspiciously at Kangmo north.

Sure enough, Conmber's brow had wrinkled, and the cold air in his eyes did not seem friendly.

"My grandfather's hope is my grandfather's business. My marriage is my business."

Kang Mo North looked at Kang You Qin one eye, "also asks aunt not to confuse."

When kangmobei is so serious, people around her always feel chilly. Kangyouqin is no exception. She is always afraid of her nephew, kangmobei.

Kang Youqin's face was a little uncomfortable, but he still said: "if you are such a good girl as Shuang, how can you..."

"Although Miss Mu is good, she is not a member of the Kang family after all."

This has two meanings.

Mu Rushun's face darkened. He knew that Kang Mobei didn't like her, but he didn't expect that he would speak to her in front of the elders of the two families.

But the more he was, the more stubborn she was.

"It doesn't matter. If aunt Kang likes it, I'll visit her often in the future." Mu Rushuang said with a smile, relaxed voice eased the embarrassment on the scene.

Mu Liancheng looks at his daughter. It seems that the girl is in deep trouble.

"Yes, come often." Kang Youqin was very happy and said to Kang Mobei, "Mobei, you will come back often in the future."

"You like Miss mu. What can I do when I go back?" The cold words choked Kang Youqin's words, leaving no room.

"Brother Mobei, I'm going to your house as a guest. When the guest comes, don't you entertain him?" Mu Rushuang's words are a bit witty, like a joke, and express the meaning clearly.

"Miss Mu is going to Kang's, not me." Conmber is still cold, not let.

Mu Liancheng's face gradually sank down and became expressionless. He already knew the attitude of Kang Mobei.

Even if Mu Rushun really got married, what kind of good life can she live with the attitude of kangmobei towards her?

Then he stood up and said, "in this case, I won't force others to do anything."

Look to admire like frost way: "frost son, go back with me."

Kang Youqin was angry when he saw Mu Liancheng. He immediately stood up and said, "don't get me wrong, Mr. mu..."

"It seems that general manager Mu already has the answer in his heart, so I won't give it away." Conmbe said it first.

Mu Rushuang's face is a little white, and then he stands up, his lips are tight, and it's not good to say more, he will follow Mu Liancheng out.

Seeing a dinner break up again.

Kang Youqin couldn't go down in his heart. He said, "Mo Bei, how can you..."

"How?" Kangmobei's eyes are awe inspiring, which makes people dare not look directly at him.

"I haven't asked my aunt who arranged this dinner for me?"

"At your age, what's wrong with a blind date dinner? Rushuang is such a good girl. Do you have to marry Bai nianxi? "

Kang Mobei didn't answer Kang Youqin's question, just looked at it coldly.

Kang Youqin is anxious and angry. He can't say anything in front of Kangmo north. Just then, the phone in the bag rings. It's Kang Xinyue.

Connect, Kang Xinyue's voice excited and anxious.

"Mom, have you met uncle mu?"

"See, see what see, your uncle Mu was angry to go!""Is the anger gone?" Kang Xinyue didn't seem to be too surprised. She continued: "Mom, is brother determined to marry Bai nianxi?"

Kang Youqin gave a reluctant hum.

In other words, conmobei has stood up, walked out, ready to leave.

Kang Youqin did not dare to speak out, but muttered in a low voice: "it's not a good

thing."

"Mom, I've sent you a picture. Please show it to my brother. By the way, I'll show it to Uncle mu. Let them know that this woman who seduces my brother is not a good thing!"

"Photos?"

"Yes! Pictures of Bai nianxi and other wild men! You don't see Bai nianxi's usual high-profile appearance. In fact, it's very rough outside. He's not married yet. He's already wearing the green hat first! "

Kang Youqin eyes a bright, busy hang up the phone, open the mobile phone, see Kang Xinyue sent photos.

Conmberg has gone out.

I caught up with him in a hurry.

When Kangmo north goes to the door, murushuang and muliancheng are still standing at the door. Muliancheng's driver has opened the door for him. Muliancheng is ready to get on the bus, but sees murushuang standing in the same place.

He turned his head to the direction inside the restaurant and looked slightly.

"What else are you looking at? Why don't you drive back? "

Mu Rushuang comes back and is about to get on the bus. Kangmobei comes out of the restaurant and Kang Youqin catches up behind him.

"Mo Bei, wait! Wait Seeing mu Rushun not far away, Kang Youqin shouts: "Rushun! Like frost

Rushuang turns her head and looks straight at kangmobei.

Conmobei indifferently went to his car, opened the door to sit in.

"You don't know the true face of Bai nianxi!" Kang Youqin waved his mobile phone and caught up with him. "What kind of woman is Bai nianxi? I'll let you have a look today!"
