

Billionaire CEO Won't Leave

Chapter 167

Bai nianxi whispers in his heart that he is not good. He turns around to find a mop, but where else is there a mop in the bathroom?

At this time, there was a voice outside the door.

"Miss Gu, let me open the door for you." It's Wu Ling's voice.

Bai nianxi was startled, and sure enough!

If Gu xuanlin stepped on that pool of water, she would just fall to the ground. If she went to help her, maybe she would help Gu xuanlin, but maybe she would fall to the ground with Gu xuanlin.

Wu Ling wants to destroy her, through the child in Gu xuanlin's stomach!

The door had been opened, and Gu xuanlin came in from the outside.

It was fine, but just now her stomach began to ache. Gu xuanlin was also surprised that she didn't eat anything bad.

Bai nianxi yelled at the door: "don't come in!"

Gu xuanlin was surprised, but one foot had already stepped on the water stains. Originally, she was holding the door with her right hand, but the door was suddenly shaking.

Gu xuanlin was unprepared and fell down. When he called out, Bai nianxi had already come to Gu xuanlin and stretched out his hand.

Use your body to pick up Gu xuanlin's fallen body.

With a heavy pain on her body, Bai nianxi snorted and Gu xuanlin snorted. Although Bai nianxi followed her, because she was not on guard, she still fell hard.

The pain on Bai nianxi's body hasn't eased a little, and he has heard Gu xuanlin's mouth groan.

"Well..." Gu xuanlin covered her stomach with a look of pain, "pain..."

Bai nianxi didn't have time to think too much. He sat up from under Gu xuanlin's body, hugged Gu xuanlin, and asked eagerly in his voice, "what's the matter?"

Gu xuanlin just deeply frowned and covered her abdomen. The sudden fall brought a great impact on her body.

Blood and water gradually spread under the body.

Wu Ling saw it earlier than Bai nianxi. Ah, he called out and wanted to come in, but when he came in, he brought the bucket under his feet.

All the dirty water in the bucket came out and washed away her marks on the ground.

Bai nianxi's fierce eyes narrowed to Wu Ling. Gu xuanlin is sitting here now, with blood under her body. By doing so, she not only destroys the evidence, but also may cause Gu xuanlin's infection, making the child even more vulnerable.

"Call the doctor!" Bai nianxi roared out.

Wu Ling face in addition to pretending to come out of the panic, and no other emotions, coldly looked at the two people on the ground a few seconds later, turned and walked out.

Then come to the lobby and start calling.

But after a long time, people gathered around.

Jiang zhiang also pushed aside the crowd and came, "what's the matter?"

First, I heard Bai nianxi calling, "call a doctor! Come on! Call the doctor

Gu xuanlin suffered a lot in her abdomen, and the blood under her body flowed more and more, because the dirty water under her body was everywhere, and the blood dissolved in the water, which dyed the whole ground red.

"Xuanlin!" Jiang zhiang roared out, came in, held Gu xuanlin in his arms and rushed out of the crowd.

There was a roar in Bai nianxi's mind. Wu Ling's eyes were full of fierce color.

This is a child!

I can't help being asked what happened.

Wu lingduo shivered and said: "Miss Gu came to the toilet. When she opened the door, Miss Bai was also in it. Somehow, Miss Bai suddenly yelled at Miss Gu, then reached out and rushed up. Then I saw Miss Gu scream and fall on the ground..."

On the contrary, Wu Ling's words are full of imagination.

"It must be jealousy that xuanlin married Jiang zhiang. She was unwilling to do so."

"That can't be done. This is a child!"

"I didn't say before that she didn't have any plans to come here today. She didn't come here to bomb, but to kill people." This is what Li Jing said.

"It's a snake and a scorpion."

Someone Poo A, "fortunately Jiang zhi'ang didn't marry her, the woman with evil mind."

.....

Bai nianxi sits on the ground with a stunned expression. Unexpectedly, Wu Ling will attack Gu xuanlin in order to deal with her.

She actually indirectly hurt Jiang zhiang's children

A man came through the crowd. It was moussili.

After Bai nianxi refused Musi Li's invitation to dance, Musi Li also left the dance floor. Because there was a phone call, he went to a remote place to answer the phone.

Mu Sili put his hand on Bai nianxi's shoulder, and his voice was much deeper than usual. "Miss Bai, Miss Bai?"

On the ground is a pool of blood. Bai nianxi sits in the middle of the blood. The scene is very terrible.

Bai nianxi some return to God, looking to musili.

Mu Sili's first reaction to seeing Bai nianxi sitting here was that she was injured, but after careful examination, she found that she seemed to be OK. "What's the matter with you?"

Bai nianxi was about to shake his head when he heard a familiar voice from the crowd.

The voice was calm and calm, with a faint anger.

"Get out of the way."

The crowd unconsciously stepped out of the way, and conmobei strode in.

Kangmo North calm face, eyes first is to shake squatting in Bai nianxi side of Mu Si from one eye, and then eyes on Bai nianxi body.

Come over, bend down directly, one hand on Bai nianxi's back, one hand through Bai nianxi's knee.

Bai nianxi only felt light on her body. It was Kang Mobei who picked her up from the mud.

The skirt on his body has been soaked in blood. Bai nianxi is held in his arms by Kang Mobei. The water drops from Bai nianxi's body keep dripping down and down to Kang Mobei's body, which also makes him wet.

It's hard to imagine that conmobei was originally a cleanliness addict.

After holding Bai nianxi in his arms, Kang Mobei went out through the crowd. All the people around him were from the upper class. Naturally, they knew Kang Mobei's face.

No one dares to say anything, and no one dares to stop it. He just looks at kangmobei and takes Bai nianxi out with a cold face.

In fact, when Kang Mobei appeared here, the people who had originally denounced Bai nianxi had already consciously silenced.

After Kang Mobei went out with Bai nianxi in his arms, Mu Sili straightened up and stood up. He glanced at Wu Ling in the crowd.

His eyes were not as warm as usual, and he took a few shrewdness with him.

He knew that this woman was the one who had a holiday with Bai nianxi in the dressing room. She was the first one to appear here just now. Besides Bai nianxi and Gu xuanlin, she was the only witness at the scene.

Naturally, people believe what she says. And what she said just now has already brought enough wind.

"You were here just now?" Moose asked as he left.

Wu Ling nodded.

"And you've seen everything?"

Wu Ling nodded, his lips moved, and he was ready to repeat what he had just said.

"No Moussili interrupted her directly, "come with me."
