

# 《Billionaire CEO Won't Leave》

---

## Chapter 17

From the shock back to God, white read the direction of the evening to see the past, Wu Ling!

Wu Ling, her former roommate, was also her best friend when she first arrived in Paris. But later, because of some things, they became enemies.

It's just, why is she here?

"Is it really you?" Seeing Bai nianxi's face, Wu Ling confirmed his idea. Seeing Luo Luo beside Bai nianxi's leg, he sneered and said, "Oh, haven't seen you for so long. Are the children so old? OK, Bai nianxi, the speed of sleeping a man is really fast. "

Bai nianxi frowned, "Wu Ling, in front of the child, pay attention to your words."

"Ha ha." Wu Ling did not care about a smile, "is really a good mother ah."

"But..." From the top to the bottom, he looked at Bai nianxi, "why, I can't get along without my diploma? Did you wear such shabby clothes when you came to the exhibition? I don't mean you. If you really don't have the money to buy better clothes, don't come to the art exhibition. It's really poor and fastidious. "

Bai nianxi is a little plain and casual today, but poor? She said she was shabby when she gave her clothes from conumber?

Luo Luo snorted in the heart secretly, stupid aunt, don't know the goods even if, still dare to humiliate his mother?

He raised his left hand, tapped it twice on the wrist watch screen, and then raised his hand to scan Wu Ling's whole body, making a beep.

Wu Ling was puzzled and was about to ask questions when he heard Luo Luo's chuckles after looking at the numbers on the watch screen, "Auntie, it seems that your clothes are not expensive. They are only over 100000."

Children with naive crisp sweet voice to the ear, it is very ironic, Wu Ling had no time to speak, Luo Luo said: "and, or a goods."

"You Wu Ling's face turned red. "What do you know, you little boy! Don't talk nonsense

Although it's a goods, it also cost her a lot of money to buy it! She just started to work as Jenny's assistant. She didn't have a high salary, and she always bucked her. In order to keep up appearances, she couldn't help it.

But at that time, the man clearly said that the workmanship of the dress was lifelike enough to confuse the real with the fake. Even if he went to the counter to inspect the goods, he couldn't find it. How could he have been swept by this child's watch for a while?

Lolo's chubby little face has a smile of arrogance and disdain, which is exactly the same as that of conumber. No one can ignore the innate spirit of king.

"Clothes of this brand all have their own serial numbers. You can find them by scanning them."

With that, Lolo suddenly clapped his head again, as if he suddenly remembered something very important.

"By the way, auntie, if you don't understand, you can check the" Julyrose "brand. Otherwise, it's not good to say that other people's millions of clothes are poor next time."

Hum, to say that her mother is poor doesn't mean that her father has no money?

"Right? Sister Xiaoxi Lolo raised his head, a pair of white nianxi's face, just that kind of serious expression disappeared, into a lively smile, blinked, highlighted the word "sister" behind.

I didn't expect this little devil to be able to say that. Wu Ling was completely shriveled.

"Hum." Wu Ling felt sorry on his face and began to give orders, "you'd better go now. People who only know how to comment on other people's clothes can have elegant taste. We don't welcome you here."

Bai nianxi feels strange. It's clear that she first stares at other people's clothes and ridicules them. How can she stand on the moral high ground now?

"Not welcome?" A cold voice came.

Conumber was standing not far away, with a smiling Jenny standing beside him.

He had just come back from the negotiation with Jenny about becoming a teacher for Lolo when he heard someone say to his woman and son, "no welcome?"

Seeing that Kang Mobei's face suddenly turned bad, Jenny threw an eye knife to Wu Ling and immediately stood up and said, "this is my assistant, Wu Ling. Just a misunderstanding. Mo beige, don't mind."

Assistant? Bai nianxi looks at Wu Ling. Is she actually Jenny's assistant?

Wait!

The signature of this painting is Jenny's, and Wu Ling is her assistant. So, then, the painting that she lost in those years was stolen by Wu Ling as a roommate? Otherwise, how could this painting come to Jenny?

The day before the painting was lost, because all the people in the dormitory were away, she hung the painting in the dormitory and went shopping. When she came back, she found that the painting was no longer there. Wu Ling sat in the dormitory and told her that she had forgotten to lock the door just now.

She always thought it was because of her carelessness that the painting was stolen. Unexpectedly, it was because of Wu Ling?!

"If you don't get me wrong, you should see if Miss Bai cares." Kangmo north to see white Nian Xi, but found white Nian Xi's expression is a little strange, seems to be thinking what into God.

Seeing that Bai nianxi didn't answer Kang Mobei's words, Jennie said, "it seems that Miss Bai is broad-minded and doesn't mind. Since she doesn't mind, let it go." Jenny's words were sweet and thoughtful. Bai nianxi didn't make a sound, and conbme couldn't find fault with them any more.

Seeing Jennie's eyes, Wu Ling realized that the man in front of her must be a bad character. When you think of what happened just now, it's not difficult to find that Bai nianxi has a special relationship with this man.

When did Bai nianxi catch up with such a man? Oh, why is her luck always better than her?!

After the exhibition, it was a dinner party invited by commobei, which mainly invited Mr. Ji and Jenny to dinner. Therefore, as Jenny's assistant, Wu Ling also came along. There were several other people, all from the gallery.

After Ji sat down in the master's seat, Kang Mobei sat down on Ji's right side, and the others sat down in turn. Jennie, who should have sat on Ji's left side, sat next to Kang Mobei.

"Miss Jenny doesn't like to sit on the left?" Kangmobei stood up and gave up the right seat to Jenny. Then he went to Ji Lao's left and sat down. Next to him was Bai nianxi.

Jennie's mind was clear, but conmbes didn't give face at all.

Jenny's face flushed for a while, also did not show what, still smile Cen Cen Cen of keep elegant.

The dinner table began to toast, everyone raised their glasses, but Bai nianxi was still in a daze. Kangmo North turned his head and looked at Bai nianxi. The hand under the table tightly grasped Bai nianxi's hand. Bai nianxi recovered and looked at Kangmo north.

Then they raised their glasses, and the people clinked their glasses.

"I would like to thank Miss Jenny for accepting my invitation to teach Jinchuan how to draw." Conmobei's voice was cool and polite, and his gratitude to Jenny was obvious.

"Where, where." With a gentle and elegant smile on her face, Jenny said, "it's my honor that Mo Beige can take a fancy to me and let me be a teacher for Jinchuan."

"Kang Jinchuan?" Commor turned north and motioned to Lolo.

Lolo's tight little lips glanced at him. He was not particularly happy. Who knows if Miss Jennie would get entangled with Daddy, but daddy's meaning could not be violated. He opened his mouth and was about to open his mouth to shout.

"I don't agree!"
