

# Billionaire CEO Won't Leave

## Chapter 171

Bai nianxi and Kang Mobei go to the outside of the hospital together, followed by Mu Sili.

It's evening, and the night of October begins to feel cool.

"In the future, don't get involved with the Jiang family any more." Kangmo North Station in front of the hospital, said to Bai nianxi.

Bai nianxi didn't nod.

Before Wu Ling said those words, like a heavy mallet on her heart, I have to admit that some of Wu Ling's words are really reasonable.

She has an inseparable relationship with this matter.

Although Wu Ling did it, Gu xuanlin would not have been involved without her.

Bai nianxi wants to persuade herself not to carry too much, but her conscience is still upset. Gu xuanlin is innocent, her child is innocent, and Jiang zhiang is also innocent.

Seeing that Bai nianxi didn't answer, Kang Mobei said, "did you hear what I said?"

He vaguely felt that Jiang zhiang was a dangerous man.

Before, he was afraid that Jiang zhiang would rob Bai nianxi, but now, he is afraid that Jiang zhiang would hurt Bai nianxi.

Bai nianxi shook his head. "I think it's necessary for me to go to the Jiang family to apologize. After all, this matter..."

"I agree with Mr. Kang." The voice of Musi Li came from behind.

Musi from the face is still with a smile, although shallow, but can not deny that he is indeed a whenever and wherever looking at all feel pleasing man.

Bai nianxi is confused. What do they mean?

Musi approached him and said, "it's said that injustice has its head and debt has its owner. Whoever does things is who does them. Why does Miss Bai have to burden herself so much?"

"But I really feel guilty..."

"Do you think that if you go to Jiang's home to make an apology, you can let them down?" he said

"At least myself..."

Moussili said: "since no matter what you do, others will not appreciate you. Why do you waste your efforts?"

"I just..."

"Since the real murderer has been found out, the matter is over," he added

"I..."

Moussili said again: "the result has been caused. The one who really needs to be punished should be the murderer."

Bai nianxi looks at the two men in front of him. They cooperate very well, seamlessly and tacitly!

When did they stand on the united front?

Bai nianxi angrily turned around and walked not far away. He opened the door of the Komo north car and sat on it.

Kangmobei and musili almost turn around at the same time, face to face, kangmobei's eyes are sharp, musili's eyes are shallow.

"Mr. mu, what does that mean?"

Mu Sili said with a smile, "I just agree with Mr. Kang. Jiang zhiang is really dangerous."

Finish saying this words, two people's eyes all dark come down.

Jiang zhiang came out of the hospital building and came to them.

The expression of the three people is very subtle. Kangmobei and musili turn their eyes to Jiang zhiang at the same time. Kangmobei doesn't move, and musili seems nothing happened.

"Mr. Kang, can I handle Wu Ling?" Jiang zhiang asked kangmobei.

Kangmobei's eyes narrowed, seemed to be slightly thinking for a moment, nodded.

"Thank you, Mr. Kang." Jiang zhiang nodded his thanks, and at the same time, he said to Mu Sili: "tonight, I also thank Mu always for helping solve the problem."

Musi Li shook his head with a smile. "I didn't do anything. I just brought the witness here. There's no need for Jiang to be polite."

Jiang zhiang took a look at them, but he didn't say any more. He just said, "then I won't give them away."

Then he turned and walked in.

Musi looked away at Jiang zhiang's back, took back his eyes, turned his head and stepped down the steps, "I'm going home, too."

Bai nianxi is still angry. Sitting in the car, he ignores Kangmo.

Kang Mobei reaches out his hand to hold Bai nianxi's hand. Bai nianxi pulls it away, and then pulls it away.

After several rounds back and forth in this way, Kang Mobei stretched out his hands directly, picked Bai nianxi up and put him on his leg.

With the forehead to white read the forehead of the night, low voice asked: "angry?"

Why not ask? Can't you see that?

"Why?" "It's because I said that you should have less contact with the Jiang family in the future," he said

It's really because of this reason. In fact, if it didn't happen, there was no need for Kang Mobei to say that Bai nianxi would not have any contact with the Jiang family any more.

It's just that Jiang Jiagang was really sorry for what happened to her just now.

If Bai nianxi doesn't speak, he will acquiesce.

Kangmobei was not angry. Instead, he patiently said to Bai nianxi, "I don't want you to deal with them. I'm afraid they will transfer their anger and resentment to you." "But am I too selfish?"

"I've given Wu Ling to Jiang zhiang. He knows what to do." Kangmobei looked at Bai nianxi, "and you, you've tried to stop it, haven't you?"

"Even if I'm selfish, I'm selfish. I don't want you to be hurt any more."

Kangmobei's words are like a warm current flowing through Bai nianxi's heart, bringing a burst of warmth.

He was really worried about her, and she was moved by it.

Bai nianxi doesn't answer, so she leans on Kang Mobei's arms silently. She also has her own plan.

When he got home, Luo Luo had already been lying on the bed with her eyes wide open. Hearing the movement downstairs, she threw down her book and ran out of the room.

Running down the stairs, "Xiao Xi - Xiao Xi -"

Luo Luo's little foot on the stairs, making a sound.

No matter how tired you are, as long as you see Luo Luo, Bai nianxi feels that all the fatigue is gone.

Luo Luo pounced on Bai nianxi's legs and rubbed his head. Bai nianxi was very fond of Bai nianxi. He picked Luo up.

"Baby, why haven't you gone to bed yet." It's one o'clock in the morning. It's time for Lolo to go to bed.

Lolo raised his head, "Lolo is waiting for Xiaoxi to come back. If Xiaoxi doesn't come back, Lolo can't sleep."

Bai nianxi kisses Luo Luo on the face, and Xiao Tuan Zi's words are just likable.

Or conumber saw through Luo Luo's careful thinking at a glance, "say, what's the matter."

Luo Luo Du mouth, two little fingers in the chest poke ah poke, "I want to discuss a

matter with Xiao Xi and dad."

Luo Luo finished, Bai nianxi exclaimed, "what?"

Conmber frowned and could not see whether he was happy or unhappy.

Lolo bit her little lip and felt a little uneasy.

Luoluo went to the famous noble kindergarten in a city. Although he usually had little time in the kindergarten, because kangmobei found a lot of teachers for him, he spent most of his time in private teaching.

But this time, the school will hold a parent-child performance! Is by the children's parents and children together on stage to perform talent!

Then, he signed up happily!

Bai nianxi took a long time to relax from Luo Luo's words. Luo Luo means that she wants to perform with them?
