

Billionaire CEO Won't Leave

Chapter 173

Obviously, Luo Luo's attitude to Mu Rushun is not friendly, because Luo Luo always resents the last time he was asked to marry mu Rushun in Kangmo north of Kangjia.

"Lolo, this is aunt Mu who came to teach us how to play the piano." Bai nianxi introduces to Luo Luo.

"Hello." Mu Rushuang smiles and reaches out to Lolo.

Lolo has hostility on his face. He doesn't like any woman who grabs daddy from Mommy!

Murushuang didn't mind Lolo's attitude towards her. She always had a gentle smile and a soft voice. "Since we are here to teach piano, shall we deal with everything fairly? If Lolo doesn't like to call me auntie, call me teacher. "

Then he took out a beautifully packaged book from his bag and said, "come on, Lolo, this is a gift from the teacher."

Luo Luo didn't want to pick it up, but in front of Bai nianxi, he couldn't be rude. He could only pick up the book and said "thank you."

After teaching for two days in a row, mu Rushuang came to century Manor on time every day. When it was time, she went back on time. Besides teaching piano, she sat quietly on the sofa in the living room at other times.

It's not annoying to be on your own.

In the hospital, Gu xuanlin woke up after a day in a coma. After knowing

that her child was gone, she fainted again.

Gu's father and mother took care of her in front of the bed for two days. When they woke up again, there was a lot of noise in their ears.

"How can you do this to xuanlin?" It's Gu Fu's excited voice.

"Uncle Gu, as you know, I have no feelings for xuanlin." Jiang zhiang lowered his head. "Xuanlin and I got married because we had children. Now the children are gone..."

"Pa", Gu Fu slapped Jiang zhiang in the face.

"Son of a bitch!"

"Dad," Gu xuanlin said weakly, "what's the matter?"

Her mind was still a little confused, and she didn't know what was going on.

Gu's mother saw Gu xuanlin wake up and cry at the head of the bed. Gu's father was angry and turned his back to Jiang zhiang.

Gu's mother told Gu xuanlin everything, from Wu Ling's setting up Bai nianxi, which eventually led to her abortion, to Jiang zhiang's repentance of marriage.

Gu xuanlin opened her eyes wide and grasped Gu's mother's hand. "Mom, what did you say?"

Then he looked at Jiang zhiang and said, "zhiang, no, you quickly say no, you don't want to repent, you don't have to."

Jiang zhiang just lowered his head, "xuanlin, I'm sorry."

As if the last hope of life had been taken away, Gu xuanlin suddenly became blind, and her originally pale face was even more pale.

She sent Gu's father and mother out, leaving Jiang zhiang alone.

"Tell me, why?"

"Xuanlin, you know, I don't love you."

"But you were going to marry me, weren't you?"

"That's because you have children."

Gu xuanlin clung to the quilt with both hands and hissed, "children can have more! I can have another baby for you! "

Jiang zhiang was silent.

Looking at Jiang zhiang's attitude, Gu xuanlin understands that it's impossible. There's no chance. Jiang zhiang won't give her another chance to be with him.

In his heart, he never let go of Bai nianxi. He was reluctant enough to be with her for the sake of his children.

Yes, the baby is gone.

So her marriage is gone.

Her love, her happiness, all went with it.

Who did she worship today?

"That Wu Ling, I have dealt with her well. She has paid for what she has done." Jiang zhiang seems to be trying to comfort Gu xuanlin.

He cut Wu Ling's tongue, broke her legs and imprisoned her.

"That --" Gu xuanlin slowly raised her head, and her eyes were desolate, "where is Bai nianxi?"

Jiang zhiang doesn't talk.

Gu xuanlin said with a smile, "she's still fine, isn't she?"

"She didn't push you..."

"But she killed my child!" Gu xuanlin roared, "without her, my child would not have died! You will not repent and leave me! "

Jiang zhiang pressed Gu xuanlin, who was very emotional, "your body hasn't recovered. You can't be excited. You should have a good rest."

"I don't know! I don't know! I hate her! I hate her Gu xuanlin is close to madness.

Gu xuanlin calms down after taking a tranquilizer. Jiang zhiang turns and goes out. Gu xuanlin on the bed is half open. The mood in her eyes makes people feel cold.

"You're going back to her now, aren't you?"

Jiang zhiang's steps stopped, didn't look back, and then went out.

Gu xuanlin closed her eyes.

Bai nianxi, she won't let her go.

Today, Bai nianxi left work early. Even if she listened to Kang Mobei's words and promised to have less contact with the Jiang family, she felt that she should visit Gu xuanlin. When Bai nianxi came, Gu xuanlin was lying on the bed with her eyes closed.

Open the door of the ward. It's quiet inside.

Bai nianxi came in and put the fresh fruit on the head of the bed. Seeing that Gu xuanlin's quilt slipped a little, he reached out to help her tuck in the quilt.

The wrist was suddenly caught, and the people on the bed did not know when they had opened their eyes and looked at her.

The hatred in the eyes makes Bai nianxi feel cool.

"Pa" of a, have no guard of, a slap fell on the white Nian Xi's face.

Gu xuanlin seemed to have exhausted all her strength. After fighting, she breathed a little.

Bai nianxi only felt a burst of roar in his mind, and the blood came from the corner of his mouth. Gu xuanlin's hand holding the quilt was still there.

Gu xuanlin gasps, another hand fan over again, Bai nianxi from the Zheng heavy in return God, took Gu xuanlin's hand.

Gu xuanlin looked at Bai nianxi and said nothing.

Bai nianxi let go of Gu xuanlin's hand, straightened up and took two steps back.

"It seems that Miss Gu hates me very much."

"I don't just hate you. I want to peel you off! Draw your muscle again, drink your blood! "

"Miss Gu thinks that I killed your child, don't I?"

"But for you..."

"That's right." Bai nianxi interrupted Gu xuanlin's words, "I really feel guilty for you about the child, so you just slapped me, I have nothing to say."

Gu xuanlin sneered, "how can a slap be enough?"

Bai nianxi's face is still burning pain, a burning feeling, looking at Gu xuanlin, "you hate me, I can understand, but I can't accept it."

Conmber is right. Who did it, who should bear it.

Why should the hatred of Wu Ling be transferred to her?

"Oh, it doesn't matter whether you accept it or not." Gu xuanlin's pale face made her look very weak, and the hatred in her eyes was particularly bitter.

"Since Miss Gu feels disgusted when she sees me, I won't be here to make Miss Gu unhappy." Bai nianxi picked up the bag and went out, "you can take care of yourself."

Gu xuanlin bit her lip and reached for the fruit on Bai nianxi. She grabbed a bunch of grapes in her hand and smashed it directly at Bai nianxi.
