

Billionaire CEO Won't Leave

Chapter 178

"Now?" Conmobei's brow slightly twisted.

There seemed to be something on the other side of the phone, and then conmbe got up from his seat and said, "OK."

After hanging up the phone, conmobei went out from the rest room and looked at Bai nianxi. "There's something wrong with the company. I'll be right back."

Bai nianxi looks at Kang Mo north to go out, in the heart slightly some uneasiness.

After a while, there was a knock at the door.

Bai nianxi went to open the door, and Luo Luo came running with him.

At the door stood a waiter in red, with a fruit tray and some desserts in his hand.

The door didn't open very well. Luo Luo only saw the waiter. He didn't find anything unusual. Only when Bai nianxi reached for the fruit tray, he saw Jiang zhiang standing in the shadow.

His face suddenly startled. How could Jiang zhiang come here?

Jiang zhiang stood in the dark with no expression on his face. Only when Bai nianxi saw him did he pull out a smile from the corner of his mouth.

I'll wait for you.

Bai nianxi soon calms down, takes the fruit tray in the waiter's hand, and goes back to the room without surprise. Lolo doesn't find anything strange about her.

Lolo was just a little thirsty, so he wanted to eat fruit.

Bai nianxi used a fork to feed Luo Luo some fruits and ate some of them himself.

After a while, Bai nianxi covered his stomach, "Lolo, I have a little pain in my stomach. Go to the toilet first. You are good here. Don't run around, OK?"

Lolo looked at Bai nianxi for a moment, then nodded.

Then Bai nianxi went out to the place where Jiang zhiang stood before. There was no one there.

Bai nianxi turns his head and looks around. Suddenly his mouth is covered and he can't make a sound. Bai nianxi is about to struggle. He hears the voice coming from his ear, "it's me."

Jiang zhiang took Bai nianxi with her until he took her out of the concert hall and put her in his car.

"Why are you here?"

"I know you're here, so I'm here."

Bai nianxi wanted to ask again, but he found that the car under him had started. He said, "where are you taking me?"

"Go far away from here."

Bai nianxi frowned, "what are you going to do?"

Jiang zhiang looked at Bai nianxi with an unpredictable look. "Nianxi, do you know that if you go on stage today, you are the biological mother of kangmobei children, but it's spread out."

"And conmobei may take this opportunity to marry you."

Bai nianxi didn't speak. She really thought it was like this.

"You know that, don't you?" Jiang zhiang's eyes showed a trace of irony, "you promised me to leave him, do you forget?"

Seeing that Bai nianxi didn't speak, Jiang zhiang said, "Gu xuanlin and I are over."

"What do you mean?"

"My engagement with her is over."

Bai nianxi couldn't believe it, "zhi'ang, how can you do that? You know that what she

wants most is to be with you, and she has just lost her child. How can she stand it if you do that? "

"Whether she can bear to lose me or not, but whether I can bear to lose you or not?"

Bai nianxi couldn't answer Jiang zhiang's words. His mind was a little confused. "I just, just But anyway, you can't leave her at this time! "

Jiang zhiang doesn't talk. At the moment, he doesn't want to care about others. He just wants to watch Bai nianxi.

"In a word, nianxi, I won't let you on stage today."

Bai nianxi looks at Jiang zhiang. I don't know when, Jiang zhiang is so strange to her.

Perhaps, such a passive escape, or do not have to appear in front of people, will not bring her so much trouble, more will not have those many concerns.

I just think of Lolo, who is still waiting for her in the lounge, and conmobei

At that time, she has not appeared, will Lolo panic? Will you be disappointed?

When there are so many people waiting for them to show up and look at them, how would they face the public without her?

In my mind, I suddenly thought of what Lolo said, "besides, Lolo has signed up. If I don't go, others will know that I don't have any parents..."

That wronged milk sound reverberates in Bai nianxi's heart, which buckles her pain.

"Zhiang, I want to go back."

"Go back? What are you doing back there? "

"I can't leave Lolo on stage alone!"

"Are you going to leave me here alone?" Jiang zhiang frowned, "Bai nianxi, do you have to take care of all the people in the world, just don't take care of my feelings?"

"What does that Lolo have to do with you? You are not his mother. Why do you rush to be his mother? "

"And conmbber, you've only been with him for four months, and we've been together for four years! Four years is not equal to your four months? "Jiang zhiang's roar is

sonorous and powerful in Bai nianxi's heart. She just feels that she has nothing to say.

Yeah, why, why did she fall so fast in front of conmobei?

Why does she always want to bear more and give more to Lolo?

"I won't let you go back, I won't let you be Lolo's mother, and I won't let you be conmobei's wife."

I don't know when it began to rain outside. The rain hit the glass windows on both sides of the car and made a clattering sound.

"Zhiang, you have changed."

"That's because you've changed." Jiang zhiang looked into Bai nianxi's eyes, "nianxi, I won't allow you to leave me."

The craziness and paranoia in his eyes made Bai nianxi feel terrible for the first time.

Over the years, she has always been grateful for Jiang zhiang's kindness. Even though she knows that she has no love for him, she still listens to him and marries him. She was prepared to repay him for the rest of her life.

But conmbler and Lolo appeared.

Her heart began to be occupied by Commodore, and then became full of Commodore. She did not expect that one day her heart would be so uncontrollable.

"I'm sorry."

"If you feel sorry for me, don't go back to him." Jiang zhiang is dumb and patient.

"But I'm going back." Bai nianxi is still firm, "I can not go on stage, can not appear in front of people, can not let people know my existence, but at least, I want to let them know, I am in."

Jiang zhiang was stunned.

How deep is the feeling in her heart? What is his efforts for so many years?

"Go back?" Jiang zhiang gives a sneer. Then he pushes the door open.

The car is driving very fast on the road, the rain and wind outside suddenly rolled in, floating on Bai nianxi's body, wet her hair.

When the cold came, Bai nianxi shivered all over.

Jiang zhiang, what do you mean?

White read Xi don't understand of looking at Jiang Zhi ang, he just light of say a, "I won't stop."

Bai nianxi, do you dare to dance? "
