

# Billionaire CEO Won't Leave

## Chapter 181

"Xiao Xi, Luo Luo almost thought you left Luo Luo."

"You haven't come back. Lolo has been looking for you for a long time."

"Lolo is sad that you are not here."

With that, Luo Luo's nose began to smoke again. He was really sad at that time. He thought Xiao Xi had left him on purpose.

As soon as he thought that mommy didn't want him, he began to feel sad. He couldn't stop his tears. He put his nose and tears on Bai nianxi's arms.

Bai nianxi's eyes moved, stretched out his hand to touch Luo Luo's head, "fool, how can Xiao Xi leave Luo Luo?"

After Luo Luo is pacified, Bai nianxi is led into the study by Kang Mobei.

"You're not going to tell me?" Conmbe's voice sounds heavy.

"Don't pursue this matter." Bai nianxi was sitting in her chair. She didn't want to talk about it again.

Kangmo North astringent eyes, white read Xi don't say, he instead guess out.

Besides Jiang zhiang, who else has the motive to take her away and let her maintain it?

But since she won't say, he won't ask. He stood up and went to Bai nianxi, "don't do that in the future."

"Well?"

Kangmobei looked at the injury on Bai nianxi's body, "it's very dangerous."

Bai nianxi was stunned for a moment. She didn't expect that Kang Mobei would say such words. She thought that he would lose his temper first.

"Well." Bai nianxi nodded.

Looking at Bai nianxi, Kang Mobei said: "when I came back, mu Rushun had already been on the stage."

Bai nianxi lowered his head, "I see it."

"She's wearing a mask. It's so far away from the stage that no one should recognize her."

"Well."

After the silence, Kang Mobei said: "the situation at that time was also a helpless move in a hurry. Luo Luo was still young, and he didn't know how to deal with it..."

"I know." Bai nianxi's answers were just light, and he couldn't hear any emotion.

She has no right to blame them. After all, she left them first.

Looking at Bai nianxi like this, Kang Mobei's heart panicked, bent down and held Bai nianxi in his arms.

Cuddle very tight, hot breathing spray in the white night of the hair.

"I'm sorry," he said

Bai nianxi felt that today's weather was very cold. When she was taken away by Jiang zhiang and drenched in the rain, she felt very cold.

Especially standing at the entrance of the concert hall, looking at Lolo and murushun on the stage in the distance, and watching conmobei escort them away, she felt very cold.

But now, there is a warmth around.

Is conmer explaining to her and apologizing to her?

"I don't want you to misunderstand, and I don't want you to be angry. Don't mind today, OK

If she doesn't mind, it's a fake. When she stands at the entrance of the concert hall and looks at Lolo and murushan on the stage, she can't say exactly what it feels like.

Seems to be a kind of sour, with a kind of helpless, there are some angry.

It has to be said that mu Rushuang is more like a Kang family, a Kang's daughter-in-law, and a woman who should be around Kang Mobei.

For a moment, Bai nianxi even thought, why did she come back?

Kangmobei hugged Bai nianxi more tightly. "Anyway, you are the only one around me, and you are the only one who is Lolo's mother."

Bai nianxi leans in kangmobei's arms, smelling the smell from him, and puts her hand on kangmobei's arm. When kangmobei says Luo Luo's mother's words, her fingers grasp a little.

Lolo's mother.

Lolo's mother

Will that woman come back?

Who would that woman be?

Mu Rushuang is pulled into his car by Mu Sili. Instead of starting the car, Mu Sili opens the window and lights a cigarette.

"You did it?" Musi did not look at Xiangmu like frost, but looked out of the window.

The rain was still falling, and the rain came in under the wind and fell on his high-end custom-made suit.

"Brother..."

"Frost, it's not like you would do it."

"What do you think I will do?" Mu Rushuang asked, her face a little red, showing a stubborn.

Moussili took another puff of smoke. The smoke came out of his mouth, diffused out of the car window and dissipated in the wind and rain.

Mu Rushuang frowned. Mu Sili almost never smoked in her face. It can be seen that he is not in a good mood now.

"Should I watch the man I love go to another woman? Don't you struggle? "

"I know that after today, people in a city will know that Bai nianxi is the woman of kangmobei and think that Bai nianxi is the mother of kangmobei's son. Should I sit there and do nothing?" "Brother, you tell me, is that what you want?"

Mu Rushun's emotion is rarely excited. For so many years, she has never been so out of control.

Mousse took a deep breath of his cigarette, threw out his butt and rolled it up the window. "Then you can't do that."

"What means?" Mu Rushuang said with a smile, "brother means that my means are mean?"

"If you want to take away kangmobei, you don't have to hurt Bai nianxi." Bai nianxi's blood red wound floats in front of Mu Sili's eyes again. Mu Sili can't help frowning.

He was watching her jump from the car, at that moment, he had only one idea, she was crazy!

He also regretted that he should have stepped forward to stop Bai nianxi at the moment when he saw her taken away by Jiang zhiang. In this way, maybe he could avoid her injury.

"I didn't let Jiang zhiang hurt her. I just told Jiang zhiang which room she was in."

Mu Si left to shake Mu Ru frost one eye, "but she still hurt."

Mu Rushuang was silent for a while at first, and then asked: "why, you are distressed, aren't you?"

Mu Rushuang understands Mu Sili and his kindness and tenderness. However, in this matter, there is no room for them to retreat!

"But have you ever thought that it would be a great harm to her if I were with conumber, and it would be a great harm to her if you wanted to snatch her from conumber's hand."

"These injuries are unavoidable. When you fall in love with Bai nianxi, they have already been caused."

Mu Sili narrowed his eyes and seemed to be thinking about what mu Rushun said.

After thinking for a long time, he reached out to touch the cigarette box at the front of the car, and was stopped by mu Rushun, "no more smoking."

He let go of the cigarette box in his hand and leaned back. His eyes were dark, like an out light.

"If you love someone, do you have to be with her?"
