

# Billionaire CEO Won't Leave

## Chapter 186

Kill him? No, it's just punishment.

"Let me see, who wants to kill me." Jiang zhiang bowed his head and grinned coldly. "The people who want to kill me must have hatred for me. However, Jiang zhiang's shopping mall has gone through ups and downs for several years, but I haven't been lucky enough to make a competitor who wants my life."

"I think about it. There's only one person who has reason and courage to kill me."

Jiang zhiang raised his head, "Mr. Kang, do you think so?"

Conmber's momentum cooled.

Then he slowly took off his sunglasses and mask, threw them on the ground, and looked at Jiang zhiang indifferently.

"It seems that you know you have offended me."

"Is Mr. Kang here for yesterday?" Jiang zhiang picked his eyes. "Yes, nianxi may not tell you that I took her, but Mr. Kang wants to find out. It's very easy."

"You deserve it," he said coldly

He won't let go of anyone who has hurt Bai nianxi.

Jiang zhiang sneered, "Mr. Kang came to me for revenge, don't you know nianxi?"

"If she knew, Mr. Kang would probably be stopped? I don't want to see her hurt at all."  
"

Jiang zhiang looks at kangmobei with provocation and self-confidence in his eyes. He is sure that kangmobei will not kill him. Today, he can only teach him a lesson.

Then he said, "if nianxi saw me beaten like this by Mr. Kang, guess what she would

do?"

"Threaten me?" The voice of Conmber sank.

What he hates most is being threatened.

Looking at Jiang zhiang's eyes, he rolled up a strong sense of killing. "It seems that Mr. Jiang can't wait to sue me. In this case, it's better for me to start first."

"The dead can't talk, can they?"

Jiang zhiang was shocked. What's kangmobei?

Conmobei slowly stepped back, got on the SUV, started the engine and stepped on the accelerator.

He's going to kill him?!

"Do you dare to kill me?" Jiang zhiang almost roared out, "if nianxi knew you had done this, he would never forgive you!"

"How can she know when you're dead?" There was an endless chill in his words.

"You dare not kill me!"

"Try?"

The voice is not big, but Jiang zhiang can hear it clearly.

Jiang zhiang had a moment's regret in his heart. He shouldn't have provoked kangmobei. He was just a madman!

Kangmobei drives slowly backward. After a certain distance, he suddenly steps on the accelerator and rushes towards Jiang zhiang. Jiang zhiang stands there for a moment. He is gambling that kangmobei will stop.

He dare not gamble!

But the speed was so fast that he rushed to Jiang zhiang. A trace of despair flashed through Jiang zhiang's eyes.

He sidled over.

Kangmobei stepped on the accelerator, turned the direction, and bumped over again.

Jiang zhiang couldn't care about the pain of his whole body any more, so he hid to one side and got into the gap between the two cars.

But conumber still crashed and directly destroyed the two cars.

Jiang zhiang only felt a thrill, and a strong sense of despair surged into his heart.

Here, no one can hear his call, and there is no place to escape.

However, in one minute, those two cars had already been hit by Kangmo north. If Jiang zhiang hid in it again, he would be smashed into meat cake just like that car.

He ran out and hid around in a panic, and the car of conumber followed him like a shadow. The man in the car was like a black impermanence who came to ask for his life.

He was more and more scared, and his feet were in a mess. Finally, he fell to the ground.

The car behind him was approaching, and Jiang zhiang couldn't care about anything else. He crawled forward in chaos.

The black wheel was close at hand. Just when Jiang zhiang thought he was going to be rolled into the wheel, there was a sharp brake sound.

Jiang zhiang's eyes were fixed on the wheel only a few inches away from his eyes. His whole body was in a cold sweat, and his breath was directly in his heart.

Then he heard the footsteps of conumber.

Looking up, conumber had got off the car and stood beside him, looking down at him with a smile on his lips.

Then he squatted down and pinched Jiang zhiang's face with his hands. It seemed that he was in a good mood.

In a low voice: "of course I won't really kill you. I just want to humiliate you."

Then he threw jiang zhiang's chin away, with some disgust, "if you think your life is tough, today's things, there may be a second time."

He was warning him that if he told Bai nianxi what happened today, Jiang zhiang would die.

With that, conmobei straightened up, took off his white gloves and threw them aside in disgust. Then he got on the bus and drove away. Leaving Jiang zhiang in shock, he lies on the ground alone.

The fear in the eyes slowly receded, and then became a thick hatred.

Jiang zhiang got up from the ground and limped back to his car when he heard Gu xuanlin's voice.

"Zhi'ang -"

looking back, Gu xuanlin just walked out of the elevator. Because of the abortion, her voice was still weak.

"Zhi'ang, why are you still in the company Gu xuanlin said, suddenly saw Jiang zhiang mouth bruising and blood, then noticed Jiang zhiang's body a fold, suit is also covered with ash.

Exclaimed, "zhi'ang, what's the matter with you?"

Jiang zhiang waved Gu xuanlin's hand, "it's OK."

"It's OK, you see your face is bleeding! Are you with someone... "

"I said it's OK!" Jiang zhiang is very impatient roared out, shock of Gu xuanlin surprised.

Realizing that his mood was out of control, Jiang zhiang's tone slowed down and said softly, "I'm ok. You don't have to worry. By the way, you're not well enough to rest in the hospital. How did you come here? "

Gu xuanlin is silent. Since that day, Jiang zhiang has never seen her in the hospital. She came here today to find Jiang zhiang.

Gu xuanlin worried about looking at the wound on Jiang zhiang's face. After thinking about it, she decided not to ask about what happened just now. She just said, "zhiang, let's have a chat."

"What are you talking about?"

Before Gu xuanlin's reply, Jiang zhiang said, "xuanlin, don't mention the marriage. We are over."

It's still such a cold answer.

But Gu xuanlin didn't want to give up, "zhi'ang, this time, no one wanted to happen. We had a good talk. Why didn't we get married suddenly? We can continue... "

"Xuanlin." Jiang zhiang buried his hatred in his eyes and said: "I didn't tell you that I don't love you. You know, we got married because of that child, and that child You always know how you got here, but you didn't tell me, did you? "

Gu xuanlin felt guilty for a while, "zhi'ang, it's not what I want. I know it afterwards, really!"

"Now it's meaningless to say that we shouldn't have been together." Jiang zhiang goes to the car. His car has been damaged by komobei. It's hard to drive out.

The mobile phone also ran out of power, so he borrowed Gu xuanlin's mobile phone and called his assistant.

After hanging up, he said to Gu xuanlin, "I'll send you back to the hospital."

Gu xuanlin's eyes were hopeless and cold. "Now, you don't want to say a word to me, do you?"

Jiang zhiang did not answer, but was silent.

Gu xuanlin's eyes were dark. She looked at Jiang zhiang silently and suddenly said, "I know that as long as Bai nianxi is still there, you won't come back to me."
