

Billionaire CEO Won't Leave

Chapter 189

"Friends?" There was still no emotion on Kang Mobei's face. He just asked, "Miss mu, why don't you go to ask that good friend."

Mu Rushuang shook his head, "I haven't seen him."

As he said this, he looked at combo north, not letting go of the slightest emotional change on his face.

There was a trace of surprise on Kang Mobei's face. The surprise flashed by, and then disappeared, but he was still captured by mu Rushun.

Bai nianxi stood in the same place, listening to the dialogue between them, his heart empty.

When she saw the bookmark on that page, she guessed that this girl had a unique position in conmobei's heart.

At that time, I didn't like komobei, so I didn't think there was anything wrong with it.

But now, the girl appeared, and, or mu Rushuang, this taste, can be really sour and bitter, not very good.

Kangmobei didn't speak all the time. Looking at mu Rushun, his face changed. After a long time, he said, "that page bookmark is mine."

Murushuang seemed a little surprised, "right? Am I mistaken? "

Then he laughed generously, "I have been communicating with that boy by letter for a year, but I have never met him. Bookmark is the last thing I give him. I think that time has passed for a long time, maybe I made a mistake."

Kangmo North closed his eyes, mu Rushuang said, more evidence that she was the girl who sent him bookmarks.

Eyes slightly drooped, "this page bookmark, is indeed a girl gave me, I and she, have never seen."

Mu Rushuang's calm face was even more shocked. It seemed that she couldn't believe it. "Then, is it..."

Mu Rushuang didn't speak clearly, but the fact is very clear. She was the girl who was in contact with kangmobei.

The first special girl who appeared to him in his life.

Bai nianxi felt that his heart was more painful.

"It's you, it's you!" Mu Rushuang is very happy.

Conmber's fundus also has mood fluctuations, but it doesn't show how obvious.

If there is really a girl who once walked into his heart, it should be the girl of that year.

Maybe at that time, there was no love and friendship, but for him, that girl was special enough.

And that girl, is she adored like frost?

Behind him came a sound of footwork, which disturbed his mind.

Bai nianxi puts her feet lightly. Her intention is not to disturb her, but she is heard by kangmobei.

Kangmo North looked back, only to see Bai nianxi's back, clearly not fast, but let people feel is at large also like to leave.

Turning around, the tension in the voice had slowed down. She said to Mu Rushuang, "if Miss Mu wants to take back the bookmark..."

"Since I gave it to you, it's yours." Mu Rushuang said with a smile, "I'm just very happy. I didn't expect to meet you again after so many years."

"And you're still conmber."

"We have a lot of luck, don't we?"

Kangmo North pursed the corners of his mouth. If they can meet again after so many years, it's really a great fate.

But did not and mu Rushuang say more, but and mu Rushuang said goodbye, and then

turned upstairs.

Mu Rushuang didn't say anything more. Looking at the back of Kangmo going upstairs to chase Bai nianxi, the corner of his mouth stirred up a smile.

It's not urgent. There's a long way to go.

As soon as Bai nianxi came back to his room, Kang Mobei ran after him. Today, he was wearing a white shirt and pure black trousers.

His clothes are always so monotonous, but such monotonous clothes can always be attracted by his unique charm.

When Bai nianxi was about to go to the bed and sit down, Kang Mobei suddenly held him up, and the warm breath sprayed on Bai nianxi's ears.

"What's the matter?"

"Not much." Bai nianxi tried to make his voice sound relaxed.

"Really?"

"Well."

She doesn't mind, can't mind, shouldn't mind, no reason to mind, no position to mind, and no qualification to mind

She said this to herself, but at the moment when she said the word, she still couldn't stop getting sour.

A short syllable, she said, are spread with a trace of bitterness.

Conmobei hugged her more tightly. "He said it's OK. I see you're not happy all over your face."

"No Bai nianxi pulled the corners of her mouth, trying to pull out a smile. Up to now, she finally understood what it was like to force a smile.

Kangmobei put his chin on Bai nianxi's clavicle. They both hurt a little, but kangmobei didn't want to let go. For a while.

"Did I tell you about that bookmark?"

Bai nianxi's body trembles imperceptibly. Is kangmobei going to tell her his past?

What is he doing this for? Don't want to make her sad, don't want to make her think more?

Although Bai nianxi didn't answer, Kang Mobei still used his low voice to tell Bai nianxi the story of the bookmark.

After that.

"Later, we lost touch, and I never went to her again." "She used to be a special passer-by in my life, but she was only a passer-by," he said

No matter how special, they are passers-by.

What's more important than this stupid woman?

A piece of ice cold in the heart and shares of warm current, white read night in the heart sighed.

It's really bad, her mood now, has been 100% in the hands of conumber, happy with him, angry with him.

However, Kang Mobei's explanation makes Bai nianxi's previously stagnant heart come alive again.

Just think of that woman, is mu Rushuang, Bai nianxi's heart and can't help but acid.

"Still angry?"

There was a deep and pleasant voice in his ear.

Bai nianxi subconsciously replied, "I'm not angry."

"Kang Mo North a light smile," just isn't also say originally don't get angry? "

Bai nianxi realized that Kang Mobei had set her up. He could not help but feel annoyed and said, "you don't care whether you are angry or not."

"No, it's up to you." Kangmo North hoop white Nian Xi wanton twist body.

Suddenly: "darling, don't move, if you move again..."

"How about moving again?" Bai nianxi twisted more jubilant, even ignore his body because of friction bleeding wound again.

"Move again, and I'll eat you."

.....

As expected, Bai nianxi stopped eating this set of food. Kangmobei let Bai nianxi go and looked at the wound on her body. Her eyes sank again. "I've hurt myself. Are you satisfied?"

Previously, Bai nianxi didn't notice that he was playing with a small temperament. Now when Kang Mobei said that, Bai nianxi felt pain all over.

Kangmobei didn't say any more. He turned around and went out to get the medicine box, and gave bainianxi the medicine again.

When returning to the company, Secretary Xing had been waiting outside the office. He saw kangmobei coming and welcoming him.

"Why?" Conmber glanced at him, pushed the door and walked into the office.

Secretary Xing hesitated and handed over a thick pile of documents.

"What is it?" he asked casually
