

Billionaire CEO Won't Leave

Chapter 192

When he came back, Kang Xinyue's eyes burst out with a strong anger and roared:
"Bai nianxi! You - "

without waiting for Kang Xinyue to finish, Bai nianxi cut off her words again," Kang Xinyue, I also warn you, take care of your own hands, don't hit people. "

Bai nianxi's voice is not big, but it can be heard that people can not be ignored, with an invisible shock.

"You..."

"You slapped me and I'll give it back. It's even."

"I won't..."

"I won't tell Mr. Kang. Don't worry."

"How could you..."

"I didn't expect that I would be so kind that I could let bygones be bygones when Miss Kang beat me, but who told me to be so kind?"

After choking everything Kang Xinyue wanted to say, Bai nianxi said with a smile, "if Miss Kang is here to thank me for telling aunt Kang about your fiance's cheating, then it's unnecessary."

"I just said, I was just being kind."

With that, Bai nianxi turned to leave. The smile on the corner of his mouth disappeared at the moment of turning, and he changed into a sharp face.

Kang Xinyue stood in the same place, angry and anxious, choked a stomach of fire, I don't know how to vent.

She's never been such a coward!

The chest fluctuates violently. Kang Xinyue can't control her temper any more. She turns around and starts to vent her anger on the vases and potted plants around her.

Bai nianxi listened to the sound of collision and fragmentation coming from behind him. He felt a little cold at the bottom of his eyes. As he passed the service desk, he pointed to the staff there: "someone is destroying public property over there. Please go and deal with it."

After returning home, Bai nianxi put ice on his face.

Fortunately, Kang Xinyue's soft and weak body doesn't have any strength, and the trace left is not serious.

Kang Xinyue is so arrogant and arrogant that she can't bear any bullying. She was angry because she told Kang Youqin about Su Yihao's cheating on her. Today, she slapped her again. I'm sure I can't get down. Maybe I'll come to her in two days.

But Su Yihao originally aimed at her, knew this matter later, will not let her go.

Bai nianxi sighed.

Two big problems.

After he arrived at the company, he kept working in the office until Secretary Xing knocked on the door.

Commo did not raise his head. "What's the matter."

"Mr. Kang, we have news from Mu's group."

"He said

If it's something official, it's not. It's about Kang Mobei's private affairs. As for what's private, it's not hard for secretary Xing to guess.

Mu Liancheng looks for it. Besides the engagement between kangmobei and mu Rushuang, what else can it be for?

Recently, Bai nianxi doesn't stay in the president's office of kangmobei. Secretary Xing still thinks about her strangely.

At least if there's something hard to say before, let Bai nianxi say it's right. Even if Kang Mobei is angry again, he will suppress his anger in front of Bai nianxi.

But now, Bai nianxi's umbrella is gone, so he has to stick to it.

"Lao Mu always said that he would like to have a talk with you about your engagement with Miss mu..." The more you go to the back, the smaller the voice of secretary Xing.

Sure enough, the momentum of Kangmo North was cold.

"Tell him directly that there's nothing to discuss about the engagement. Don't take it seriously."

.....

Secretary Xing is shivering again. Mr. Kang asked him to convey this to Mu group. He is also very embarrassed. Mr. Kang, can't you be a little more polite?

Give people a little room to survive in the cracks!

Sure enough, when Secretary Xing passed this word on, he only heard a "bastard" coming from the other end of the phone. There was no time to think too much. He hung up the phone first.

After wiping the cold sweat on his head, the phone in his hand rings again. It's the phone of conumber. In the phone, conumber says, "come in."

When Secretary Xing came to the office, Kang Mobei lifted his head from the pile of documents and handed Secretary Xing a note, "check here."

On the paper is an address written by conumber, located near a famous school in a city. It seems to be the name of a library.

"See if the shop is still there. If it is, bring me the boss."

After receiving the order from Secretary Xing, he went out. Kangmobei looked at the coffee cup in front of him and fell into deep meditation.

Later, he never went to the bookstore again and didn't know what it was like now.

He didn't want to go to that bookstore again, but now, mu Rushun suddenly appeared, and it seemed that she was the girl in those years, which made him a little confused. That girl who never met in those years, is really mu Rushuang?

Just thinking that the door of the office was pushed open, Mu Liancheng came in, followed by Mu Sili. Mu Liancheng's expression was serious and angry, but mu Sili

was relaxed.

Kang Mo North pour also didn't say what, stir up eyelid to see always of Mu family two people.

"Mr. Kang, I'm sorry. I can't stop my old man." As she spoke, mousse reached out and closed the door of commo North's office.

Then he went to the sofa and sat down at will.

"Connobei! What do you mean! The wedding news was announced by your Kang family. Now that it's known all over the world, you're going to turn your back? "

Mu Liancheng was very angry about the marriage between mu Rushuang and kangmobei. Although the Kang family is big, he doesn't need to be attached to others. He just wants mu Rushuang to marry a good family.

Can be angry to angry, mu Rushuang a thought of Kang Mo north, he also have no way.

In addition, the engagement has been announced, and it's too late to go back. After all, it's about the reputation of the two families.

Originally, he wanted to discuss the wedding of kangmobei and mu Rushuang with kangmobei. Unexpectedly, he called and got a reply like that.

That's not an insult. What is it!

So mu Liancheng gas rushed to find over, want to find Kangmo north to a statement.

"Dad, I didn't tell you that there's nothing to say about this matter in Mr. Kang's office. You can't say anything about the engagement."

"Shut up Mu Liancheng roars to Mu Sili. Compared with kangmobei, Mu Sili even annoys him more.

The children at home, one or two, do not let him worry!

Mu Si shut his mouth, looked at Kang Mo Bei, picked his eyebrows, and seemed to say, "it's up to you."

Kangmobei didn't pay attention to Mu Sili. He still sat in his chair and said to Mu Liancheng, "Mr. mu, you also said that the wedding news is released by Kang family, which has nothing to do with me."
