

Billionaire CEO Won't Leave

Chapter 196

After Kang Mo told him to go on, Secretary Xing began to make intensive preparations. Because Bai nianxi got involved, the public opinion on the Internet soared for a while.

Reporters wanted to understand the relationship. As soon as secretary Xing's letter was sent out, reporters rushed to catch up.

Twenty minutes later, the news conference of conmba was held on time.

Bai nianxi got up early in the morning and saw a lot of reports on the Internet. Her name made the headlines again.

Originally, I was still a little confused. I was awakened by the photo, and then I saw the headline of the news, with several big words in it -- Bai nianxi, the third party.

Open the comments below, foul language makes Bai nianxi almost immediately return to the last plagiarism incident, which is full of miasma.

When the TV was turned on, it happened to be a press conference held by commobei.

Kangmobei sat on the stage with a serious face, and his whole body exuded cold momentum. There was endless cold in his eyes, which made people feel daunted.

With the sound of click after click, countless flash lights flickered under the stage, and all the sharp appearance of conmba was photographed into the camera.

Reporters have been prepared for countless questions, but in the face of conmba, no one dares to speak for a while.

Just because of the momentum of conmba's body, it is too seeping, as if as long as you say one more word, you will be crushed by his sharp eyes.

Of course, he doesn't want to be questioned by others. If he wants to say something, he should explain it himself.

Finally, the reporters waited until conmba spoke.

"Here today, I will mainly explain two things. One is my engagement with Miss mu Rushun, and the other is my relationship with Miss Bai nianxi."

"First of all, I want to clarify that the rumors about me and miss bainianxi are not rumors."

As soon as Kang Mobei's words came out, the audience exploded. What does Kang Mobei mean?

Is the rumor between him and Bai nianxi true?

Is kangmobei really with Bai nianxi? Is Bai nianxi really a third party?

After the reporters were stunned for a moment, the pens on their hands started to move. For a moment, the press conference venue was filled with the sound of keyboard tapping.

Bai nianxi sat in front of the TV, looking at the familiar face of Kang Mobei, listening to his familiar voice, watching his familiar expression.

What he said is firm and not open to doubt.

"Miss Bai and I are really together."

Kang Mobei's words were firm again, which made the reporters under the stage stunned again, then looked at each other face to face. At this time, someone finally spoke.

"Mr. Kang, what's the matter with your engagement with Miss mu?"

Since the first person opened his mouth, countless people came up behind him.

"Mr. Kang, are you with Miss Bai while signing a marriage contract with Miss mu?"

"Mr. Kang, according to what you say, can we understand that Miss Bai is the third person who intervenes between you and miss mu?"

"It seems that Mr. Kang is used to this matter. Do you mind what others think of it?"

"Excuse me, Mr. Kang..."

Conmber's eyes were cold and he looked aside.

Secretary Xing is in charge of maintaining the order of the meeting place. With the eye of Kang Mobei, he comes over quickly and signals everyone to be quiet first.

Reporters are still very face, and gradually quiet down, but the sudden appearance of a person next to the venue, re disturbed everyone's line of sight.

The crowd, which had been quiet, began to stir again.

The people who come here are so admiring!

Mu Rushuang walked slowly with a smile on his face. The smile on his face was elegant and appropriate. People's eyes were attracted in the past.

Kangmobei also looks at the admiration like frost, the good-looking eyes are deeply gathered up, and the deep eyes hide people's unpredictable emotions.

What is she doing here now?

Mu Rushun came, and there was a flash of light.

Mu Rushuang calmly and freely went to the stage, went to the side of kangmobei and sat down, and said in a soft voice: "sorry, brother Mobei, I'm late."

People can't help sighing at the kindness of murushuang to kangmobei.

Such a beautiful woman can't be found in this world with a lantern.

After mu Rushuang sat down, the reporters began to stir up again, and pointed the conversation at mu Rushuang, asking questions one by one.

"Excuse me, Miss mu. Do you know anything about Mr. Kang and Miss Bai?"

"Does Miss Mu mind about Mr. Kang and Miss Bai?"

"Miss mu, what do you think of what Mr. Kang said just now?"

"Miss mu, do you have anything to say to Miss Bai, the third party?"

Kang Mobei's eyes became more and more heavy. He couldn't help saying, "she's not a third party..."

"Miss White is not a third party."

Compared with the low voice of conmobei, mu Rushun's high and clear voice attracts

people's attention. What people hear is mu Rushun's sentence - Miss Bai is not the third party.

She's talking to Bai nianxi?

Kangmo north also cast to Mu Rusheng, with a little doubt eyes, suddenly a little don't understand her meaning.

Mu Rushun's words made the venue completely quiet, and everyone could not understand the current situation.

Mu Rushuang even came forward to help clarify, what is the strange direction of development?

With a gentle smile on her face, mu Rushuang said slowly, "Miss Bai is not the third party. She has been with Mr. Kang before."

Bai nianxi sat in front of the TV, watching mu Rushuang say this sentence, suddenly understood her meaning.

Mu Rushuang is not so kind at all.

It is she who underestimates mu Rushun's intention to kangmobei.

"I was engaged to Mr. Kang after that." At this point, mu Rushun's face appeared a blush, "so the things that get involved don't exist."

Mu Rushuang said the truth, but also appears to be very sincere.

To others, it means something else.

So it was Kang Mobei and Bai nianxi who had been together before, but later they separated, and they were engaged to Mu Rushuang? Mu Rushun keeps saying that Bai nianxi is not a third party, and that last night's drone love show was not made by commo north?

Who would that be?

Mu Rushun's eyes look down on the stage. I don't know when, Mu Sili has already appeared there.

People followed her eyes and saw moussili.

Just feel puzzled, mobile phone news notice rang in the crowd, one after another,

reporters have opened their mobile phones, it is a powerful news!

It's still a picture this time, but it's not Bai nianxi and kangmobei's, but Bai nianxi and Musi's!

In the photo, Bai nianxi and Mu Si share the same room with each other. They are separated by a few steps, which makes them very ambiguous.

In particular, Musi Li even stretched out his hand to pull Bai nianxi's clothes, but Bai nianxi's clothes were not neat.

It's a picture from the bachelor party held by Jiang zhiang and Gu xuanlin! The place is the dressing room. At that time, Wu Ling had already gone out. There were only Bai nianxi and Mu Sili left in the dressing room.

Just don't know when, such photos were secretly taken down!

In addition to this picture, there is another one, which was taken by Su Yihao before, in the coffee shop.

The relationship between them has been clearly illustrated by these two photos.

It turns out that the man behind Bai nianxi is actually the young master of Mu's group, Mu Sili?!
