

《Billionaire CEO Won't Leave》

Chapter 20

After sending Bai nianxi home, Kang Mobei goes to the company. Bai nianxi is at home waiting for Luo Luo to come home after class.

"Xiao Xi --" Luo Luo just got out of the car by Secretary Xing, and ran to Bai nianxi with open hands.

Bai nianxi is waiting at the door and holds Luo Luo up. He accidentally finds a bruise on Luo Luo's white and tender arm. He is surprised and asks, "Luo Luo, what are you doing here?"

Luo Luo waved his hand and wrote lightly: "it's OK, Xiao Xi. I was hurt when I was practicing boxing. It doesn't hurt at all."

Looking at Luo Luo's sensible appearance, Bai nianxi's heart is even more distressed. Luo Luo has no mother since she was a child. At a young age, she carries too high expectations and bears the hardships and pain that this age should not have

Give Lolo a gift. Today's painting set is the gift she gave Lolo.

After changing clothes for Lolo, Bai nianxi takes Lolo to the mall to buy some things for painting. After choosing, Lolo can't wait to go to the library next door to read. Bai nianxi comes to the service desk to pay.

Because she wanted to give it to Lolo as a gift, Bai nianxi decided to pay by herself and took out her bank card.

"Are you sure you want to buy this, miss?" The waiter took out a small bag of paint and looked surprised.

"Well." Bai nianxi nodded. She thought the color was very good, so she chose it.

"Do you know how much this is?" Looking at Bai nianxi's simple white T, he doesn't look like he has money. This kind of pigment is a high-end product. The price is calculated in grams. Such a small bag costs 50000 yuan. Bai nianxi also takes five bags. "Why don't I recommend a cheaper pigment, like that..."

"That's it." Bai nianxi thinks that it doesn't matter if it's expensive. After all, it's a gift for Luo Luo, so he just asks for it directly.

Bai nianxi interrupts the good proposal. The waiter is discontented. After recording the machine, he says, "it's 280000 in all."

Hearing the price, Bai nianxi's eyes are about to fall. Seeing Bai nianxi's expression, the waiter's eyes are filled with contempt. Just now, he mercilessly refused his suggestion and insisted on buying this. She sees too many customers with swollen faces.

"Then..." Bai nianxi handed out the bank card in her hand. She didn't know if there was enough money in it. "You can brush it first."

The waiter took the card with no expression on his face. After a few drops of sound, his face was obviously sarcastic. "This lady, the balance of your card is not enough."

Then he took out a bag of cheap pigment and put it in front of Bai nianxi, with a tone of ridicule, "I told you earlier, this kind of cheap pigment is more suitable for you." Finish saying to take care of oneself of white read the pigment that the evening chooses to put into the counter.

Sensing the bad attitude of the waiter, Bai nianxi frowned slightly, but still said, "just give me that one."

She felt in her heart that Lolo was worth using the best.

The waiter sneered, "do you have money to buy it?"

She has no money, but connoisseur has money. Didn't she just get an unlimited black card?

Although she didn't intend to use the money originally, in this case, I'll take it out and borrow it first. When she gets paid, she will return it.

Bai nianxi nodded and took out his wallet from his bag, ready to take out his black card. But, eh, where's the card? Did she forget to take the black card that connoisseur gave her?

Looking at Bai nianxi's frowning after looking for his wallet, the waiter's eyes became more contemptuous and his tone became extremely contemptuous. "This lady, what kind of people will use what level of things, and it's better not to do this kind of thing."

Just when he couldn't get off the stage, Bai nianxi suddenly had a pair of good-looking

hands in front of him, holding a black card in his hand. His voice was as warm as water, "use this."

Bai nianxi looks up and finds that this face looks familiar. After a few seconds of thinking, Bai nianxi's eyes lit up and said in surprise: "Lu Yichen!"

Lu Yichen's mouth curved, stretched out his hand and flicked Bai nianxi's forehead. "It's good. Do you remember me?"

"Why are you here?"

"That's it. It's right here." Lu Yichen's smile is clear, and Bai nianxi probably haven't seen each other for five years? After she went to France that year, he also went to the United States. I didn't expect to see her again after such a long time. This girl is still the same as she was in those years.

Pass the card to the waiter, "brush this one."

Lu Yichen's card is a platinum black card. It's nothing to pay for the paint. The waiter looks embarrassed. He takes the card and swipes the card to pay for it.

"Take it as if I borrowed it from you, and I will pay you back." Originally, he didn't want to accept Lu Yichen's help, but he really couldn't get off the stage in this stalemate. Bai nianxi paid according to Lu Yichen's intention.

Lu Yichen was her high school classmate in those years. She once confessed to her, but she refused. Unexpectedly, after that, they became good friends who had nothing to say. Bai nianxi clenched his fist and gently beat Lu Yichen on the chest, saying, "I haven't seen you for six years. You've become a lot more handsome." "Six years?" Lu Yichen chuckled, "you're not stupid. I haven't seen you for five years. For the last time, I had dinner with your boyfriend and the three of us. Don't you remember?"

Speaking of this, Lu Yichen suddenly remembered something and asked, "Oh, by the way, are you still with him?" There was a trace of exploration in his eyes.

Boyfriends? Jiang zhiang is the only boyfriend she has ever made, but Jiang zhiang only met her after she went abroad. At that time, she had no contact with Lu Yichen. How could Lu Yichen know?

Have you ever had dinner together?

Don't think too much, just when the memory is too long, maybe something went wrong, nodded and said: "well, I'm engaged to zhi'ang."

"Zhiang?" Lu Yichen has a little doubt on his face. Isn't her former boyfriend? He remembered that she used to like that man very much, but she was not together?

Two people are talking, not far away suddenly came a voice with anger, "white nianxi!"

Bai nianxi turns his head and sees that Kangmo Beizheng is standing not far away with a gloomy face.

As soon as he got home, he saw the black card he had given her on the tea table in the living room. The servant told him that Bai nianxi had taken Luo Luo out to go shopping, but he didn't bring the card. What's the meaning of Bai nianxi?

He angrily came over, but saw Bai nianxizheng and a tall and handsome man standing together to talk, two people are still very familiar with each other!

Is Bai nianxi looking for a man behind his back?
