

Billionaire CEO Won't Leave

Chapter 200

She said it was impossible between them.

She also said that one day, she would leave him.

The tall black figure shook slightly, which seemed to reveal a kind of extreme loneliness and loss.

Mu Rushuang was standing beside kangmobei. Just now, she fell to kangmobei, but she was pushed away by kangmobei. She fell on the sofa beside her, and even the corner of kangmobei's clothes could not be touched.

Conmobei's mind seemed to be clear. After a few moments, he stood up and went out.

He still decided to go to Bai nianxi to tell her how much he liked her and how much he missed her.

However, what he saw was Bai nianxi standing with Mu Sili, and then he said to Mu Sili that it was impossible between her and him.

Heartbreak is just a moment, but the feeling of heartache can last for a long time.

Separated by a glass door, there are two worlds inside and outside the door.

After Bai nianxi finished, he went outside the bar. Musi Li sighed and followed him.

"I'll take you home." Mousse pulled the door open.

"No, I'll walk around myself." She wanted to go out for a breath.

Mu Sili didn't care about Bai nianxi's words. He stretched out his hand to pull Bai nianxi. She was so lost that he didn't trust to leave her alone outside.

"Get in the car."

Kangmo looks at Bai nianxi's back gradually, and then looks at her getting on the musi car. Her eyes are getting darker and darker, until there is no light at all.

Mousse left the car and asked, "to century manor?"

Bai nianxi thought about it and replied, "well, go there first."

She wants to go back first and pack up her things. Although she doesn't have a lot of luggage, she still has to take away what she should take and clean up the traces that belong to her.

After returning to century manor, Bai nianxi began to pack up at home. The maid looked at something wrong and asked, "Miss Bai, what are you going to do?"

"Please tell Mr. Kang that I will move out from today."

Surprised, the maid began to persuade her, but she couldn't persuade her. She had to call commo north.

Connobei has also returned to his office, where there is no light on and it is dark.

"Hello."

Waiting for the phone to finish there, the momentum around connobei's body was cold again.

The person on the phone continued to ask, "Mr. Kang, do you want to come back and stop Miss Bai?"

After a long silence, connobei said, "no, let her go."

The voice seemed a little feeble.

He really does not have the strength to keep her around him as hard as before. She says that she will leave one day. How can he stop her?

When Bai nianxi came out from century manor with her luggage, Mu Sili's car was still at the door. Bai nianxi was a little surprised: "Why are you still here?"

"If we want to do good things, we should do them to the end and send the Buddha to the West."

Musi left the car, helped Bai nianxi open the door and put his luggage in.

Bai nianxi didn't refuse any more and got on the bus. Only when Mu Sili asked her where to go did she find that she had nowhere to go.

Her small apartment was sold last week, and she couldn't think of a place to go for a while except here in conmbé.

"Then I'll decide for you." Mousse tied his seat belt, stepped on the accelerator and drove away from century manor with Bai nianxi.

He also knew that Bai nianxi's house had been sold, so he should have nowhere to go, so he took her directly to the presidential suite of a hotel.

Looking at this situation, Bai nianxi turns around and wants to leave. He is held by Mu Sili. "I've paid for a month here. If you don't live, it's a waste."

Bai nianxi has no choice but to move her luggage in. A month later, her contract with Panasonic will expire. After handing in the painting, there will be a huge reward, which is more than enough to pay the room fee for one month.

Everything is in order. It's eleven o'clock in the night.

Paint deep night, it is particularly quiet.

After settling in Bai nianxi, Mu Sili returns to Mu's house. Mu Liancheng is surprised to see him return.

Usually, mousse can't live without it. He lives outside alone.

"Why are you back today?"

"Come back and have a look." After moussili came in, he asked, "where is the frost?"

"Frost is upstairs." Mu Liancheng's face doesn't look very good either. Recently, he broke his heart for the sake of Mu Sili and Mu Rushan.

"I'll go to her."

Mu Liancheng grabbed Mu Sili, who was going upstairs, "talk to me first."

On the sofa in the living room, the voices of the two men seemed heavy. "Sili, tell me honestly, do you like the woman named Bai nianxi?"

After a while, mousse nodded.

Hear Mu Sili answer, Mu Liancheng sighed, frost son said is right, Mu Sili, really like Bai nianxi.

"Then marry her."

Mu Liancheng's proposal surprised Mu Sili, "Dad, what do you say?"

The proposal to let Mu Sili marry Bai nianxi was made by mu Rushuang. Originally, he thought it was ridiculous, but now it seems that it is the best result.

Mu Rushuang is determined to be with kangmobei, but as long as there is Bai nianxi, even if they make an engagement, kangmobei will not fulfill it.

But if Bai nianxi and Mu Si were separated, maybe Kang Mobei would die, and his son and daughter would be happy.

"Dad, do you know how selfish your decision is?"

"Just be selfish." Mu Liancheng sighed, "I'm old. What I want to see is that you and Shuanger can be happy."

"This is what Rushun told you, right?" Mu Sili's eyes are faintly cold, and his momentum is impressive.

"It means frost, and it means me."

Mu Rushuang said so sincerely, as his favorite daughter, he could not refuse her request.

What's more, now that the news has come out, the two photos, Musi Li and Bai nianxi, make people feel close no matter how they look at them. People don't care what the truth behind it is, they just believe what they see with their eyes.

Now, in the eyes of all people in a city, Bai nianxi seems to have become the future daughter-in-law of his Mu family.

The affairs between Kang Mo Bei, Bai Nian Xi, Mu Sili and Mu Rushan have had a bad influence.

Now, it seems that it is the best and most active way to fulfill their respective engagement.

In a family like muliancheng, it's more or less important to be well matched. However, since murushuang and kangmobei have been together and the marriage between them has been successful, the identity and background of Musi's wife is not so important.

It is undeniable that when Mu Liancheng said the words that let him marry Bai nianxi, Mu Sili was still moved.
