

Billionaire CEO Won't Leave

Chapter 201

The atmosphere became very dull and depressing.

Moussili wanted to stand up and say no, but he couldn't say it after all.

"I will announce the wedding news of you and Bai nianxi in a week. During this period, I will have a good talk with her."

Just when walking out of the house, the pace of Musi left was heavy.

Bai nianxi has been sleeping in the hotel these days. He has never been to the company of Kongshi group again. There are no meetings in Panasonic for the time being. Besides painting, he still paints every day.

That day, after dinner in the hotel, Bai nianxi decided to go downstairs for a walk.

This hotel is located in the downtown area. It's busy all around. When Bai nianxi comes downstairs, it's the busiest time in the evening.

The lights are shining and the crowd is bustling in the city.

Bai nianxi walked into a department store and wanted to see the clothes on a whim. He came to a special counter and began to choose.

"Look, is that the woman?"

"It seems so."

"as like as two peas in the picture."

"But how could she come to such a place to look at clothes? She's not an ordinary power when she's hooking up. "

"Who knows? Maybe it's just to sleep with someone else and then take the money and leave. Don't you expect others to have any real feelings for her? "

With these words, the other people nodded thoughtfully and looked at Bai nianxi with

more disdain.

At this time point, when there are many people in the shopping mall, people come and go, and more and more eyes fall on Bai nianxi.

Bai nianxi, as if unheard of, continued to choose clothes.

People's gossiping voice has gradually become louder, and their eyes have changed from furtive glancing to blatant looking and pointing.

"Xiaosan still has a face to show off, not afraid of being stabbed to death by people's eyes?"

"There's nothing to be afraid of. After all, people have thick skin."

A weak voice said, "is it clear that she is not a third party?"

"Do you believe that? Miss Mu is kind and doesn't care about her. Do you really think she is something good? "

"Do you think it's her who can't seduce the president of Kang's group? She's engaged. She looks hopeless and climbs onto master Mu's bed?"

"If I can't be your wife, I'll be your sister-in-law?" A person said, ha ha of smile up, "anyway everybody is still a family finally."

"Oh, it's just a bed whore."

In the last sentence, Bai nianxi felt familiar, mainly in his voice.

So he turned his head and looked in the past.

When those gossipers saw Bai nianxi's eyes cast over, they could not help but feel excited and shut up.

Previously, Bai nianxi ignored them, so they were a little more courageous. But now what they said seems to attract Bai nianxi's attention, which makes them feel sad.

Anyway, Bai nianxi is a woman entangled between kangmobei and musili.

Bai nianxi glanced at the crowd, his eyes were not angry, and no one dared to say anything more.

In the crowd, Bai nianxi saw a familiar figure - Lin Beiyin.

Suddenly, it seems that they haven't seen each other since they left the teahouse a few months ago?

And what are the three words that just came out of her mouth?

Bed bitches?

Putting down his clothes, Bai nianxi went to Lin Beiyin and held out his hand. "Long time no see."

The last time she was in the teahouse, Lin bein had not forgotten the fear and humiliation, which she remembered all her life. Therefore, in the face of Bai nianxi, she could not help but feel fear in her heart.

Just now, she was hiding in the crowd, listening to others scolding Bai nianxi. She also scolded Bai nianxi, but she didn't think Bai nianxi saw her and found her.

Lin bein's face is not very good-looking, the same hand out, "long time no see."

Just slightly met the fingertips of Bai nianxi, the hand immediately drew back, looked as if a pair of reluctant appearance.

"Was the tea good last time?" Bai nianxi has a smile on his mouth, but it doesn't look kind. On the contrary, it's beautiful.

All of a sudden, it was inexplicable to mention what happened in the teahouse last time. Bai nianxi's provocative meaning could not be more obvious.

Lin Beiyin frowned. What does Bai nianxi want to do?

"It doesn't look good." Seeing that Lin Bei didn't answer, Bai nianxi said, "otherwise, you should still remember what it was like at that time?"

On the surface, Bai nianxi seems to be talking about tea, but Lin Beiyin's heart is very clear. She is talking about the feeling of being bullied at that time.

The onlookers could not understand Bai nianxi's words, but they could see the subtle hostility between Bai nianxi and Lin Beiyin. "What do you mean?" Lin bein held back his anger and began to bite his teeth.

Bai nianxi said with a smile, "it's meaningless, just a greeting."

"You call that greeting?" There was anger in Lin bein's eyes. It was a shame!

"What else?"

Lin Beiyin clenched his fists and felt it hard to open his mouth. Then he heard Bai nianxi say, "are you so arrogant that you have to pour a glass of water on each other's head before you meet?"

Bai nianxi deliberately reminded him again and again. Lin Beiyin finally couldn't help it and said angrily, "enough of you!"

Bai nianxi pretends not to understand, "what's the matter? I'll just say a few words and you'll be angry? "

Lin Bei's face turned red because of her menstruation. What happened last time has made her have a long memory. Even though Bai nianxi has nothing to do with Kang Mobei now, Mu Sili is also a big man she can't provoke.

People around him only feel that Lin Beiyin looks pitiful, just like an innocent girl who has been bullied by others. Bai nianxi is powerful, aggressive and aggressive.

Finally, someone couldn't look down on it and said for Lin bein, "Hey, are you going too far?"

As soon as this was said, someone immediately echoed, "yes, it's too much."

"They don't care much about her, do they? Why be so aggressive? "

"I didn't teach you..." Maybe it's because I think the word "uncivilized" is too serious, and the speaker has changed another word to his mouth No manners

Bai nianxi looked at the crowd, "how can I go too far?"

The man continued: "it's not too much to pester people to say something ugly."

Bai nianxi seems to suddenly realize, "so this is called excessive?"

How could there be such a woman without self-knowledge?

Just as they are organizing new language to attack Bai nianxi, the smile on Bai nianxi's face has been restrained, and the coldness and coldness in her eyes can't be ignored.

"I thought you didn't have any idea of the word excessive, so you know it?"
