

《Billionaire CEO Won't Leave》

Chapter 202

When this remark came out, people were stunned.

I heard Bai nianxi continue to say: "I have no grudge with you, just quietly carrying clothes here, and as a result, I was instructed by you."

"I'm afraid you've forgotten how bad you said just now? How polite and cultured do you think you are when you say the worst things to a stranger with the most malicious speculation? "

"Now on the other hand, I'm going too far. Do you want to present you with a banner of moral guard to show your civilization?"

Bai nianxi's words are very sharp. Every sentence has no feelings. The crowd is angry, but they can't refute half a sentence.

People have nothing to say, and they are unwilling. Someone has already picked up the mobile phone and photographed all this. She wants to spread Bai nianxi's aggressive image of a wicked woman to the Internet.

Bai nianxi also saw it, but he just laughed and said, "if you want to make a deer a horse, you have to have this ability."

Then he pointed to the monitor in the corner, "when people are gossiping, their IQ becomes lower? Here's surveillance! I believe we can see clearly who provokes first. "

They couldn't say a word when they were choked. They just felt hot on their faces. Bai nianxi finished, and they all scattered.

One side of the waiter came over, holding a few pieces of white night before the selection of clothes, eyes full of worship.

"Miss Bai, do you want to try on these clothes?"

"Try."

Bai nianxi said, glancing at Lin bein who was still standing in the same place, "my words are over. If you want to go, you'd better keep watching. Please help yourself."

Then he took the clothes from the waiter and went to the fitting room.

But I didn't think that Bai nianxi took the clothes he had chosen before and went into the fitting room. He pushed open the door and was about to go in, but he was suddenly stunned.

Mouth is about to shout out uncontrollably, Jiang zhiang has stepped forward first, one hand covers Bai nianxi's mouth.

"Nianxi, it's me."

Jiang zhiang pulls Bai nianxi into the fitting room and closes the door.

"Zhiang, you..." Realizing that his voice was a little loud, Bai nianxi lowered his voice again and frowned: "what are you doing here?"

Jiang zhiang looked at Bai nianxi, the fundus meaning is difficult to understand, "of course, is waiting for you here."

He knew Bai nianxi's habit and knew that she would come here, so he waited for her in this fitting room.

He has been here for a while. He can see everything that happened just now clearly. Bainianxi has really changed. She was not like this when she was in France.

She changed, because of who?

I also thought of the news I saw in the past two days, but I didn't expect that Bai nianxi's side came to kangmobei and musili.

"Is it true that you and mousse are separated?"

Bai nianxi frowned slightly. It seemed that he didn't expect Jiang zhiang to ask such a question. He shook his head and said, "No

Jiang zhiang seemed relieved, "it's not good."

"That's why you came to me?"

"Of course not." Jiang zhiang said, looking at Bai nianxi's eyes flashing, "nianxi, kangmobei is going to be engaged, the object is mu Rushan."

"I know." Bai nianxi's heart sank when he heard Jiang zhiang's words. Jiang zhiang seemed to be afraid that she would forget, so he intended to remind her, but how could she forget?

Jiang zhiang noticed every expression on Bai nianxi's face and knew that she couldn't put down Kang Mobei, but he continued: "it's impossible between you. Since you don't like musili, you'd better go with me."

Bai nianxi raises his face and looks into Jiang zhiang's eyes with a trace of consternation. What is Jiang zhiang doing?

"I can take you anywhere you want. If you like, we can go back to France, or to England, Canada or Australia. By the way, don't you always want to visit Norway? Let's go together... "

"Zhiang, I don't want to go anywhere now."

"So you're going to stay with combo north?" Jiang zhiang's brow twisted, very dissatisfied, "he has ordered..."

"I know!" After Bai nianxi calmed down for a while, he continued: "I will leave, but not now. Where I want to go, I can go myself."

"With whom?"

Bai nianxi wanted to go out and see the world alone.

But Jiang zhiang seems to mind this question very much. If he doesn't ask it, he won't stop. Bai nianxi can only say: "zhiang, our relationship is over. I have my life and you also have your life. In the future, I will live well by myself, and I hope you can live well."

Jiang zhiang raised his eyebrows. "Are you trying to split the relationship between you and me?"

"I don't mean that. I just think that since our relationship has returned to friends, we should keep a proper distance."

In the narrow and closed space, there are two adult men and women. The air seems to be not enough. Bai nianxi's face turns red."In addition, if you come to me in the future, you can come aboveboard. Don't follow me to such a place. I will feel troubled."

Jiang zhiang's eyes sank.

Not long ago, Kang Mobei went to see him. His injury recovered slowly in the past two days. If it wasn't for the fear that Kang Mobei's madman would really kill him, how could he follow here regardless of his face?

Thinking of this, Jiang zhiang's heart was filled with layers of anger. Plus what Bai nianxi had just said, he felt a burst of uncontrollable anger in his heart.

Take a step forward and surround Bai nianxi between yourself and the wall, lowering your head, "do you want to keep a distance from me?"

Bai nianxi hangs his head slightly, trying to avoid the hot breath of Kaijiang.

"Nianxi, do you remember that we were in France for nearly four years?"

Jiang zhiang said, the eyes that had been staring at Bai nianxi's face slowly moved down to Bai nianxi's chest, full of a kind of meaningless emotion.

"In nearly four years, we have been friends and girlfriends, but I have never touched you. Do you know why?"

Bai nianxi didn't speak.

"Because you said you wanted to save the best time for marriage. I love you and respect you. That's why I didn't touch you."

"But in the end, you were easily abducted by conmobei? I really regret that I didn't want you directly at that time. Otherwise, I should be the one who makes you die in peace now? "

What Jiang zhiang said made Bai nianxi feel very uncomfortable and couldn't help reaching out to push him away.

But this time, Jiang zhiang was tough.

"If I had you now, it wouldn't be too late."
