

《Billionaire CEO Won't Leave》

Chapter 213

Kangmobei thought for a moment. It seems that there is no one named Shen Hedan among the powerful people he knows in city a, let alone the Shen family with such influence.

"You mean the person who brought you up is Shen Hedan?"

Bai nianxi nodded.

Kang Mobei thought for a moment, then turned around and called Secretary Xing. He told him to go down and check Shen Hedan's background.

"You seem to have met him when you say so?"

Bai nianxi nodded honestly.

"It's a man, isn't it?"

Bai nianxi nodded again.

Kangmobei's eyes have narrowed slightly, "this man, is he good-looking?"

"Not bad." Bai nianxi seriously recalled, "he is also tall and has extraordinary momentum, but he is a little strange..."

Originally, at the moment when Bai nianxi nodded and said it was ok, Kang Mobei's face was completely black. Hearing Bai nianxi say it was strange, he immediately asked, "how strange?"

"This man has been praising me since he met..."

"Praise you?"

Kangmo North micro squint eyes in the issue of sharp light, "praise you what?"

"If it's a compliment, isn't it just those back and forth?"

It's already autumn. It's much cooler. The room doesn't turn on the heating. As soon as Bai nianxi says it, the temperature in the room drops sharply.

Bai nianxi doesn't dare to speak any more, because she can clearly see that the wine glass that commobei was holding has appeared several cracks.

What's the origin of that man named Shen Hedan? What's the purpose?

Eyes turn to white read Xi, eyes with cold, cold white read Xi and a shiver.

"I'm not Well... "

By the time of reaction, his mouth had been blocked up by conumber.

What's wrong with this man!

What are you pissing at her!

It hurts!

The next day, Bai nianxi, as usual, came to Panasonic on time under the meticulous care of his assistant Xiao Xiao.

Go to the company, there are still people ready to send the clothes to Bai nianxi.

Bai nianxi takes a look in the bag. Today's dress is a white skirt. The style is similar to the one Xiao Xiao wore yesterday. It may be more sexy.

Who on earth prepared this?

Is it Shen Hedan again?

Thinking of this, Bai nianxi only felt cold on his head. If it was him, he could master her intimate size so accurately, it would be terrible.

"No more clothes for me tomorrow."

"But it says you have to dress formally and professionally when you go to work."

Bai nianxi twisted his eyebrows. What he said is reasonable.

"I can buy the clothes myself. Please tell your superior. It won't be any trouble from now on."

Bai nianxi took the clothes and turned to leave. The man didn't say anything more.

After returning to the office to change clothes, Xiao Xiao came in by pushing the door outside.

"Mr. Bai, someone is looking for you."

"Who?"

"It's a gentleman named Jiang zhiang."

Jiang zhiang?

Bai nianxi frowned unconsciously. I don't know when to start. If I let her face Jiang zhiang again, it would make her feel burdened.

She and Jiang zhiang have never seen each other since the last time in the dressing room of the shopping mall, and she doesn't know how to face him.

"Did he say why he came to me?"

"It's just that there's something very important. He has to see you."

Bai nianxi thought, "let him in."

Two minutes later, Jiang zhiang pushed the door and came in.

Jiang's as like as two peas, the change is bigger and bigger. Even though his face is exactly the same as before, it always looks like a gloomy feeling.

Jiang zhiang didn't seem surprised that Bai nianxi became the president of Panasonic. He was very calm.

"You come to me? What's the matter.

Jiang zhiang looked at Bai nianxi with a kind of look in his eyes. He knew that there would be such a day, but he didn't expect that Bai nianxi would stand beside others on this day.

"I've heard about xuanlin coming to you. Are you ok?"

Bai nianxi smiles, "do I look like I have something to do?"

Jiang zhiang's eyes darkened. He heard about Gu xuanlin's coming to find Bai nianxi. Naturally, he also heard about Kang Mobei's blocking sulfuric acid for Bai nianxi.

Simply said: "xuanlin now where?"

It was two days ago that Gu xuanlin came to find Bai nianxi. At that time, Bai nianxi was in a hurry to go to the hospital. She didn't pay attention to Gu xuanlin's situation.

Bai nianxi was stunned.

"Nianxi, it's her fault. Would you let her out?" Bai nianxi shakes his head.

Jiang zhiang is a little excited to pull Bai nianxi's hand, but she quickly dodges it. It's like avoiding Jiang zhiang like a snake or a scorpion.

Maybe the memory left by Bai nianxi for the first two times is too bad. Bai nianxi seems very alert.

Realizing that she was overreacting, Bai nianxi slowed down and said, "I mean, I don't know where she is."

"No way!" Jiang zhiang is sure.

Gu xuanlin made that kind of thing, how can be easily let go?

Since that day, Gu xuanlin has disappeared. He can't contact her. He was not taken away by kangmobei. What else can he do?

"I really don't know."

"Nianxi! You told me! Tell me where she is? I know it's her fault. Will you let her go?"

Bai nianxi frowned, "I really didn't take her away."

Jiang zhiang looks at Bai nianxi and his eyes are full of disbelief.

He is sure that Gu xuanlin was taken away by kangmobei. In this case, Bai nianxi must know Gu xuanlin's whereabouts.

Originally, Gu xuanlin didn't want to take care of his affairs, but more than half a month ago, Jiang had a new project. In order to save their engagement, Gu xuanlin invested a lot of money in it.

But before the fund was fully in place, Gu xuanlin had disappeared, and the project could only be shelved.

The project is very urgent now. If the funds are not in place, how much will Jiang zhiang's company lose.

If it wasn't for that, he wouldn't have come.

Jiang zhiang's eyes make Bai nianxi feel uncomfortable. It seems that in his eyes, she has become a bad woman.

"I know that you are very angry when she comes here and pours sulfuric acid on you, but you can't do this to her!"

Jiang zhiang looked at Bai nianxi with a strange look in his eyes. "You know, it's you who are sorry to her first. It's you who killed our children that she will come to you. You are also wrong!"

It seems that I can't believe that Jiang zhiang will say such words. Bai nianxi looks at Jiang zhiang and his face is hard to understand.

"So this time, you can let her go, OK?"

After a while, Bai nianxi began to say, "zhi'ang, is that what you always think in your heart? Do you blame me all the time in your heart? "

Jiang zhiang shook his head. "I just hope you can..."

"I really don't know where she is." Bai nianxi's voice is weak.

Bai nianxi's denial makes Jiang zhiang impatient. By means of Kang Mobei, how can Gu xuanlin come to a good end when she falls into his hands?

Perhaps, Gu xuanlin is dead now. Once Gu xuanlin dies, his project will become yellow. He can't afford the loss of this project.

Jiang zhiang's eyes became gloomy, and even his voice showed a faint chill. "You don't know, but kangmobei knows. You go to talk to kangmobei and let him release Gu xuanlin."

When Bai nianxi thought about it, he thought it was really possible.

That day, because kangmobei was injured, she rushed to the hospital in a hurry. She didn't pay attention to what happened to Gu xuanlin. Kangmobei brought people, and

Gu xuanlin was probably taken away by kangmobei's people.

"Well, I'll ask when I get back today."

"Now!" Jiang zhiang stares at Bai nianxi, "I want you to ask now."
