

《Billionaire CEO Won't Leave》

Chapter 222

Bai nianxi is startled, perceives Su Yihao's intention, and rushes to grab Su Yihao's steering wheel. In the struggle between them, the car suddenly loses control.

In a sound of friction piercing the sky, Su Yihao's car hit the roadside railings. Because the speed was too fast, it directly broke through the railings and flew out.

Below is the sea.

Fortunately, this is a coastal area. Out of control vehicles roll on the slope and finally roll to the coast. After raising a noisy dust, they stop.

A sharp brake sound sounded, and the other three cars on the road also stopped.

Connobei was the first to get out of the car and run down to the coast.

Then Shen Hedan came down from the car. Jin Ting and several people in black also came down from the car and followed Shen Hedan.

His car has been driving in the rear of Su Yihao's car, and he can't see the situation in front of it clearly. However, he noticed that Su Yihao's car should have been heading towards the north of Como.

Can suddenly turn back, and then the whole vehicle into out of control, this has the situation behind.

Undoubtedly, it was Bai nianxi who did it in order to keep Kangmo north.

Her feelings for conmbert were deeper than he thought.

I didn't think about it any more. I took a step and followed.

Bai nianxi felt dizzy, and there was a kind of pain that was about to fall apart. She seemed to be stuck by something, which made her unable to move.

The blood on the head dyed the eyes of Bai nianxi red. When I opened my eyes, I saw

the hazy blood color in front of me.

In the dense blood, she seemed to hear something, like the sound of human footsteps.

"Nianxi! "The night of reading!"

Conmobei ran over, and his face was no longer as cold and indifferent as usual. He was extremely nervous and worried, and his eyes showed unspeakable heartache.

Bai nianxi first saw the black and exquisite trouser legs of kangmobei, and then saw the face of kangmobei.

He even knelt down on the ground and bent to see her in the car with blood on her face.

That face full of tension and worry, gradually, coincides with the face in memory.

Bai nianxi closed his eyes.

She remembered. She remembered everything.

Five years ago.

Today is the third day that Su Yian and Bai nianxi break up.

Bai nianxi decadent day and night at home for three days, the whole person has been dispirited like a zombie without soul.

She and Su Yi'an had been together for only three months, but their relationship was so good that she thought they could be together for a lifetime.

However, Sue Yian suddenly broke up with her.

It was on her birthday.

How cruel, she was waiting for him, for his blessing, for his gift, but he told her that he wanted to break up with him.

Bai nianxi once went to Su Yi'an and waited for him downstairs all night. He was so tired that he told her that he didn't love her any more.

She slept at home for three days, but she couldn't sleep. She had a bad drink, but after drinking one bottle after another, she still couldn't fall down.

How painful.

Finally, she got up in the mess and went to find Su Yi'an.

When she saw Su Yian again, her face was pale, and she was in a great depression, but Su Yian looked radiant.

Bai nianxi stretched out her hand to pull Su Yian's hand, "don't leave me, OK, OK?"

Su Yi an a face disdains of stare at eyes, "don't want to break up?"

"Well." When Bai nianxi nodded his head, he almost cried, and his tone was almost begging.

What dignity, what self-esteem, was completely forgotten by her, she had only one idea, she could not leave him, she would die if she left suyi'an.

He is the first man she likes in her life, and also the man who makes her feel warm most in her life.

Looking at Bai nianxi's expression, Su Yi'an seemed to think about something, and then said, "promise me one thing."

"What's the matter?" Bai nianxi seems to have grasped the last straw.

"I want to do a project, the other party's boss, it's difficult to deal with, but he has a hobby, that is women." With that, Su Yi'an looked up and down at Bai nianxi.

Although her appearance is hard to attract people's attention, she has a good foundation. She is also a young girl who has just come of age. The boss should be willing to accept her when she is dressed up.

Su Yi An's meaning is to let Bai Nian Xi sleep with the boss for one night.

Take care of that old man, so Yi'an can sign the project smoothly.

Bai nianxi's face was shocked, followed by fright, as if he could not believe that Su Yi'an would propose such a condition.

"How can you do this to me?" Su Yi An's expression becomes bored, "if you don't want to, stay away from me."

Su Yian then turned away, leaving Bai nianxi alone in the same place.

At the end of October, the wind was icy.

Bai nianxi didn't know how to get home. He only knew that he was in a trance.

She didn't turn on the light. She slept in bed for two days and had many dreams. In every dream, there was Sue Yian, who was smiling at her, who was holding her hand, and who was kissing her face.

Then he said to her, "stay away from me."

And then they wake up again and again.

I don't know how long later, there was a knock outside.

Bai nianxi goes to open the door. It's su Yian standing at the door.

Seeing that people don't look like people and ghosts don't look like ghosts, Su Yi'an frowned, "how did you become like this?"

Bai nianxi was silent.

After thinking for a moment, Su Yian stretched out his hand toward Bai nianxi, "come with me."

Looking at Su Yi'an's outstretched hand, Bai nianxi's eyes are full of incomprehension and disbelief, but more of it is the joy and excitement of survival.

Leng for a moment later, Bai nianxi put his hand on Su Yian's hand and followed him out.

Su Yi'an first took Bai nianxi to buy clothes, which was a thin suspender skirt with some exposure and little sexy. Bai nianxi didn't like it very much.

Then, with Bai nianxi, Su Yi'an took a bath, made up her hair and changed her clothes.

Bai nianxi, who has been cleaned up from head to toe, has a kind of young girl's sexuality and beauty, which is inseparable from people's eyes.

"Would you like some water?" Sue Yian handed me a bottle of water.

Bai nianxi was not thirsty, but she took it and drank it.

When I woke up, Bai nianxi had been lying in the magnificent hotel room.

Inside the room, there was incense, the bed was covered with rose petals, the curtain

was rose red, and the bedside was lit with red candles. The atmosphere was charming and ambiguous.

Bai nianxi rubbed his head and didn't know what happened. She looked around until she saw the things at the head of the bed.

Handcuffs, chains, whips, bits of fabric.

There are also a few boxes of things beside. Bai nianxi takes them up and looks at them. No matter how she has never seen the world, she understands the words on the small box.

That's a condom.

This is the hotel.

Sue Yian, after all, sent her to the old man's bed, or in this deceptive way.

She was so naive that she thought that he had changed his mind.

Just thinking about it, a Ding came from the door, and the door of the room was twisted open.
