

《Billionaire CEO Won't Leave》

Chapter 224

But anyway, Bai nianxi stayed here all night.

I don't know why conmobei suddenly became so kind-hearted and took a woman in her room for one night.

Although under the order of kangmobei, Bai nianxi couldn't get close to kangmobei's body within five meters.

When he went back in the morning, Bai nianxi also stole a suit from kangmobei.

Although it's big and wobbly on the body, just cover it.

Bai nianxi finds Su Yian directly.

She really didn't expect that sueyan would do it.

There was sadness and resentment in her heart, but after this night, she was more desperate and resentful towards Su Yi'an.

When she came to the door of Su Yi'an's house, she reached out and clapped the door of Su Yi'an. No one opened the door, so she continued to clap hard. Her hand was red and painful. When she clapped, her eyes filled with tears.

Finally, the door opened.

Su Yian stood at the door with an impatient face, "who is that you

"It's me." Bai nianxi's voice choked, but he tried hard to suppress the crying cavity. He pretended to be strong and looked distressing.

Except for Suen.

"And you're back?" Su Yi An frowns, as if can't figure out why Bai Nian Xi came

back so early. That old man should have been tossing all night.

"Sue, you son of a bitch!"

Bai nianxi wants to scold again. Suddenly he hears a woman's voice behind Su Yian's back, "Yi Hao, who are you talking to?"

Bai nianxi was stunned.

Sue Yian frowned. "No one."

"Still say no, I heard a woman's voice, that you mentioned before, the poor student sister who has been pestering you?"

The voice came closer and closer, and it seemed to come this way.

Bai nianxi only felt the roar in his mind.

Originally, Su Yian suddenly said that he wanted to break up because he was cheating.

He had another woman.

Su Yi'an only felt irritable and said, "it's none of your business. Don't come to me in the future. Let's go." Then he closed the door.

Bai nianxi reaches out to stop her. She wants to see the woman clearly! She's going to confront them!

Her first love, can't die so obscure!

But Su Yi'an didn't give her a chance at all. Bai nianxi could only seize the chance to keep her fingers between the door frame and the crack of the door.

But Su Yi'an is determined to close the door, and his men are not willing to relax at all.

Bai nianxi's fingers are pinched with pain. Ah, she cries out. Su Yi'an breaks Bai nianxi's hand and pushes it out at the moment when Bai nianxi is separated from her body.

Bai nianxi stood at the door, pounding the door with his other hand and leg like crazy, "Su Yi'an, get out of here! Get out of here"

But she didn't come out until her throat was hoarse.

Gradually, Bai nianxi sat in front of Su Yian's house and fell asleep.

Bai nianxi was awakened with a cup of milk tea. When she raised her head, a woman was laughing and threw her milk tea cup on the ground. Then she ran downstairs.

It seems that it's interesting to insult Bai nianxi like this.

Bai nianxi gets up and goes after them. He is stopped by Su Yian. He doesn't want them to have a conflict, so he lets Kang Xinyue go quickly.

"Who is she?"

"You don't care who she is."

"Because of her, you're breaking up with me, aren't you?" Bai nianxi pointed to Su Yian, "you betrayed me and cheated on me, didn't you?"

"So what?" Sue was a little impatient.

The mood in Bai nianxi's eyes cools down, leaving only a piece of cold, "why?"

"Why? Because she has money, and her family has money, she can help me make progress. Is that a good reason?" Su Yi'an doesn't want to entangle with Bai nianxi any more, so he simply makes it clear.

"You are too ordinary, too ordinary, we are together, you can't give me any help in the future, but she is different, she is the first lady of the Kang family, how can you compare with her?"

Because of a good skin bag, she is favored by a young lady like Kang Xinyue. How lucky is this?

How can he let go of such a good thing that others can't think of!

"Don't come to me again. It's impossible between us. Take care of yourself. Don't let me feel bored."

What is the feeling of heart death?

There's no better way.

Bai nianxi's face was expressionless. "So it is. I know."

She originally thought that in this world, everyone would look down on her because of his origin, only he would not, but it turned out that in this world, the person who looks down on her most is him.

"Why did she call you Yi Hao?"

"Because she thought it was nice, I changed it. Why?" Bai nianxi sneered, "you are really devoted."

"In a word, I tell you, don't pester me again, I don't want to see you again."

Bai nianxi only thinks that the tears left for Su Yian and the retention of him are a joke.

"Don't worry, I won't pester you again. What are you? It's just a fart. "

"You Su Yihao is so angry that he reaches out his hand to push Bai nianxi. Bai nianxi stands by the stairs and falls down.

After rolling for several times, Bai nianxi stops and looks at Su Yian.

The pain on the body has not been able to cover up the pain in the heart. Bai nianxi, with blood on his face and corners of his mouth, got up from the ground in a very embarrassed way, with despair and indifference in his eyes, "Su Yi'an, I hate you."

"I won't let you go for the rest of my life."

Then he turned and left.

He hurt her physically and trampled on her dignity. She wanted to give it back to him bit by bit.

After Bai nianxi went back, he checked Su Yi'an's description of the Kang family. It's not difficult to find the Kang family's information. Such a well-known family can be found after a little check.

Bai nianxi noticed another person, Kang Mobei.

The young master of the Kang family is the president of the Kang group.

Although the man in the photo looks very young, his eyebrows reveal a kind of fierce and rebellious beyond his age.

This face is familiar to Bai nianxi.

It was the man last night!

Sue, you can sleep. Why can't I?

You are proud to be able to climb up to the young lady of the Kang family. Then I will climb up to the young master of the Kang family to show you!

That night, Bai nianxi, holding the suit she had taken from kangmobei, walked into the stairwell when there were few people. She didn't have the courage to take the elevator. After thinking about it, it was better to take the stairs.

All the way up to the 22nd floor, Bai nianxi's leg was cramping. He looked for it according to his impression of kangmobei's room. After a few steps, he collapsed on the ground.

Next to a shadow head also don't return of walk.

This figure, Bai nianxi is very familiar with, is kangmobei!
