

# 《Billionaire CEO Won't Leave》

## Chapter 229

It's very hot and dry. The sun is very bright outside. Bai nianxi is sitting under the hospital pavilion to enjoy the cool. Su Yian suddenly appears in front of her.

Su Yi An's face was full of anger. He came up and asked, "Bai nianxi, what do you mean?"

Bai nianxi was stunned by Su Yian, "what do you mean?"

Su Yi'an steps forward and stares at Bai nianxi, "what did you do to the man I asked you to accompany?"

Originally, Bai nianxi was upset about Kang Mobei and his children recently, but he didn't think much about those things before. Su Yi'an suddenly mentioned it, and Bai nianxi was stunned at first.

Then anger rose in my heart, and the feeling of heartache and despair followed.

What qualification does he have to question her?

Thinking of the disgusting man and what happened that night, Bai nianxi also got angry, "where did you come from to ask me? You son of a bitch

Su Yian grabbed Bai nianxi's collar and said, "say it or not!"

"What do you want me to say? How did you give me the medicine and send it to another man's bed? " Bai nianxi's face is red.

"Sue, I tell you, I won't forgive you for what you have done to me!"

Su Yi An sneers, "Oh, do you want to revenge me?"

"Revenge? No, I just want you to be responsible for what you've done. Wait, I'll sue you, let you eat the bad consequences and send you to prison! "

Bai nianxi originally said angry words, but Su Yian's eyes were overcast.

"You want to send me to jail? Why don't you see if you have that ability? Do you have any evidence? Do you have money for a lawyer? Do you have any support for you? "

Bai nianxi choked, it seems unable to refute Su Yian's words.

"Didn't you climb the high branch? What you want most is to prosper through Miss Kang? Then I'll tell her, tell her what kind of person you are! I also want to tell all the people in the Kang family to let them know you... "

"Pa" sound, a slap in the face of Bai nianxi.

"You dare." Su Yian's voice is gloomy.

Bai nianxi was stunned and roared excitedly: "why don't I dare! You're going to destroy me, and I'm going to destroy you! "

The sound of their quarrel attracted the attention of the people around them. Su Yi'an felt that he couldn't hang on his face. Now he didn't want to attract too much attention.

So he said, "wait for me."

"Wait, just wait." Bai nianxi's eyes are also firm.

In the evening, Bai nianxi was sitting on the hospital bed in a huff and puff. He didn't eat the dinner sent by the nurse, so he put it aside.

Conmobei came in from the outside, his eyes first fell on the cold dinner by the bed, then his eyes became cold, and he came over and said, "why don't you eat?"

Bai nianxi doesn't speak.

As Kang Mobei approached, he saw the red mark on Bai nianxi's face. His eyes narrowed. Because Bai nianxi didn't like the bright light, the light in the ward was dim now. He couldn't see clearly what was going on on on Bai nianxi's face.

"What happened to the face?"

"It's none of your business."

Since the birth of the baby, Bai nianxi seems to have changed a person. When he heard that pregnant women are prone to emotional instability, Kang Mobei didn't ask too much.

Because of premature delivery, the child's health is not very good. Recently, he needs close supervision and good care, so he not only comes here after work every day, but also goes to the children's hospital to see the child's condition.

"You can't stop eating." After sitting down by the bed of Bai nianxi, Kang Mobei said.

Now Bai nianxi is still in the period of confinement, so we must take good care of ourselves to prevent falling ill.

After a while, kangmobei asked someone to send a new steaming soup and rice in. Kangmobei held the soup bowl in his hand and handed it to Bai nianxi.

"Yes."

In fact, there is concern in the words of kangmobei, but if you don't bring a hearing aid or stereo to listen, almost no one can hear the hidden concern in the words of kangmobei.

It sounds like an indifferent order.

Bai nianxi twisted his head, "don't drink."

"Wait for me to feed you?"

Bai nianxi was enraged, "who wants you to feed me?"

"Then drink it." Conmobei handed the soup bowl forward.

With a bang, Bai nianxi stretched out his hand and swept the soup bowl in kangmobei's hand to the ground. "If I say no, I don't drink!"

I didn't expect that Bai nianxi had such a big temper today. Kang Mobei was stunned at first, and then his whole body sent out a faint chill. No one ever dared to do this to him.

"What do you want?" he said

Bai nianxi also stares at Kang Mobei. She just feels very upset. She didn't mean to threaten Kang Mobei with this, but Kang Mobei suddenly asks her what she wants?

Bai nianxi thought for a moment, what she wanted, of course Think, then ready to say."After this, I'll give you a sum of money." Said conmber suddenly.

Money is the only thing he can think of and give her.

He also knows that Bai nianxi has just given birth to a baby, so she should have no sense of security. Maybe he gives her enough money to make her worry free for the rest of her life. Can she feel at ease?

Anyway, he had a lot of money, and she gave him a baby. It's nothing to share with her.

Conmber wants her money?

Bai nianxi reacts and suddenly remembers what Jiang zhiang said before.

As expected, conmbe offered to give her money.

Is he planning to kill?

He immediately raised his heart and left one more heart.

No matter how stupid Bai nianxi is, he knows that he can't fight against kangmobei with his own strength. In this case, it's better not to annoy kangmobei.

Think about it, or know the current affairs of the end of the side just with the soup sent over the hot porridge, self-care to eat up.

Conmobei thought that what he just said played a role, and said: "I will not treat you badly, I will give you as much reward as possible, you, stay here first."

But in Bai nianxi's ears, I just think that it means that Kang Mobei is coming to ask for his life.

After a day of apprehension, the man who wanted his life came.

Late at night, conmobei has left the ward. In the dead of night, people should have a rest.

Bai nianxi sleeps on the bed, always cannot sleep.

Thinking of what conmber said, would he really kill her? Does she want to run for her life before that? If you run for your life, do you want to take her poor child with you?

It seems that it's time to find a chance to have a talk with conmber, so that she can meet the child she never met.

Just thinking about it, I suddenly heard the door of the ward creak and was opened. Bai nianxi was excited. Who would come here so late?

Then came the sound of footsteps, which was very light, as if for fear of waking her up.

Bai nianxi is lying on the bed with his eyes closed. He plans to deal with the changes with constancy first, and then look at the situation behind.

Unexpectedly, before she could observe the situation behind her, a pillow directly covered Bai nianxi's face. Her strength was so strong that she could hardly breathe.

It's the one who came to kill her!
