

# 《Billionaire CEO Won't Leave》

## Chapter 232

"In recent years, Lolo has been brought up by me. His character is sometimes like you and sometimes like me. He once asked me why he didn't have a mother. I don't know how to answer him..."

"You know what? I'm glad to see you back. But you seem to have decided to get rid of everything with us. You don't recognize me or Lolo. "

"But you like Lolo very much, don't you? You like me, don't you? "

However, it should be only until I like it.

"Do you know what love is like?" Kangmobei looked at Bai nianxi's closed eyes and said softly, "love is like I see you."

His heart used to be a pool of stagnant water. Since Bai nianxi appeared in his life, he has broken the peace for many years.

"When you enter my heart, it's like a stone falling into the sea. Once you were a ripple, now you are a huge wave."

"I won't allow you to leave, never again."

Bai nianxi has never heard Kang Mobei say so many words. In his eyes, these continuous love words are probably nonsense, right?

He spared no words. What he said today at least used up his quota for the next month.

Bai nianxi woke up early.

While Kang Mobei was still talking to Shen Hedan, she woke up.

But at that time, her eyelids were very heavy. She couldn't open her eyes. She was recovering from a few days of coma, and she was not very conscious.

But the words that conumber said just now did not drop, and the words clearly fell into

her ears.

She could hear the syllables of every word, the ups and downs of every word, the faint trembling hidden in it.

This is also the first time that she has heard the sincerity of commbe so clearly.

Maybe sleeping too long, dry eyes, she did not control the flow of tears.

Kangmo North saw white read Xi canthus slowly flow down the tears, face Leng Leng, "read Xi?"

Bai nianxi didn't respond.

She didn't know how to react.

She really wants to cry.

Five years ago, she remembered all the things. It turned out that she really had a past with commobei and had a child with commobei. Lolo was their child.

She remembered that she had told their father and son many times that she would leave, and that she told Lolo not to call her mother, which would disturb her

Maybe five years ago, she couldn't see her true heart clearly, but now, her true heart is completely clear.

Her heart is in the north of Commodore. Her heart has already been given to the north of Commodore.

"Nianxi?" Kang Mo north again called a, not very understand Bai Nian Xi exactly how? She cried? Or wake up?

But it's really hard to cry while lying down and being watched by others.

Bai nianxi sat up straightly, sucking his nose and smashing his fist at kangmobei, scolding: "asshole!"

Kangmobei looks at Bai nianxi, who is just like deceiving a corpse. He is stunned. Then his face is excited and he hugs Bai nianxi into his arms.

"Nianxi, are you awake?"

Bai nianxi choked and scolded: "if I don't wake up, will I continue to listen to you

here?"

Kang Mo north is to tightly embrace Bai Nian Xi to refuse to let go at first, but after hearing what Bai Nian Xi said, the facial expression moved, the facial expression slightly some obscure way: "you, heard?"

"I'm not deaf!"

.....

Conmobeir seems to see the white night again when he was angry.

Never mind. Just wake up.

Kangmobei continues to hold Bai nianxi, only feeling that he has the whole world again.

Bai nianxi took a few puffs in Kang Mo Bei's arms, and his mood gradually calmed down.

She didn't intend to cry. She thought of the past again, which had a big impact on her. But why can Kang Mobei sit by the bed and say something!

Five years ago, she was still young and couldn't see many things clearly. Now when she remembers it again, she just doesn't think it's that simple at all.

Jiang zhiang no doubt approached her purposefully and took her away in a planned way. Since she already knew that it was su Yihao who wanted to kill her, what kind of misunderstanding did she have about kangmobei?

Conmber was just sitting by the bed, like a little wretch nobody wanted.

She's so sad to think about it.

Bai nianxi wiped his face on kangmobei's suit. "Where's my son?"

"Well?" Conmber didn't react at first, and then his expression became strange. "You mean, Lolo?"

"Did I have another son with you besides Lolo?" Bai nianxi said with no good spirit.

When he saw Bai nianxi again, Bai nianxi was strange to him and Lolo. He thought she was deliberately keeping a distance, but later found that she didn't seem to remember the past. But now Did she remember?

Seeing that Kang Mobei didn't respond, Bai nianxi glared at Kang Mobei, "I'll talk to you..."

"You remember everything before?" Kangmobei is more excited than Bai nianxi. He grabs Bai nianxi's shoulder and stares at Bai nianxi's face.

Bai nianxi nodded slowly.

Conmber narrowed his eyes, "well, you tell me, why did you leave me and Lolo?"

.....

No, originally at this time, it should not be Kang Mobei holding her, tenderly said: "Nian Xi, you finally remember me." Is that right?

"How did you leave? Who took you away? Where did you go? What did you do? "

Kangmo North Lianzhu with gun's question, let Bai nianxi some can't resist, or, she just fainted?

"I've been looking for you for three months, but I haven't heard from you at all!"

Listening to the bloody accusation of kangmobei, Bai nianxi's heart began to ache again.

But for a moment and a half, I couldn't tell kangmobei clearly. Moreover, if kangmobei knew that she had believed Jiang zhiang's slander and mistakenly thought that kangmobei wanted to kill her, she would have run away with Jiang zhiang

"And Lolo? You bring Lolo here. I want to see Our son has a look... "

"Our son" is really a panacea for kangmobei. After staring at Bai nianxi, kangmobei calls Secretary Xing.

He hasn't told Lolo about Bai nianxi's car accident.

After Luo Luo was brought over by Secretary Xing, he ran to Bai nianxi with his short legs. "Xiao Xi --"

then he opened his hands and splashed into Bai nianxi's arms. After rubbing his head for a long time, he finally raised his head.

I was so happy to see Mommy just now. He didn't even notice that mommy was

wearing a sick suit! There's a bandage on my head!

Suddenly shocked, he said: "Xiaoxi! what's the matter with you? Why are you hurt! "

Bai nianxi holds Luo Luo in his arms. Luo Luo's body is soft and elastic, and there is a faint smell of milk. Bai nianxi only feels that his heart is moist.

This is her child!
