

# 《Billionaire CEO Won't Leave》

## Chapter 233

"Xiaoxi?" Luo Luo is held tightly by Bai nianxi. She realizes that Bai nianxi is different today. What's the matter with Mommy? How do you feel like you like him so much?

"Xiaoxi, do you miss Lolo?"

"Well, I really want to." Bai nianxi bows his head and kisses Luo Luo's face. He feels that it's not enough and kisses again.

Why didn't you think that Lolo's eyebrows were similar to hers?

"Luoluo also wants Xiaoxi!" Lolo shook his head. "I want to!"

Kangmobei looked at Lolo, the dark light flickered in his eyes, "Lolo, what's your mother's name?"

"Xiaoxi?" Lolo said, and then reaction, wide eyes, daddy's meaning, is he can call Mommy?

Then he looked at Bai nianxi, because Bai nianxi had said before that she couldn't call her Mommy. Luo Luo was afraid that she would be angry, so she didn't dare to shout any more.

Even if Kang Mobei says so now, Luo Luo still looks at Bai nianxi with suspicious and joyful eyes, as if to get Bai nianxi's approval.

Bai nianxi looks down at Luo Luo in his arms, just opposite Luo Luo's bright eyes. His nose is sour and his eyes are red.

Seeing that Bai nianxi didn't respond, Luo Luo opened her mouth carefully and said, "Mommy?"

The voice is soft. Bai nianxi just feels that her heart is melting.

Pull out a smile, eh, listen carefully, that voice inside still take a touch of choking.

Lolo's eyes are round and big. Mommy has promised him! He can finally call Mommy!

How happy it is!

Thinking about this, Luo Luo cried out, sobbing, and jumped into Bai nianxi's arms again. He hooked Bai nianxi's neck with his fat hand.

With a runny nose and a tearful cry, "Mommy, you finally recognize Lolo Sobbing Lolo thought he couldn't call you mommy anymore Mommy, you don't want to dislike Lolo anymore, OK? Lolo likes mommy so much... "

Bai nianxi gently agrees to Luo Luo's words, and touches Luo Luo's hairy head with one hand.

"Lolo, I've wronged you these years."

Luo Luo's face is already a string of tears, but still shook his head, "not wronged."

Thinking that Luo Luo had no mother since he was born and lacked maternal care, Bai nianxi felt a pain in his heart. "Luo Luo, mother really loves you..."

Lolo suddenly raised his head, as if to think of something, "what about daddy?"

White read Xi Leng for a while, Luo Luo this is want, do what?

Conmobei is sitting on one side. His cold face doesn't look cold at this time. On the contrary, the corner of his mouth is slightly hooked up. My good son, at this time, he doesn't forget his father.

I also heard Lolo say: "although daddy is fierce, sometimes he's bad, sometimes he's pit, and he's so bad that aunts like him. He always makes mommy angry. He's also overbearing, selfish, arrogant, and likes..."

Lolo talked about the innumerable shortcomings of conumber.

Conmobei's face gradually darkened, and cracks appeared on his indifferent face. When he was born, it seemed to be a mistake.

Just when Luo Luo told Bai nianxi that he was blind before he fell in love with Kang Mobei, Luo Luo finally said the only advantage of Kang Mobei.

"But daddy loves Mommy."

Bai nianxi looks at Luo Luo, and then what?

"So mummy, you'd better reluctantly marry Daddy. Anyway, all the other men are big pig hooves. Daddy is still a big pig hoof with Yan Duojin's pain."

Lolo's expression was so serious that no one could question every word he said just now.

His biggest wish is that his parents will be together and their family will be happy.

.....

Bai nianxi and Kang Mobei have been silent for a long time. It seems that the state's family planning policy is very reasonable.

In the luxurious European style castle building.

"Is Miss awake?" When Shen Hedan heard the news from Jin tinglai, he was shocked and sat up from the bed.

After he came back from the hospital, he went back to bed to have a rest. Before long, he heard the news from Jin Ting that Bai nianxi had woken up.

Jin Ting reports the situation in the ward to Shen Hedan. When he talks about Luo Luo, Shen Hedan's eyes are obviously bright.

He had known for a long time that there was a son in kangmobei, but he didn't care much about it. Now he heard that the child was born in vain?!

Does that mean Lolo is his great nephew?

Bai nianxi is so cute, intelligent, beautiful and elegant. How could her son be bad?

Shen Hedan tut tut two, no doubt, suddenly more than a nephew's news, let him very happy, he did not see Luo Luo, now is can't wait to see his nephew. But think about it, or to suppress that restless and surging uncle's heart. Now it's time for Bai nianxi's family to get together, so he can't disturb.

In the hospital, after Bai nianxi wakes up, Luo Luo has been entangled in Bai nianxi. He finally gets to know mommy. He doesn't want to leave mommy's arms for a moment.

Bai nianxi looks at Kang Mobei's face. His face is a little haggard and pale, because he hasn't closed his eyes for three days in front of the bed. His eyes are already

dissatisfied with blood, and his face has a short stubble.

It doesn't look sloppy, on the contrary, it has a kind of decadent and graceful sex appeal.

In Bai nianxi's eyes, it is more painful.

"Go back and have a rest first."

Kangmobei nodded and looked at Luo Luo in Bai nianxi's arms. "Luo Luo, come back with me."

Luo Luo hugged Bai nianxi's neck, "no, Luo Luo wants to be with mommy."

Conmobei's brow twisted, "let mommy have a good rest, you here, will disturb her."

"Don't disturb." Bai nianxi finished, and touched Lolo's smooth little head.

Luo Luo gets the amnesty order from Bai nianxi, and is even more reluctant to leave. Kangmobei squints Luo Luo Luo, who is stuck in Bai nianxi's mind, lingering cold.

He doesn't like any other man to be alone with Bai nianxi, even Lolo.

He picked up Lolo's collar, slipped Lolo out of Bai nianxi's arms, walked out of the ward and said, "Lolo and I will come to see you in the evening."

Without waiting for Bai nianxi to say anything more, kangmobei strides out of the door of the sick room, and finally puts Lolo down after he slips Lolo out of the door of the hospital.

Luo Luo stares at Kang Mo north, a pair of smart small eyes in anger.

"Daddy! How can you do this to me! I was just afraid that Mommy would run away with others. I said something nice to you in front of Mommy! "

Conmobei squinted. "It's better if you don't say it."

Is that a good thing? Let Bai nianxi listen, don't want to run with others.

"But I'm thinking of you!"

"I'm a perfect match for your mother. You don't need to worry about it." Said conmber, with his seat belt fastened to Lolo.

"Sit down." Then he stepped on the accelerator and went away.
