

Billionaire CEO Won't Leave

Chapter 250

In the gap of Bai nianxi's slight stupefaction, Luo Luo on the opposite side has already called out, his voice is a bit hoarse, and the young voice is so weak and helpless in the cold wind, especially firm and angry.

"I don't agree! Mommy can only belong to me and daddy. Mommy can't go to other people! I disagree! Don't agree! "

With that, Lolo used his stubborn strength to kick and beat Jiang zhiang, "you bad man, you can't take my mommy away!"

Seeing Lolo struggling against everything, he would fall down with Jiang zhiang if he was not sure. Bai nianxi was worried and said, "Lolo, Mommy won't leave you, you stop, stop first!"

"Don't you leave?" After hearing Bai nianxi's words, Jiang zhiang sent Luoluo out again, "man and son, Bai nianxi, you choose one?"

Kang Mobei is calm, and his eyes are sharp and poisonous. It seems that if he focuses on Jiang zhiang for a while, he can burn his body directly.

This man, dare to think about his woman, but also hurt his son.

Bai nianxi's body is as cold as ice sculpture, rigid without a trace of temperature.

Jiang zhiang is aggressive. Now, she wants to make a choice between kangmobei and Luoluo.

Shen Hedan's office.

Hands of the phone picked up and down, back and forth several times, finally dial out. A few seconds later, a mobile phone rang in front of Shen Hedan's office.

Shen Hedan looked at him with sharp eyes like a hawk falcon. When he saw someone coming, he was even more cold.

"It's you?"

"It's me." The man came in from the door, his mobile phone was still ringing, and Shen Hedan's name was displayed on the bright screen.

"Why, brother, call me. What's the matter?" The man looked at the screen, then hung up and calmly went to Shen Hedan and sat down.

Shen Hedan just called him.

Shen Hedan's face was gloomy and his eyebrows were slightly picked. "It's really the ghost you're doing behind your back."

The man giggled, "brother, what are you talking about? Why can't I understand?"

Ignoring the man's words, Shen Hedan converged his sharp momentum, and his voice became a little warmer, but he was still cold. "Shi Mo, when did you know this?"

Shen Shimo didn't put on any more. He leaned on the back of the chair with a leisurely face, "guess what?"

Shen Hedan smile, smile with a bit of dangerous flavor, "aunt Xia let you come?"

Shen Shimo's original lip line was slowly flattened, casting a look at Shen Hedan, as if to emphasize, "brother, that's our mother."

"That's your mother, not mine." Shen He Dun was not satisfied with the dissatisfaction in Shen Shi's silent words, and said, "since you can attack my younger sister, do you still want to ask for some respect from me?"

I didn't expect Shen Hedan's attitude to be so tough. Shen Shimo originally thought that Shen Hedan's feelings for this little sister she never met should not be so deep.

It's a mother after all.

Shen Hedan and Bai nianxi are brothers and sisters of the same father and mother.

Shen Shimo's attitude became serious, and his expression became serious. "I came here this time to bring a message to my mother. Bai nianxi, I can't go back to Shen's house."

"she can come back, not you has the final say." Shen He delayed a faint glimpse of Shen Shimo, "I has the final say."

Shen Shimo nods. Shen Hedan is right. Shen Hedan is the leader of the Shen family. He wants to come back in vain, but they can't stop him.

But Bai nianxi had to live to return to the Shen family.

"Brother, do you know the man who kidnapped your little nephew?"

"Jiang zhiang." Why did Shen look at Shen Shimo and say, "it's not from you?"

Shen Shimo shook his head. "How can we have that ability? It's just a deal with him. "

"Deal?"

Silence comes slowly.

Shen's father had two wives in his life. Shen Hedan's mother was the original wife, and his second wife, Wei Xia, was Shen Shimo's mother.

About four years ago, in the United States, people from Wei Xia's side knew that the Shen family had a daughter who was living in exile. At that time, Wei Xia's people had already found Bai nianxi.

At that time, Hou Jiang zhiang was studying in the United States. It was probably a chance. When he heard the news, he had the idea of Bai nianxi in his heart.

At that time, the Jiang family was just a small and ordinary family, and there was no power in their hands. Jiang zhiang was determined to develop the Jiang family. The shortcut, of course, was to marry the rich and powerful families.

In Jiang zhiang's opinion, Bai nianxi is his best choice.

The people sent by Wei Xia wanted to deal with Bai nianxi secretly, but at that time, Bai nianxi was already mixed up with kangmobei. Later, Bai nianxi was taken away by Jiang zhiang, and the hiding was never found.

Jiang zhiang spent four years with Bai nianxi, just to make Bai nianxi's identity his strength one day. His original plan was to take Bai nianxi back to China to get married when she graduated. After the two of them cooked rice and their marriage was stable, he would look for opportunities for Bai nianxi to return to the Shen family.

Unfortunately, all the calculations were broken by the sudden appearance of conmbobei.

It took him four years to depict the future of a wealthy family, but because of the

appearance of Kang Mobei, he became an illusion.

Wei Xia knows that Shen Hedan has found Bai nianxi, and in his plan, he must take Bai nianxi back to the Shen family.

It's better to start first. Shen Shimo finds Jiang zhiang.

Promise him that as long as he can take Bai nianxi back to his side, the Shen family will be his backup.

Jiang zhiangsi has no doubt why Shen Shimo chooses him between him and kangmobei, because he understands that Shen Shimo and Shen Hedan do not deal with each other. If Bai nianxi and kangmobei are together, it will be a fatal threat to Wei Xia.

With the support of silent people behind him, Jiang zhiang's kidnapping was naturally reckless.

So, look, here's the problem.

"Brother, you have two choices. One is to let Bai nianxi stay with kangmobei, and Bai nianxi can never go back to Shen's house."

Once Shen Hedan and Kang Mobei are united, Wei Xia and Shen Shimo will lose the chance to take power in the Shen family.

"The second option is that you can let Bai nianxi come back, but she and commobei must completely break off contact."

After hearing this, Shen Hedan tugs at the corner of his mouth. Wei Xia gives him only one of the two choices, because Wei Xia won't see Bai nianxi and Kang Mobei together, which is always a hidden danger to her.

"What you want most, isn't it the third choice?" Shen Hedan is smiling. Of course, he can see their abacus clearly.

Bai nianxi's death is the most reassuring thing for them.

But he won't allow it.

Shen Shimo's expression is not smiling. He neither admits nor denies Shen Hedan's words.

"Brother, how do you choose?"

"Does Jiang zhiang know that you are using him?" Shen Hedan stood up and went out.

How can it not be two-way to make use of such things?

On the top of the abandoned hospital building, only the sound of wind and rain could be heard. After Jiang zhiang gave Bai nianxi a choice, it was very quiet for a moment.

At this time, Luo Luo's cough came, tender voice through the weak, let people listen to the heart straight pull pain.

Bai nianxi can't help but talk.

Behind the back came a sentence, "I heard that you gave nianxi two choices?"
