

# Billionaire CEO Won't Leave

## Chapter 256

When and where to meet, Bai nianxi said that he would wait until he arrived in Germany to contact Mr. Z. Mr. Z also agreed to come down, and then soon, the avatar showed that he was offline.

Bai nianxi didn't say anything more. He also turned off the computer. It was nine o'clock in the evening.

In two years, Bai nianxi stayed in the Gobi desert, and his contact with the outside world was through the Internet.

Shen Hedan arranges Bai nianxi and Luo Luo here, on the one hand, to protect them from being poisoned by Wei Xia, on the other hand, to escape the search of Kang Mobei.

Although Wei Xia didn't start against Bai nianxi, she was still on guard. She secretly sent people to pay attention to Bai nianxi's trend to prevent Bai nianxi from secretly contacting with kangmobei.

She would never allow Kang Mobei and Shen Hedan to side with each other.

So we need to discuss with Shen Hedan about going out from here.

When Shen Hedan heard Bai nianxi say that he wanted to go out from here, he didn't seem surprised. He just said, "go to see Mr. Z?"

Bai nianxi nodded.

Shen Hedan touched his chin, with a light smile in his eyes, and a "I knew you couldn't stand the temptation" expression on his face.

"Do you think I can get out?"

Shen He Dun picks eyebrow, "want to go, why not?" He also received a copy of the itinerary of combo north. He squinted and said, "you're going to Germany, aren't you?"

It's hard for his brother-in-law to live in the shadow of his wife and children. After two

years, he can't find any shadow of his wife and children. He is almost Acacia.

But life has to be watched by them all the time, to see what he is doing every day, who he meets and who he has dinner with.

After observing, he found that his life was monotonous and boring. Apart from work or work, he only felt bored when he looked at it, but he was afraid that he was always in pain.

Bai nianxi's face is slightly serious, "I suddenly go out, will cause Wei Xia their vigilance?"

"You are not their prisoner. Where you want to go is your freedom. If I have to let you go, will they dare to stop you?"

said so, but Bai Nian Xi still can not rest assured, although Shen He's people are also on guard against Wei Xia, but secretly affirming that there will still be Wei Xia's eyeliner.

"You can go directly." Shen Hedan said it very simply. Whenever he said something seriously, his face was totally intolerant of doubt and rejection.

"I'll send someone to follow you and cut off Wei Xia's surveillance on you. As long as you don't have direct contact with kangmobei, they don't have the ability to completely restrict your freedom."

After Shen Hedan made arrangements, Bai nianxi flew directly to Germany with an assistant named Anqing.

An had already arranged Bai nianxi's hotel accommodation in the early morning. After getting off the plane, Bai nianxi went directly back to the hotel room.

Turn on the computer and send a message to Mr. Z: "I'm in Germany."

Half an hour later, he said, "well."

Bai nianxi feels speechless. Doesn't he want to see her? Why is she so cold now that she seems to be pestering him to meet?

I'm just a little angry.

After a while, there was a message: "where shall we meet?"

The Shen family has some underground forces in Germany, but Bai nianxi has little

contact with them and doesn't know much about them. He hasn't been to Germany before. Bai nianxi thinks about it and doesn't want to run around.

"It's at Niston Hall." Niston Manor is the hotel where Bai nianxi lives now.

The whole hotel is a luxurious manor castle, with not only accommodation rooms, but also farms, wineries, high-grade restaurants and cafes, golf courses and so on.

There seems to be thinking about something, a long time back: "good."

The two made an appointment about the time and place, and they didn't talk any more. Anyway, we can see each other tonight. We can get to know each other, who are very mysterious strangers to each other.

After a short rest in the room and the jet lag, Bai nianxi cleaned up a little and went out of the hotel door to the cafe on the lower floor of the hotel.

At this time, there are more and more people in the cafe. The lighting, atmosphere and music are just right.

Bai nianxi decides a private room and goes straight inside. When he comes to a corner, he suddenly hears a familiar voice.

It's a man's voice, thick and magnetic. There's a different kind of sexuality in the low voice line. Although it vaguely reveals the dignity that people can't ignore, it's still so easy to sink.

After two years of hearing this voice, Bai nianxi felt that her whole body was suddenly stiff. Then her blood was slowly warming up and her life was slowly reviving.

Although it has been two years since he spoke German, his voice has been deeply rooted in Bai nianxi's heart.

That's the voice of Combe! Bai nianxi didn't realize that her hand had started to shake slowly.

The voice came from a compartment. It should be a business conversation. The owner of the voice didn't want to hide anything. It was low, steady and elegant.

Now, they are less than two meters away.

Bai nianxi couldn't move his steps, even his breath became stagnant. He reached out and tried to open the wooden door.

But I held back.

They can't meet yet.

Some stumble back to the reserved room, Bai nianxi's chest undulating, breathing unsteadily.

Conmobei is here

After calming down, Bai nianxi feels confused again. Why is kangmobei here? According to the itinerary reported, conmber is supposed to be staying in the Berlin Hotel in the center of the city now. Is it because he wants to talk about something that he comes here?

It's not impossible.

After calming down his breath, Bai nianxi took out his mobile phone and sent a message to Mr. Z: "have you arrived yet?"

After a while, "well. Where are you? "

Bai nianxi sent the number of the private room to Mr. Z, "I'm here."

"Good."

After putting down her cell phone, Bai nianxi sat in the box and thought about what she had just done. Although she set the meeting place in Germany and originally came to komobu, she was unprepared. Just hearing komobu's voice, she was about to defeat her calmness and rationality.

Just when Bai nianxi's mind was full of Kang Mobei, the door of the box was suddenly pushed open.

It's Mr. Z.

The man came in a pure white suit, with a bright red rose in his chest pocket. His face was a little anxious and he came towards her.

When the man continued to walk to the front, Bai nianxi found that the man's chest red into a piece, not roses, but blood!

The man came in, directly reached out and pressed the light switch on the wall, and the box became dark.

Bai nianxi is about to stand up from his seat, but unexpectedly, the man pounces on him and holds Bai nianxi in his arms.
