

# Billionaire CEO Won't Leave

## Chapter 270

"Are you sure it's forty-three degrees?"

Qin Nanfeng put the water cup on the table in front of Bai nianxi, slightly lowered his body and looked directly into Bai nianxi's eyes, with deliberate charm in his eyes, "once not much, once not good, just good."

Bai nianxi said, "then go down first."

"If Miss Bai doesn't believe it, you can measure it yourself." Qin Nanfeng gently picked the eyebrows. Bai nianxi just wanted to make trouble for him? He brought the water. How can she do without checking it?

"No more." Bai nianxi took out a napkin and wiped the corners of his mouth. He said, "I believe you."

Qin Nanfeng choked, a "you play me" expression on his face, and then his handsome face became more and more gloomy.

Shen Hedan watched Bai nianxi stand up from his seat and asked, "don't eat?"

Bai nianxi said softly, "I don't know why. I'm a bit off appetite today. I'll go back to my room first."

Although he is also trying to embarrass Qin Nanfeng, Bai nianxi is right. Since Qin Nanfeng entered her room without permission and had a close physical contact with her that day, Bai nianxi would feel disgusted whenever he saw Qin Nanfeng's sexy appearance.

Qin Nanfeng ha ha, looking at Bai nianxi's back, the light in his narrow eyes flashed.

Shen Hedan smiles and shouts to Bai nianxi's back: "then you'll see less messy things in the future."

Then he turned to Lolo's bowl and put some dishes in it. "Lolo, eat more."

Qin Nanfeng naturally knew what Shen Hedan meant, and his face returned to indifference. He also turned and walked out of the restaurant.

After Bai nianxi returned to the room, he turned on the computer. Mr. Z didn't send any more messages. The dialog box was very quiet.

According to the time written on the itinerary, conmobei should have returned to China at this time, right?

Just came back from Germany, Bai nianxi's work and rest rules have not been fully adapted. Although it's still early here, Bai nianxi has been trapped. After a hasty wash, he has a rest.

The next morning, Shen Hedan got up and went downstairs. Shen Hedan just came back from the outside with Luo Luochen. They were sweating. Shen Hedan still had a towel hanging around his neck. Luo Luo was walking in front of him. His face was powdery and his mouth was slightly panting.

Maybe it's because the gene is too good, or maybe it's because there's a maternal love filter. Bai nianxi looks at Lolo and likes it. Two years ago, Lolo was so cute, but now Lolo is handsome and provocative.

Lolo, six years old, is the most popular man in the family. Even if he has eye problems, it doesn't damage his image as a little prince in the hearts of the maids, and it makes people love him even more.

As soon as Lolo came back, she was surrounded by the maids, wiping sweat and feeding water for him, for fear that Lolo would be a little tired.

In contrast, Shen Hedan, standing on one side, seems to be left out in the cold.

Bai nianxi walks over to Luo Luo, and then she touches and hugs Luo Luo. She asks the maid to take Luo Luo down to take a bath.

Shen Hedan wiped the sweat on his forehead with a towel and squinted at Bai nianxi with a faint look in his eyes.

After being watched for a long time, Bai nianxi finally asked, "what do you always stare at me for?"

Shen Hedan's face reveals a trace of doubt, as if he can't understand Bai nianxi's reaction at the moment.

"Why, speak up."

Shen Hedan is puzzled. The incident last night was so big that Bai nianxi has no reason not to see it. How do you think Bai nianxi looks like today? He seems to have no response to it?

Thought about it, or asked: "you went to bed early last night?"

"Well, just came back from Germany, a little tired." Bai nianxi replied, "what's the matter?"

Shen He Dan narrowed his eyes. "You don't know what happened last night, do you?"

Bai nianxi also picked eyebrows, a "you say" expression.

"The pictures you put up for auction on the Internet were taken together." The corners of Shen Hedan's mouth slightly raised, "at the price of 150 million US dollars, he packed the four paintings together and took them away."

"What?" Bai nianxi's face finally appeared a trace of surprise, "four paintings together?"

Shen He delayed to answer a, see Bai nianxi this reaction, feel at last in the heart comfortable some.

With that, Bai nianxi took out her mobile phone, opened the web page, and went in. Sure enough, the four paintings were all taken at the highest price, and then packed together for \$150 million.

150 million US dollars, 1 billion RMB!

It's not only Shen Hedan who has been shocked by this event. Such a high auction price has attracted enough attention in the world.

The four paintings of the famous mysterious painter "Luoyang Qiushui" were photographed together for 150 million US dollars, which immediately became a big news. For a while, they dominated the world's major media. If the fame of "Luoyang autumn water" was only in the circle of painting and art for a time, now it is known all over the world.

Bai Nian Xi Ning looks at the mobile phone screen with her eyes. She sees that the person who photographed the painting is Mr. Z.

A touch of shock and suspicion flashed through Bai nianxi's eyes, but soon it was calm

again.

"It's Mr. Z." Bai nianxi said calmly.

On the contrary, Shen Hedan said uneasily: "you are calm. In other words, when you go to Germany this time, are you going to see Mr. Z? "

Speaking of this, Shen Hedan seemed to think of something. In his eyes, he sent out the light of eight trigrams. "What happened to you? Mr. Z spent so much money to take pictures of your paintings, not because you gave full play to your personal charm, right

Bai nianxi also thought, why does musili spend so much money to buy her four paintings? Does Mu Sili already know that she is "Luoyang Qiushui"?

But even so, Bai nianxi still can't understand. If he is interested in the stone, there should be no need to take the other three pictures.

Shen Hedan continued to spare no effort to speculate. He touched his chin and said, "since Mr. Z can spend so much money to buy some of your paintings, it shows that he has very good financial resources. Although my Shen family has a lot of money, I don't want you to follow a poor boy to bear hardships. I don't dislike this man's situation. I heard from an Qing before, He has seen the back of that Z, and he should be very handsome. When he walks through the crowd, the eyes of the women around him are staring at him. My sister is beautiful, and you can be very strong. The most important thing is sincerity... "

When Shen Hedan talked endlessly, Bai nianxi gave him a glance and turned to go upstairs.

"Miss, miss." Anqing rushed out from one side in a hurry, holding the latest version of the iPad in his hand, and his fingers were still swiping on the iPad screen.

Bai nianxi stopped and looked back, "what's the matter?"

Anqing looked up at Bai nianxi and said, "your personal account is suddenly charged with \$150 million!"
