

# Billionaire CEO Won't Leave

## Chapter 275

After a moment of silence, he slowly stretched out his hand and put his broad hand on Lolo's head. Lolo has grown a lot higher than he expected in the past two years. He used to reach his knees, but now he has reached his waist.

Good looking fingers caress Lolo at the same time, can not stop slightly shaking, he missed Lolo's two years of growth.

Feeling the gentle touch of the top of his head and the heavy momentum of his head, Lolo moved his mouth and called, "Daddy?"

On the small expressionless face, the long eyelashes trembled, just like a fawn pretending to be calm after being injured.

"Well." Conmber answered with a low voice, full of depression.

Lolo is stunned. Is it really daddy? Step forward two steps, want to rely on from the north of Como closer, suddenly a hand over, holding Lolo.

"Lolo, the wedding's starting. It's time to get back to your seat." Bai nianxi bent over and spoke softly to Lolo.

"He can be with me." Said conmobei suddenly.

Bai nianxi didn't dare to look up at Kangmo north before. At this time, Kangmo North opened her mouth. Bai nianxi had to raise her eyes. There was a slight consternation in her eyes.

This is the first word that conmbe said to her after more than two years of separation.

Kangmo north also looked at Bai nianxi, deep eyes like a huge turbulent vortex, as if to absorb Bai nianxi.

The emotion in the eyes of conmber is very complex, seems to be indifferent, and seems to have light expectations.

Bai nianxi doesn't want to break up their father and son. Now that kangmobei says so,

Bai nianxi looks at Luo Luo and respects his own ideas.

And Luo Luo also seems to be aware of the strange emotion between Kang Mo north and Bai Nian Xi. After being stunned in situ, he says, "Mommy, I'll go back with you."

There seems to be something between Mommy and daddy that he doesn't know.

Bai nianxi takes Luo Luo back to his desk and sits down. He reaches out his hand and holds Luo Luo in his arms. Luo Luo raises his head and asks, "Mommy, is that man really daddy just now?"

"Well." Bai nianxi answered bitterly.

She thought that she had become strong enough, but how in front of commobei, a heart more and more fragile.

The wedding of Wei Xia and ham went smoothly. After the wedding, all the guests came to the five-star international luxury hotel in the city, where there will be a dinner in the evening.

Bai nianxi goes back to the VIP room to have a rest with Shen Hedan and Luo Luo.

Shen Hedan went out first because he wanted to meet his friends. Lolo was sitting by the window with headphones on his ears. Because of his eyes, now Lolo read books in the form of listening to e-books.

Luo Luo listened very carefully and looked attentive. Bai nianxi didn't have the heart to disturb him. He sat alone, thinking about what happened to Kang Mobei at today's wedding, and was absorbed for a moment.

After a while, the door of the VIP room was pushed open and a woman came in.

The woman looks very young. She should be in her early twenties. Bai nianxi looks familiar, but she can't remember where she saw her.

After the woman came in, she looked around the room, as if she was looking for someone. Bai nianxi also looked over and found that the woman had an oriental face. Her facial features were small and delicate, with exotic customs. She should be a half breed.

"Where's brother Dun?"

The contact between Bai nianxi and Shen Hedan is only two years, but the relationship between them is very close. Shen Hedan's love for Bai nianxi can't be said. Bai nianxi

is also used to Shen Hedan's incongruous appearance in front of him. Although they are close, they get along with each other naturally and easily.

Hearing the girl's soft cry, Bai nianxi felt numb.

Since it's for Shen Hedan, Bai nianxi shakes his head: "he's out."

Woman Oh, went to the room to sit down, eyes fell on the body of Bai nianxi, eyes with a light look.

"Who are you?" Bai nianxi asked politely.

"I'm Ashley." The girl replied and asked Bai nianxi, "are you the woman who is standing beside her brother today?"

Bai nianxi hears the meaning of exploration in the girl's words and replies: "how?"

The expression on Ashley's face changed. She didn't believe it when she heard that Shen Hedan had a wife and children. Now she came here to see it.

She has been in love with Shen Hedan for seven years since she was an ignorant young girl.

Although Shen Hedan was eight or nine years older than her, she seldom had any contact with her. Even if she did, Shen Hedan only treated her as a child, but her attitude towards Shen Hedan would not change.

She has always wanted to grow up quickly. She thinks that when she grows up, she can marry Shen Hedan as she wishes. Shen Hedan has lived up to her expectations. For so many years, there have been no girls around her. She has hope. Just, why does Shen Hedan's side suddenly come up with such a wife, and their sons, have already been so big?

"Does brother Dan like you?" Ashley's expression was serious and serious, which made Bai nianxi feel funny.

A girl's mind can always be seen through by other girls.

"So what, so what?" Bai nianxi deliberately wants to tease Ashley. If such a beautiful young girl becomes her sister-in-law

Seeing the smile in the corner of Bai nianxi's mouth, Ashley was angry, "what are you laughing at? You haven't answered my question

"I think you'd better ask him that yourself." If she answers Ashley's question honestly, her identity will be a little suspicious.

Because it's not clear what Ashley's identity and background is, Bai nianxi can't answer this question rashly and expose her identity.

It's up to Shen Hedan to solve this problem.

"Then." Ashley was a little shy on her white and pink face. "Do you like my brother?"

Bai nianxi thought for a moment, but he didn't know how to answer.

It seems wrong to say yes or no.

"Oh, Ashley, why don't you just ask her if she's Mr. Shen's wife?" The girl outside couldn't listen. She pushed the door and came in.

White read Xi pick eyebrow, originally Ashley still hide behind the door of the backup group?

The girl who just came in was a pure white face and spoke pure English. She seemed to be Ashley's good friend, but she was a few years older than Ashley, almost the same age as bainianxi.

Different from Ashley, this woman looks at Bai nianxi with a wave of contempt and contempt in her eyes.

"Who are you?" Bai nianxi also asked in English.

"You don't have to know who I am. Just answer our question. Are you Mr. Shen's wife, yes or no?" The woman's tone is very impolite.

"Why should I answer your question if you don't answer my question?" Bai nianxi raised the corner of his mouth, "there are questions and answers. That's fair. What do you say?"

"Tyler." Taylor replied impatiently, then asked, "now you can say it?"

Bai nianxi smiles, "sorry, I don't want to answer your question."
