

Billionaire CEO Won't Leave

Chapter 288

Bai nianxi couldn't help but look closer. Sure enough, in front of him were a group of big men in white leggings. They were all young and hale and hearty. They were holding a long sword in their hands. They were waving their swords with the music. Their clothes were fluttering. They looked very immortal.

Bai nianxi couldn't help looking more, but it was these more eyes that made her find a prominent young face in a group of elders.

How could that be Shen Hedan?

I didn't know how to bend my knees before. Now everyone's posture is as tall and straight as a pine. Shen Hedan's slender height makes him stand out completely.

Bai nianxi feels that it's dark in front of him. Well, Shen Hedan runs to a group of elders. What's he doing with the sword dance???

Bai nianxi didn't suddenly take Shen Hedan out of the room. Instead, he stood by quietly holding his hand and watched Shen Hedan finish the song with appreciative eyes.

Don't say, Shen Hedan really matches this white training suit. The vertical training suit just outlines Shen Hedan's tall and slender figure. Shen Hedan's elegant white face is young and dusty, and he holds a long sword in his hand. It's really a fairyland.

Taking advantage of the interruption of music and the rest of the grand men, Bai nianxi pulls Shen Hedan out of the team.

Bai nianxi squints at Shen Hedan. His eyes have different meanings. He jokes: "who is the immortal going down to earth to rob me, please?"

Shen Hedan looks at Bai nianxi without expression, turns around and goes back to the team.

"Ai -" Bai nianxi grabs Shen Hedan in a hurry, "do you want to dance? I'm going to have a rest. "

Shen Hedan did not speak, but looked away.

"I said, do you really plan to retire early?" Bai nianxi felt funny. "It's getting late. Don't you have a meeting here in New York?"

Shen Hedan just took a light look at Bai nianxi, but Bai nianxi felt that there was some resentment in his eyes.

"Why do you think that about me?" Bai nianxi is puzzled.

Shen Hedan stares at Bai nianxi. The emotions in his eyes are inextricable.

Of course, there was resentment in his heart. What happened to him last night? Bai nianxi didn't think of it at all?

He was knocked down by a man! Down! What is this? What is it? Where does he put his dignity?? He is a man of indomitable spirit! Do you know how hurt he was? Do you know his psychological shadow area?

However, Shen Hedan is particularly calm at the moment.

On the face of a group of light clouds, Shen He Dan just hook the corner of the mouth, "I'm in self-cultivation, self-cultivation, self-cultivation, sex." Finish saying then elegant turn round to leave.

Bai nianxi stood in the same place and breathed.

It seems that the impact of last night's events on these three people is still far-reaching.

Conmber's room.

Conmber took Lolo out of the bath, ordered breakfast and brought it directly to the room.

Conmobei cut the sandwich and put it in front of Lolo. Then he peeled the eggs for Lolo and put them on the plate. The milk was warm and steady in front of Lolo's left hand.

"Can you see all this?" For fear that Lolo would be inconvenient to take things, and for fear that he would knock over the milk, he moved the milk cup to one side.

Lolo nodded. "Well, the doctor said my eyes are recovering well. Now I can see the outline of light and shadow."

Conmber stares into Lolo's bright eyes for a while. It's dark, but it's empty. The mood in the eyes deepened a little and said, "well, after the surgery, your eyes will be completely healthy."

"So I can see Mommy again." Lolo had a smile on his face. "You can see daddy, too."

Conmber looked at Lolo deeply, picked up the knife and fork, and cut the sandwich on the plate

Lolo lowers his head and eats breakfast. There is something on the corner of his mouth. Kangmobei looks up and sees it. He pulls a tissue and reaches out to wipe the corner of his mouth. Lolo is stunned when he feels kangmobei's action. Then he sits still and lets kangmobei clean it for him.

"Daddy, when are you going back?"

Conmber's eyes flashed, "today."

Lolo, oh, no more talking.

Conmobei looked down to eat breakfast Lolo, suddenly said: "I think you are now in good health."

This is a positive compliment.

When he left kangmobei, Lolo was only four years old. Two years later, the child did not remember many things. Even kangmobei's face was not so clear. He only remembered a tall, powerful and handsome outline. In addition, kangmobei's cold style and strict requirements made him seldom praise him.

After getting the praise from conmobei, Lolo was a little pleased, but he didn't show anything on his face. He just nodded and said, "well, my uncle always takes me to do sports and physical training. That's right. In the future, I won't be bullied by others. If someone dares to tie me up again, I'll throw him down with one punch!" "When I have a strong body, I can also protect mommy from harm!"

Conmobei's eyes deepened gradually. He slowly put his hand on Lolo's head and patted it gently. "Well done."

Lolo chewed a few more eggs and looked up, "Daddy. When can our family get together? "

After a moment's silence, conmobei replied, "soon."

Lolo lowered his head a little sadly, soon, soon, how long?

After Luo Luo finished his breakfast, kangmobei leads Luo Luo to Bai nianxi's room. Bai nianxi just takes a bath and rubs her hair. She comes to open the door. Seeing kangmobei in front of the door, she is stunned. Then she looks down at Luo Luo with a smile, "Luo Luo Luo is back?"

"Well, I'm back." Lolo answered positively.

Kangmobei looked at Bai nianxi, the color of his eyes was a little darker, "I sent Lolo back."

"Well." Bai nianxi answered and reached for Luo Luo's other hand.

Lolo's hand holding commobei has not been loosened. The three of them are standing hand in hand. They are a family.

Kangmobei took Luo Luo's hand tightly, then released his hand. Looking at Bai nianxi, his lips moved, "wait for me."

Bai nianxi didn't answer. He lowered his head. He was afraid that tears would fall down in a moment later. "Well, take care."

Kangmo North returned home, Shen Hedan also plans to take Bai nianxi and Luoluo back to Gobi.

Before going back, Shen Hedan said that he would take Bai nianxi and Lolo around New York. After all, they have been in the Gobi for too long and haven't seen the outside world in two years.
