

# Billionaire CEO Won't Leave

## Chapter 296

Bai nianxi and Kang Mobei have been entangled for such a long time, and finally come back to the origin.

At this time, the camera gives a close-up of kangmobei. Bai nianxi looks at the enlarged handsome face of kangmobei on the electronic screen, with sharp eyebrows, vigorous eyes, delicate facial features and sharp edges. It's kangmobei, but it's not like kangmobei.

To tell you the truth, there is no heartache in Bai nianxi at the moment. There is only a hole in my mind.

Lolo also heard the news from the electronic screen. Although the sound of the news was not very clear, Lolo still heard it.

He ran to the body, pick up in the window, high-profile news announced the engagement of the protagonist, his father is not wrong.

There is no expression on Lolo's face, because his eyes are wrapped by bandages, and he can't see the eyes inside. But the momentum revealed by his body always makes people feel that if Lolo's eyes are open at the moment, his eyes must be extremely shocked, disappointed and heartbroken.

Before the news was finished, the red light time had passed, and the driver stepped on the accelerator to start the car. Bai nianxi stopped him and said, "wait a minute."

The voice was very calm and there was no emotion at all.

Then, it is about the news of the wedding banquet between kangmobei and murushuang.

The engagement ceremony, just after the press conference, was held at gujue international hotel in a city.

If anyone had doubts about the marriage of Kang and Mu before, after all, the same

press conference was held more than two years ago, but once the news of the engagement ceremony came out, no one doubted it any more.

Kangmobei and murushuang are really getting married!

There was a loud horn in the back. The driver was sitting in front of him. He couldn't step on the accelerator without Bai nianxi's instructions. The car still stopped on the road steadily.

Someone came down from his car and walked to Bai nianxi's car in a vicious way. Originally, he could not help but scold. When he saw the Bentley, he changed his words a little. "I said, are you going or not! You don't... "

But before the man finished, he looked at the woman in the car and stopped.

This woman is beautiful.

More importantly, Bai nianxi is looking at him with a pair of stunned eyes. Bai nianxi doesn't cry. Her eyes are reddish and full of tears. She doesn't cry. She just has tears dripping down uncontrollably.

The man looked at Bai nianxi, unable to speak for a moment.

Bai nianxi recovered, looked at the man and said with a smile, "I'm sorry, I'm leaving now."

The elegant white Bentley disappeared, leaving the man still in the same place, as if he had been hooked.

"Mr. Bai, Kang's group, are you still going?"

The driver doesn't know what happened between Bai nianxi and kangmobei. He just saw the news. Kangshi group is running a big business. They are going to hold an engagement ceremony later. Is it not good for Mr. Bai to talk about business at this time.

Bai nianxi nodded, "go, go to gujue international hotel."

Gujue international hotel.

There are a lot of people here.

The money of comrades can go around the earth for more than ten times. It's no matter how much it costs to hold a banquet.

All the arrangements at the engagement ceremony were the best. Even one of the reporters who came to interview us was one. They prepared 18000 red envelopes and Chanel gift boxes.

Although no one has ever doubted the money level of conmobei, it is only today that we really feel how money is spent.

Bai nianxi and Luo Luo come to the front of the hotel. When they are ready to go in, they are directly stopped by the security guard at the door.

Although I saw that Bai nianxi was riding a luxury car with a special driver and dressed well, I knew that he was not an ordinary person. However, apart from the reporters who came to the engagement ceremony today, which one was an ordinary person?

The parking lot of the hotel is full of cars. Which one is cheaper than one million?

So the security guard just asked, "do you have an invitation?"

Bai nianxi seems a little absent-minded, "do you need an invitation to go in?"

"I'm sorry." The security guard laughed. "Mr. Kang said that today's engagement ceremony is unusual. No one is allowed to enter. You must have an invitation to enter."

Oh.

It turns out that she, together with Lolo, has become an idle person.

It turns out that she even needs an invitation to attend the wedding of conmbe.

Bai nianxi raised his mouth and said with a smile, "I don't have one."

Looking at Bai nianxi, the security guard thinks that this woman is a little strange. In addition, she has a child with her. How can she look like she's coming to the wedding.

"I'm sorry, you can't go in." The security guard simply refused.

"Can't I just go in and have a look?" Bai nianxi's words are like praying, but not like it. Just because the tone sounds really calm, it's like saying: I'll come here to watch the fun, OK?The security guard continued to shake his head and firmly refused, "no way."

Next to him, Luo Luo holds Bai nianxi's hand tightly for a few minutes. There is a

layer of sticky sweat between his hands. It's not clear whether it's Bai nianxi's or Luo Luo's.

"You'd better go. There are too many people here. You're stuck in the traffic here." The security guard just opened his mouth and drove people out.

Bai nianxi and Luo Luo are still standing in the same place, looking into the inside of Gujue Hotel, where is resplendent, where is full of friends, where is full of love, where is happy and peaceful.

Nothing has anything to do with her.

"This lady, you..." Bai nianxi and Luo Luo stand here, which makes the security guard really embarrassed. Just as Mu Sili passes by in a hurry, he is stopped by the security guard.

"What's the matter?" Musi asked very insipid.

"Mr. mu, look at this lady..."

Before the security guard's words were finished, Musi Li had already called out, "nianxi?"

Why do Bai nianxi and Luo Luo suddenly appear here, at the engagement ceremony of Kangmobei and Mu Rushuang?

The security guard has a good look. He sees that Musi Li and Bai nianxi are acquaintances. He doesn't speak any more.

Bai nianxi came back and looked back. Seeing that the man in front of him was Mu Sili, he asked, "Mr. mu, they are going to get married, aren't they?"

Mu Sili's eyes flashed something that people can't grasp, and then nodded.

"Well, may I go in?" Bai nianxi made a request.

Mu Sili's eyebrows are slightly closed. He doesn't know what Kangmobei and Bai nianxi mean to each other. If Bai nianxi is put in now, maybe they will ruin the engagement ceremony of Kangmobei and Mu Rushuang.

This marriage was bought by Mu Rushuang at the cost of losing one leg. He couldn't bear it.

But similarly, he couldn't bear to see Bai nianxi and Luo Luo waiting here.

After thinking for a long time, Musi Li winked at the security guard, "let it go, Miss Bai is my guest."
