

《Billionaire CEO Won't Leave》

Chapter 30

As a matter of fact, the company's current difficulties are mainly due to the inability of capital turnover, the rupture of the capital chain and the normal operation of other businesses. It only needs 50 million yuan to deal with the emergency.

But after the last time, Jiang's company has lost its credibility in the bank and can't lend a large amount of money. Yao Mei wants to share Jiang zhiang's worries and finds Bai nianxi.

Anyway, kangmobei is so rich that the salary for Bainian Xikai will not be low. No matter how poor it is, Bainian Xikai can borrow some money from kangmobei.

In a word, just let Jiang's company go through the crisis first, and then save for zhiang and xuanlin's future marriage just in case.

"80 million?" How can she get 80 million for her?

"How." Seeing Bai nianxi's reaction, Yao Mei's discontented face turned up, "our Jiang family is very kind to you, and they are very kind to you. You are not even willing to give us \$80 million?"

It's only 80 million yuan. Yao Mei said it too easily, but Bai nianxi couldn't afford so much money.

"I don't have so much money."

Thinking that Bai nianxi was rejecting himself, Yao Mei stood up, took the cool white water from the tea table and splashed it on Bai nianxi's face.

Water from Bai nianxi's face and down, wet Bai nianxi's clothes, Bai nianxi slowly opened his eyes, eyes is a piece of indifference, Yao Mei, is too much.

"When I call you auntie, I respect you as zhiang's mother. Zhiang is the man who has been with me for five years. I appreciate his contribution to me and will try to repay him."

"As for the Jiang family, I don't owe anyone except zhi'ang, and I don't owe you

anything. I know you don't like me all the time. It doesn't matter. I just hope you can give me the most basic respect. If you still treat me with this sarcastic attitude in the future, I'm sorry, I can't respect you any more."

Perhaps frightened by the momentum of Bai nianxi's speech, Yao Mei was short-lived and surprisingly did not reply.

"Besides, there is still friendship between zhiang and me. I will try to find a way for the 80 million yuan. But it's not for your face, but I can't bear to see zhiang's hard work go bankrupt. I hope you can make it clear."

With that, he called to the maid outside the door: "see off."

Yao Mei had never been treated like this by Bai nianxi. After she reacted, she was so angry that she raised her hand to fan Bai nianxi's face. "You dare to talk to me like this!"

Bai nianxi grabs Yao Mei's hand and his eyes are slightly cold. "Why don't you dare? I've said that if you don't respect me, I don't have to respect you

He threw Yao Mei's hand away and said, "also, aunt Yao, please make it clear that this is someone else's home, not a place where you can mess around."

Yao Mei was crushed for a while and was pushed out by the maid.

Bai nianxi stood in the living room and put his hair behind his ears.

Just said that to Yao Mei, but she is still Jiang zhiang's fiancée after all. Yao Mei is still her mother-in-law. When she comes back to Jiang's home, how can she get along with herself?

However, thinking of those nights when she was with kangmobei, she probably didn't have the qualification to be Jiang zhiang's fiancée any more.

In the evening, when kangmobei came back from work, he went to the sofa and sat down as usual. After Bai nianxi had done some psychological construction for himself, he stepped forward and poured a glass of water for kangmobei.

Conmobei's eyes with surprise, but still face unchanged took the water, this woman, today so obedient?

"Hungry?" Looking at Kang Mo North finished drinking water, Bai Nian Xi asked on his own initiative.

Conmobei's eyes looked like nothing. He didn't speak and nodded.

"I'll make food for you." Bai nianxi turned to the kitchen and suddenly thought of something and said, "by the way, Luo Luo said that you want to eat braised fish tonight. Do you want to eat it, too?"

Conmo North lips slightly curved, "I want to eat sweet and sour fish."

"Good." It doesn't matter. She just does two things.

"There's another kung pao chicken tonight. Lolo asks for spicy food. Can you have spicy food?"

Kang Mobei shook his head and said without any expression: "you can eat spicy food, but I don't want to eat spicy food."

“.....”

So she's going to make two portions of kung pao chicken?

"Good. I'll squeeze some orange juice for dinner. " Orange juice is his favorite drink. Is that ok?

"I'd like apple juice tonight." Conmber refused again without blinking.

Bai nianxi is sure that kangmobei is making trouble for her. Turning around, "Mr. Kang..."

"What can I do for you?" Without waiting for Bai nianxi to finish, Kang Mobei stood up from the sofa and looked at Bai nianxi with a smile.

How does Bai nianxi know?

The corner of his mouth curved slightly. It can be said that Bai nianxi's performance today is too abnormal. He can take the initiative to please him and accept his troubles again and again. What is it?

Besides, there is no one but Jiang zhiang who can make her beg him."Go ahead." Kangmobei put his hands in his trousers pocket and walked to Bai nianxi with indescribable emotion in his eyes. "If you have something to ask me, just say it directly. Don't try to please me."

Looking at Bai nianxi's stunned expression, Kang Mobei continued: "because even if you don't please me, I will help you."

Bai nianxi is more and more shocked. When did kangmobei be so kind?

Kangmobei looked at Bai nianxi with a smile and said, "because of Jiang zhiang?"

Bai nianxi did not deny it.

"He came to you for money?" There seems to be a sense of loss in the eyes of commobei. Although he let Jiang's company go last time, it's only a matter of time before the capital chain breaks.

"You, how do you know?" Bai nianxi asked in surprise.

Kangmobei didn't answer Bai nianxi's question, but directly asked, "how much do you want?"

Kangmobei's simplicity and cheerfulness make it difficult for Bai nianxi to speak. Although kangmobei has money, his money doesn't come from the wind casually. Will she give it to him

"Say it

Bai nianxi bit his teeth, "80 million."

80 million? Kang Mobei's eyes are covered with a layer of fog. He has sent someone to do follow-up investigation. The financial crisis of the Jiang family can be solved by 50 million yuan, but why does she want 80 million yuan?

Without much thought, conumber first agreed, "OK."

Bai nianxi is absolutely stunned. He looks at kangmobei with unbelievable eyes. How can he be so cheerful?

"It's only 80 million, but how can I not afford the price of a car, since my women have all spoken?" Kangmo North stepped forward two steps, carrying eyebrows, eyes full of a few threads of fun, the smile also let Bai nianxi feel inexplicably narrow.

Bai nianxi was very happy and said in a hurry, "I borrowed it from you. I'll give it back to you."

"Still?" Kang Mo north is glaring at eye to see Bai nianxi, "still calculate."

"Just promise me one thing."
