

Billionaire CEO Won't Leave

Chapter 307

Mu Rushuang hung up the phone, almost naked provocative general looking at Bai nianxi, nothing to say.

Bai nianxi said in a dry voice, "our company has a VIP reception room. If Miss Mu needs to wait for someone, you can go to the reception room first."

"Can't it be here?" Mu Rushuang looks at Bai nianxi naked and looks innocent.

"This is the conference room." Bai nianxi emphasized again.

"But I hope Mobei will push me out of here."

There was another silence in the meeting room. Apart from the tit for tat voice between Bai nianxi and mu Rushun, the rest was the breath of breath.

Mu Rushuang said that, even if Bai nianxi had any reason to drive mu Rushuang out of the meeting room, at this time, he could not say it without any position.

Otherwise, it's time for her to be jealous and resentful?

"Since Miss Mu insists on it, I can't help it." Bai nianxi pulled out a decent smile, "our meeting, continue."

Conmobei and moussili soon arrived.

Bai nianxi's meeting is not over yet. Although she is trying her best to adjust her mood, it's hard for the people under her to notice that she is different. Only she knows that she can't do it just to let her face her admiration.

When kangmobei pushed open the door of the conference room and came in, he heard Bai nianxi's voice first.

Bai nianxi is talking about the company's plan for the next quarter to the people under the seat. When he hears the sound of commo pushing the door to the north, he becomes stiff, chokes in his throat, and then spits out what he wants to say.

A pair of as if nothing had happened, pretending not to care about the appearance of conmobei has come in.

Even if the eyes of the people in the meeting room have gathered on the body of conmber.

Is it an illusion? How do they feel that the first thing they see when conmber comes in is Bai nianxi?

"Mobei, are you here?" Mu Rushuang raised her head and said to Kang Mobei, with a smile on her face.

"Well." Kangmobei lowered his eyes to see the admiration like frost, and his low voice seemed to be different and gentle at the moment.

Most of you have met Kang Mobei. At the meeting of Qianqiu group last time, this man came to their meeting room and swung up his sleeve to lift President Xie from his seat for a round.

At that time, kangmobei was arrogant and wanton, which was not the gentle appearance now.

At the same time, Bai nianxi's voice stopped. She was afraid to speak again. The choking in her voice would betray her.

But from the beginning to the end did not look to the other side of the north and mu Rushuang.

Why does she have to torture herself?

"Why are you here?" Conmber asked like a routine question, but this question, to others, was full of deep concern.

"Let me see." Mu Rushun, as if nothing had happened before, "you see, who did I meet? Our old acquaintance, Bai nianxi, Miss Bai. "

Bai nianxi doesn't want to pay attention to the two people who seem to be affectionate, but mu Rushun forces her to turn her head.

When he heard Bai nianxi's name, Kang Mobei's body was also stiff. He naturally saw it when he came in.

Although he knows that his eyes can't stay on Bai nianxi, he naturally greedily wants to see her more. He talks with mu Rushun, even the light in his eyes is her.

I know how hard it will be for two people to pretend nothing happened when they meet in this situation, but mu Rushun wants them to come here and now to face this reality.

Bai nianxi clenched his fists and put his nails in the palm of his hand. He paralyzed the pain in his heart with the pain of his body. He took a deep breath and turned to walk over with a warm smile on his face.

"Hello, Mr. Kang."

It is clear that she has called her name countless times, but now she makes a sound, but it makes people feel like a lump in the throat.

Kangmobei also looks at Bai nianxi and says, "hello."

In the meeting room, everyone's eyes were on the two people. When they said hello, they raised their eyes and raised their ears, hoping to find something extraordinary. However, they were very calm, and there was no difference in the picture.

It's just uncomfortable, and I don't know where it is.

"Miss Bai, you didn't come to my engagement banquet with Mobei a few days ago. We all feel very sorry. You must come to the next wedding banquet." Mu Rushuang hooked the corner of his mouth, with a smile on his face.

She didn't know what kind of mentality she had.

She only felt that her heart was very painful, and she couldn't wait to transfer the pain to others. Seeing others' pain clearly didn't make her feel better.

Bai nianxi swallowed his saliva unconsciously.

Marriage Is it a feast?

Their wedding banquet? Is she going? What are we going to do? Watching them together? What she can't do, how can she do it

Bai nianxi's expression was stunned, and his eyes slowly became blurred. After mu Rushuang finished, Bai nianxi didn't say a word.

"Nianxi? On the eve?"

Vaguely, it seems to hear someone calling his name. Bai nianxi raises his head, and

douda's tears fall from his eyes. At the same time, musili quickly takes Bai nianxi into his arms.

Bai nianxi's face leans on Mu Sili's face. The tears fall down on Mu Sili's skirt. No one can see the tears that once fell, just like Bai nianxi never cried.

Musi Li seems to be a happy face, \ "nianxi, long time no see, I didn't expect to see you here. \"

there is no trace of intention in the action of Musi Li, just like a pair of good friends who haven't seen each other for a long time. Soon, Musi Li stepped back and opened the distance between him and Bai nianxi.

Simple action, for Bai nianxi embarrassed in invisible.

After Bai nianxi left his arms, everything on his face returned to normal. "Long time no see, miss you. \"

this inexplicable and harmonious scene makes the people in the conference room confused. According to the development situation just now, shouldn't it?

Suddenly think of Bai nianxi and Mu Sili, it seems that there has been a rumor?

Mu Rushun coldly looks at Bai nianxi, and Mu Sili beside Bai nianxi. She knows that her brother is also committed to Bai nianxi.

\ "Mo Bei, take me back? \ "Murushuang said.

Kangmobei's eyes have been fixed on musili since musili came. Until murushuang opened his mouth, kangmobei took back his eyes and pushed murushuang away.

The sound of walking away sounds heavy.
