

Billionaire CEO Won't Leave

Chapter 314

Evidence?

Anqing coldly takes out his mobile phone. Fortunately, there was a reminder from young master Luoluo at that time. He takes out his mobile phone and takes a picture of all this. Now he releases the video of the mobile phone. It's clear who is right and who is wrong.

Hearing what Tong Xuan said to Luo Luo in the video, Bai nianxi's face is as cold as ice.

"How to solve it?"

"What do you want to do?" The man still didn't want to admit his mistake at all, just lightly kicked Tong Xuan, "I said you are a boy, even if you commit a crime, how can you even beat people?"

After kicking, looking at Bai nianxi, "well, I've taught him a lesson now, satisfied?"

"Sure enough." Bai nianxi sneers scornfully, "barbarism can come down in one continuous line."

Hearing the irony in Bai nianxi's words, the man's face changed. "When I'm polite to you, I advise you to stop. My nephew was injured in your son's hand. We haven't settled the account yet."

"Do you have poor eyesight or something? Who did you do it first

"See clearly, it's my nephew. That's right." The man nodded, "but if you have something to say, just hit you, you have to fight back?"

When a man speaks, he slightly raises his head and puts his hands in his trousers pocket. He looks like an invincible rogue.

Bai nianxi also nodded his head, then slapped him.

No one thought that Bai nianxi would greet him directly, because he was not on guard. This slap actually fell on the man's face.

"Pa!" The sound is very clear.

All people are directly Leng there, they don't know the identity of Bai nianxi, but the identity of Zhuo Ziyi is clear.

Tong Xuansheng is in a bureaucratic family. Almost all the people in his family hold important positions in a city government. Zhuo Ziyi is Tong Xuan's uncle and the son of the head of a city police department. At a young age, he holds important positions in the police department.

Although I know that all the families who can come to this noble primary school are rich or expensive, who is free to provoke Tong Xuan and Zhuo Ziyi?

What's more, Bai nianxi slapped Zhuo Ziyi in public?

"You want to die?" Zhuo Ziyi sticks out his tongue and licks the blood at the corner of his mouth. His eyes are sinister. He almost reaches out his hand to carry Bai nianxi's clothes at the same time.

He was stopped by Anqing in front of Bai nianxi. Bai nianxi stood still and said sarcastically, "how come you still started with me?"

"I can't say something well, but if I hit you, you have to call back?"

Bai nianxi hooks the corner of his mouth and turns back what Zhuo Ziyi said before.

Zhuozi looks ugly. It's the first time that someone has done this to him in public. But after all, it's in full view here. He's also a public official of the government. It's not right to attack a woman.

Zhuo Ziyi steps back a few steps, and his chest is up and down with anger. He calms down slightly and looks at Bai nianxi with his eyes hooked. His gloomy eyes make people feel cold.

Bai nianxi glanced at his watch and said, "this gentleman, I'm not in the mood to continue to waste time with you. I'd like to ask you to decide whether to apologize or not."

"How about apologizing? How about not apologizing?"

Bai nianxi shook his mobile phone in his hand. "If you don't apologize, I'll see you in the headlines three days later."

The video in the mobile phone is spread to the Internet, which will surely set off a bloodbath. No matter how powerful the children's family is, they can't bear to watch their children being rolled into the center of public opinion, can they?

"You dare."

"Try it." Bai nianxi smiles. For Luo Luo, what dare you do?

Although I don't know what Zhuo Ziyi's background is, the more arrogant he is, the more he can't bear the trouble of negative news.

Zhuo Ziyi squints at Bai nianxi. It's hard to understand in his eyes. After a long silence, he presses Tong Xuan's head beside him. "Boy, apologize."

Tong Xuan widens his eyes and looks up at Zhuo Ziyi, as if he can't believe that his uncle will make him apologize. From childhood to adulthood, this is his first defeat.

"What are you looking at?" Zhuoziyi tone is not good, and according to Tong Xuan's head, "apologize."

After all, Zhuo Ziyi still can't resist. Tong Xuan's eyes are full of tears, and he almost says angrily, "I'm sorry!" The tone of the speech is not like an apology at all.

Bai nianxi leads Luo Luo, turns to walk back, "walk, son."

It's also a look of disdain for Tong Xuan's apology. Zhuo Ziyi and his party were livid.

Bai nianxi finally chose a cleaner public school for Lolo. The children here are less likely to have trouble.

That evening, Bai nianxi received an e-invitation. It's about an invitation to an art exhibition, which was sent to the painter "Luoyang Qiushui".

Bai nianxi took a look at the contents of the invitation and directly replied to a letter of refusal.

She didn't intend to disclose the fact that she was the famous mysterious painter "Luoyang Qiushui". She had received many invitation letters for the exhibition before, and she refused them directly every time. Her private e-mail account was specially encrypted, so she was not afraid of being traced back to her IP address.

After returning the email, Bai nianxi suddenly thought of a person, Mr. Z.

It seems that they haven't contacted each other since then. She gave the painting to him and he gave the money to her. After the transaction, Mr. Z seems to have disappeared.

Before, she thought that Mr. Z was musili, but from what happened later, it should not be him. Who would it be?

Bai nianxi thought for a while, but he didn't think of any clue, so he just put himself back into work.

Now, she needs to find something to do for herself. It's OK to do anything, so that she doesn't have time to think of combo north.

"Mr. Bai, the new plan of the project department, have a look." Xiang ran walks in from the outside door of the office and puts his plan on Bai nianxi's desk.

"Well." Bai nianxi answered a, put down the work in hand, turned over the plan on the table, looked at it carefully, and found no problem.

It's just that there is a post it note in the planning case, which is deep in the file page. If you don't look carefully, you can't find it at all. On the post it says, "do you want to pick a bone out of an egg? This time I'll see what else you can use to make trouble for me. "

Bai nianxi's face closed the plan and put it aside. "Who did the plan this time?"

"Yu Feixue." Xiang ran replied honestly and said, "deputy director Yu seems to attach great importance to this plan. He stayed up late in the company until midnight yesterday and checked it several times after finishing it."
